FIND *NEW* ROADS™

WHY JUST GO FROM A TO B

WHEN IMAGINATION CAN TAKE YOU EVERYWHERE

The road. A simple path, really. And yet it's come to mean so much more. Perhaps the real reason roads are special is that every road leads us to someplace we're not — but could be. At Chevrolet, roads are our springboards. They challenge us, taunt us and guide us to create better, more exciting, more ingenious ways to move through life. Roads drive us to places we've never been before. And we'll never stop seeking out new ones.

TAHOE/

BEYOND CAPABLE Whether it's the weekday or the weekend, you need a vehicle with the power to conquer the concrete jungle and rugged landscapes. The stylish, comfortable Tahoe boasts trailering capability to tow boats, snowmobiles and other gear, plus it offers better fuel efficiency ratings than any competitor.¹

¹ 2014 Chevrolet Tahoe fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary. Competitive fuel consumption ratings based on 2013 Natural Resources Canada's Fuel Consumption Guide for WardsAuto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at the time of printing. Excludes other GM models.

Tahoe LTZ 4WD in White Diamond Tricoat (extra-cost colour) with available features.

SUBURBAN/

ULTIMATE COMFORT AND CAPABILITY Suburban has maintained its status as the trusted vehicle for active Canadian families. Suburban was the world's first SUV and has a long-standing history of spaciousness and legendary capability you can count on. Whether you're hauling gear, towing toys or moving kids and friends around the country, Suburban can do it all.

THE ROOM YOU NEED, THE AMENITIES YOU WANT

Suburban LTZ interior with leather-appointed seating¹ in Light Cashmere-colour/Dark Cashmere-colour and seating for eight.

No matter how long the drive, Tahoe and Suburban offer a spacious way to travel. Depending on which model you choose, optional features include a power sunroof, Rear-Seat Entertainment System, universal home remote and power-remote liftgate. For 2014, power-adjustable pedals are standard on all models.

In addition, tri-zone climate controls give driver, right-front passenger and rear passengers individual control over their settings. Tahoe and Suburban aren't just spacious, they're generous on comfort too.

HEATED AND COOLED SEATS Standard on LTZ, heated and cooled leather-appointed front bucket seats keep you comfortable all year long. Your passengers stay cozy too, thanks to second-row heated seats.

MULTIPLE SEATING OPTIONS With a variety of seating options available, Tahoe and Suburban can seat up to nine in LS models.

POWER-RELEASE FLIP-AND-FOLD SEATS Standard on 2LT and LTZ, second-row power-release flip-and-fold seats make entry and exit more convenient and accommodating for rear-seat passengers.

IMPRESSIVE CARGO CAPACITY Tahoe offers up to 3084 L (108.9 cu. ft.) of maximum cargo space, and Suburban gives you a best-in-class² 3891 L (137.4 cu. ft.) of maximum cargo space.³ Whichever vehicle you choose, you can bring along what you want and then some.

¹ Leather-appointed seating surfaces on front and second row only. Third row is vinyl covered.
² Based on WardsAuto.com 2013 Large Sport/Utility Vehicle segment and the latest competitive information available at the time of printing. Excludes other GM models. ³ Cargo and load capacity limited by weight and distribution. Always secure all cargo. See Owner's Manual for details.

TECHNOLOGY FOR ALL THE SENSES

TAHOE AND SUBURBAN FEATURE TECHNOLOGY YOU CAN SEE, TOUCH AND HEAR.

TOUCH-SCREEN NAVIGATION AND ENTERTAINMENT

Standard on LTZ and available on 1LT and 2LT, this system offers up to 30 GB for you to store your favourite music and features Pause and Play that lets you pause a live radio broadcast.

REAR VISION CAMERA Enjoy the convenience of a standard integral rear vision camera that helps you see certain stationary objects located behind the vehicle when travelling in reverse at low speeds.

ONSTAR REMOTELINK With OnStar,^{®1} included for six months, you can download the OnStar RemoteLink[®] mobile app² to your smartphone and remotely lock or unlock your doors or start your engine. You can also view real-time vehicle diagnostics including fuel level, remaining oil life and more.

ONSTAR AUTOMATIC CRASH RESPONSE¹ In many crashes, your vehicle can automatically alert an OnStar Advisor who is immediately connected to your vehicle to help – even if you're unable to respond.

TECHNOLOGY GOES ALONG FOR THE RIDE

Being out in the wild doesn't mean leaving creature comforts behind. You're connected and entertained with an available Rear-Seat Entertainment System, voice recognition and a USB port³ for your iPod.[®] Available SiriusXM NavTraffic⁴ offers detailed traffic updates that are displayed on the available navigation radio's⁵ 2-D or 3-D full-colour map. Meanwhile, SiriusXM Satellite Radio⁴ (with 3-month trial) lets you enjoy commercial-free music channels, talk, news, comedy and family programming.

Bluetooth[®] hands-free calling.

USB connectivity.³

¹ Visit onstar.ca for coverage map, details and system limitations. Services vary by model and conditions. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. After the complimentary trial period, an active OnStar service plan is required. ² Available on select Apple, Android, and BlackBerry devices. Services vary by device, vehicle and conditions. Requires an active OnStar service plan. ³ Not compatible with all devices. ⁴ Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. Visit siriusxm.ca for details. ⁵ At the time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

Tahoe LTZ 4WD in White Diamond
Tricoat (extra-cost colour) with
available features.

When you're looking for that go-to vehicle, you can't go wrong with the legendary capability of Chevrolet Tahoe or Suburban. Both are equipped with advanced Active Fuel Management® technology and Variable Valve Timing, delivering power when you need it and the ability to conserve fuel when your demands don't require it. For Tahoe and Suburban that means fuel efficiency numbers their competitors can't beat with fuel consumption ratings of 14.3 L/100 km city and 9.4 L/100 km highway.¹

320 HORSEPOWER On Tahoe and Suburban, the Vortec® 5.3L V8 engine offers an impressive 320 horsepower with the efficiency consumers demand.

335 LB.-FT. OF TORQUE Tahoe and Suburban offer the kind of low-end torque to tow most boats, snowmobiles or ATVs.

6-SPEED AUTOMATIC TRANSMISSION For driving ease, a 6-speed electronically controlled automatic transmission with overdrive is standard on all Tahoe and Suburban models. When paired with our 5.3L V8 engine, this transmission provides torque when you need it and smooth acceleration.

PROVEN TOWING POWER Tahoe 2WD offers trailering capability of up to 3856 kg (8500 lb.) or you can tow up to 3719 kg (8200 lb.) with Tahoe 4WD. Suburban 2WD delivers up to 3674 kg (8100 lb.) of maximum trailering capability while Suburban 4WD models are able to tow up to 3629 kg (8000 lb.).²

TOW AND GO With a long list of advanced safety and convenience features, Tahoe and

Suburban continue to maintain their reputation for spaciousness and legendary capability. So pack it up, load it in and get out there.

MORE THAN CAPABLE The available trailer brake controller is fully integrated with the anti-lock braking system. Tahoe and Suburban also feature a standard heavy-duty automatic locking rear differential to help haul heavy loads.

STRONG FOUNDATION Tahoe and Suburban are built to pull, with the confidence of a fully boxed frame that provides exceptional stiffness.

Suburban LT in Silver Ice Metallic
with available features.

¹ 2014 Chevrolet Tahoe and Suburban fuel consumption ratings based on GM testing in accordance with approved Transport Canada test methods. Your actual fuel consumption may vary. Competitive fuel consumption ratings based on 2013 Natural Resources Canada's Fuel Consumption Guide for WardsAuto.com 2013 Large Sport/Utility Vehicle segment and latest competitive information available at the time of printing. ² Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Chevrolet dealer for additional details.

POWER WITHOUT THE SACRIFICE

OUR LEGENDARY 5.3L V8 DELIVERS AMPLE POWER
AND SURPRISING EFFICIENCY.

Z71 badge.

Suburban Z71 in Crystal Red Tintcoat (extra-cost colour) with available Chevrolet Accessories.

There's a reason adventurous types favour Tahoe and Suburban. With legendary spaciousness, a stout frame, powerful engine and available 4WD capability, they're the rugged, dependable way to move people, trailers, boats and gear.

TAKING IT OFF-ROAD When you're going off-road or driving in snow or mud, you can travel confidently with available 4WD.

TUNE IT UP The Z71 Off-Road Suspension Package, available on Tahoe 1LT and 2LT and Suburban 1LT and 2LT, has specially tuned springs and monotube shocks to help absorb the punishment from less-travelled paths and off-road terrain.

PREPARE FOR ADVENTURE Chrome grille inserts enhance the unique front fascia, along with stylish aluminum wheels and all-terrain tires.

GO WITH CONFIDENCE The Z71 Off-Road Suspension Package also includes tubular assist steps and recovery hooks. The Skid Plate Package features an aluminum front underbody shield to help keep the chassis free of debris. The standard automatic locking rear differential provides traction on uneven terrain like mud or gravel.

• GM Student Bonus Program – students or recent graduates of high school, college or university!† may be entitled to receive a Student Bonus vehicle redemption allowance of \$500 or \$750† (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle

• The GM Card – GM cardholders may redeem up to \$3500 GM Card® Earnings (subject to Vehicle Redemption Allowances) towards the Total Purchase Price on eligible new GM vehicles.† For full program details, please visit thegmcard.ca

† Subject to eligibility. †† Conditions and limitations apply. ‡ Program subject to change.

INFORMATION RESOURCES:

You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The GM website at gm.ca
- The GM Customer Care Centre at 1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users).

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

Chevrolet vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers, and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in Chevrolet vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.
