7/70 Power Train Limited Warranty

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles, whichever comes first. A deductible applies. See your dealer for a copy of the warranty. Government, law enforcement, limousine, taxi and export vehicles excluded.

7/100 Anti-Corrosion Limited Warranty

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles, whichever comes first. See your dealer for a copy of the warranty.

Optional Service Contract Coverage

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

Consider Leasing

More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Caravelle usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

MOPAR parts are engineered by Chrysler Motors for use in your new Plymouth Caravelle. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.
