

The FIAT® 500e generates confidence with an extensive range and charging features. Its 42-kWh battery will take you up to 227 km (149 mi)¹⁸ on a single charge. A versatile Smart Charging Port enables AC home charging,² as well as public AC and DC fast charging, the latter delivering a 0 – 80 percent charge in as little as 35 minutes.³ Three-colour LED feedback lights give you the charging status at a glance.

^{*} A note about this brochure: all disclosures can be found on the last page.

features exclusive "GA" logo wheels and more.

WARRANTIES

Standard coverage includes: Basic Limited Warranty — 3 Years/60,000 Kilometres, High-Voltage Battery and E-Propulsion Warranty — 8 Years/160,000 Kilometres, Anticorrosion Perforation Limited Warranty (outer panel) — 5 Years/160,000 Kilometres, Roadside Assistance — 5 Years/100,000 Kilometres with services, including Flat-Tire Service, Battery Assistance, Lockout Service and Towing Assistance. Visit your FIAT retailer for additional details, eligibility and restrictions.

1. Driving range based on Government of Canada approved test methods and full battery charge. Actual range may vary based on several factors; including temperature; terrain; battery age; vehicle model; loading; Heating, Ventilation and Air Conditioning (HVAC); use; and maintenance. 2. Installation and configuration requirements may apply. Before purchasing or installing the in-home Level II Home Charging Station, customer should ensure that the system is compatible with their home's electrical system. Electrical system upgrades may be necessary to ensure compliance with all applicable codes and regulations. Please consult a professional installer for full details. 3. Based on manufacturer's estimates. 4. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 5. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 6. All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions (including services) limitations) and the Connected Vehicle Privacy Policy. 7. Three-month/IGB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 8. Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 10. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 11. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 12. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 13. This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 14. Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 15. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions.
