VALIANT FOUR-DOOR SEDAN

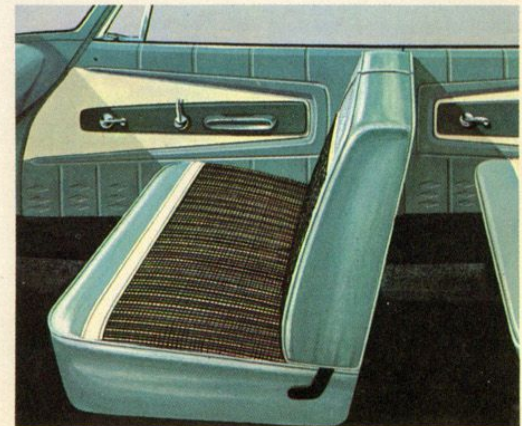

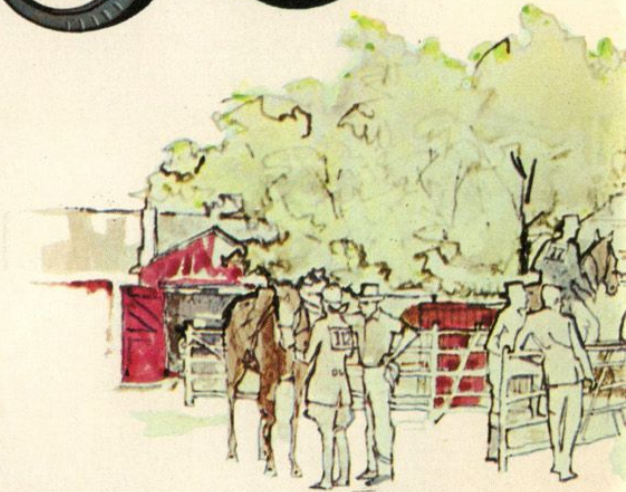

Valiant

V 200 SERIES

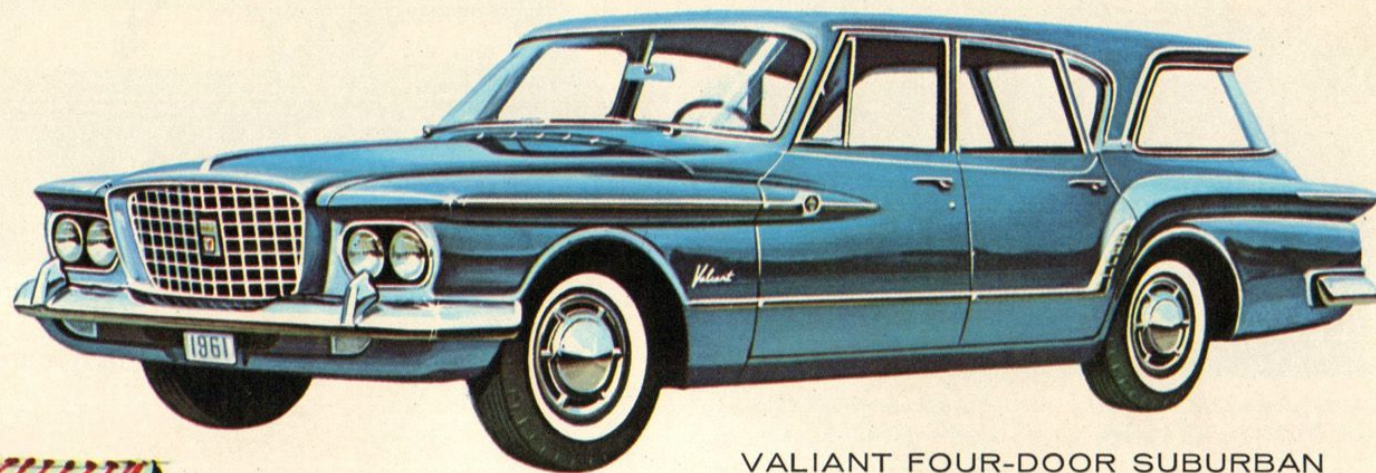

A BRAND-NEW TWO-DOOR HARDTOP PLUS MANY OTHER DAZZLING NEW FEATURES MAKES THE '61 VALIANT "THE CLASS OF THE COMPACTS"

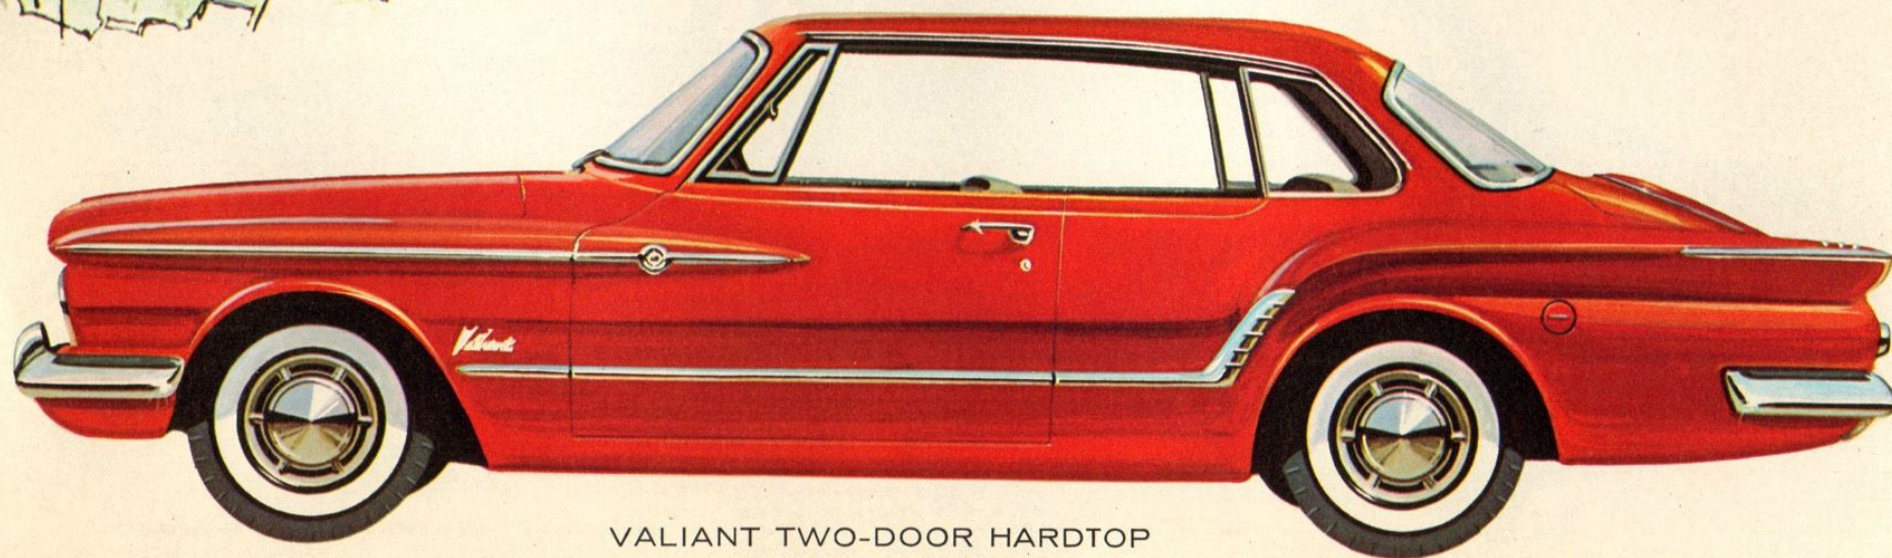

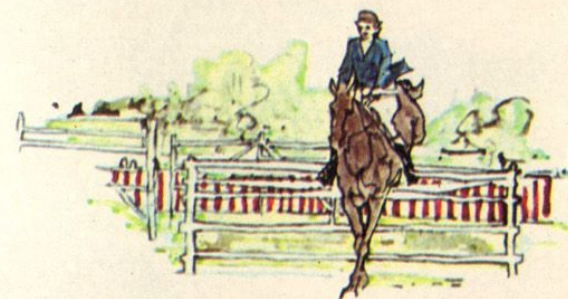

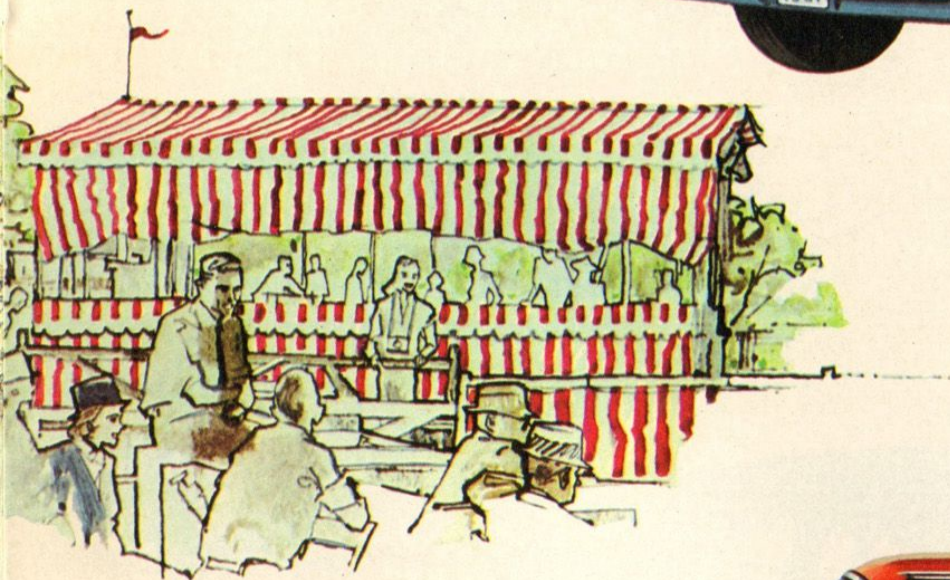

Valiant has established itself as Canada's best loved compact. It sailed through every test, every trial to which it was subjected. Canadians appreciate its clean, fresh styling with a Continental flair ... its crisp, snappy performance ... its roominess ... its luxury ... its economy. Now for 1961 Valiant goes even one better. A brand-new two-door hardtop has been added to the V 200 series and dozens of improvements have been achieved right throughout the line. For 1961, Valiant with a range of models to satisfy any driving need, is indeed the compact of all compacts. A car you'll be proud to own ... proud to show off. Illustrated on these two pages are the three dashing models of the V 200 series ... four-door sedan ... four-door suburban and the all-new two-door hardtop.

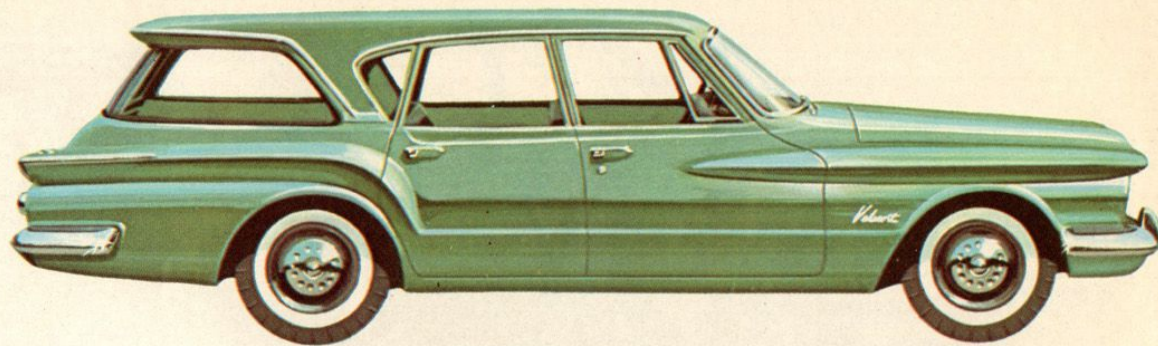

This is one of the many beautiful interior combinations available in the V 200 series. Fabric and trim are easily cleaned and long-wearing. Seat material is made of nylon-viscose fabrics, bolsters and door trims are a combination of smooth grained vinyl.

V 100 SERIES

VALIANT FOUR-DOOR SEDAN

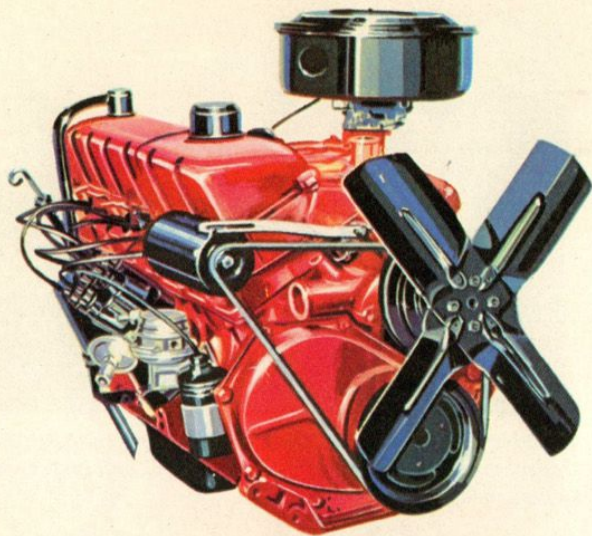

For '61 the Valiant V 100 series offers everything an up-and-coming family on the move could want! A choice of three body styles . . . the popular four-door sedan, a big roomy four-door suburban and the latest addition to the V 100 series the smart new two-door sedan. Peak performance from the lively slant six engine . . . room to spare for six luxury-loving people (plus their luggage) . . . beautifully appointed interiors . . . style to outclass anything on the road . . . and economy, real economy! This is the car to save you money every mile you drive . . . lets you spend on fun what you save on gas. Test drive the '61 Valiant and discover how driving is suddenly fun again.

This handsome multi-colour interior for V 100 Sedans harmonizes beautifully with any colour Valiant you should choose, wears well, cleans easily.

VALIANT TWO-DOOR SEDAN

GREATEST ENGINE IN THE COMPACT FIELD

One of the biggest points of difference between other compact cars and the Valiant is this agile, 6-cylinder engine—101 horsepower with a displacement of 170 cubic inches and a compression ratio of 8.2 to 1. It's different, too, because it's slanted 30 degrees to reduce the engine height, to eliminate waste space under the hood, and to permit a highly efficient manifold system. How efficient? Well, you get top performance and top economy too! Without a doubt, the Valiant inclined "Six" is the finest in the compact field.

RUSTPROOFING

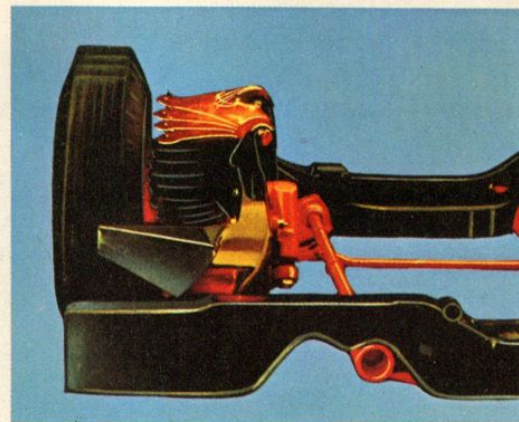

Bodies are actually immersed six times for special cleaning, rinsing, and rust-proofing treatments. This is the one-piece, solid Unibody from Chrysler Corporation, welded into an integral, girder-like, fortress that practically eliminates every kind of squeak, rattle or groan

THE "EXTRAS" THAT ARE STANDARD ON VALIANT

From front to end, Valiant is a quality-built, completely finished automobile. Nothing has been spared to make sure you get the maximum comfort and performance. The Valiant inclined 6-cylinder engine is the best in its field.

The gleaming chip-resistant exterior body finish, the tight, smooth-riding Unibody construction, the interiors, the doors, the instrument panel . . . yes, from road to roof everything is expertly engineered and manufactured from top quality materials. Chrysler Corporation is as proud of Valiant as you will be.

TORSION-AIRE SUSPENSION

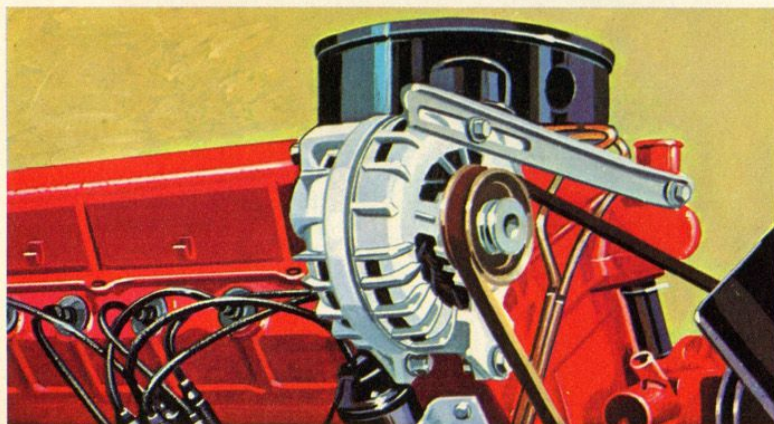

A special version of Chrysler Corporation's famous Torsion-AIRE suspension gives Valiant the type of ride and handling ease you'd expect from cars that cost up to twice as much. This remarkable system of torsion bars, ball joints, Oriflow shock absorbers, and asymmetrical leaf springs smooths out bumps, helps prevent dips and sways and assures greater stability on curves.

FACTORY INSTALLED OPTIONAL EQUIPMENT YOU'LL WANT TO CONSIDER INCLUDES:

SAFETY PADDED INSTRUMENT PANEL
WINDSHIELD WASHER
VARIABLE SPEED WINDSHIELD WIPERS
POWER OPERATED TAILGATE WINDOW (Suburban)
BACK-UP LIGHTS
SOLEX SHADED SAFETY GLASS WINDSHIELD
FRONT AND REAR BUMPER GUARDS
HEAVY-DUTY SUSPENSION (including front and rear shock absorbers)
ALTERNATOR-40 AMPERE—REPLACING GENERATOR
ENGINE BLOCK HEATER
RADIO
PUSH-BUTTON AUTOMATIC TRANSMISSION

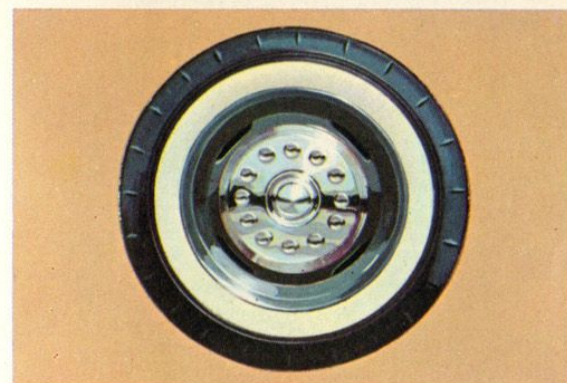

NEW CHRYSLER BUILT ALTERNATOR

The Chrysler designed and built alternator replaces the conventional generator as an optional equipment item. It contributes materially to performance and economy because it assures a high charging rate at low engine speed and keeps charging the battery in slow congested city traffic and other adverse driving conditions, thus ensuring longer battery life.

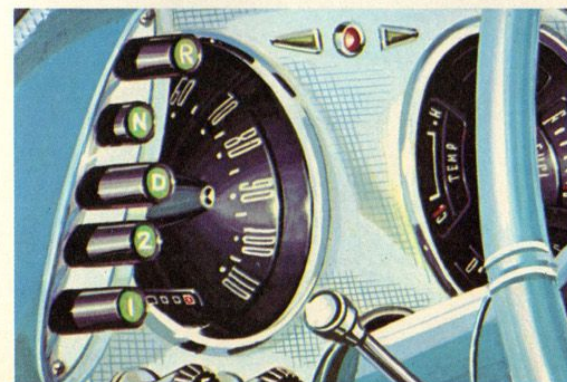

DELUXE STEERING WHEEL WITH HORN BAR

This deluxe steering wheel is optional equipment on V 100 model only. Horn ring is standard on V 200 model.

WHITEWALL TIRES

Optional whitewall tires add dramatic finishing touch to the classic Valiant design. Available on all models.

PUSH-BUTTON AUTOMATIC TRANSMISSION

Positive-action push-buttons control operation of 3-speed TorqueFlite-6 transmission. Optional on all Valiants.
