NEW  IDEAS

ARCHITECTURAL LIGHTING SOLUTIONS

ready to
tackle anything

"The Transit Connect is an idea outside of the box – with ample room inside the box."

• Transit Connect XL Van in Frozen White • Available Equipment

The one-of-a-kind **Transit Connect** is a traveling billboard that **swallows cargo, sips gas** and parks in a regular car space. It's also incredibly versatile, highly efficient and always stands out in a crowd.

- Up to **1600 pounds of payload**¹
- Over **135 cubic feet** of cargo space
- Optional Delivery, Service & Parcel interior packages available from aftermarket vendors

- 2 sliding side doors, 2 swinging rear doors

- Easy side and rear loading heights

- Rear doors **open wide** (180° swing standard, 255° optional)

from **art galleries** to **zoos**

There are hundreds of ways to put **Transit Connect** to use. Make deliveries, provide services, feed crowds or entertain kids – **Transit Connect meets your unique needs** and **grabs attention** all along the way.

- Advertise your business with full bodyside graphics²

• Transit Connect XLT Van in Frozen White

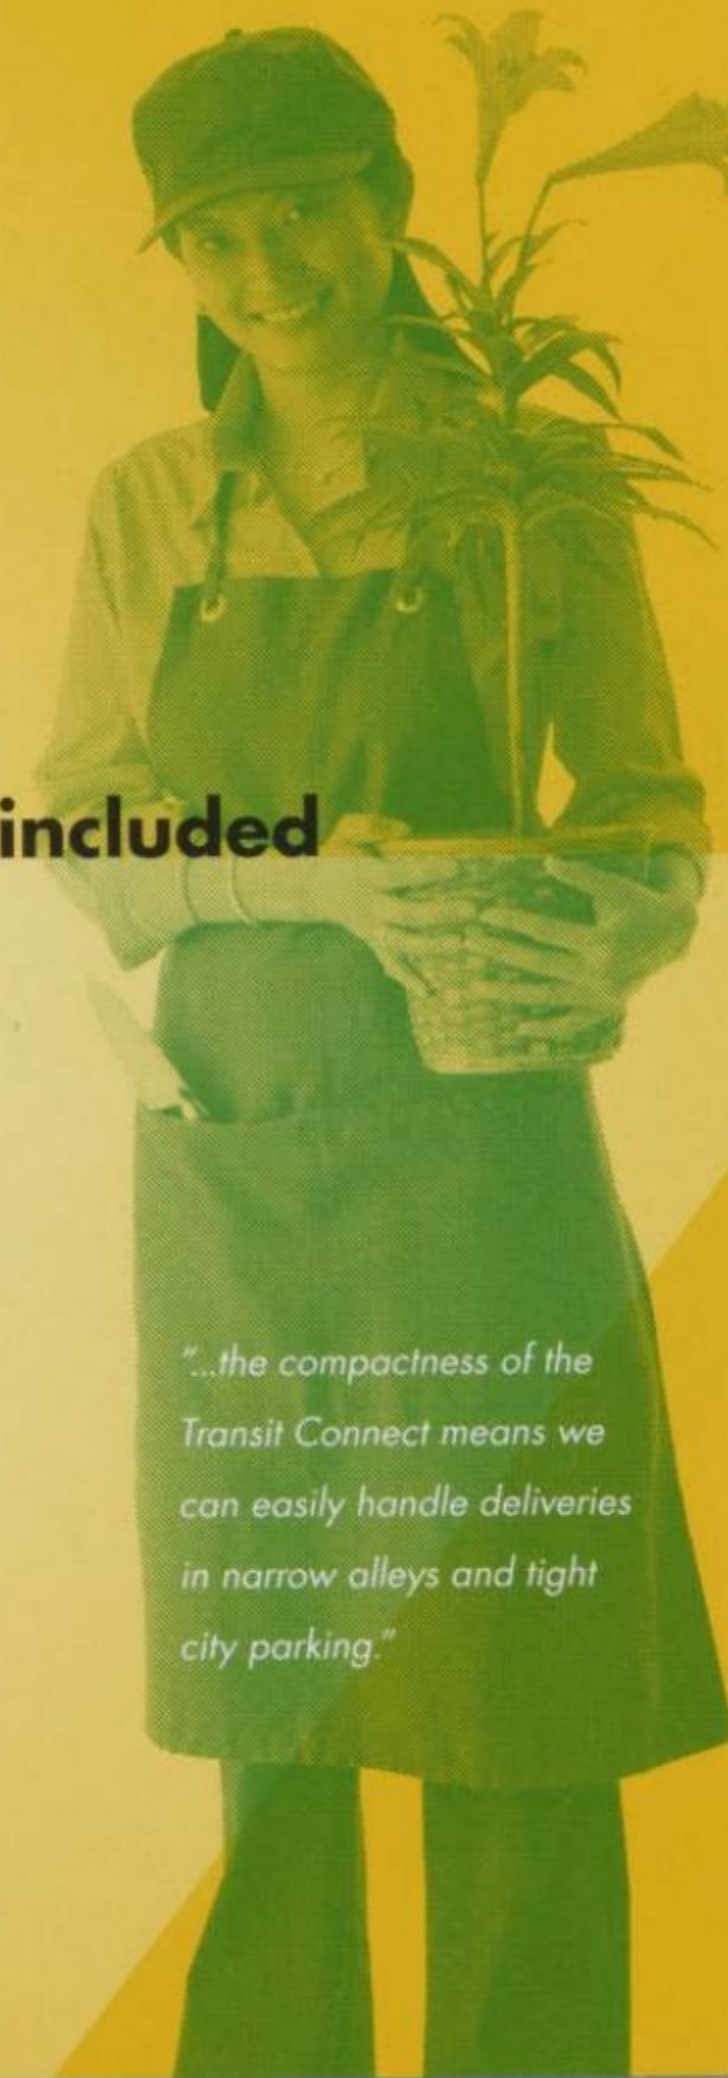

can-do attitude included

Bred for the city, **Transit Connect** gets you in and out of tight spaces with **street-smart maneuverability**. Only 6' 8" tall, it **slides into parking structures** without a care. Plus, a 2.0L Duratec I-4 engine puts out the power to deliver projected **best-in-class fuel economy**.³ All this makes Transit Connect a very smart fit for your business.

• Perfect fit for so many jobs

"...the compactness of the Transit Connect means we can easily handle deliveries in narrow alleys and tight city parking."

- Carry items up to **6 feet** long, **4.9 feet** wide or **4.7 feet** tall

• **2-passenger**

XL or XLT Van

XLT Wagon rolls with room and comfort for 5 and up to 78 cubic feet of cargo space behind the 2nd row. The split rear seat stows away for added carrying space.

• **4-passenger**

XL Wagon

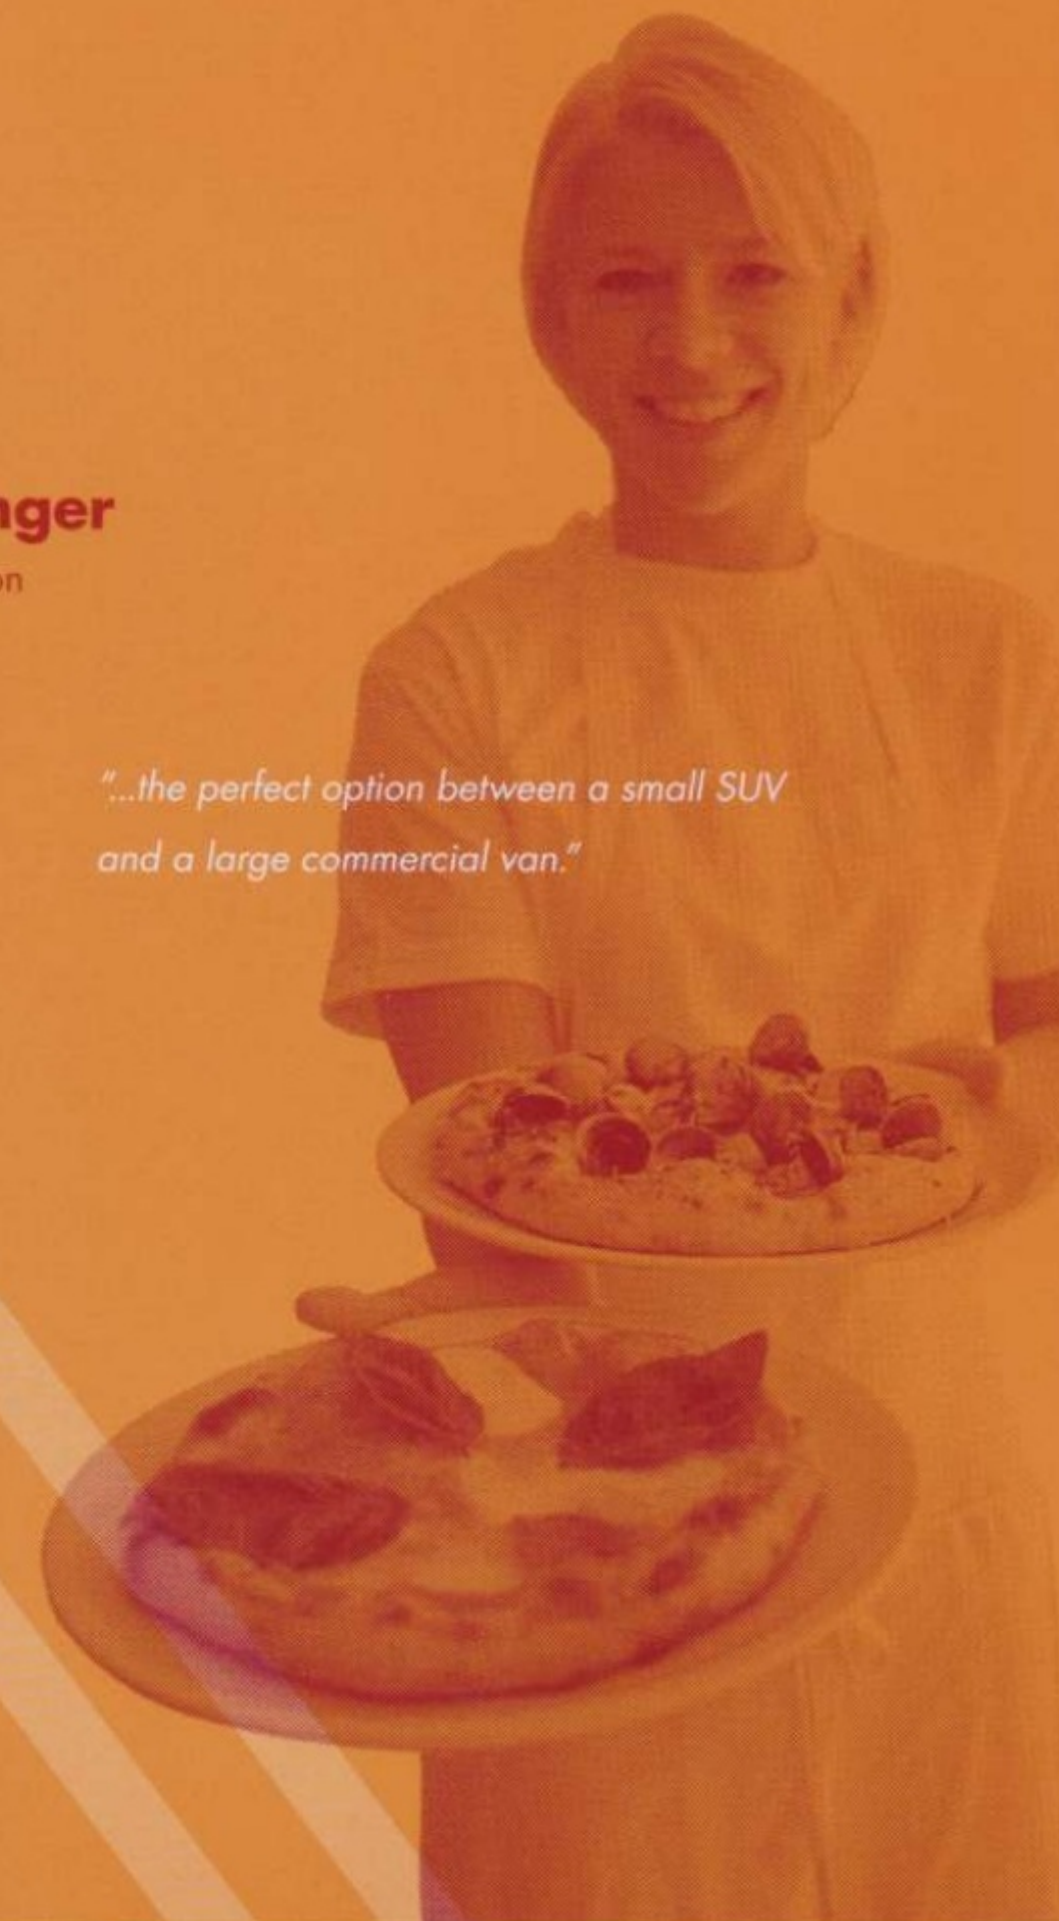

• **5-passenger**

XLT Wagon

"...the perfect option between a small SUV and a large commercial van."

your choice – van or wagon

High style, quality materials, and plenty of storage **make the right impression.** Multi-stop comfort and convenience keep you at the top of your game. Nimble handling is an added treat. Choose **Transit Connect wagon** with **room for 4 or 5** and a folding rear seat for even more versatility.

• Transit Connect 5-Passenger XLT Wagon Interior

• Transit Connect XLT Wagon Interior • Available Equipment

- Voice-command navigation and keyboard are included with the Ford Work Solutions™ in-dash Windows CE computer

the office **goes mobile**

Ford Work Solutions puts **full-function computing, communications and navigation** right in your Transit Connect. Available systems can also help you run your business remotely,⁴ track your tools⁵ and combat downtime – even monitor fleet performance for top efficiency.⁶ Ford Work Solutions components are optional. Visit fordworksolutions.com for an in-depth look.

- Generate work orders and more with the available wireless printer

"...Ford Work Solutions makes Transit Connect an all-in-one package for our business needs."

tried and true

dependability

• Transit Connect XLT Wagon in Frozen White • Available Equipment

Business Preferred Network. Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership to help get your vehicle back on the road quickly.

Extended Service Plan. For a purchase or lease, the Ford Extended Service Plan (ESP) offers peace-of-mind protection for key vehicle components and helps protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

Commercial Lending Services. Commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLease™ programs offer a wide variety of package options to meet your needs. Please visit our website: www.fordcredit.com/comlend/.

Photography and specifications are preliminary and subject to change at introduction.

⁸With 2nd-row seat removed. GVWR is 4965 lbs. Load rating represents maximum allowable weight of people, cargo and body equipment combined, and is reduced by the weight of the optional equipment. Based on preliminary Ford data.

⁹Supplied by aftermarket vendor contracted by vehicle owner or lessee.

¹⁰Class is Small Cargo Van. Based on preliminary Ford data: 19 mpg city/24 hwy.

⁴Service fee required.

⁵Tool Link system cannot read tagged items stored in metal tool boxes.

⁶Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details. To avoid distractions, some functions are disabled while vehicle is in gear.

⁷Under normal driving conditions with routine fluid and filter changes.

⁸Based on preliminary Ford data.

⁹Always wear your safety belt.

¹⁰Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. For more information on AdvanceTrac with RSC, visit fordvehicles.com.
