2014 Transit Connect XLT LWB Van. Race Red. Available equipment.

THE COMMERCIAL TRUCK LEADER FOR 28 YEARS.¹

And we're not slowing down. From an all-new 2015 Ford Transit to the revamped 2015 F-Series Super Duty[®] with improved best-in-class diesel horsepower (440) and torque (860 lb.-ft.),² Ford Commercial Trucks are engineered to help your business thrive. In fact, every Ford Commercial Truck is tested and built to the most stringent standard for long-lasting durability: Built Ford Tough.[®] Only after enduring millions of miles of harsh laboratory and real-world testing are they ready for the ultimate honor: working side by side with you. Follow the latest news on Ford Commercial Vehicles at facebook.com/fordmeansbusiness.

¹Based on Polk 1985-2012 U.S. Class 1c-8 New Registrations, excluding SUVs. ²Class is Full-Size Pickups over 8,500 lbs. GVWR.

ALTERNATIVES

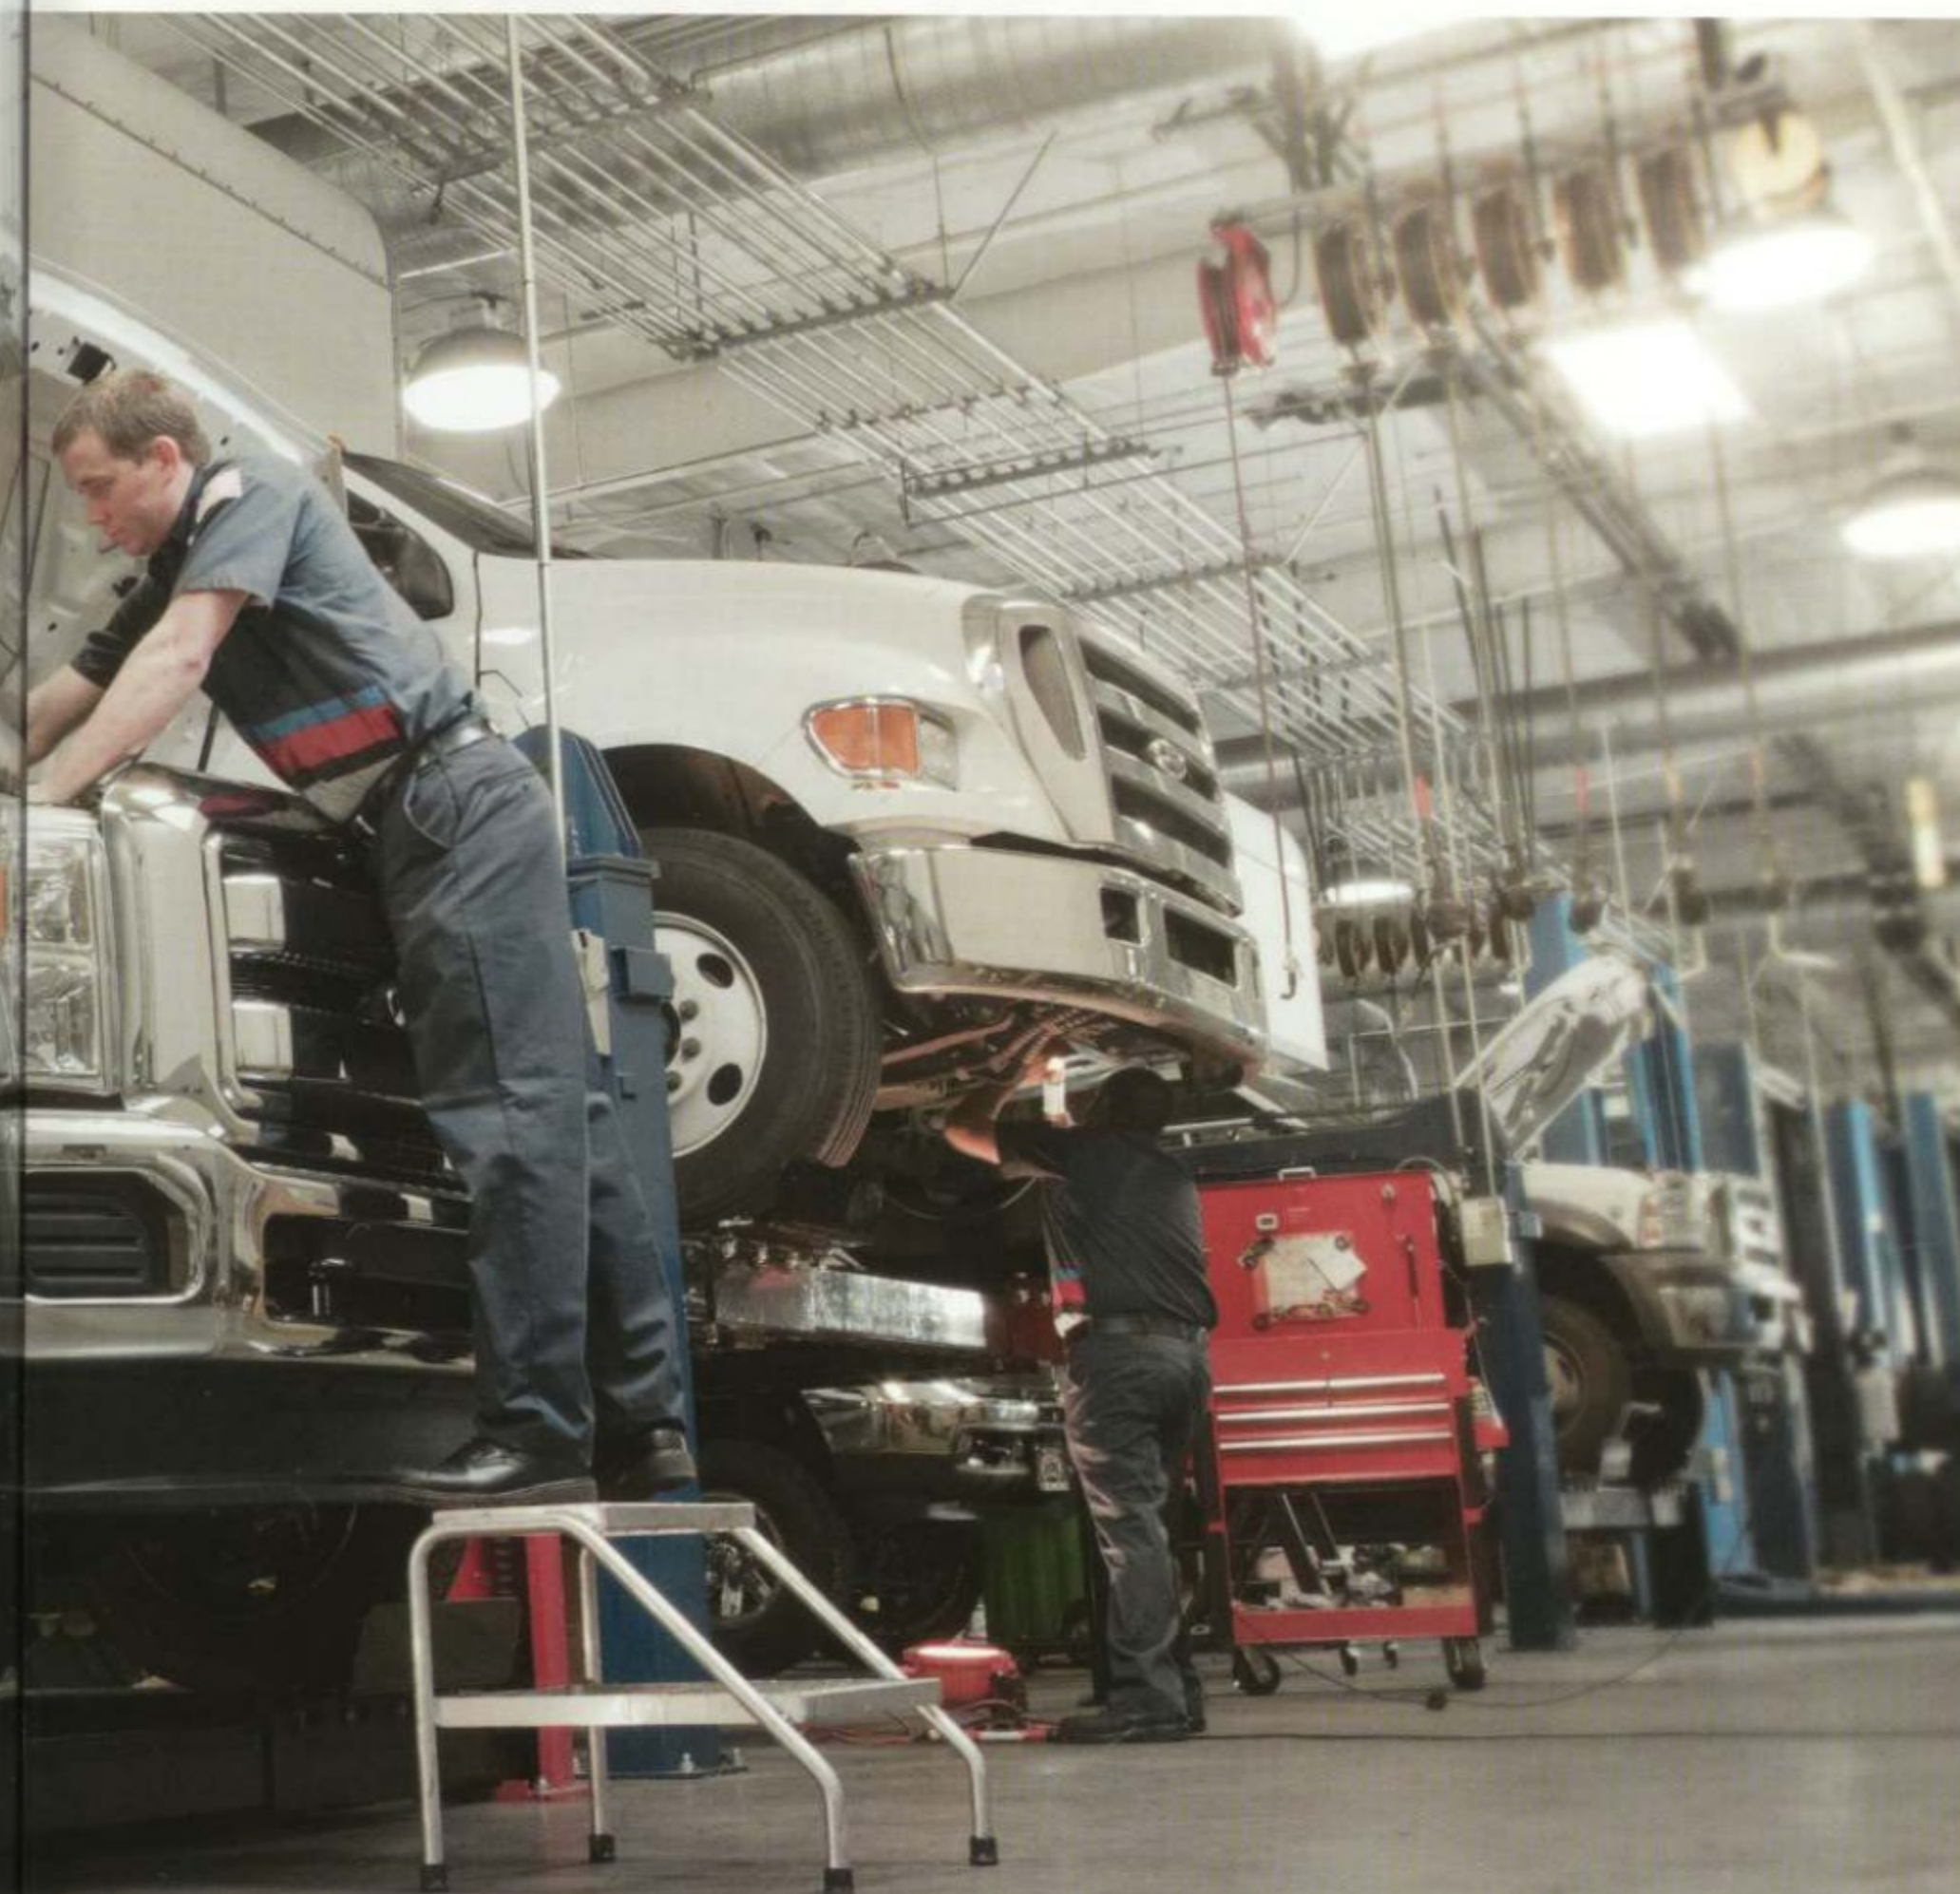

ALT FUEL CAPABILITY POWERS YOUR EFFICIENCY.

From Class 1 through Class 7, our comprehensive lineup of alternative fuel options can power your fleet. 5 trucks are ethanol (E85) capable. 8 can be prepped for Compressed Natural Gas (CNG)¹ or Liquefied Petroleum Gas (LPG)¹ conversion. Plus, choose from biodiesel (B20) capable F-Series pickups and chassis cabs with 6.7L Power Stroke[®] Turbo Diesel engines, as well as 2015 Transit models with the 3.2L Power Stroke I-5 diesel. We even enable an F-750 diesel-electric hybrid upfit that can help reduce your fleet's tailpipe emissions. And these fuel options may help you qualify for state tax credits and incentives² – helping green your bottom line.

¹Available feature. ²Consult your tax advisor for details.

SERVICE

A PREFERRED SERVICE NETWORK HAS YOUR BACK.

For over 24 years, Ford Business Preferred Network (BPN) dealers have offered businesses like yours a dedicated buying, financing and service experience. Guided by your business requirements (payload, cargo space, upfit needs, etc.), they can recommend the most appropriate vehicle choices for you. They'll let you check out similar trucks firsthand, get you the latest incentives and financing options, and help maximize your "up-time" with prompt, specialized service. They'll even set up Quality Fleet Care¹ – a monthly, single-payment billing option for parts and service – for your entire fleet of vehicles, regardless of make. Take advantage of all they offer today.

¹Approved credit review required.

THE FUTURE OF TOUGH

MORE CAPABLE AND EFFICIENT THAN EVER.

This is it. The future of tough. The all-new 2015 Ford F-150 is better in every way that matters. From its fully boxed, high-strength-steel frame to the use of high-strength, military-grade, aluminum alloys¹ in its body and bed, this F-150 takes tough to a whole new level. Weighing in as much as 700 lbs. less than its predecessor helps make this truck a whole lot more capable and efficient too. It accelerates faster and stops sooner. It tows more and hauls more. And does it more efficiently. Equipped with plenty of purpose-built technologies, the 2015 F-150 is the ultra-capable pickup of the future. Built Ford Tough[™] to help you work smarter, more productively and with more confidence than ever. **Available 4th Quarter 2014.**

¹6000-series aluminum alloy.

2015 F-150 LARIAT. Ingot Silver. Available equipment. Pre-production vehicle shown.

2015 SUPER DUTY PICKUP

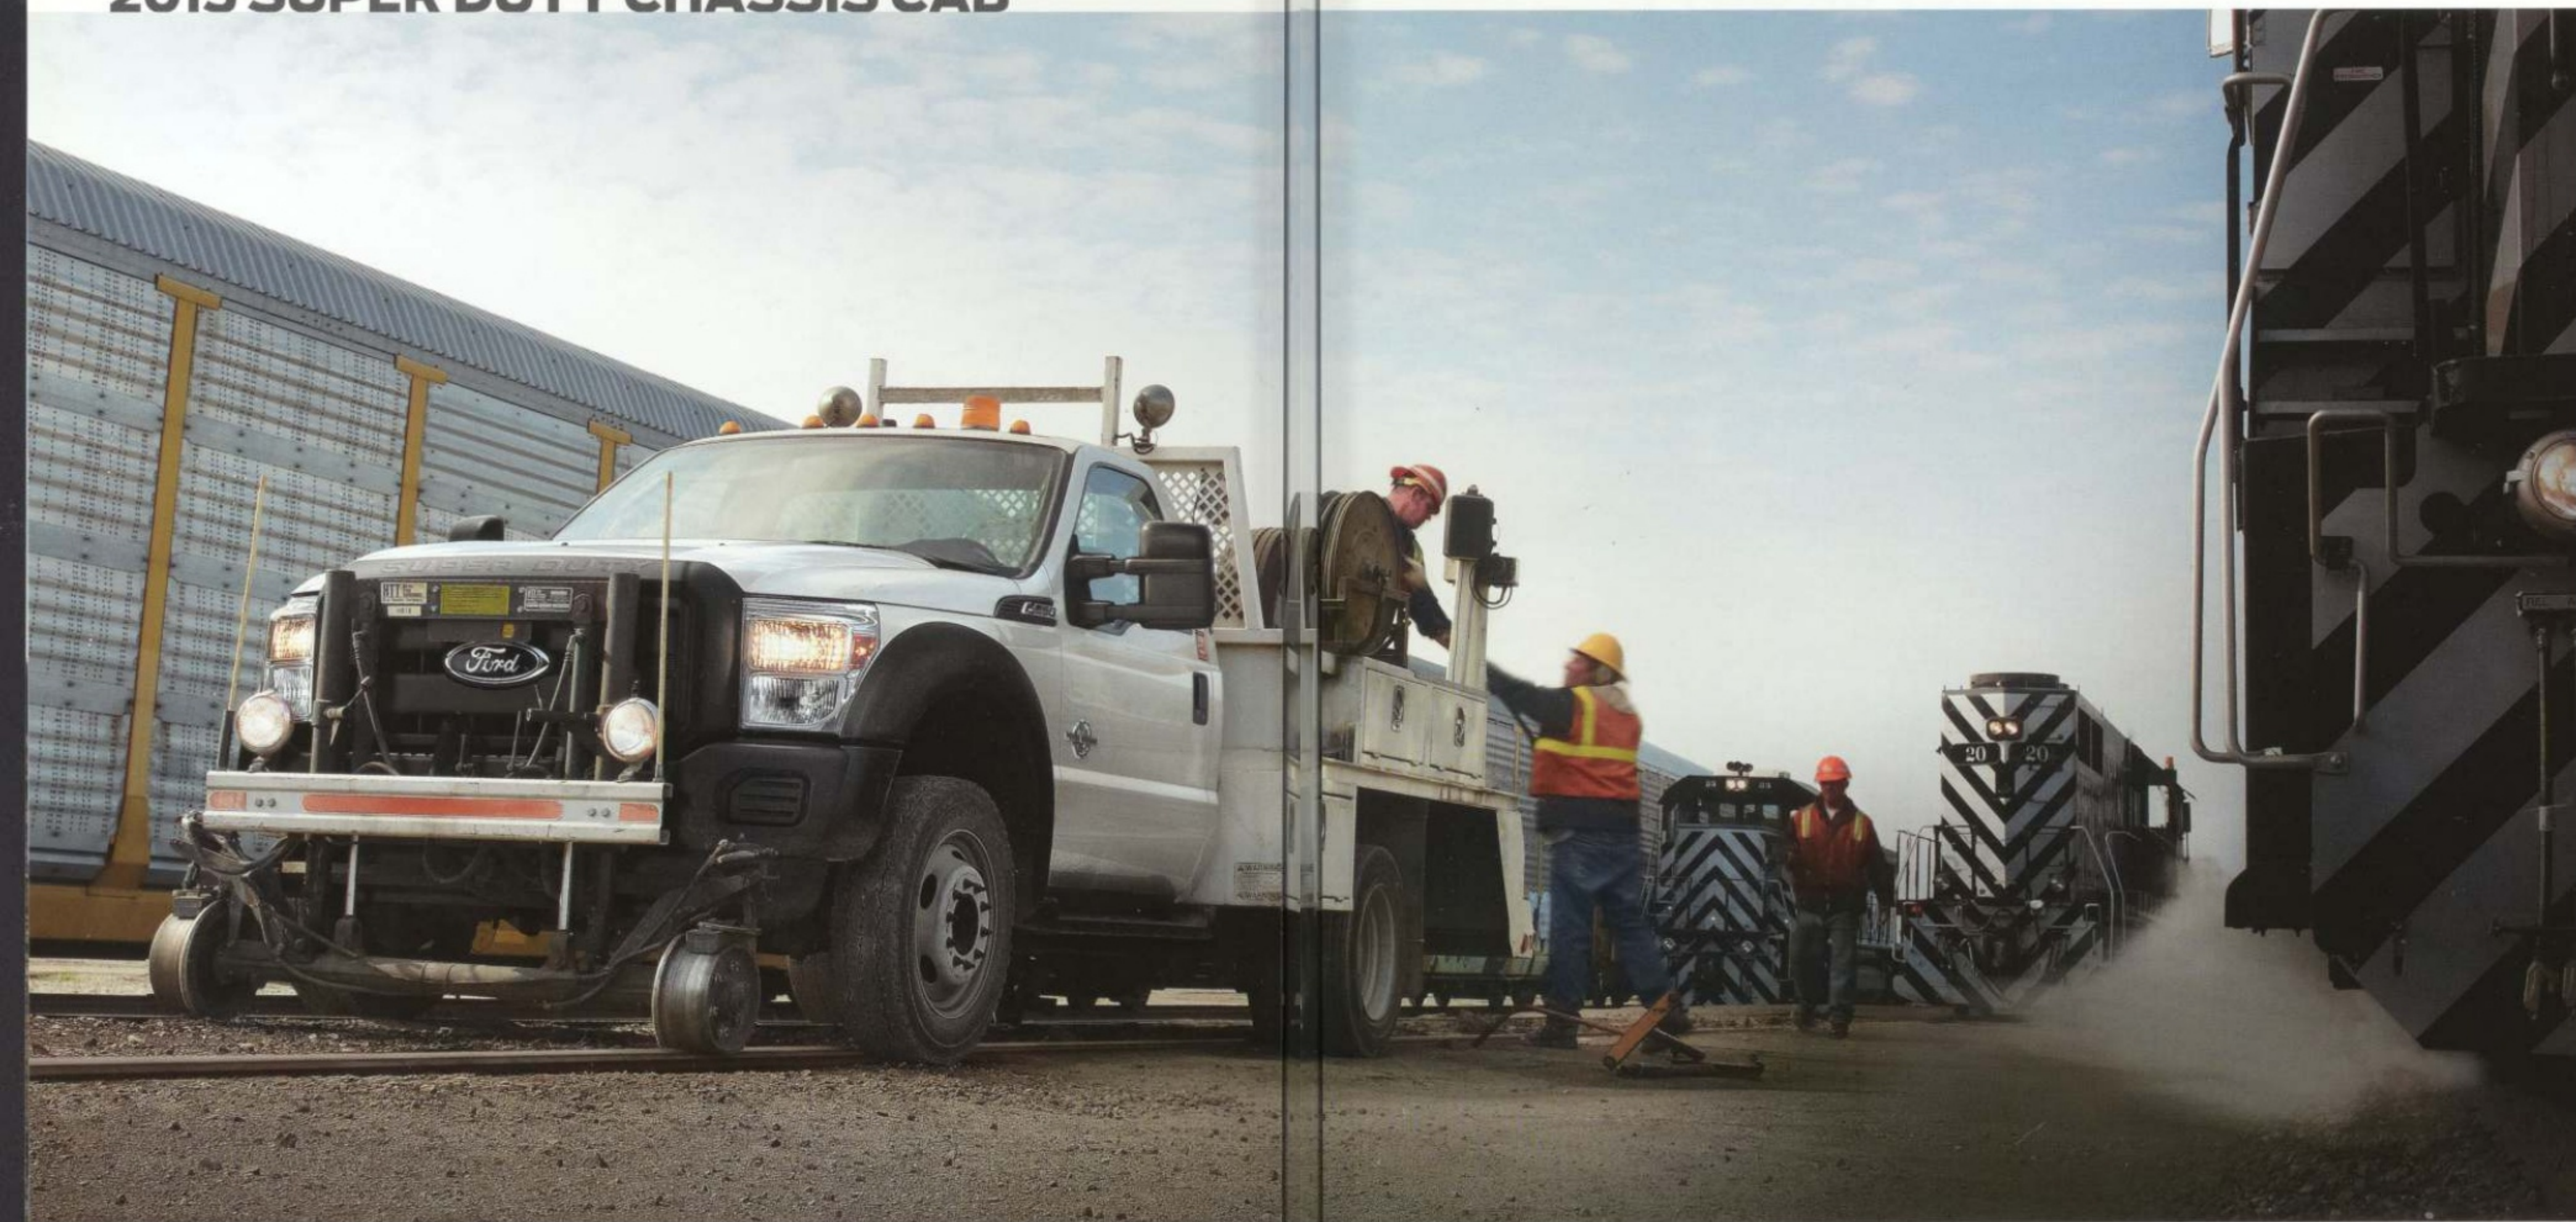

F-450 Super Duty LARIAT Crew Cab 4x4, Tuxedo Black. Available equipment.

¹Class is Full-Size Pickups over 8,500 lbs. GVWR. ²Based on Ford simulated city-suburban drive-cycle tests of comparably equipped 2015 Ford and 2011-2013 competitive models, consistent with SAE Standard J1321. ³Available feature. ⁴Percentages based on Polk U.S. heavy-duty pickup and class 2-5 conventional chassis cab combined new registrations (2011 CYE-2012 CYTD JUNE) within listed vocations.

TOUGH KEEPS GETTING STRONGER.

The 2015 F-Series Super Duty® is setting the standard for other heavy-duty pickups to follow. Yet again. Best-in-class¹ diesel horsepower and torque increase this year to 440 and 860 lb.-ft. Towing capacity gets a serious lift. Plus, class-leading fuel economy² is maintained on pickups powered by our second-generation 6.7L Power Stroke® V8 Turbo Diesel engine.³ Ford F-Series is engineered to help you get the job done when no one else can. Within construction, forestry, agriculture and countless other industries, the guys who do the toughest work count on one heavy-duty truck more than any other⁴ – Ford Super Duty.

2015 SUPER DUTY CHASSIS CAB

F-550 Super Duty XL Regular Cab 4x4, Oxford White. Available and aftermarket upfit equipment.

¹Available feature. ²Class is 3-5 Conventional Chassis Cabs.

BUILT TO GO THE DISTANCE.

Featuring valuable standards like traction control systems, factory-installed upfitter switches, and manually telescoping trailer tow mirrors, Super Duty® Chassis Cab supports a wide range of applications in your choice of Regular Cab, SuperCab or Crew Cab. It also delivers 660 lb.-ft. of torque, along with 300 horsepower, with our 6.7L Power Stroke® V8 Turbo Diesel.¹ And a class-exclusive² Live-Drive power take-off (PTO) provision¹ with that engine handles jobs similarly sized trucks can't even touch. That's what over 60 years of Built Ford Tough® on-the-job experience will get you.

2015 F-650/F-750 SUPER DUTY

F-750 Super Duty XLT Regular Cab. Oxford White. Available and aftermarket equipment.

¹Class is 6-7 Conventional Chassis Cabs. ²Available feature. ³Consult your tax advisor for details.

READY FOR HEAVY DUTY.

F-650/F-750 Super Duty® powertrain choices for this year help you get the best truck for your business. Equip your F-650 Pro Loader® or F-650 with our class-exclusive¹ 6.8L Triton® V10 gas engine² and TorqShift® 6-speed automatic transmission, or opt for the Cummins® ISB 6.7L Turbo Diesel.² A CNG/LPG Gaseous Engine Prep Package² may help you qualify for state incentives related to alternative-fuel use, infrastructure or vehicles. Visit www.afdc.energy.gov/afdc/laws for details.³ Three cab types. Available clean cab to axle. Massive axle capacities. It all adds up to the strongest truck in the Built Ford Tough® lineup.

2015 TRANSIT & 2014 TRANSIT CONNECT

2015 Transit 250 High-Roof LWB Van. Oxford White. Available equipment. Pre-production vehicle shown.
2014 Transit Connect XLT LWB Van. Frozen White. Available equipment.

¹Available Summer 2014. ²Based on Polk 1985-2012 U.S. Class 1c-8 New Registrations, excluding SUVs.

TIME TO RETOOL AT YOUR JOB SITE.

Introducing the all-new 2015 Ford Transit¹ and 2014 Transit Connect. Innovative designs and technology, plus tremendous flexibility and capability, make them a welcome addition to any job site. Multiple body styles. Various lengths. Your choice of advanced powertrains. And, on the full-size Transit, 3 roof height options on Van and Wagon, plus Chassis Cab and Cutaway models. There's a Built Ford Tough[®] solution for every aspect of your business. You'll get the job done efficiently, and done right. It's time to retool with the newest offerings from America's commercial van leader.²

2015 TRANSIT

2015 Transit 250 Medium-Roof LWB Van, Oxford White. Available equipment. Pre-production vehicle shown.

¹Available Summer 2014. ²Van/Wagon. 3 additional wheelbases on Chassis Cab/Cutaway models. ³Available feature. ⁴Preliminary ratings. When properly equipped. Cargo, load and trailer tow capacities limited by weight and weight distribution.

ALL-NEW FULL-SIZE LINEUP. LOTS OF CONFIGURATIONS.

Combining innovative design and engineering with everything we've learned from van owners like you, we redesigned our full-size van from the ground up with efficiency in mind. Introducing the all-new 2015 Ford Transit.¹ This Built Ford Tough® lineup offers you Van, Wagon, Cutaway and Chassis Cab models, 3 roof heights, 2 wheelbases,² and 3 strong engines: a 3.7L Ti-VCT V6, a 3.5L EcoBoost® V6³ and a 3.2L I-5 Power Stroke® Turbo Diesel.³ The 3.7L expands your choices even further with standard E85 flex-fuel capability and an available CNG/LPG Gaseous Engine Prep Package. With maximum payload ratings of up to 4,650 lbs.⁴ and maximum towing capacities of up to 7,000 lbs.,⁴ we make it easy to size up the right 2015 Transit to fit your business.
