

The 2026 Seltos

Movement that inspires

Leading the way with innovation.

Offering refined and distinctive styling, innovative technology and safety features, and available turbocharged power, the 2026 Seltos is built to deliver more.

10.25" TFT LCD supervision cluster¹
provides you with vital driving info, while you stay focused on the road.

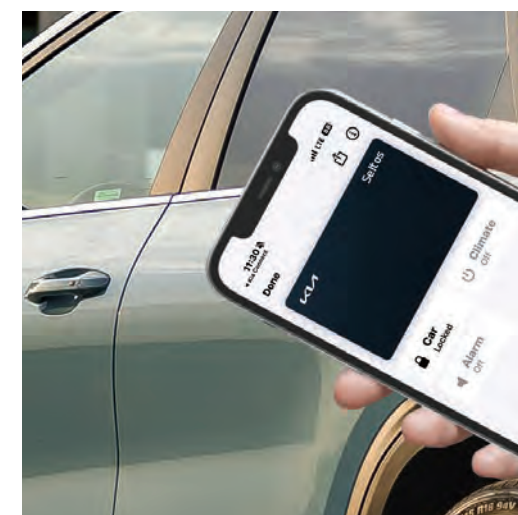

Heads-up display (HUD)¹
subtly projects key driving information on a secondary screen above the steering wheel.

Technology that puts you in control.

The cabin of the Seltos is built around the driver, emphasizing clean design, excellent sightlines and intuitive control over every element of the driving experience.

10.25" multimedia interface^{1,4}
with integrated touch-screen navigation.

Digital Key 2 Touch¹
makes your smartphone your car key. It also lets you transfer a secure digital key to others who may need to drive the vehicle.

¹ Available feature. See features page or visit kia.ca for full details. International model shown.

EX Premium model shown.

The inside story.

The 2026 Seltos tells a story of roominess and comfort, featuring standard heated front seats and available amenities that include automatic climate control, beautiful Sofino leather seating and a convenient driver seat memory function.

Automatic climate control¹
lets you set your ideal cabin temperature.

Bose premium audio^{1,10}
delivers crystal clear and balanced sound.

¹ Available feature. See features page or visit kia.ca for full details. International model shown.

Pack everything.

Head out on your next great adventure without leaving anything behind. The Seltos has the flexibility and space to carry all your essential cargo - and then some.

Easy cargo access

for up to 1,778 litres (62.8 cu. ft.) of cargo space.

Power liftgate¹

opens automatically if you stand next to your vehicle for three seconds with your Smart Key —especially helpful when you have your hands full.

Dual-level cargo floor

lets you adapt the cargo area to your needs.

Integrated roof rails

help you transport oversized cargo.

¹ Available feature. See features page or visit kia.ca for full details.

Advanced safety.

The Seltos comes with more standard safety features than ever before. Enjoy peace of mind, knowing that its next-level technologies are helping protect you and your passengers.

Forward collision avoidance assist²

is designed to detect and alert you if a potential front collision is imminent, and can also automatically apply the brakes, if necessary.

Blind-spot collision-avoidance assist²

uses radar to detect vehicles in your blind spot and may apply braking power when an approaching vehicle is detected within a certain distance, next to or behind your vehicle.

Lane follow assist²

uses a camera at the front windshield to detect lane markers on the road to help keep you in the centre of your lane.

Rear cross-traffic avoidance-assist^{1,2}

helps detect approaching cross traffic when in reverse. When approaching cross traffic is detected, the system alerts the driver and may apply brakes.

¹ Available feature. See features page or visit kia.ca for full details.
