2012 **SEDONA**

# IT'S ALL ABOUT FAMILY.

The 2012 Kia Sedona is the minivan for families that want to do it all. There's spacious seating for seven and loads of cargo room, a full array of advanced safety features and a powerful V6 engine for endlessly confident performance.

**Effortless performance.** A robust 3.5-litre V6 engine produces 271 horsepower and 248 lb.-ft. of torque and combines with a smooth-shifting, 6-speed Steptronic automatic transmission for effortless performance. Sedona's handling is equally impressive, thanks to its standard four-wheel independent suspension and responsive power rack-and-pinion steering.

Sedona EX Luxury shown in Crystal Blue.

Whether you're behind the wheel or simply along for the ride, you'll enjoy Sedona's intelligent design, combining driver- and family-friendly features in a beautifully executed interior. Features like privacy glass, Bluetooth® hands-free cell phone connectivity<sup>1</sup> and adjustable front and second-row armrests are standard on every model, and they're complemented by available luxuries that include heated front seats and the year-round comfort of automatic temperature control.

The 2012 Kia Sedona. Family-size comfort, safety and style.

SLIDING DOOR

HANDLING

Sedona's handling is equally impressive, thanks to standard four-wheel independent suspension and responsive power rack-and-pinion steering.

**Load it up.** An available power tailgate makes it even easier to move your gear in and out of Sedona's massive cargo area. With removable second-row seats and third-row bench that neatly stows in the floor, you'll have up to 4,007 litres (141.5 cu. ft.) of space for big, big loads.

**Power to please.** All Sedona models come with a standard remote keyless entry system and standard power front and second-row windows for convenience and comfort. Dual power-sliding side doors are just one of many pleasing, upscale features that come standard on EX Power and EX Luxury models.

**First-class comfort.** Sedona offers one of the most spacious interiors in its class, with plenty of headroom and legroom for everyone - no matter where they sit. Everyone travels first-class in Sedona.

<sup>1</sup> Bluetooth® enabled cell phone required.

**Practical luxury.** Sedona EX Luxury models come with standard leather seats for elegance, comfort and easy clean-ups - always an important consideration with young spill-happy kids on board.

**Heated front seats<sup>1</sup>** and a standard folding and extendable front-row side table underscore the practical luxury of Sedona.

**Heavenly sounds.** The crystal-clear, digital quality sound of SIRIUS<sup>®</sup> satellite radio<sup>2</sup> is standard on Sedona EX Luxury models<sup>4</sup>. It comes with a three-month trial subscription to the network's 120 channels, including commercial-free music and extensive sports, news, talk and entertainment programming.

**Driver focused.** To help you keep your eyes on the road and your hands safely on the wheel, Sedona is equipped with standard hands-free Bluetooth<sup>®</sup> connectivity<sup>3</sup> and steering wheel-mounted audio and cruise controls.

## A WELCOMING SPACE.

The 2012 Kia Sedona is a great place to spend some time. It welcomes you with roominess and refined styling, and comforts you with standard air conditioning and an available pollen-trapping air filtration system to help make Sedona feel just like home no matter where your travels take you. All the while, you can relax and enjoy its standard six-speaker audio system or available rear-seat DVD entertainment system - just some of the pleasing amenities available on Sedona.

**Guiding your way.** Get door-to-door directions, including points of interest along the way, wherever you travel in North America with the optional in-dash navigation system on Sedona EX Luxury models.<sup>4</sup>

**Sun and sky.** The Sedona EX Luxury is equipped with a standard power tilt and sliding sunroof that bathes the cabin in natural light. With the push of a button, it slides open to let you enjoy driving in the open air.

## THE COMFORT OF SAFETY.

When it comes to safety, it's comforting to know that Sedona does not compromise: every occupant protection system and active safety feature is standard, no matter which Sedona model you choose.

That means you get the peace of mind that comes from driving a safe, solidly engineered vehicle with features that include six airbags - including full-length side curtains, anti-whiplash active front headrests to protect you in crash situations, traction control (TCS) and electronic stability control (ESC) to help you avoid danger.

**Smart and safe.** Sedona's standard four-wheel-disc anti-lock braking system is the key to quick, reliable and well-controlled braking in sudden stops. The system also plays an important role in other safety features, including Sedona's standard brake assist system (BAS), electronic stability control (ESC) and traction control system (TCS).

**For your protection.** Sedona's advanced front-impact airbags, front seat-mounted side-impact airbags and full-length side curtain airbags work individually or in combination to help protect you and your passengers in certain frontal- and side-impact collisions.

**Looking out behind.** Sedona is available with a back-up warning system that alerts you when certain objects may be in your path when backing up. Sedona EX models include a standard rearview camera system for added confidence.

<sup>1</sup> Standard on LX Convenience, EX, EX Power and EX Luxury models. <sup>2</sup> Available in the 10 provinces and three territories of Canada and the 48 contiguous United States. Monthly subscription sold separately after three trial months. <sup>3</sup> Bluetooth<sup>®</sup> enabled cell phone required. <sup>4</sup> Satellite radio is not available on EX Luxury models equipped with optional in-dash navigation system.

**Drive change.** It's about making things better. It's about thinking big, no matter how small you start. It's what took us from our first bicycle in 1952 to the vehicles we make today. It's what Kia Motors Corporation has always been about.

Kia builds quality vehicles for the young-at-heart, led by world-class design and adherence to the highest standards of corporate responsibility. Together, these commitments drive our ongoing development of state-of-the-art, eco-friendly cars to meet the global demand for compact, fuel-efficient vehicles. They also guide our community relations efforts around the world, including a unique, made-in-Canada program promoting multi-cultural understanding through Kia's active support of sports, environmental issues, health initiatives and education projects across Canada.

## WE'VE GOT YOU COVERED.

### 5-year/100,000 km

Worry-free comprehensive warranty covering virtually the entire vehicle\*
