

PONTIAC G3 WAVE  IGNITE THE FEELING

2009 **G3 WAVE**

## INTRODUCING THE **2009 G3 WAVE**

**A CAR YOU CAN FEEL GOOD ABOUT.** What's new for Pontiac's most affordable car for 2009? Well, for one thing there's a new name – G3 Wave. Fresh styling inside and out on G3 Wave 5-door models. A more economical, more powerful engine. Revised steering and suspension systems for even better handling. Available features like OnStar® and XM Satellite Radio™. And for you sports fans, a cool new Podium Edition Package that shows just how proud you are of Canada's elite athletes. Just as important, though, is what hasn't changed. G3 Wave's deep and abiding respect for your wallet means it carries one of the most affordable price tags of any new car in Canada. It's a cash-saver at the gas pump, too, with highway fuel consumption of just 5.7 L/100 km.\* Something else that hasn't changed: the lighthearted attitude that makes G3 Wave a blast to drive. Put it all together and you've got a car you can feel good about for all the right reasons. [pontiac.gm.ca](http://pontiac.gm.ca)

\* Based on GM Testing in accordance with Transport Canada test methods. Your actual fuel consumption may vary.

PONTIAC G3 WAVE  IGNITE THE FEELING

G3 Wave 5-door, at left, shown in Super Red with available equipment.  
Above far right, G3 Wave Sedan, shown in Sports Blue with available equipment.

G3 Wave, shown in Super Red with available equipment.

## G3 WAVE 5-DOOR

**SMALL, YET BIG.** Restyled inside and out, G3 Wave 5-door is small in size but big on personality. The new look adds real Pontiac attitude to an already cool-looking car, with bold headlights and a distinctive Pontiac grille with upscale chrome accents. On the inside, G3 Wave 5-door is all dressed up with attractive new fabrics and a new high-style instrument panel. G3 Wave 5-door is big on practicality, too. Its “tall-car” profile translates into an amazingly spacious interior with loads of room for your friends and your stuff. The “5” in G3 Wave also refers to the fact it earned the highest U.S. government frontal crash test rating for the driver and front passenger: five stars.\*

1. To help you see better in inclement driving conditions, fog lights are standard on G3 Wave 5-door models and on G3 Wave Sedan SE. 2. A flash of chrome on the front fenders compliments G3 Wave 5-door’s bold new style.

\*Five-star frontal crash rating is for driver and front-passenger seating positions in the frontal crash test. U.S. government star ratings are part of the National Highway Traffic Safety Administration’s (NHTSA) New Car Assessment Program (NCAP) ([safercar.gov](http://safercar.gov)).

**FIVE-STAR  
FRONTAL CRASH  
TEST RATING\***

## G3 WAVE SEDAN

**SIMPLY IRREPRESSIBLE.** G3 Wave Sedan has two distinct sides to its character. On the one hand, G3 Wave Sedan is all grown up, with handsome lines and sophisticated details everywhere you look. On the other, there's that irrepressible G3 Wave attitude that comes alive every time you unleash the new 1.6-litre ECOTEC four-cylinder engine with efficiency-boosting variable valve timing (VVT). Care to add a little extra luxury to your ride? Select the available Podium Edition Package and you'll enjoy all kinds of sweet features, including a leather-wrapped steering wheel with sound system controls, XM Satellite Radio, a six-speaker premium sound system and much more.

1. On G3 Wave SE models, an available no-charge power sunroof\* adds an extra touch of driving pleasure. It's also available on base models.

\*See your dealer for details.

G3 Wave SE Sedan, shown in Victory Red (available after October 2008) with available Podium Edition Package.

G3 Wave 5-door, shown in Graphite with available equipment.

## INTERIOR

**BRING IT ON.** Life is full of exciting new opportunities. G3 Wave's highly versatile interior can help you make the most of all of them. In its normal configuration, there's lots of room for you and up to four friends, along with 200 L of cargo space in G3 Wave 5-door – 350 L in G3 Wave Sedan. Want to carry more stuff and still put a passenger or two in the rear seat? Fold down one side or the other of the standard 60/40 divided rear seatbacks. Need even more capacity? With both seatbacks folded, G3 Wave 5-door's cargo hold measures a whopping 1190 L. Bottom line: whatever you decide to do, G3 Wave is up for it.

**1.** G3 Wave's standard auxiliary power outlet makes it easy to keep your cell phone, MP3 player and other electronic devices powered up when you're on the go. **2.** With the standard 60/40 divided rear seat fully stowed, you can fit more cargo into G3 Wave 5-door than you can squeeze into the trunk of a full-size sedan.

2

## CONTROLS

**WHERE THE FUN BEGINS.** Looking for good times? G3 Wave's driver's seat is where the fun starts. In true Pontiac fashion, the gauges are clear and easy to read and the controls are positioned right where you want them. G3 Wave also surrounds you with high-quality materials in a cabin designed to integrate all the components for a premium look and feel. Add the comfort of reclining cloth front bucket seats and the great sound of a quality stereo and you've got a driving environment that gives you more to enjoy.

**1.** G3 Wave's standard sound system includes 4 speakers, a CD player capable of MP3 playback and an auxiliary audio input jack that lets you plug in your iPod® or any other MP3 player. **2.** Steering wheel-mounted sound system controls let you change the radio station, advance the CD track or crank the volume, all without taking your hands off the wheel. They're included with the available Podium Edition Package.

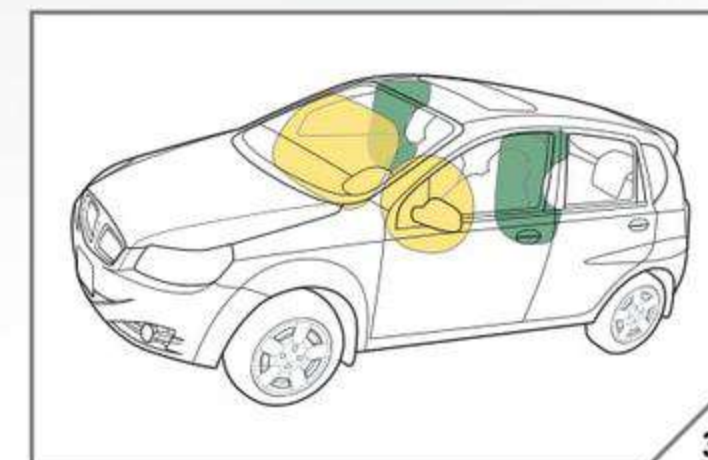

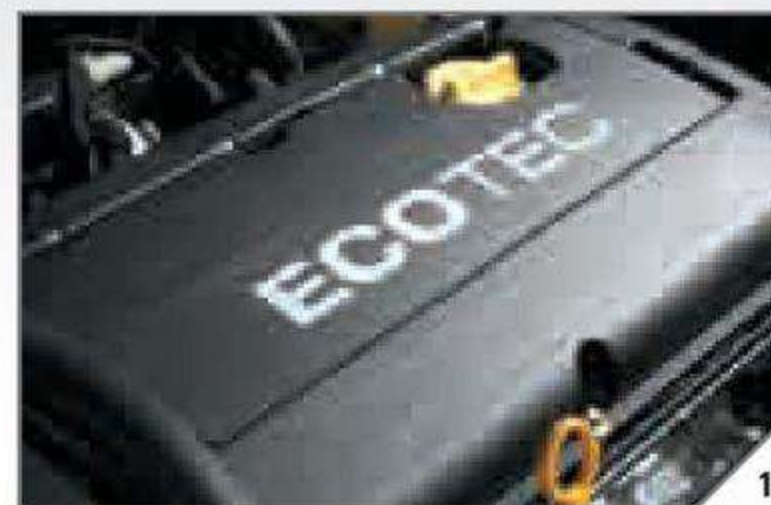

## FUEL EFFICIENCY

## TECHNOLOGY

**ENGINEERED FOR EFFICIENCY.** How did G3 Wave get to be so stingy on gas? It's all because of cool features like variable valve timing (VVT) and a high-powered electronic engine control system. Thanks to all this trick engineering, the 2009 G3 Wave engine not only uses less gas than the previous engine, it puts out more power, too. It even runs quieter. Shift-for-yourself types will appreciate the precise, smooth-shifting five-speed manual transmission that comes as standard equipment. There's also an available four-speed automatic gearbox that's been updated for 2009 for smoother, more precise gear changes. The automatic features segment-exclusive Hold Control™, so you'll enjoy better grip on slick roads.\*

1. G3 Wave's advanced 1.6L ECOTEC engine produces 106 hp and 105 lb.-ft. of torque.

\*Based on 2008 Model Year data and the latest published competitive information available at time of printing. Excludes other GM vehicles.

## SAFETY

**MEET G3 WAVE'S SERIOUS SIDE.** Driving fun is a big part of what G3 Wave is all about. Rest assured, though, there's no playing around when it comes to your safety. Every G3 Wave comes with great visibility, logical controls and excellent handling and brakes – all design features that can help keep you in control and out of danger. If you can't avoid a crash, the advanced steel body structure is engineered to protect you with front and rear crush zones and a steel side-guard beam in every door. Then there's G3 Wave's interior, which includes standard dual frontal air bags and a host of other features designed to reduce your risk. Serious stuff? Absolutely. G3 Wave wouldn't treat your safety any other way.

1. G3 Wave surrounds you and your passengers with a sturdy steel safety cage engineered to help resist deformation in a collision. 2. For 2009, you can enhance your safety, security and convenience by equipping your G3 Wave with the advanced communications technology of OnStar.\* See your dealer for more information on plans and services. 3. Every G3 Wave includes advanced dual-stage frontal air bags with a Passenger Sensing System. Front seat-mounted side-impact air bags are also available.

\*OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit [onstar.ca](http://onstar.ca) for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

## G3 WAVE MODELS

How can you choose which G3 Wave model is right for you? For your convenience, the major features that differentiate G3 Wave and G3 Wave SE models are listed below.

### G3 WAVE

The following features are standard on G3 Wave:

- 106 hp 1.6L ECOTEC I-4 engine
- Front disc/rear drum brakes
- Electronic engine immobilizer
- Engine oil pan heater
- GM Oil Life Monitoring System
- 14" steel wheels with bolt-on covers
- Fog lights (G3 Wave 5-door)
- Manual exterior rear-view mirrors
- Driver and front passenger frontal air bags
- Deluxe instrument panel with analogue gauges and metallic accents
- Tilt adjustable steering column
- Cloth, reclining front bucket seats with shopping bag hooks and adjustable head restraints
- AM/FM stereo with CD player with MP3 playback, 4 speakers and auxiliary audio input jack
- Manual remote trunk release (G3 Wave Sedan)

### G3 WAVE PODIUM EDITION PACKAGE

The Podium Edition Package is available on G3 Wave SE models and includes:

- Specific Podium Edition badging
- 15" aluminum wheels
- P185/55R15 blackwall tires
- Rear body-coloured spoiler
- Leather-wrapped steering wheel and shifter
- Steering wheel-mounted sound system controls
- Chrome door handles (G3 Wave Sedan)
- 6-speaker premium sound system
- iPod cable
- XM Satellite Radio

### G3 WAVE SE

G3 Wave SE includes the equipment of G3 Wave plus the following features and upgrades:

- Available no-charge power tilt-and-tip glass sunroof\*
- Remote keyless entry system
- Alarm system
- Fog lights (G3 Wave Sedan)
- Heated power exterior rear-view mirrors
- Power remote trunk release (G3 Wave Sedan)
- Air conditioning with air filter
- Cruise control
- Power windows and door locks
- Silver painted accents with Charcoal interior trim
- OnStar with 1 year of the Safe & Sound Plan

\*When specified. See your dealer for details.

## ONSTAR

OnStar® uses advanced communications technology to enhance your safety, security and convenience.

OnStar Advisors can provide a wealth of information

and perform a variety of diagnostic services. They can also provide assistance in an emergency. No wonder more than 5 million people have become OnStar subscribers and over 29 million calls are made each year on the built-in voice-activated, hands-free system. OnStar and one year of the Safe & Sound Plan® are standard on G3 Wave SE and available on base G3 Wave models. See your dealer for more information on plans and services.

\*OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

## XM SATELLITE RADIO

Now with 130 crystal-clear digital channels to enjoy, XM Satellite Radio has revolutionized mobile entertainment as we know it. XM offers the most

commercial-free music channels of any radio provider, with genres that span everything from decades to dance, rock to rap and country to classical. XM also features news, talk and comedy channels, all available from coast to coast, and as the exclusive satellite radio broadcaster of the NHL, XM is a must-have for sports fans. XM Satellite Radio is available in every G3 Wave model.\*\* Ask your dealer for more information.

\*\*Available in 10 Canadian provinces and the 48 contiguous United States. Monthly subscription sold separately after three trial months.

## ACCESSORIES

**TAKE IT TO THE LIMIT.** Get even more out of your new G3 Wave by adding quality Pontiac Accessories. They are the only accessories that are integrated into the process of designing your vehicle, ensuring excellent fit, finish and functionality. And only Pontiac Accessories are backed by GM's 3-year/60,000 km New Vehicle Limited Warranty.\* They can also be included in your new-vehicle finance agreement through GMAC. Ask your dealer for a complete list of the Pontiac Accessories available for your G3 Wave. Or visit gm.ca

\*Whichever comes first, when permanently installed by the dealer at the time you purchase your new vehicle.

Pontiac Accessories available for G3 Wave include:

- Cargo organizer
- Convenience net
- Removable roof rack
- Hands-free phone
- Moulded hood protector
- Ventvisor
- Spoiler kit
- Sunroof weather deflector
- Chrome tail light covers
- Chrome mirror caps
- Splash guards.

ACCESSORIES

## WARRANTY

### GREAT CAR. GREAT COVERAGE.

It's reassuring to know that as an owner of a new 2009 G3 Wave, you don't just have a great car. You've also got Canada's best coverage on your side.

- 3-year/60,000 km New Vehicle Limited Warranty\*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge.\*
- 5-year/160,000 km Courtesy Transportation\*
- 5-year/160,000 km 24/7 Roadside Assistance\*
- 6-year/160,000 km rust-through perforation coverage\*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).\*

\*Whichever comes first. Conditions and limitations apply, see dealer for details.

### OTHER OWNERSHIP PRIVILEGES AND PROGRAMS:<sup>†</sup>

- **GM Protection Plan (GMPP)** – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period<sup>†</sup>

You can find more information about these programs from your GM dealer, or at these information centres:

- The GM website at [gm.ca](http://gm.ca)
- The GM Customer Communication Marketing Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users)
- For information about GMAC visit [gmac.ca](http://gmac.ca) or call **1-800-616-4622**.

### A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

### A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

### TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, the GM Canada emblem, the GM Canada website address, the GM Accessories logo, Pontiac, the Pontiac emblem, G3, Wave and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as ECOTEC and Hold Control are trademarks of General Motors Corporation and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.

GMAC is a registered trademark of the General Motors Acceptance Corporation of Canada, Limited. OnStar, the OnStar emblem and Safe & Sound Plan are registered trademarks of OnStar Corporation. The XM name and related logos are trademarks of XM Canada, Canadian Satellite Radio Inc.

Apple and iPod are trademarks of Apple Computer Inc. registered in the U.S. and other countries.

## FORWARD THINKING.

General Motors continues to invest in technologies that reduce greenhouse gas emissions and lessen the dependence on petroleum. Beyond today's hybrids and alternative fuel solutions, GM is developing game-changing technology with the upcoming Volt plug-in electric car and a test fleet of zero-emissions Hydrogen Fuel Cell Vehicles already on the road.

GM also demonstrates its commitment to environmental sustainability by the way it produces this brochure. Research has told us that people like you continue to value printed brochures. So GM prints them on Forest Stewardship Council-certified paper. The goal is to protect wildlife habitat, ensure clean water and to keep forests healthy.

It's just one more way that GM integrates green thinking into every aspect of its activities. Just like you.

For more information about the scope of GM's green initiatives, visit [greenbydesign.gm.ca](http://greenbydesign.gm.ca)
