The first thing you'll notice, of course, is the welcome amount of interior spaciousness; it's amazing what a difference that bigger body size makes. Next, when you take to the road, you'll be equally pleased with the solid, secure feel

of the car's 2863 mm (112.7 inch) wheelbase.

The Value is sizeable too. Caravelle Salon is surprisingly affordable, especially when you consider how much car you're getting for your money. Check out the list of standard equipment. It's impressive. But the real value lies in the way the Caravelle Salon is built. We make extensive use of advanced technology and premium-quality materials. We emphasize

producing cars that are right and reliable from the wheels up. Backed for 5 years/80,000 kilometres. See specifications page for details.

Chrysler has been an industry leader in warranty coverage, and 1985 is no exception. Ask your dealer for details about our 1985 New Vehicle Limited Warranties. They protect your car's Powertrain for up to 5 years or 80,000 kilometres* and Outer Body Panels against corrosion perforation for the same period. There's more . . . ask your dealer.

You'll soon learn why we say Chrysler products are not only "Best Built" but "Best Backed", too.

*Whichever occurs first.
