## 1984 DODGE ARIES

THE BEST SIX-PASSENGER  
FRONT-WHEEL DRIVE CAR  
YOU CAN BUY.

*It's America's first front-wheel drive family-sized car. The car that turned the world on to American technology.*

*And for 1984, Aries continues to offer proven value. With advanced engineering. Outstanding fuel efficiency. A sleek, quality-built body. And excellent resale value.*

*Dodge Aries. The highest mileage, the lowest price, the best warranty, and the best overall value of any car like it. Dodge Aries SE two-door sedan, shown in Radiant Silver Crystal Coat.*

**1984 DODGE ARIES FOUR-DOOR SEDAN.  
THE DRIVING EXPERIENCE KEEPS  
GETTING BETTER.**

Aries began as the answer to the changing needs of America. A strong family car that would last. Early on, it exceeded those requirements to become a leader in the American driving revolution—a revolution called Dodge.

The Aries four-door sedan is thrifty. Affordable. With front-wheel drive efficiency. Four-

door convenience and six-passenger comfort. A perfect car with a perfect fit.

Above all, Aries is a car that's quality built throughout. Materials such as pre-coated steel and galvanized metal help ensure that Aries is built to last. Meticulous attention is paid to every detail of construction. And with the help

of computers, robots, and the very latest technology, Aries has set a standard for state-of-the-art fuel-efficient automobiles.

For 1984 Aries continues its drive to the top. Enhanced by a new front grille with distinct black accents and Pentastar. And graced with new standard deluxe wheel covers. Inside, a handsome new instrument

panel features a full complement of gauges, including fuel, temperature and voltage indicators, and a handy trip odometer.

The 1984 Dodge Aries. Isn't it time you got something more out of your driving experience?

Dodge Aries SE four-door sedan, shown in Mink Brown.

Enter a lineup of leaders... the Dodge Aries two- and four-door sedans, and Dodge Aries wagon. With the help of a revolutionary 2.2-liter engine and four-speed manual transaxle, they are rated at [29] EPA EST MPG, 41 estimated highway.\*

*\*Use EPA EST MPG numbers for comparison. Your mileage may differ depending upon speed, weather, and trip length. Actual highway mileage probably will be lower than highway estimate (estimates for two-door and four-door models only; see page 10 for wagon estimates). California [27] EPA EST MPG, 38 estimated highway.*

*About this catalog. We have tried to make this catalog as complete as possible. And we hope you find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.*

*Some of the equipment shown or described throughout this catalog is available at extra cost.*

**FIVE-YEAR/50,000 MILE LIMITED WARRANTY**  
Chrysler Corporation feels so confident about the quality and performance of all Dodge models that upon expiration of the normal 12-month/12,000-mile new vehicle limited warranty, limited warranty coverage is

extended on power train components, including engine, transmission/transaxle and axle—plus outer panel rust-through protection—to five years/50,000 miles, whichever comes first. A deductible may be required. Fleet and lease vehicles excluded. See your dealer for details.

Designed to put the American public back on the road, Aries has done just that. And in so doing, Aries has more than done itself and Chrysler proud.

Dodge Aries SE two-door sedan shown in Pearl White, and the Aries SE wagon in Mink Brown Pearl Coat with woodgrain trim.

## INTERIOR COMFORT YOU CAN COUNT ON.

*Dodge Aries SE interior.* The Aries SE features a precisely finished interior that's finely tuned to your needs. An interior specifically tailored to provide a sophisticated yet relaxed driving environment for up to six passengers.

A quality all-cloth split-back front bench seat with fold-down center armrest and adjustable head restraints is standard.

You can also order attractive optional all-cloth bucket seats that feature dual recliners and a center console with

freestanding center armrest. And the Aries SE is long on leg, hip, head and shoulder

room, so plenty of comfort also comes standard.

While you're on the road, you won't have to deal with interruptive outside noise. Aries SE handles that problem with spe-

cial sound deadening materials. And a refined suspension system helps Aries flatten the road for you.

This is an interior that was designed and coordinated especially for you. And it shows. Aries SE four-door sedan

interior, shown here with standard cloth-and-vinyl split-back center armrest bench seating in Light Brown/Beige.

**1984 DODGE ARIES TWO-DOOR SEDAN.  
SUCCESS SPEAKS FOR ITSELF.**

When it comes to reliability, comfort and convenience, the 1984 Dodge Aries two-door sedan comes on strong. Your Aries experience starts with a Chrysler 2.2 Trans-4 engine. A

truly dependable piece of machinery that has proven its worth in millions upon millions of miles of daily use.

Add on contemporary styling and aerodynamic grace. High fuel efficiency and easy ser-

viceability. Smooth ride and handling. Aries has them all, plus a standard of quality unprecedented in the history of fine Dodge cars.

Beneath every Aries mirror-like finish lies a seven-step dip-and-spray process, designed

to help keep the word corrosion out of your vocabulary.

Behind every high-tech, high-precision Aries stands a team of computers. Making sure that materials are right before they become part of any Aries. Help-

ing to ensure that you get a car that's built to last.

And for 1984, Aries offers increased driving range, thanks to a new larger capacity 14-gallon fuel tank.

Come meet the 1984 Dodge Aries. Then look at the bottom

line... the price. You'll see why we say—When you consider everything, you won't consider anything else.

Dodge Aries two-door sedan, shown in Crimson Red.

**1984  
DODGE ARIES WAGON.  
YOUR FAMILY SHOULD HAVE  
MORE FRIENDS LIKE THIS.**

One of the nicest things about the Aries wagon is its ability to fit right into almost any family activity. Whether it's vacationing, car pooling the kids, shopping, or carrying a Christmas tree home for the holidays, Aries is ready to respond.

Inside the Aries wagon there's room for six, plus 34.4 cubic feet of cargo space. Fold the rear seat down and you seat three, with a whopping 67.7 cubic feet of cargo room to spare.

The Aries wagon is easy on the family finances too, with a fuel efficient standard 2.2-liter engine. Coupled with a smooth four-speed manual transaxle, the 2.2-liter engine delivers an outstanding [28] EPA EST MPG,\* 40 estimated highway—the kind of fuel economy that many

wagon manufacturers hope for, but never seem to make happen.

Every bit as dedicated as you are to protecting your load—whether it's kids, cargo or both—the Aries wagon offers the

improved traction of advanced front-wheel drive, plus power-assisted rack-and-pinion steering (standard on SE wagons). Standard power brakes and a rugged Iso-Strut front suspension also add to the Aries wagon's stability.

Go ahead. Choose a Dodge

Aries SE wagon with distinctive woodgrain applique, or a crisp, clean Aries Custom wagon. Either way, you and your family have found a friend.

Dodge Aries SE wagon, shown in Mink Brown Pearl Coat with woodgrain trim.

*\*Use EPA EST MPG numbers for comparison. Your mileage may differ depending upon speed, weather, and trip length. Actual highway mileage probably will be lower than highway estimate. California mileage for wagons: [27] EPA EST MPG, 38 estimated highway.*

## A LOOK INTO THE 1984 DODGE ARIES IS A LOOK INTO THE FUTURE.

The 1984 Dodge Aries is here today, changing the way people think and feel about the makeup of a quality car. And changing traditional ideas on resale value: up to 86.3% of the original purchase price of a Dodge Aries four-door sedan is retained after 30 months, according to NADA *Used Car Guides*.\*

Much of the credit for Dodge Aries' outstanding performance goes to its Chrysler-designed and Chrysler-built standard 2.2-liter overhead cam engine. This rugged power plant features a computer-monitored electronic fuel system to help ensure maximum fuel efficiency. It also features long-life components, including chrome valve stems, cobalt alloy valve seats, and

moly-faced compression rings. Mounted transversely and coupled with a smooth standard four-speed manual transaxle, the 2.2 helps provide traction for the driving wheels.

Aries' smooth, stable ride is due in part to its advanced design suspension system. In front a unique Iso-Strut design includes front coil springs over shock absorbers, and a linkless sway bar. Rear suspension consists of coil springs, shock absorbers, fore and aft trailing links, and a transverse track bar.

Designed to also provide inexpensive operation, Aries features a convenient placement of drive train components that makes it easier to handle routine maintenance jobs.

\*Percentages based on manu-

facturer's suggested introductory prices, and average retail prices published in NADA *Used Car Guides* for April 1983. NADA average retail prices and

percentages can serve for purposes of comparison only. Actual prices may vary due to vehicle condition, mileage, optional equipment, and other factors.

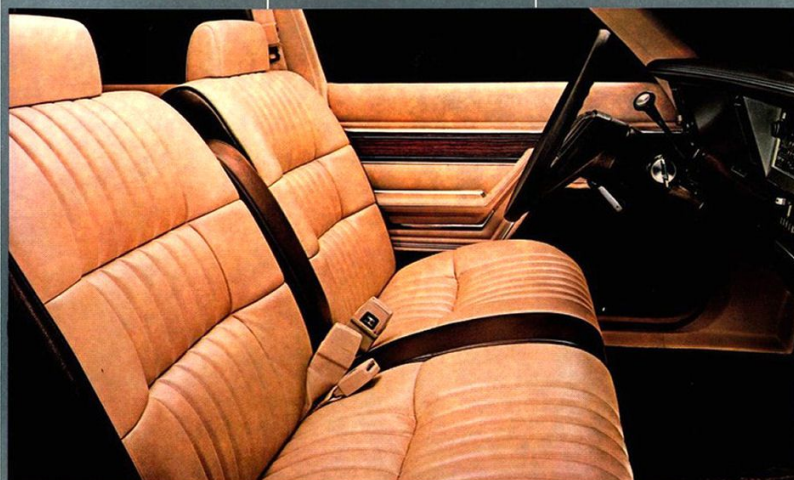

Inside, Aries is easy to command with a new instrument panel that features a large, easy-to-read speedometer, fuel, temperature, and voltage gauges, plus trip odometer—all standard. Readily identifiable warning lights alert the driver of low oil pressure, electrical problems, brake system problems, and high headlamp beams.

An attractive two-spoke steering wheel is standard. And a steering-column-mounted multi-function control lever places washer/wiper, high headlight beam, turn signals, optical horn, and optional automatic speed control right at your fingertips.

Shown at left is the new Aries SE instrument panel in Red with standard luxury steering wheel.

Aries interior comfort comes in a variety of handsome configurations. An all-vinyl bench seat is standard on base Aries models. Shown at right is the optional, at no charge, all-vinyl

split-back bench seat in Light Brown/Beige, available in

SE models. And sharp two-tone interiors are available on all Aries models. See your Dodge dealer for availability and application.

No matter which Aries interior you select, you'll quickly come to appreciate its enviably smooth ride. A finely tuned suspension system is mounted with rubber-cushioned suspension points to help soak up road shock. The subassembly is mounted to the body with rubber cushions to help eliminate vibration and bumps.

All Dodge Aries offer plenty of room, but the Aries wagon is the ultimate space provider. (Aries Custom wagon shown on page 12 in Charcoal Crystal Coat.) Bring on the cargo! An Aries owner can handle it.

New for Aries in 1984 are standard P175/80R13 steel-belted radial blackwall tires that

help provide added traction and stability on the road. Aries also

has a compact, high-pressure spare tire (shown here) for safety and convenience.

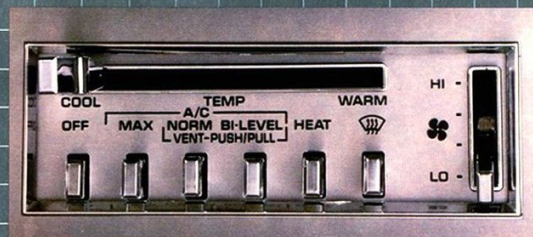

Dodge Aries for 1984. Two-door, four-door or spacious wagon. They started an American revolution.

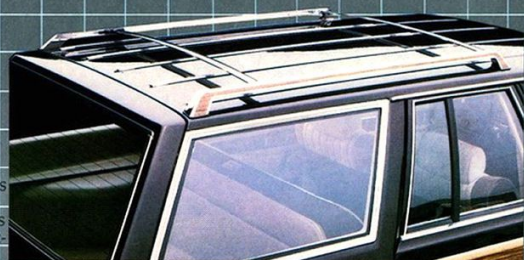

**DODGE ARIES OPTIONS.  
ADDED PERSONALITY.  
EXTRA VALUE.**

*Five-speed manual transaxle.* A real driver's option, synchronized in all forward gears, with an integrated overdrive fourth gear. (Not available on two- and four-door base models.)

*Air conditioning.* Cool down with fresh, clean air as you breeze over the hot highway. Dodge Aries optional air conditioning system features a bi-level air flow that helps minimize "cold spots" while keeping you comfortable.

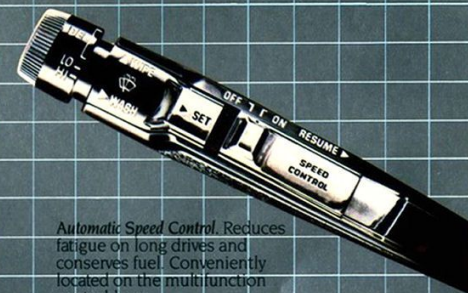

*Rooftop luggage rack.* Aries loads up on top as well as inside. Available on wagons only, this handy option includes protective strips and tie-down rods.

*AM/FM electronically tuned stereo radio and cassette player with integral digital clock.* Your sensual self will never get enough of this sophisticated electronically tuned AM/FM stereo radio and cassette player. Precise solid

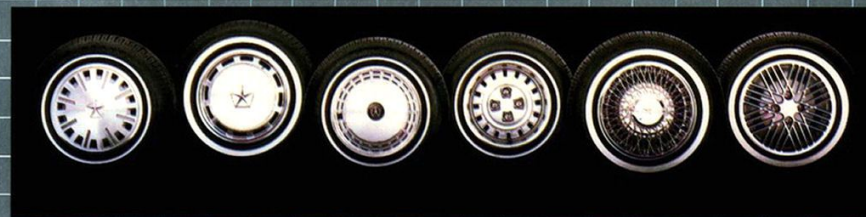

state tuning provides more than just enjoyable listening. And the Dolby® sound system makes your car an inviting environment. (Not available on base models.)

\*Dolby is a trademark of Dolby Laboratories.

*Automatic Speed Control.* Reduces fatigue on long drives and conserves fuel. Conveniently located on the multifunction control lever.

*Optional wheels and wheel covers.* In addition to new 13-inch standard wheel covers (shown at left), the Dodge Aries can be dressed up with a variety of stylish optional wheels and wheel covers. Shown here are the 14-inch deluxe wheel cover,

13-inch luxury wheel cover, 13-inch Rallye road wheel (set of four), 14-inch wire wheel cover (set of four) and 14-inch cast aluminum wheel (set of four). Fourteen-inch wheels not available on base model.

S—Standard. O—Optional. OTGR—Overall top gear ratio.

<sup>1</sup>Not available with base model. <sup>2</sup>Built by Mitsubishi.

\*Not available with 2.6-liter engine or base model.

## OPTIONAL EQUIPMENT

Certain models, packages, and options are subject to specific restrictions, requirements, and late availability.

Consult your dealer for current ordering information.

• Air Conditioning<sup>1</sup>—Manual, bi-level<sup>2,3</sup>

• Battery—500 amp maintenance-free, heavy-duty

• Bumper Guards—Front/rear

• Console—With bucket seats only

• Defroster—Rear window, electrically heated (required on all coupes and sedans registered in New York State)

• Emissions—California Control and

Testing (required on all vehicles registered in California; not available otherwise)

• Engine—2.6-liter<sup>4</sup> Silent Shaft MCA-JET (Mitsubishi-built; available SE sedan and SE Custom wagon only)

• Engine Cooling—Recommended with vehicles to be equipped with field-installed air conditioning

• Glass—Tinted: all windows (required with air conditioning)

• License Plate Bracket—Front (no-change option)

- Liftgate Washer/Wiper System—Wagon only
- Light Group<sup>5</sup>—Trunk light (standard SE sedan), glove box light (standard all models except base), ash receiver light, ignition switch with time delay light, headlights on warning buzzer, rear dome light switches (standard four-door and wagon, except base), underhood light, dome reading lamp
- Luggage Rack—Roof-mounted (wagon only)
- Mats—Carpet accessory, floor: front and rear

## Mirrors

- Outside—Left and right remote control, chrome (standard SE wagon), left remote control: chrome

## Moldings

- Sill

## Power

- Deck Lid/Liftgate Release<sup>6</sup>
- Door Locks<sup>7</sup>
- Seat—Bucket (left only)<sup>8</sup>
- Steering<sup>9</sup>—Standard SE wagon
- Windows—Front and rear<sup>7</sup>

## Radios<sup>10</sup>

- AM—Electronically tuned, with integral digital clock (standard Custom wagon and SE sedan)
- AM/FM Stereo—Electronically tuned, with cassette player and Dolby<sup>11</sup> system; integral digital clock<sup>8</sup>
- AM/FM Stereo—Electronically tuned, with Seek-and-Scan feature, integral digital clock<sup>8</sup>
- AM/FM Stereo—Electronically tuned, with integral digital clock
- Radio—Delete for credit (Custom wagon and SE sedan orders only)

- Roof—Full: vinyl (available SE four-door only)
- Roof—Landau: padded vinyl (available two-door only)
- Sound Insulation—Special (standard SE wagon)
- Speed Control—Automatic<sup>12</sup>
- Steering Column—Tilt<sup>12</sup>
- Stripes—Accent<sup>13</sup>
- Suspension—Heavy-duty (includes heavy-duty springs and shocks front and rear)
- Tires—P175/80R13 steel-belted radial white sidewall, all-season tread
- Tires—P185/70R14 steel-belted radial white sidewall (14" wheel and wheel cover included)<sup>8</sup>
- Transaxle—Manual five-speed<sup>8</sup> (not available with 2.6-liter engine; bucket seats required)
- Transaxle—TorqueFlite automatic wide

- ratio: three-speed (required with 2.6-liter engine)
- Trunk Dress-Up—SE sedan only
- Undercoating

## Wheel Covers and Wheels

- Wheel Covers—14-inch deluxe: four<sup>8</sup> (14" tire option required)
- Wheel Covers—13-inch luxury: four
- Wheel Covers—14-inch wire: four<sup>8</sup> (14" tire option required)
- Wheels—13-inch Rallye, with styled centers and trim rings: four
- Wheels—14-inch cast aluminum: four<sup>8</sup> (14" tire option required)

- Wipers—Deluxe intermittent

Vehicles without air conditioning have special recommended cooling requirements for later air conditioning installation. See your dealer for details.

<sup>1</sup>Tinted glass required.  
<sup>2</sup>2.6-liter engine requires power steering.  
<sup>3</sup>TorqueFlite transaxle required on wagons with air conditioning. Includes 75-amp alternator.

<sup>4</sup>Items available in Group only.  
<sup>5</sup>TorqueFlite transaxle required on wagon; Light Group required on sedan.

<sup>6</sup>Dual outside remote control mirrors (standard SE wagon) required.

<sup>7</sup>Not available on base models.  
<sup>8</sup>Required with 2.6-liter engine and air conditioning.

<sup>9</sup>All electronically tuned stereo radios include four speakers: two front and two rear.

<sup>10</sup>Dolby is a trademark of Dolby Laboratories.  
<sup>11</sup>Deluxe wipers required.

<sup>12</sup>Not available with Two-Tone Paint Package or on SE wagon.

## STANDARD SAFETY FEATURES

- Safety-Rim wheels • Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers • Seat belt reminder system • Energy-absorbing steering column or steering wheel • Dual braking system with separate brake fluid reservoirs in the master cylinder
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) • Hazard-warning flasher system • Turn signals with lane-change feature • Backup lights • Energy-absorbing instrument panel and sun visors • Front seat head restraints • Energy-absorbing front seatbacks • Inside and outside rearview mirrors • Side marker lights and reflectors • Seatback latches on folding front seats • Seatback and station wagon interior panel safety latches • Fade-resistant front disc

- brakes • Ignition and steering column lock • Anti-theft trunk lock • Key-leave-in-ignition warning • Liftgate-ajar warning light • Side door beams

## OPTIONAL 5/50 SERVICE CONTRACT COVERAGE

Chrysler Corporation offers a 5/50 "Added Coverage" (in Florida "Added Value Plan") Service Contract which provides protection against rising service and parts costs for specified major repairs not included in the 5/50 Limited Warranty. Coverage starts on the specified components in the plan after your vehicle's "basic" 12-month/12,000-mile warranty expires on these components and continues for five years or 50,000 miles (whichever occurs first) from the vehicle's original warranty start date. A deductible applies.

The plan provides an allowance for alternate transportation and towing. Ask your dealer for details.

## CONSIDER LEASING FROM THE LEASING PROFESSIONALS

In these days of tight money and high interest rates more consumers are considering leasing as an alternative to buying. Leasing a new Dodge Aries usually eliminates large down payments and often results in lower monthly payments because you're paying only for that portion of the vehicle life under the leasing agreement.

Leasing could be right for you, and the more you learn about it the more likely you are to consider it seriously. If leasing sounds like a sensible solution to your transportation needs, talk it over with us—your leasing professionals.

**CORROSION PROTECTION**  
Chrysler Corporation's corrosion protection is among the best in the industry. It includes the extensive use of galvanized sheet metal panels, one of the best known methods of corrosion protection, and pre-coated steel in critical areas, as well as the seven-step dip-and-spray process.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

*An  
American  
Revolution*
