

2026 RAM 1500

RAM

NOTHING STOPS RAM. It's not just a tagline—it's a promise. The 2026 Ram 1500 brings uncompromising strength, proven capability and real-world technology that truck owners count on. With two available 3.0L Hurricane I6 engines and the return of an iconic HEMI® V8—this lineup delivers serious horsepower and torque. On the road, on the job and everywhere in between, Ram 1500 is built to boldly conquer because nothing stops Ram.

Properly secure all cargo. Always tow within the vehicle's capacity.

Notes regarding the payload and towing charts above: numbers in **bold text** reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in kg (lb) unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 4.5 kg (10 lb). 4. Payload = GVWR – Base Weight. 5. Trailer Weight Rating (TWR) and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807. Passenger Weight = 136 kg (300 lb). Options Weight is option content (above 33 percent of sales volume). Trailer Equipment Weight = Class IV Hitch Receiver is 5 kg (11.1 lb) (if not already included in Options Weight). Trailer Hitch is 4.5 kg (10 lb) if TWR is less than or equal to 2267 kg (5000 lb), and 29 kg (65 lb) if TWR is greater than 2267 kg (5000 lb). 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GAWRs, GVWRs and GCWRs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 498 kg (1100 lb). 9. Weight-Distributing Hitch is recommended for trailers over 2267 kg (5000 lb).

CARGO BOX DIMENSIONS

All dimensions are in millimetres (inches) unless otherwise noted.	BOX SIZE	
	5' 7"	6' 4"

WARRANTY: The new Limited Powertrain Warranty of 10 year/160,000-kilometre (whichever occurs first) is available exclusively to retail customers who purchase or lease any of the following new and previously unregistered 2026 Ram vehicles from an authorized Ram retailer in Canada: Ram 1500 (including RHO), Ram 2500, Ram 3500, Ram Cab Chassis and ProMaster Van (excluding full battery electric vehicles). The warranty is not available to fleet customers and, except as otherwise required by applicable law (including but not limited for individuals residing in Quebec), is non-transferable and applies only to the original retail purchaser or lessee.

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new Ram Truck. Mopar Vehicle Protection offers extended service plans to help ensure that you'll enjoy your truck for many years down the road. For more information on comprehensive vehicle coverage, see your Ram retailer, call 800-465-2001 or visit www.fcacanada.ca/owners

DISCLAIMERS: 1. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 2. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 3. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 4. This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use brakes to avoid collisions. 5. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 7. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 8. Not compatible with all garage door openers. 9. All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package, and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions (including service limitations) and the Connected Vehicle Privacy Policy. 10. Vehicle must be locked and system activated for alarm to sound. 11. Always check entire surroundings visually before proceeding. 12. Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving.
