

CHRYSLER 1962

# The Chrysler WINDSOR

The Windsor offers Chrysler style, performance and prestige, at a most reasonable price. Available in five beautiful models (illustrated on this and the following pages), the Windsor represents unbeatable value and fine car ownership at a price that is well within your budget.

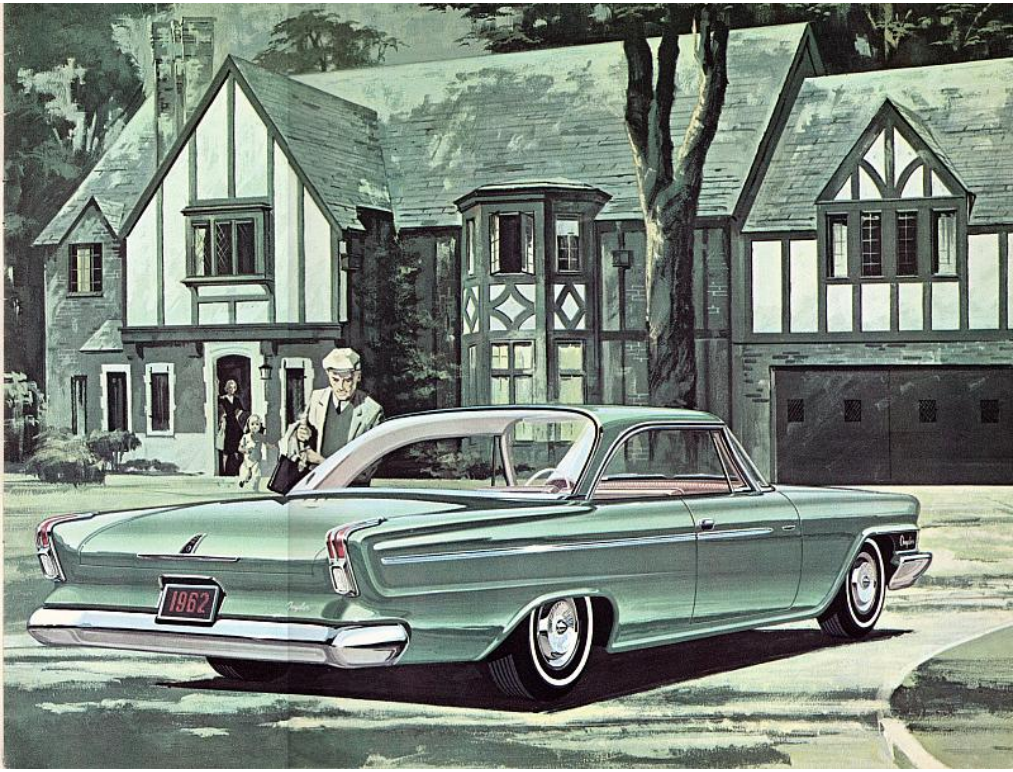

Windsor Four-Door Sedan

Windsor Two-Door Hardtop

## For 1962, Chrysler again stands alone in its class

For 1962 there are again no Jr. Editions that carry the famous Chrysler name. When you buy a new Chrysler, whether it is a Windsor, Saratoga or a New Yorker, you can rest assured that nowhere on the road is there a smaller cutdown, Jr. Edition

that is compromising your investment. Every Chrysler represents full size value, full size comfort, and full size performance. No other car in Chrysler's class can offer you this. For 1962, Chrysler stands alone in its class.

*Windsor Four-Door Hardtop*

### Subtle luxury... a Windsor interior feature

Your first view of a 1962 Chrysler Windsor will find you wondering how this could be the easiest to own Chrysler of them all. When you take your ease on the five-foot wide seats finished in long-wearing double woven fabrics, you'll know what luxury really means. It surrounds you wherever you look. In the tasteful colour choice, in the gleaming appointments, in the magnificent instrument panel. There is no doubt about it—the inside story of the Chrysler Windsor is the most exciting story of the year. When you open the door, you'll find exactly what you would expect in the finest car built. Its unique "Driver command seat" offers the ultimate in driving comfort. The fabrics are of excellent quality, the patterns are smart and exclusive, the styling of the seats is distinctive. The Windsor door panel features a deep centre section with horizontal two-inch pleats and a short soft section above and below. The same design is repeated on the rear door or the rear quarter section.

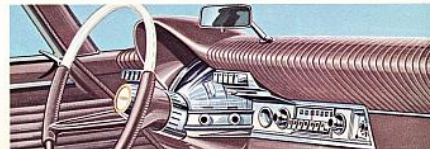

*Windsor Newport Convertible*

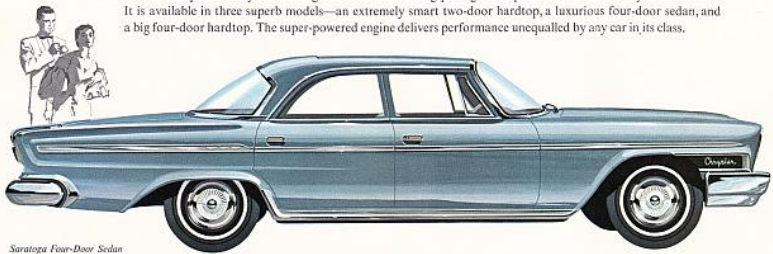

*Windsor Newport Four-Door Hardtop Town and Country Wagon*

Here's the magnificent Chrysler Windsor instrument panel—the most beautiful ever designed. It features superb Astra-Dome design tastefully set off by glare-free luminescent lighting. The lower panel has a brand-new diamond patterned textured metal insert that adds a perfect touch of subtle background styling for the controls. The Windsor steering wheel upper rim is clear plastic over a bright chrome core, with the remainder of the wheel delightfully colour-matched to the interior.

# The Chrysler **SARATOGA**

The middle-priced Chrysler Saratoga series offers dashing prestige with performance and luxury to match. It is available in three superb models—an extremely smart two-door hardtop, a luxurious four-door sedan, and a big four-door hardtop. The super-powered engine delivers performance unequalled by any car in its class.

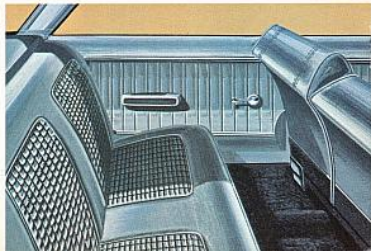

*Saratoga Four-Door Sedan*

*Saratoga Four-Door Hardtop*

## Step into a new world of beauty

Saratoga interiors leave nothing to be desired. You get every possible comfort—shoulder-high driver's seat, stretch-out room for six, designer fabrics, deep foam cushions, complete appointments.

*Saratoga Two-Door Hardtop*

# The Chrysler **NEW YORKER**

*New Yorker Four-Door Sedan*

The New Yorker series, superb in styling, performance, craftsmanship and prestige, includes models to suit every taste. This is the top of the Chrysler line. An incomparable series in every way, perfectly matched to those discriminating Canadians who demand the best.

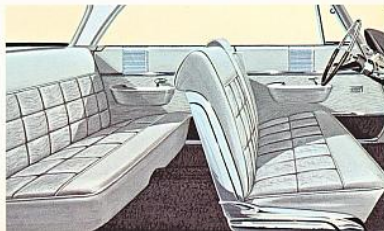

*New Yorker Four-Door Hardtop Town and Country Wagon (6 and 9 passenger)*

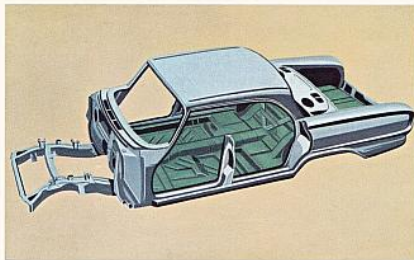

*New Yorker Four-Door Hardtop*

## Luxurious interiors to suit every taste

As you would expect, in a series as fine as the New Yorker, interiors are as subtly beautiful as is the entire car. Fabrics are the finest and perfectly colour-keyed. Gleaming appointments and wide luxurious seats complete the perfect setting of tasteful comfort and style.

# Chrysler FEATURES

**UNIBODY MAKES CHRYSLER STRONG, QUIET, ROOMY**—Single unit welding gives more strength! Unibody is scientifically "tuned" to reduce vibrations...blanketed with ninety-five pounds of sound-deadening material! Unibody allows more room, more stretch-out comfort.

**SIX DIPS SEAL OUT RUST FOR THE LIFE OF YOUR CHRYSLER**—Chrysler's Unibody is dipped *six* times in rust-resistant chemicals and rinses. Every vital body part, both inside and outside, is coated with a tough protective shield that seals out rust, keeps your Chrysler showroom new for years and years.

**TORSION-AIR® SUSPENSION**—Torsion-AIR cushions bumps, prevents any dipping and swaying, and grips the road for greater stability on curves. This unique combination of torsion bars in the front, widely spaced leaf springs in the rear, and Chrysler Corporation's famous Oriflow shock absorbers all around, represents one of the most important automotive engineering achievements of the present day.

## PERMANENT CHASSIS LUBRICATION

Through advance lubricants and special seals, your 1962 Chrysler will require attention *only* at 32,000 mile intervals—roughly 3 years of normal driving.

## 4,000 MILES BETWEEN OIL CHANGES

No need to spend irksome time and money changing oil every 1,000 miles. The 1962 Chrysler has improved its lubrication system so that now you need change your oil *only* at 4,000 mile intervals.

**NEW POWER BRAKES**—Power brakes on the 1962 Chrysler have a new vacuum suspended unit that provides higher maximum power assist and permits easier access to the fluid reservoir. This means greater braking power than ever before as well as giving new safety protection against any kind of "brake fade."

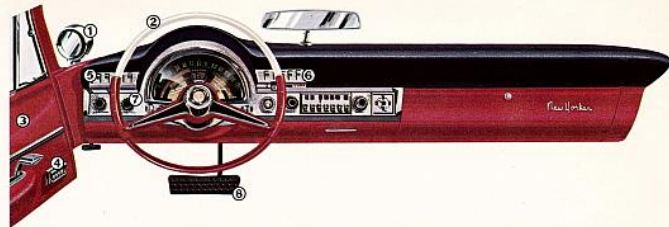

# Chrysler OPTIONS ACCESSORIES

For the Windsor, Saratoga and New Yorker • white sidewall tires • rear window defogger (not available on convertible, Town and Country) • rear radio speaker (not available on convertible, Town and Country) • power radio antenna • door edge protector\* • rear license plate frame\* • Engine block heater • push button radio.

\*New Yorker only.

For Windsor and Saratoga • Rear bumper guards • 12" x 2½" front and rear brakes • undercoating and hood insulating pad.

For Windsor • Sill Moulding and Stone Shields, Electric clock • Door upper frame mouldings on Sedans.

**1. REMOTE-CONTROL OUTSIDE MIRROR**—Move the control inside and the mirror moves outside to suit your angle of vision. This accessory is specially convenient if more than one person drives your car. (Standard on New Yorker. Optional on Windsor and Saratoga.)

**2. CONSTANT-CONTROL POWER STEERING**—Works full time to make driving and parking fingertip easy. Gives firm, accurate feel of the road. (Standard on New Yorkers. Optional on Windsor and Saratoga.)

**3. DOOR LOCKS—VACUUM OPERATED**—Fluck a switch and all four doors lock automatically for peace of mind when there are children aboard or the lady of the house drives alone. (Optional on New Yorker only.)

**4. POWER WINDOWS**—You can control all four windows electrically from the driver's seat. Each passenger also has a control of his own. (Optional equipment.)

**5. PUSHBUTTON AUTOMATIC TRANSMISSION**—Chrysler's Torque-Flite transmission puts pushbutton controls at your fingertips. Works trigger-quick. Glides from gear to gear without a jerk. (Standard equipment.)

**6. PUSHBUTTON HEATER**—Takes you from cold to warm comfort in minutes. Accurate thermostat maintains the temperature you set. Car is constantly ventilated, windows remain firm and steam free. (Mandatory option.)

**7. PUSHBUTTON WINDSHIELD WASHER**—Coupled with wide-sweeping, 16-inch electric wipers, this Chrysler option is a must for foul-weather driving. (Standard on New Yorker. Optional on Windsor and Saratoga.)

**8. TOTAL-CONTACT POWER BRAKES**—A touch of your toe brings you to a straight, smooth stop. Wide pedal lets you brake with your left foot. (Standard on New Yorkers. Optional on Windsor and Saratoga.)

# SAFETY

Naturally, Chrysler engineers are safety-conscious. As well as a magnificent top-performing car, Chrysler is also Canada's *safest* car. For 1962, power brakes\* have been improved to the point of unsurpassed dependability. Back-up lights, rear window defoggers\*, windshield washers\*, a large selection of rear view mirrors\*, parking brake warning light, safety cushioned visors\*, window safety switches\*, and many other safety features are available.

\*Available at extra cost.

**REAR VIEW MIRRORS**—Chrysler Mirrors offer panoramic rear view vision from inside or outside your car. Highly polished glass gives you freedom from distortion to assure maximum safety—day and night. Prismatic mirrors are also available.

**REAR WINDOW DEFOGGERS**—A full and safe view to the rear can be maintained in rainy or damp weather with a rear window defogger available on every Chrysler. A steady flow of air over the inside surface of the back window combats a tendency to "steam up."

**SAFETY BELTS**—The Chryco safety belts available on every Chrysler surpass all established strength requirements and meet all SAE specifications. They ensure safe travel and confidence to both driver and passengers. Seat belt anchors are standard equipment.

**SAFETY LOCKS**—When "child-guard" rear door safety lock is in operation, the lever turns freely on the lock shaft and the door cannot be opened by the handle in the normal manner. Available on every Chrysler.
