PACIFICA
BUYER'S GUIDE

Flexibility is key. As a vehicle that's built for families, Chrysler Pacifica knows a thing or two about accommodating a wide range of wants and needs. It starts with offering that sense for your situation; opt for the powerful 3.6L Pentastar® Variable Valve Timing [VVT] V6 engine with 9-speed automatic transmission that runs on traditional gasoline or the innovative 3.6L Atkinson Cycle V6 Plug-In Hybrid Electric Vehicle [PHEV] engine with Electrically Variable Transmission [EVT]. Front-Wheel- and

available All-Wheel-Drive [AWD] systems add to the overall capability and performance of Pacifica — the advanced AWD automatically helps deliver enhanced traction over a wide range of road conditions. You'll find these and a myriad of other life-smoothing, day-improving features on all the Pacifica models: Select, Limited, Pinnacle,® Select Hybrid and Pinnacle Hybrid. Get in and discover which one delivers harmony in motion for you.

The greatest show on the road. Chrysler Pacifica is an escape in itself. Its sophisticated suite of technology services allows your passengers to get lost in entertainment, while drivers and designated navigators stay informed and up to speed with the Uconnect® 5 system and its 10.1-inch touchscreen, Alexa Built-In^{1*} and the available Uconnect Theater, Amazon Fire TV® Built-In², wireless Apple CarPlay® support,³ Android Auto™⁴ compatibility and an available 20-speaker Harman Kardon® Premium Audio System. All the while, everyone rides with the peace of mind that comes from advanced safety and security innovations like Full-Speed Forward Collision Warning with Active Braking,⁵ LaneSense® Lane Departure Warning systems⁶ and ParkSense® Park Assist.⁷ Thoughtful touches like the available FamCAM™ interior camera,⁸ heated and cooled seating, Stow 'n Vac® integrated vacuum cleaner,⁹ Stow 'n Go® seating make everything a little easier.
