

2002 CAMRY

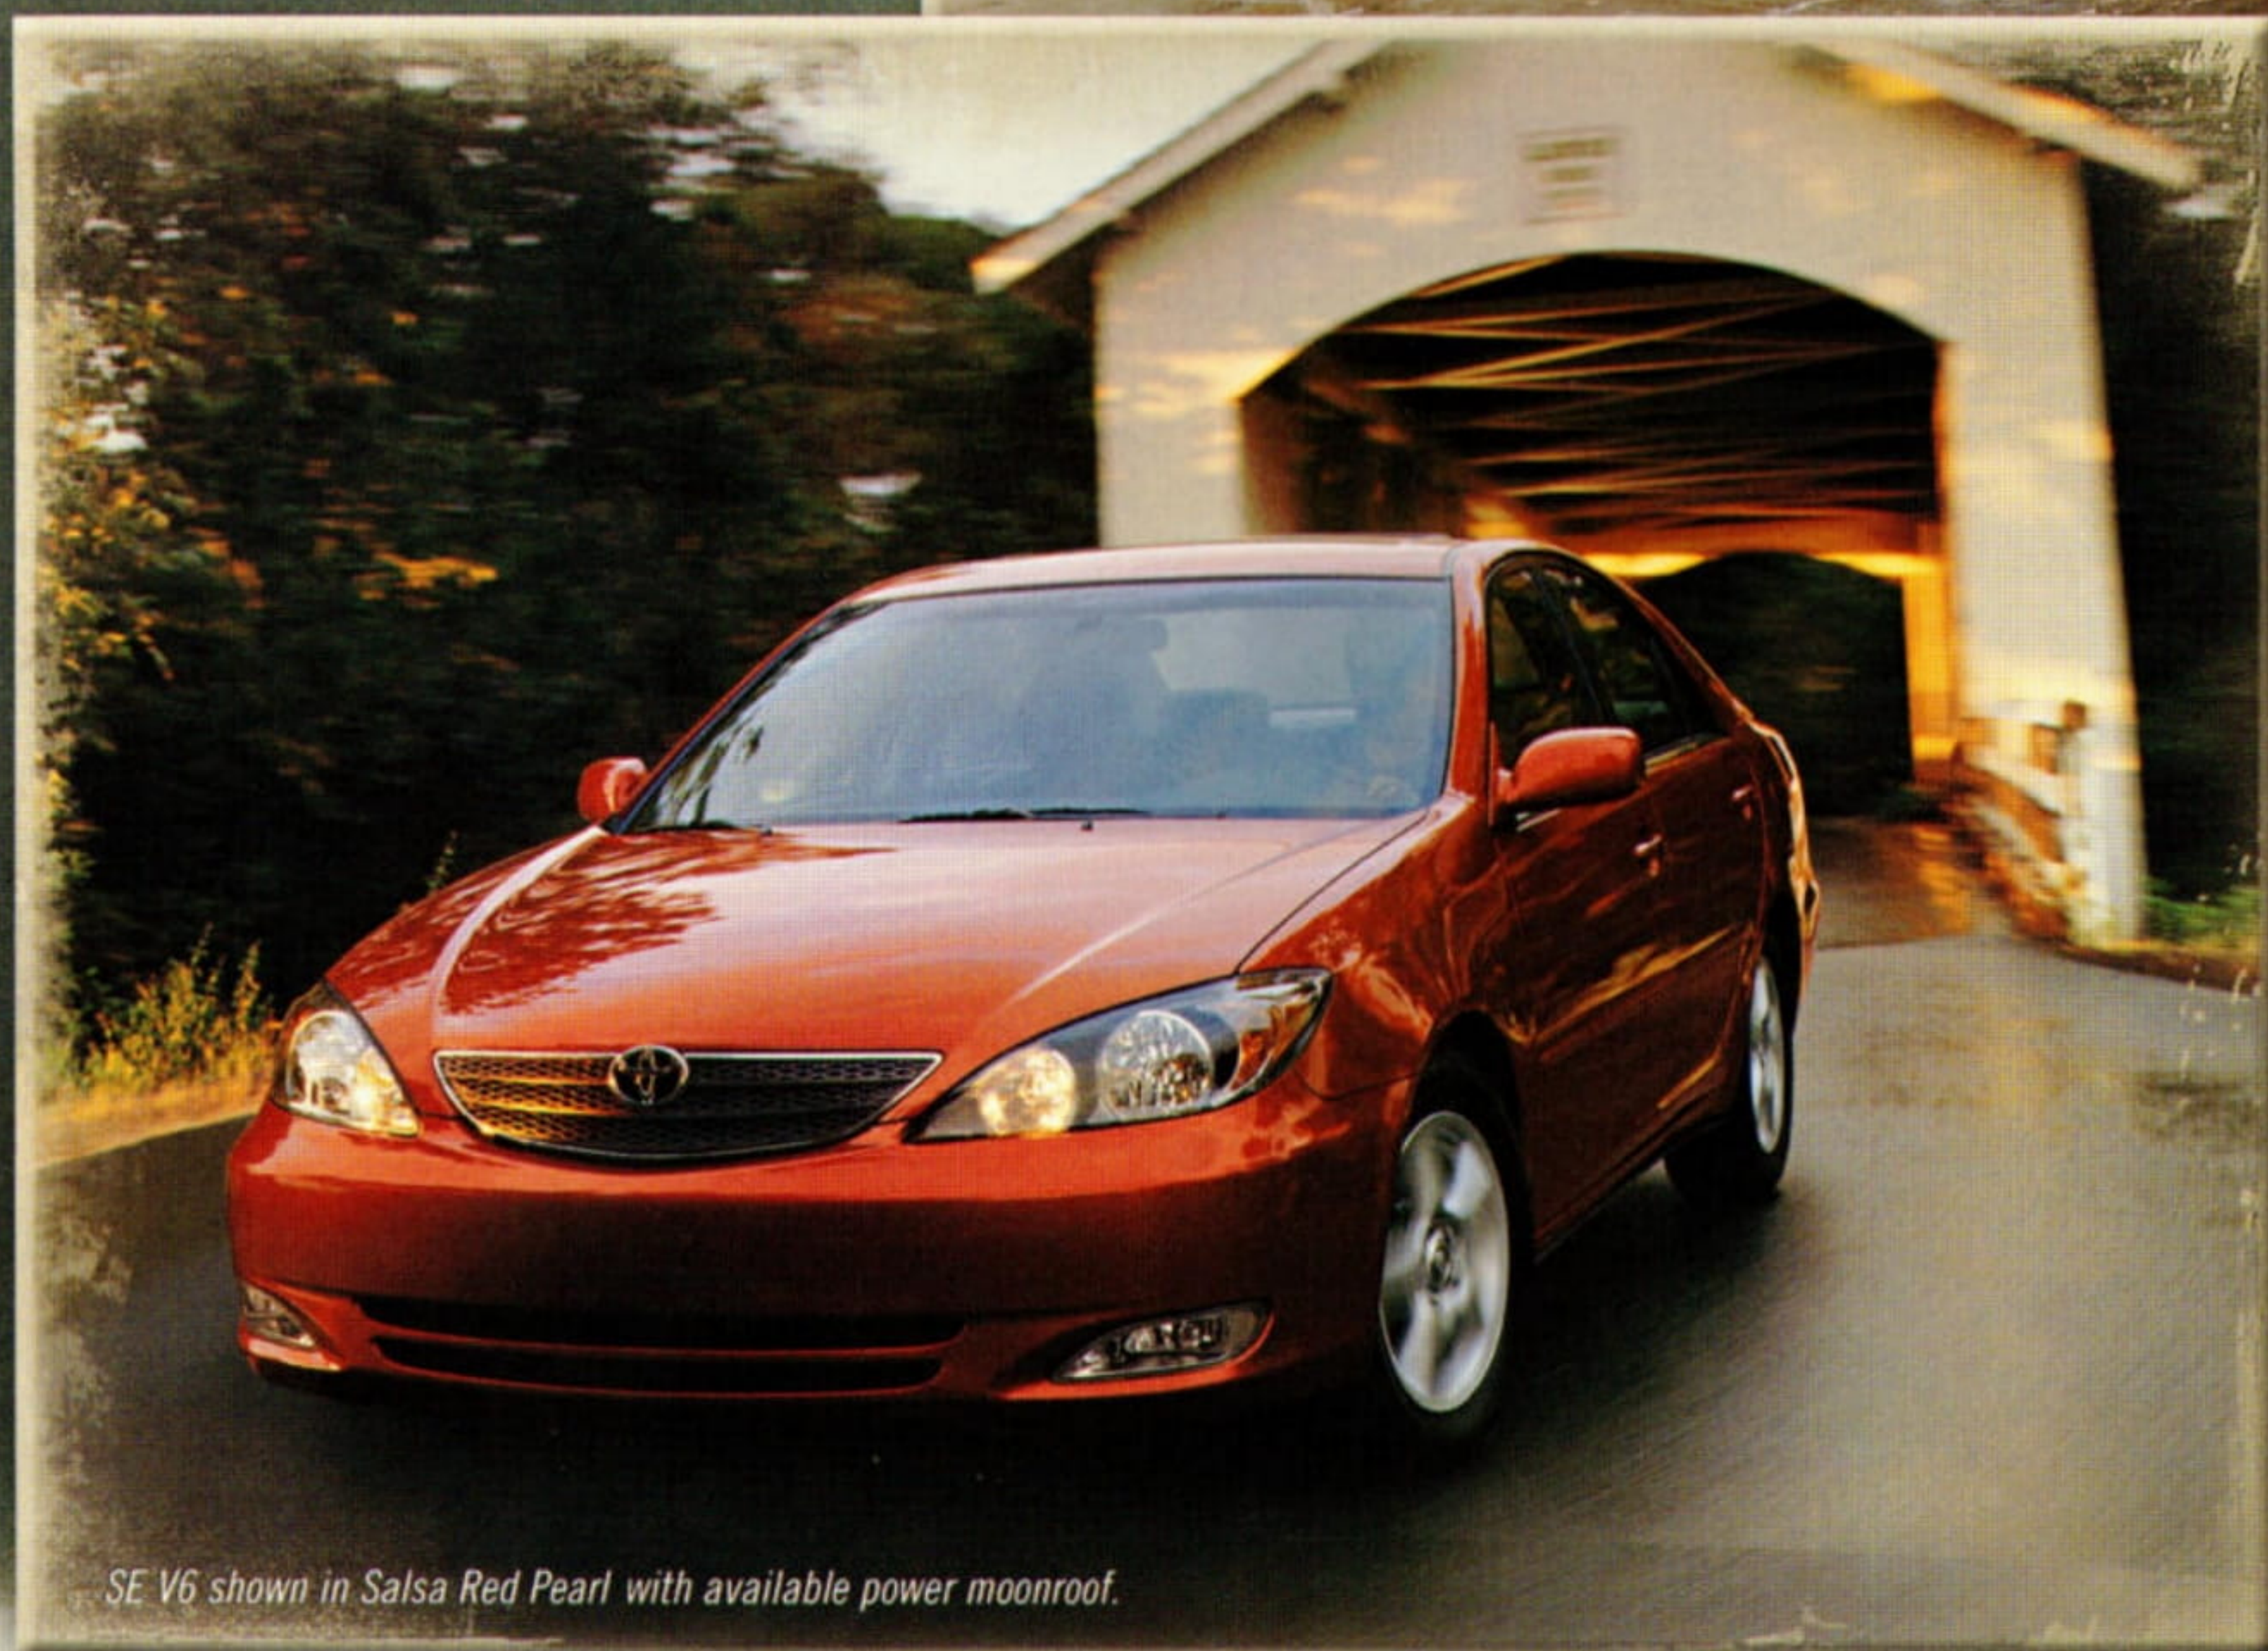

LE. The consummate Camry. New 157-hp VVT-i 4-cylinder engine, power windows and door locks, electronic A/C, dual remote-controlled outside mirrors, Deluxe 3-in-1 6-speaker audio system.

*LE shown in Black Walnut Pearl.*

*SE V6 shown in Salsa Red Pearl with available power moonroof.*

SE. The more sporty aggressive Camry. Available 192-hp V6 engine, sport-tuned suspension, sport gauges, rear spoiler, sport grille, fog lamps.

XLE. The ultimate Camry. Pure style, loads of substance. Wood-grain-style trim interior, available leather trim, chrome accents inside and out, JBL Premium audio system, multi-information display, one-touch driver-side power window, automatic climate control.

## THE LOVE AFFAIR BEGINS ANEW.

It happens fast. It's a moment, a single point of clarity. Maybe it's out the corner of your eye. Or a slight turn of the head. No matter, once you see the new 2002 Camry, you just know. Take in its stylish new profile, flowing lines and aerodynamic form. Take a look at its resculpted front end. And to make sure we keep your attention, we created three unique versions of Camry. Each as individual as your own desires. Sure, you've had these feelings before — just not for a car.

*XLE V6 shown in Desert Sand Mica.*

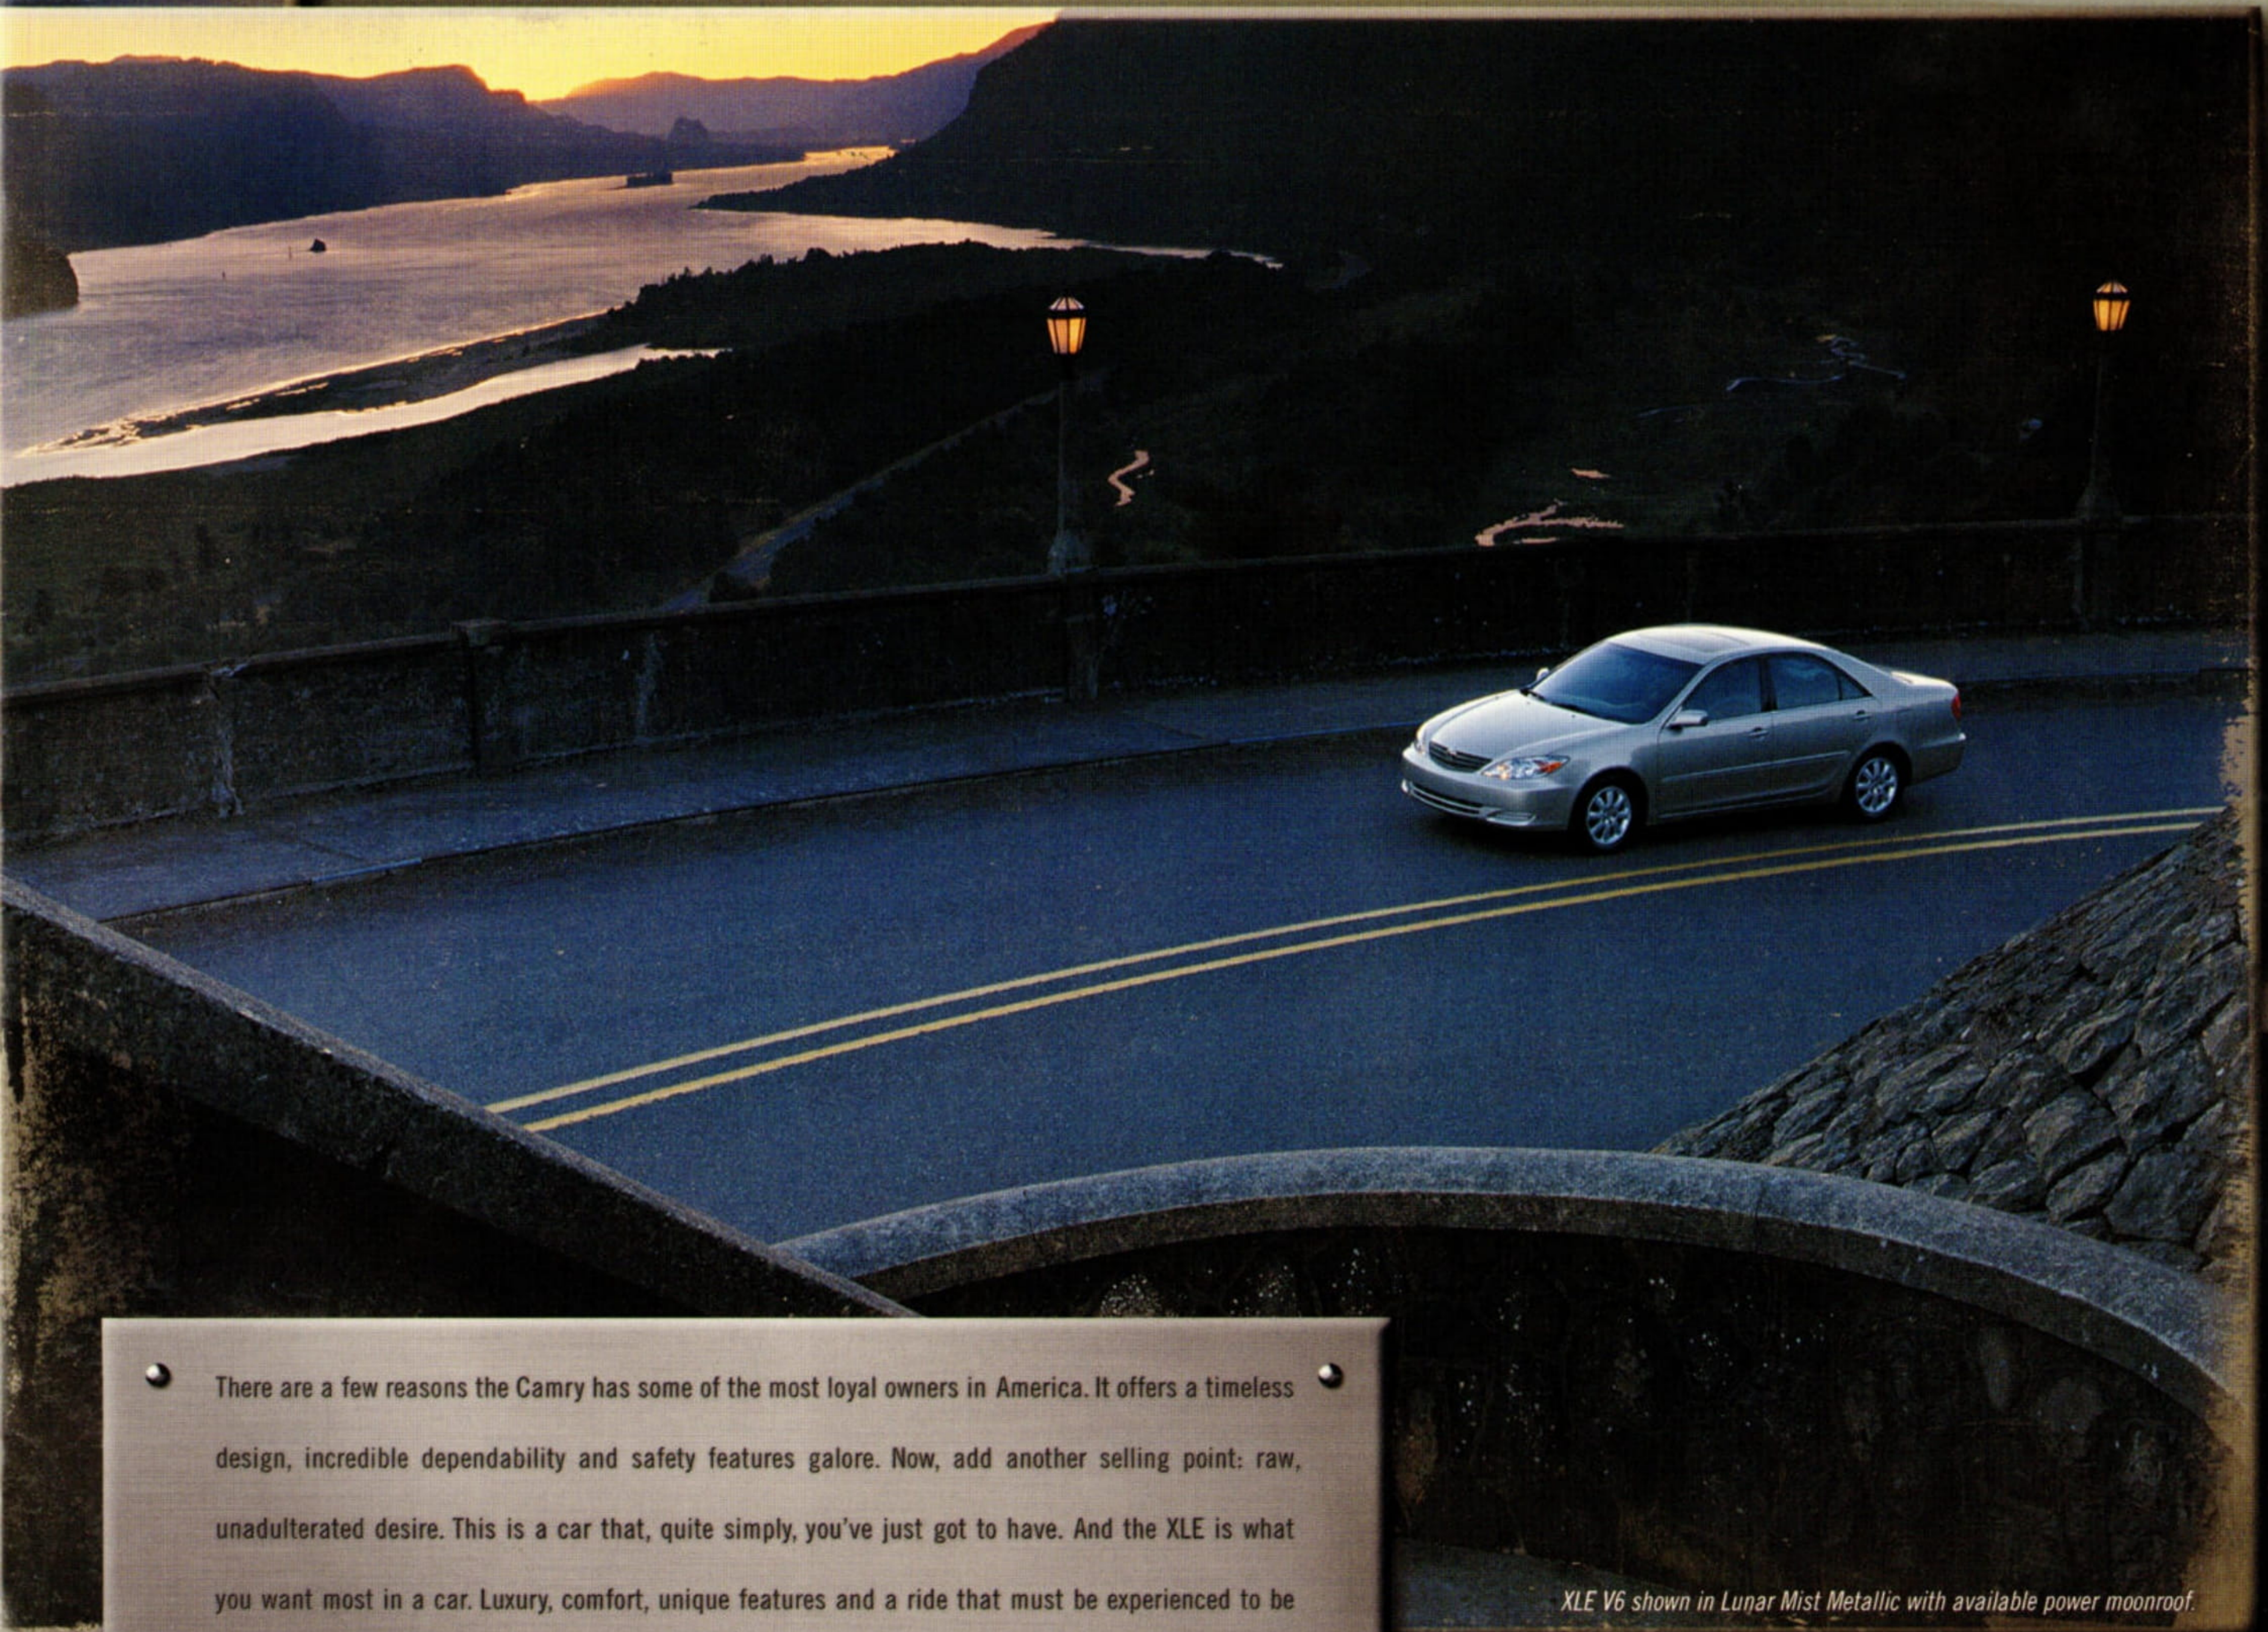

*XLE V6 shown in Lunar Mist Metallic with available power moonroof.*

IT'S NOT JUST A NEW CAR. IT'S A NEW CAMRY.

There are a few reasons the Camry has some of the most loyal owners in America. It offers a timeless design, incredible dependability and safety features galore. Now, add another selling point: raw, unadulterated desire. This is a car that, quite simply, you've just got to have. And the XLE is what you want most in a car. Luxury, comfort, unique features and a ride that must be experienced to be believed. It's said people who own Camrys love them. Here's your chance to find out why.

*XLE V6 shown in Lunar Mist Metallic with available power moonroof.*

How do you redesign the interior of what has been America's best-selling car for four years?<sup>1</sup> Very carefully. Making changes that are dramatic and modern, yet smart and subtle. Not for the sake of change, but for the sake of improvement. For example, the luxurious XLE comes with rich leather trim, power driver and passenger seats, rear sunshade and an available touch-screen DVD navigation system.<sup>2</sup> But that's just the start. We've added almost five cubic feet of space and lots of extra leg room. We created a bold new center cluster. And engineered a flowing, open design that creates a feeling of spaciousness while surrounding you in ergonomic comfort. The new Camry. It's sort of like a private club — only you get to pick the guest list.

*XLE interior shown in Taupe with available Package #9.*

**MORE ROOM. MORE COMFORT. MORE MORE.**

Available touch-screen DVD navigation system.<sup>2</sup> 6.5-inch-wide LCD screen with dual screen display and voice navigation. Available JBL Premium 3-in-1 audio system with eight speakers in six locations and 6-disc in-dash CD changer.

<sup>1</sup>Based on R.L. Polk calendar years 1997, 1998, 1999 and 2000 total passenger car registrations.  
<sup>2</sup>See Options section for more information on Toyota's touch-screen DVD navigation system.

*SE V6 shown in Salsa Red Pearl with available power moonroof.*

TRUE LOVE MOVES FAST. IN THIS CASE, VERY FAST.

When you fall in love, you've got to sort of jump right in — whether you're ready or not. Camry's new 157-hp VVT-i 4-cylinder engine is not quite what it seems (love's like that). It gives you what you need, and doesn't ask much in return. For the more passionate types, there's a bold 192-hp V6. Both will get the tachometer pumping. And don't forget Camry's multi-port fuel injection and double overhead cams, which, combined with the SE's sport-tuned suspension, offer a quicker, firmer and more responsive ride. So what's not to love?

*SE V6 shown in Salsa Red Pearl with available power moonroof.*

2.4-liter DOHC 16-valve VVT-i 4-cylinder.

- Sport-tuned suspension
- .94" front, .67" rear stabilizer bars
- Performance-tuned gas-filled shock absorbers
- Low-flow power steering pump
- Performance-tuned springs
- 16" performance tires
- Chrome exhaust outlet

*LE interior shown in Stone.*

## EXPLAIN AGAIN WHY TRAFFIC JAMS ARE BAD?

When you surround yourself with the comfort and serenity of Camry's interior, it's amazing how much more enjoyable your morning commute can become. Take the LE. Smart and stylish: power locks and windows and a new dual-tone interior. The SE takes class and adds a sporty twist: a leather-wrapped 3-spoke steering wheel, leather-trimmed shift knob and sport-inspired gauges. Face it — for the amount of time you spend driving, shouldn't your car be a place you'd want to be?

SE V6 interior shown in Charcoal with available Package #4.

## SAFE. SEXY. HOW MUCH MORE CONTEMPORARY CAN YOU GET?

Every time we came up with a way to make the new Camry more powerful, more spacious, more stylish, we looked at the other side of the equation: safety. We included driver and front passenger multi-stage<sup>1</sup> air bags<sup>2</sup>; Child Restraint System (CRS) anchors. Trunk entrapment-release handle. Plus, available Vehicle Skid Control (VSC)<sup>3</sup> with Brake Assist,<sup>4</sup> driver and front passenger seat-mounted side-impact air bags, and innovative overhead front and rear side curtain shield air bags.<sup>2</sup> Safety and performance. The yin and yang of the automotive world, both comfortably residing in one very beautiful, very stylish package. The new Camry.

Available side-impact and overhead front and rear side curtain shield air bags.<sup>2</sup>

- Comprehensive passive safety system
- New impact-absorbing body structure
- Anti-intrusion brake pedal and crushable footrest
- Numerous body structure improvements to control body deformation
- Head-impact protection structure
- Multi-stage<sup>1</sup> driver and front passenger air bags; available side-impact and overhead front and rear side curtain shield air bags<sup>2</sup>
- Front seatbelt pretensioners with force limiters

*LE shown in Catalina Blue Pearl with available 15" aluminum alloy wheels.*

<sup>1</sup>Driver air bag is three-stage controlled deployment; front passenger air bag is two-stage controlled deployment.

<sup>2</sup>See Safety Features section for more information on Camry's driver, front passenger, front seat-mounted side-impact and overhead front and rear side curtain shield air bag Supplemental Restraint Systems (SRS).

<sup>3</sup>See Safety Features section for more information on Vehicle Skid Control (VSC).

<sup>4</sup>See Safety Features section for more information on Brake Assist.

## LE STANDARD FEATURES

- Aerodynamic multi-reflector halogen headlamps with auto-off feature
- Daytime Running Lights (DRL) with off mode
- P205/65R15 tires on 15" steel wheels with full wheel covers
- Dual color-keyed power outside mirrors
- Color-keyed protective body side moldings and door handles
- Driver and front passenger multi-stage<sup>1</sup> air bag Supplemental Restraint System (SRS)\*
- Power windows with driver's auto-down and retained-power features
- Power automatic door locks with anti-lockout feature
- Defroster-linked CFC-free air conditioning with air filtration
- Washer-linked variable intermittent windshield wipers
- Cruise control
- Tilt steering wheel
- Multi-adjustable bucket front seats with adjustable headrests and driver's seat cushion vertical height adjuster
- Fabric seat and door trim with integrated armrests and dual front and rear map pockets
- Bi-level covered center console with storage
- 60/40 split fold-down rear seats with security locks, adjustable outboard headrests and seatbelt positioning clips
- Three front cup holders
- Fold-down rear center armrest with dual cup holders

- High Solar Energy-Absorbing (HSEA) glass
- Overhead console with maplights and sunglasses holder
- Illuminated entry
- Cut-pile carpeting with driver-side footrest
- Lockable illuminated glove box
- Two 12-volt auxiliary power outlets
- Digital quartz clock with outside temperature display
- Heavy-duty electric rear window defogger with timer
- Remote hood, trunk and fuel-filler door releases
- Internal trunk-release handle
- Trunk luggage box
- Speedometer, tachometer, coolant temperature and fuel level gauges; digital odometer and twin tripmeters
- Air bag, seatbelt, low-fuel level, door-ajar, battery, check engine, oil pressure, brake and taillamp bulb failure warning lights (ABS warning light on ABS-equipped models)
- Deluxe 3-in-1 AM/FM ETR/Cassette/CD with 6 speakers and on-glass antenna
- Full-size spare tire
- V6 models add:**
- Engine immobilizer
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)

## SE STANDARD FEATURES

(In addition to/in place of LE Standard Features)

- Aerodynamic multi-reflector halogen headlamps with black-out sport trim
- P215/60R16 performance tires on 16" steel wheels with full wheel covers
- Sport-tuned suspension
- Strut tower brace
- Integrated fog lamps
- Black-out sport grille with chrome trim
- Black Pearl sport badging with chrome logos
- Leather-wrapped 3-spoke sport steering wheel and shift lever

- Metallic-style sport gauges
- Unique sport fabric
- Metallic-style interior trim
- Color-keyed rear spoiler with integrated center stop lamp
- Chrome-tipped exhaust
- V6 models add:**
- Engine immobilizer
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)
- 16" 5-spoke aluminum alloy wheels

## XLE STANDARD FEATURES

(In addition to/in place of LE Standard Features)

- P215/60R16 tires on 16" steel wheels with full wheel covers
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)
- Heated outside mirrors
- Chrome-trimmed body side moldings
- Multi-adjustable power driver's seat with lumbar support and power passenger seat with seatback pockets
- Wood-grain-style interior trim with chrome accents on door handles and air vents
- Auto up/down driver's power window with pinch protection
- CFC-free automatic climate control with air filtration and rear-seat vents
- Multi-information display with clock, outside temperature, instant and average fuel economy, driving range, average speed and elapsed time functions, and steering wheel-mounted controls

- Anti-theft system with engine immobilizer and alarm
- Multi-function remote keyless entry system with lock, unlock, trunk-release and panic features, and illuminated entry
- Foot pedal parking brake
- Dual illuminated visor vanity mirrors with dimmer control
- Auto-dimming electrochromic rearview mirror with compass
- HomeLink<sup>®</sup> universal transceiver
- Manually retractable rear window sunshade
- Trunk-mounted cargo net
- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 8 speakers in 6 locations and FM diversity reception
- V6 models add:**
- P215/60R16 tires on 16" aluminum alloy wheels

<sup>1</sup>Driver air bag is three-stage controlled deployment; front passenger air bag is two-stage controlled deployment.

<sup>2</sup>HomeLink<sup>®</sup> is a registered trademark of Johnson Controls, Inc.

## SAFETY FEATURES

- Driver and front passenger multi-stage<sup>1</sup> air bag Supplemental Restraint System (SRS)\*
- Driver and front passenger seat-mounted side-impact and overhead front and rear side curtain shield air bag Supplemental Restraint Systems (SRS)\* — available
- 3-point front outboard seatbelts with adjustable shoulder anchors and driver-side Emergency Locking Retractor (ELR), front passenger Automatic/Emergency Locking Retractor (ALR/ELR)
- Outboard front seatbelt pretensioners with force limiters
- 3-point rear seatbelts with Automatic/Emergency Locking Retractors (ALR/ELR) for all passengers
- Outboard rear seatbelt comfort guides
- Separate headrests in outboard front and rear seat positions
- Front and rear crumple zones and side-impact door beams

- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) — standard on XLE and V6 models, available on 4-cylinder SE and LE
- Vehicle Skid Control (VSC)<sup>3</sup> with Traction Control (TRAC) and Brake Assist<sup>4</sup> (available on V6 models)
- Energy-absorbing collapsible steering column
- Child-protector rear door locks/CRS anchor brackets for two child seats
- Internal trunk-release handle
- Battery-saver feature — deactivates interior lights after 30 minutes
- Daytime Running Lights (DRL) with auto-off feature
- HomeLink<sup>®</sup> universal transceiver (XLE models)

<sup>3</sup>Toyota Vehicle Skid Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

<sup>4</sup>Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

\*The Toyota driver, front passenger, front seat-mounted side-impact and overhead front and rear side curtain shield air bags are Supplemental Restraint Systems (SRS). The driver and front passenger air bags are designed to inflate in a severe frontal collision. The side-impact and overhead front and rear side curtain shield air bags are designed to inflate in severe side-impact collisions. In all other accidents, the air bags will not inflate. To decrease the risk of injury from a deploying air bag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the air bag modules and do not lean against the door. Do not put objects in front of an air bag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

#### TOYOTA FINANCIAL SERVICES<sup>†</sup>

You're thinking about driving a Toyota. You may also be thinking about whether you should purchase or lease your Toyota. Toyota Financial Services (TFS) offers a variety of finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major financial commitment and we have developed some

of the finest insurance products to help protect your interest over time. And in most cases, you may include the cost of these products in your finance or lease contract. With TFS, you'll find the quality and service that you have come to expect from Toyota. Keep it in the Toyota family — choose TFS for your finance and insurance needs. Be sure

to ask your Toyota dealers or go to [toyotafinancial.com](http://toyotafinancial.com) for details.

<sup>†</sup>Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services. See your participating Toyota dealer or [toyotafinancial.com](http://toyotafinancial.com) for details.

#### WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and air bags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

**Accessories:** 12 months/unlimited miles, or the remainder of any applicable new vehicle warranty (except car covers, which are warranted for 12 months).

You may be eligible for transportation assistance if your vehicle is required to be kept overnight for warrantable repairs.

For complete details about Toyota's warranties, please visit [toyota.com](http://toyota.com), refer to the applicable *Owner's Warranty Information* booklet or see your Toyota dealer.

Toyota is constantly improving its products and has developed more vehicles rated "most fuel efficient" in their class than any other brand. (Based on 2001 EPA Most Fuel Efficient rankings using EPA size classes and estimated city mpg.)
