

Laser

Ford Australia - We're moving with you.

FORD LASER GHIA

LASER L 5-DOOR

Here's a car designed for real economy both in terms of initial outlay and operating costs. Apart from providing you with excellent fuel economy Laser L, as with all Lasers, is engineered with such features as front wheel drive, 4-cylinder SOHC engine, fully independent suspension and an impressive list of standard appointments.

- ☐ Big rear hatch for easy access
- ☐ Remote control right hand exterior rear view mirror
- ☐ Wrap-around polypropylene bumpers
- ☐ Fold-down rear seat backrest
- ☐ Seven piece tool kit

LASER GL 3-DOOR

How do you get generous interior room and comfort into an externally compact body, as well as provide a high level of equipment? The Laser GL shows you exactly how it's done. Sit inside and you will see what we mean.

- ☐ Front centre console
- ☐ Rear hatch window with wash and wipe system
- ☐ Rear hatch window demister
- ☐ AM push button radio
- ☐ Analogue quartz clock

A Laser GL 5-door model is also available.

LASER GHIA 5-DOOR

Ghia is a name Ford has made synonymous with luxurious appointments and a degree of quiet comfort beyond the normal levels of the day. In these respects Laser Ghia is no exception. Starting with the already excellent mechanics of the car, Ford has selected a package of features to transform the car into a vehicle for the discerning.

- ☐ Height-adjustable steering column
- ☐ AM/FM multiplex radio and cassette player
- ☐ Quartz digital clock
- ☐ Cashmere style cloth seat facings
- ☐ Driver's seat cushion adjustable for angle
- ☐ Machined alloy road wheels

LASER SPORT 3-DOOR

Ford has always been a name associated with performance among small cars. And in the Laser Sport you have the lively performance and economy of Laser, together with sporty style. From the alloy road wheels to the black cloth seat facings Laser Sport is very much a car for the enthusiast.

- ☐ Comprehensive instrumentation
- ☐ 5-speed manual transmission
- ☐ Laminated windscreen
- ☐ Distinctive striping
- ☐ 1.5 litre SOHC engine with alloy cylinder head
- ☐ Steel belted radials

Laser THE BRILLIANT BREAKTHROUGH

FUEL ECONOMY

	1.3 litre 4-speed manual*	1.5 litre 4-speed manual*	1.5 litre 5-speed manual*	1.5 litre 3-speed automatic*
CITY CYCLE				
L/100km	8.0	8.0	8.0	9.0
mpg	35.3	35.3	35.3	31.4
HIGHWAY CYCLE				
L/100km	5.5	6.0	5.5	7.0
mpg	51.4	47.1	51.4	40.3

*These are the fuel consumption figures for the Ford Laser based upon Australian Standard 2077 - 1979 Test Procedures for inclusion in the Fuel Economy Guide comparison booklet published by the Department of National Development and Energy. Actual fuel consumption, however, depends on many factors, including driving habits and conditions and the vehicle's equipment and condition.
