

CHRYSLER D-50.

IT'S ALL WORK AND A TONNE OF FUN.

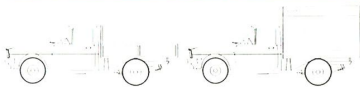

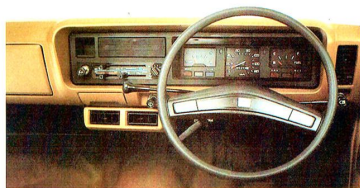

D-50 COMMERCIAL CAB/CHASSIS.

Meet the worker. A tough, rugged commercial that has all the comfort of a passenger car.

The economical 1.6 litre Saturn engine gives you the strength you need to get the job done. It provides the torque to pull you through but doesn't build up huge fuel bills. It'll haul your payload comfortably.

Inside there's plenty of head and leg room for the tallest Australian driver. The seat, angled for correct support adjusts backward and forward over a wide range. You get features such as a passenger car dash, extra storage space behind the seat and a big, rear window, curved to prevent blinding headlight reflection in the rear-view mirror.

D-50 RECREATIONAL.

Meet the fun member of the D-50 family. It has all the attributes of its working partner, the only difference is it would rather work at having fun.

So it comes with a 2 litre, Silent Shaft engine, radial tyres and a payload of 500 kg to take you where the action is. And it does it in style.

With single rectangular headlights. Wheel trim rings. Bucket seats. Radio. 4-on-the floor. Sports steering wheel. Floor carpet and console. Tilt steering column and optional striping package.

Recreational model shown with optional striping package.

Features.

Power boosted front disc brakes. Dual headlamps. Laminated windscreen. Vent wing window. Exterior tie down hooks. Locking fuel filler door (Ute only). Rear mud flaps. Bench seat with forward tilt back. Door arm rests. Two spoke steering wheel. Hazard flashers. Parcel tray.

Additional Features (Recreational model only).

Single rectangular headlamps. Smooth tray body finish. Internal tie down bar. 4 speed floor shift. Wheel trim rings. Bucket seats. Floor carpet. Floor console. Unique seat trim material. Sport steering wheel. Tilt steering column. Radial tyres. 2.0 litre Astron engine with transistor ignition. Radio.
