

THE LINCOLN MOTOR COMPANY

The 2015 Lincoln MKX

OUTER BEAUTY.

With features like a signature Lincoln split-wing chrome grille, chrome door handles, and a panoramic roof¹ that lets the outside in, Lincoln MKX exudes beauty. Add power, heated sideview mirrors with memory, adaptive HID headlamps¹ and fog lamps, and it's easy to see why so many people are attracted to the 2015 Lincoln MKX.

¹Available feature.

COMFORT ZONE.

With Lincoln MKX, you'll find comfort in heated and cooled front seats that are adjustable in 10 ways to ensure that your ride is personalized to you. You experience it through a panoramic Vista Roof^{®1} that opens the cabin to give front and rear passengers a clear view of everything passing by. And in knowing that you can take along the extras you might need thanks to the 2nd-row seats that fold down for extra rear cargo space. It's time to get comfortable.

Premium Charcoal Black leather with available equipment.

WINNING COMBINATION.

Power and precision. Together, they define confidence. It's evident in the way the Lincoln MKX moves. With a 305-horsepower engine with 280 lb.-ft. of torque that accelerates smoothly – and quickly – to highway speeds. The advanced engineering of this 3.7L Ti-VCT V6 engine with twin independent variable camshaft timing can shut off the fuel flow when you lift your foot off the accelerator to help improve fuel economy¹ – then seamlessly resume it when you accelerate again. The result? An empowering sense of control, knowing that Lincoln MKX is there when you need it.

TOTAL CONFIDENCE.

Adaptive cruise control² can detect a vehicle slowing ahead, then smoothly adjust your speed to maintain a preset gap from it. You decide how much distance you'd like it to keep. In the event of a potential collision with the car in front, collision warning with brake support² can pre-charge the brakes to be prepared for an emergency stop.

The 6-speed SelectShift[®] automatic transmission with paddle shifters lets you upshift and downshift through the gears to effortlessly take on any curves that unfold before you. Just a few more ways Lincoln MKX gives you a greater sense of confidence behind the wheel.

IN VIEW.

Lincoln MKX has features that are designed to help you see things you otherwise might not. BLIS[®] (Blind Spot Information System) with cross-traffic alert² can help notify you of objects in your blind spots – and also warn you with an audible tone if traffic is crossing the path behind you. In tight areas and parking lots, the rear view camera² displays guidelines and a full-color image from the rear to assist you backing up, and help you avoid the recycling bin. Lincoln MKX has you covered from many angles, because we believe the more you know, the better.

¹EPA-estimated rating: 18 city/26 hwy/21 combined mpg, FWD; 17 city/23 hwy/19 combined mpg, AWD. Actual mileage will vary. ²Available feature. Driver-assist features are supplemental and do not replace the driver's judgment.

ELEGANT SIMPLICITY.

That's the signature of Lincoln interior design. You see it in controls that spring to life with a gentle touch, and in lights that trace your finger when you adjust volume or climate. You experience it in features that are carefully placed within the angled center stack to help make driving easier. In exquisite olive ash¹ or walnut swirl woods,¹ and leathers selected for their smooth and soft textures. And in the warmth of the elegantly designed, heated steering wheel.¹ Simply put, the interior of Lincoln MKX is crafted to wrap you in modern refinement.

Limited Edition Package with premium Ceramic leather with red accent stitching and available equipment.

IN TOUCH.

SYNC[®] with MyLincoln Touch^{™2} makes staying in touch simple. A large, 8" full-color center screen and crisp LCD gauges are supported by easily accessible buttons on the steering wheel, and vibrant, color-coded graphics make your choices clear. Touch what you need, or control it with easy voice commands. Dial numbers and answer calls without picking up your phone. Your contacts download automatically. Request music from favorite sources, including your MP3 player, phone, USB or SD card, then achieve auditory bliss through 14 speakers, compliments of the THX[®] II Certified Audio System.¹ Simply state a street address, and the Navigation System¹ can direct you to your destination, even while you are en route. SYNC with MyLincoln Touch brings it all together, beautifully.

¹Available feature. ²Driving while distracted can result in loss of vehicle control. Only use SYNC/MyLincoln Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ³Always wear your safety belt and secure children in the rear seat. ⁴SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ⁵Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

WELL-BEING.

You feel it all around you. With a solid structural safety cage and 6 airbags³ – including full side curtains – and a Personal Safety System[™] that deploys the front airbags in dual stages to help protect the driver and front passenger. An SOS Post-Crash Alert System^{™4} can help alert others when you need assistance. And AdvanceTrac[®] with RSC[®] (Roll Stability Control[™])⁵ helps keep you on your intended course. Intelligent all-wheel drive¹ helps get you through when a road suddenly turns slippery. With the safety features designed into Lincoln MKX, it's clear that we have your well-being in mind.
