Role models.

Here's something to look up to: the all-new, bigger 2004 Toyota Sienna. With a new 230-hp VVT-i V6, a longer wheelbase and an independent front suspension, the Sienna offers a powerful, car-like ride. But that's only the beginning:

- Available in four distinctive models
- Spaciousness — nearly 45% more cubic feet of volume overall and 39% more cargo space¹ than previous model
- Versatility — with its 60/40 Split & Stow 3rd Row[™] seat and available Front and Center[™] second-row seat
- Functionality — with an available rear-seat DVD entertainment system

The 2004 Sienna. It has everything kids want and everything you need.

Sienna has a model for every family — from CE, our value leader, to the luxurious XLE Limited. Some model grade highlights include:

CE

- Available in 7- or 8-passenger models
- 60/40 Split & Stow 3rd Row[™] seat
- Second-row indexing seat creates side-by-side seating from captain's chairs (7-passenger models)
- Available Front and Center[™] second-row seat (8-passenger models)
- Second-row power window in each sliding door
- Tray table between front-row seats folds down to create walk-through space
- 4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist²

- Tire Pressure Warning System³
- 16" steel wheels with full wheel covers

LE

- Available in 7- or 8-passenger models
- Front passenger seat folds flat to carry long cargo
- Privacy glass with power rear quarter windows
- Driver's seat with adjustable lumbar support
- Available passenger-side power sliding door with "jam protection"
- Defroster-linked CFC-free front/rear air conditioning with separate rear control panel and air filter
- Available All-Wheel Drive (AWD)

XLE

- Available as a 7-passenger model only
- Available leather-trimmed seats
- Dual power sliding doors and rear door with "jam protection"
- JBL Synthesis AM/FM Cassette with single-disc in-dash CD player and 10 speakers (the first minivan with surround sound)
- Three-zone automatic climate control with air and odor filter for driver, front passenger and rear-seat passengers
- Wood-grain-style interior trim
- Removable center console installs between the front- or second-row seats
- Available manual second- and third-row sunshades
- 16" aluminum alloy wheels

XLE Limited

- Available as a 7-passenger model only
- Driver and front passenger heated leather-trimmed seats with adjustable temperature control
- Driver and front passenger seat-mounted side and three-row side curtain airbags⁴
- JBL Synthesis AM/FM Cassette with 6-disc in-dash CD changer, 10 speakers and two in-glass antennas with FM diversity reception⁵
- Dynamic Laser Cruise Control⁶
- High Intensity Discharge (HID) headlamps
- Vehicle Stability Control (VSC)⁷ + Traction Control (TRAC) — includes rear disc brakes, windshield wiper de-ice grid and Daytime Running Lights (DRL) with auto on/off feature
- Front and rear Intuitive Parking Assist
- Power tilt/slide moonroof

¹ Behind the third-row seat. Cargo and load capacity limited by weight and distribution.

² See Combinations section footnote 15 for more information on Toyota's Brake Assist.

³ See Combinations section footnote 18 for more information on Toyota's Tire Pressure Warning System.

⁴ See Combinations section footnote 13 for more information on Toyota's driver, front passenger, front seat-mounted side and side curtain airbag Supplemental Restraint Systems (SRS).

⁵ When XLE Limited Package #6 (HID) is ordered, the standard 6-disc in-dash CD changer is replaced with a single-disc in-dash player.

⁶ See Combinations section footnote 5 for more information on Toyota's Dynamic Laser Cruise Control.

⁷ See Combinations section footnote 17 for more information on Toyota's Vehicle Stability Control (VSC).

See Model Grade Features section for complete list of equipment.

MODEL
GRADES

Finally, something your kids
won't grow out of.

04
INTERIORS
XLE AND XLE LIMITED

- In addition to plenty of elbow room, Sienna's all-new interior offers your passengers more amenities than ever, including:
- Heated leather-trimmed power driver and front passenger seats with adjustable temperature control and lumbar support (standard on XLE Limited, available on XLE)
 - Removable center console that may be installed between the front- or second-row seats
 - Standard power second-row windows
 - Rear-seat audio system with remote control and wireless headphone capability
 - Retractable manual second- and third-row side-window sunshades (standard on XLE Limited, available on XLE)
 - 14 convenient cup/bottle holders

XLE interior shown in Stone with available XLE Package #19

Now that the kids are comfortable,
let's talk about you.

04
INTERIORS
XLE AND XLE LIMITED

- The sacrifices of parenthood end here, in Sienna's spacious and comfortable new interior. Conveniences include:
- HomeLink[®] universal transceiver for one-touch garage door operation (standard on XLE and XLE Limited, available on LE)
 - Available touch-screen DVD navigation system² helps you to your destination and has a backup camera³ for maneuvers in reverse
 - Available rear-seat DVD entertainment system⁴ with two wireless headphones (includes two 115V power outlets)
 - Three-zone automatic climate control keeps everyone comfortable
 - JBL Synthesis AM/FM Cassette with single-disc in-dash CD player and 10 speakers (standard on XLE model only)
 - Tray table between front-row seats contains five cup holders and folds down to create a walk-through space to the rear seats (available on XLE Limited)
 - Conversation mirror that allows parents to see children

XLE interior shown in Stone with available XLE Package #19

1. HomeLink[®] is a registered trademark of Johnson Controls, Inc.
 2. See Combinations section footnote 9 for more information on Toyota's touch-screen DVD navigation system.
 3. See Combinations section footnote 10 for more information on Toyota's backup camera.
 4. Not available on CE model.

The available JBL Synthesis 10-speaker audio system includes a dash-mounted center speaker and a cargo-area subwoofer.

Sienna's available rear-seat DVD entertainment system⁴ has wireless remote control, a crisp LCD display and two wireless headphones.

XLE shown in Desert Sand Mica with Fawn interior and available XLE Package #19

Comes in various floor plans.

7-PASSENGER CONFIGURATION

AVAILABLE ON ALL MODEL GRADES

The versatility of 7-passenger Siennas helps you keep up with the many changes of family life. Features include:

- Second-row captain's chairs that move laterally to create side-by-side seating or cargo room down the side
- Split & Stow 3rd Row™ seat allows for a variety of cargo spaces or, with the second row removed, avails all of Sienna's 148.9 cu. ft. of cargo volume¹

¹ Behind the first-row seat. Cargo load and capacity limited by weight and distribution.

Second-row center seat
Position 1: Flush

Available FRONT and CENTER™
second-row seat

Second-row center seat
Position 2: Forward

LE 8-passenger model interior shown in Fawn

The center of your universe is within arm's reach.

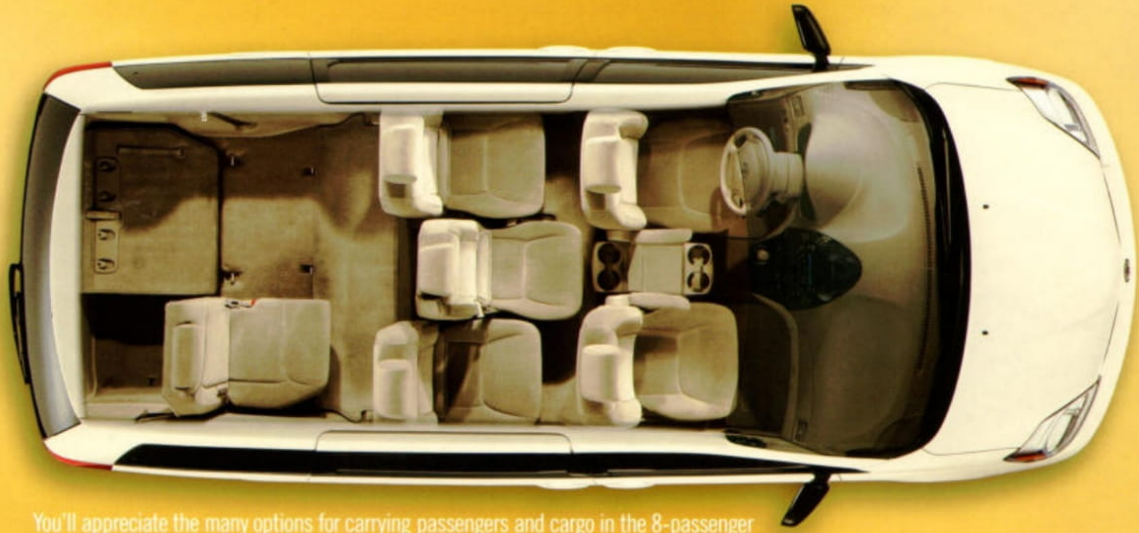

8-PASSENGER CONFIGURATION

AVAILABLE ON CE AND LE

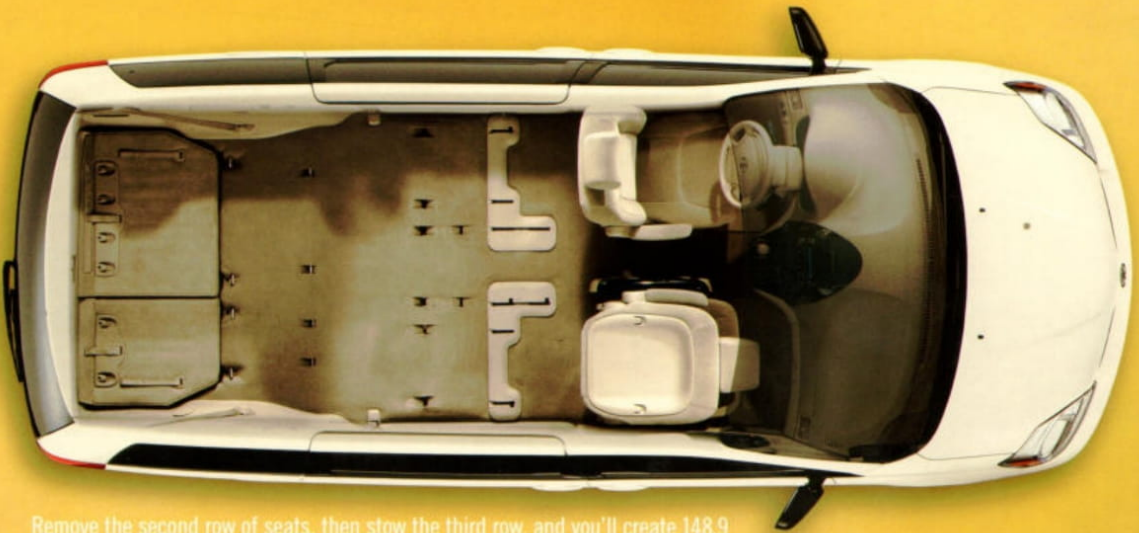

The Front and Center™ second-row seat, available in 8-passenger Siennas, lets you move the center seat forward and bring the one you love closer.

The 8-passenger Sienna is a model of comfort with 14 cup/bottle holders, spacious seating for eight and ample cargo room behind the third row.

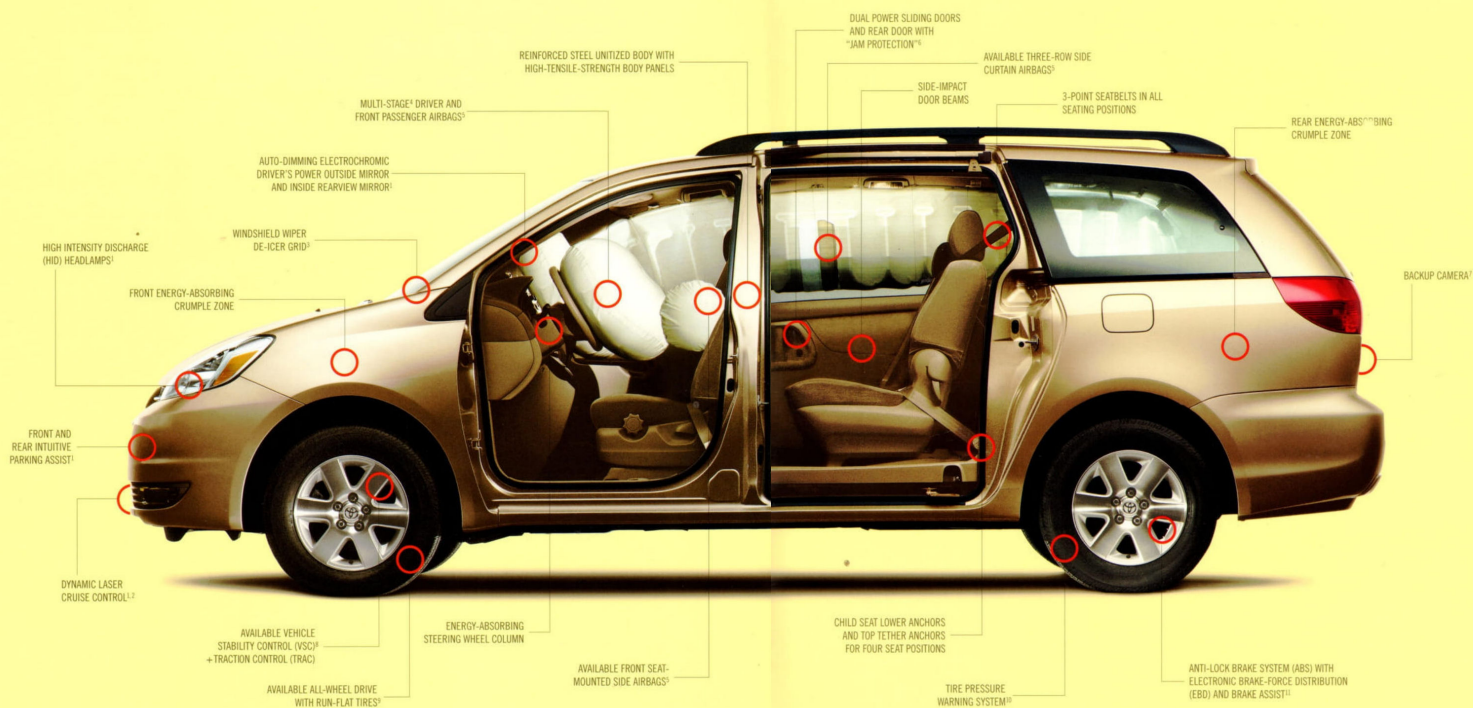

You'll appreciate the many options for carrying passengers and cargo in the 8-passenger Sienna, not to mention the convenience of the Front and Center™ second-row seat.

Remove the second row of seats, then stow the third row, and you'll create 148.9 cu. ft. of cargo space.¹ Fold the front passenger seat flat and gain even more.

1. Behind the first-row seat. Cargo load and capacity limited by weight and distribution.

This is a static depiction of deployed airbags.

04 We had a hard act to follow. Our own.

SAFETY AND CONVENIENCE

Sienna's been a past recipient of some of the highest safety accolades in the industry and we expect no less for the 2004 Sienna. Its advanced safety features include:

- Available driver and front seat-mounted side and three-row side curtain airbags¹
- Child-seat lower anchors and top tether anchors for four rear-seat positions (five on 8-passenger models)
- 3-point seatbelts in all seating positions
- Vehicle Stability Control (VSC)² + Traction Control (TRAC) — includes rear disc brakes, windshield wiper de-icer grid and Daytime Running Lights (DRL) with auto on/off feature
- Dual power sliding doors and rear door with "jam protection"³
- Front and rear Intuitive Parking Assist⁴
- 4-wheel Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist⁵
- Tire Pressure Warning System⁶
- High Intensity Discharge (HID) headlamps⁷
- Auto-dimming electrochromic driver's power outside mirror and inside rearview mirror⁸

- 1 Standard on XLE Limited model only. Not available on CE, LE and XLE.
- 2 See Combinations section footnote 5 for more information on Toyota's Dynamic Laser Cruise Control.
- 3 Standard on XLE Limited, available on CE, LE and XLE.
- 4 Driver airbag is three-stage controlled deployment, front passenger airbag is two-stage controlled deployment.
- 5 See Combinations section footnote 13 for more information on Toyota's driver, front passenger, front seat-mounted side and side curtain airbag Supplemental Restraint System (SRS).
- 6 Standard on XLE and XLE Limited models.
- 7 Backup camera linked with available touch-screen DVD navigation system. See Combinations section footnote 10 for more information on Toyota's backup camera.
- 8 See Combinations section footnote 17 for more information on Toyota's Vehicle Stability Control (VSC).
- 9 Not available on CE model. See Combinations section footnote 20 for more information on Toyota's run-flat tire technology.
- 10 See Combinations section footnote 18 for more information on Toyota's Tire Pressure Warning System.
- 11 See Combinations section footnote 15 for more information on Toyota's Brake Assist.

1 Standard on AWD models.

2 Standard on LE AWD models, not available on LE 2WD models.

3 Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have all necessary additional equipment. Do not exceed any Weight Ratings and review all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle *Owner's Manual*. Note that the maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment in the vehicle.

4 8-passenger seating is not available on LE AWD, XLE and XLE Limited models.

5 Dynamic Laser Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your *Owner's Manual* for important cautions and instructions.

6 Jam protection not available on CE.

7 HomeLink[®] is a registered trademark of Johnson Controls, Inc.

8 Thirteen cup holders with removable center console.

9 The Toyota touch-screen DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographical updates available at an additional cost. See your *Navigation System Owner's Manual* and your Toyota dealer for further details.

10 The backup camera is designed to capture a photographic image within the limited frame capabilities of the camera's lens and is not intended to provide a comprehensive view of the entire rear area of the vehicle. This system should not be exclusively relied upon to confirm rearward clearance.

11 When XLE Limited Package #6 (H0) is ordered, the standard 6-disc in-dash CD changer is replaced with a single-disc in-dash player.

12 Driver airbag is three-stage controlled deployment; front passenger airbag is two-stage controlled deployment.

13 The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceeds the design threshold level. The side airbags and side curtain airbags are designed to inflate in severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

14 Adjustable seatbelt anchor on driver-side second-row seat (7-passenger models), and on second-row outboard seats (8-passenger models).

15 Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

16 Rear disc brakes standard on XLE Limited models.

17 Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

18 Toyota's Tire Pressure Warning System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Warning System. See your *Owner's Manual* for details.

19 Cargo and load capacity limited by weight and distribution.

20 All-Wheel Drive models come equipped with run-flat tires. Run-flat tire technology is designed for limited emergency use only. If air pressure is lost, vehicle speed must remain below 55 miles per hour; cornering, braking and accelerating must be done with extreme caution; and the tire should be replaced within 100 miles. See your Toyota dealer for details.

21 Dealer-installed option on AWD models.

22 2004 mileage estimates determined by Toyota. EPA mileage estimates not available at time of printing. Actual mileage may vary.

23 Available on XLE, standard on XLE Limited.

24 Extra cost color. Not available on CE and LE models.

25 Not available on XLE and XLE Limited models.

AVAILABLE PACKAGES (Option Code)

CE Packages

CE Package #1¹ (AF) — standard base CE vehicle (no available options)¹
Excludes 8-passenger models.

CE Package #2 (AG) — includes cruise control and roof rack

CE Package #3 (AI) — includes cruise control, roof rack, Vehicle Stability Control (VSC)² + Traction Control (TRAC), rear disc brakes, windshield wiper de-icer grid, Daytime Running Lights (DRL), and driver and front passenger seat-mounted side and three-row side curtain airbags³

LE Packages

LE Base Model¹ (N/A) — standard base LE vehicle (no available options)¹

LE Package #1 (AM) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display and rear-seat audio system

LE Package #2 (BC) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display, rear-seat audio system and 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires

Excludes AWD models.

LE Package #3 (BG) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display, rear-seat audio system and JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception

LE Package #4 (BI) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display, rear-seat audio system, and driver and front passenger seat-mounted side and three-row side curtain airbags³

LE Package #5 (BJ) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display, rear-seat audio system, 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires and JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception

Excludes AWD models.

LE Package #6 (BV) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display; rear-seat audio system; 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; and driver and front passenger seat-mounted side and three-row side curtain airbags³

Excludes AWD models.

LE Package #7 (BW) — includes passenger-side power sliding door, HomeLink^{®4} universal transceiver, overhead multi-information display, rear-seat audio system, 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires, driver and front passenger seat-mounted side and three-row side curtain airbags³, Vehicle Stability Control (VSC)² + Traction Control (TRAC), rear disc brakes, windshield wiper de-icer grid and Daytime Running Lights (DRL)

Excludes AWD models.

LE Package #8 (BY) — includes passenger-side power sliding door; HomeLink^{®4} universal transceiver; overhead multi-information display; 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; and rear-seat DVD entertainment system with rear-seat audio and two wireless headphones, and two 115V outlets

Excludes AWD models.

LE Package #9 (BZ) — includes passenger-side power sliding door; HomeLink^{®4} universal transceiver; overhead multi-information display; 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; driver and front passenger seat-mounted side and three-row side curtain airbags³; and rear-seat DVD entertainment system with rear-seat audio and two wireless headphones, and two 115V outlets

Excludes 8-passenger and AWD models.

LE Package #10 (CH) — includes passenger-side power sliding door; HomeLink^{®4} universal transceiver; overhead multi-information display; rear-seat audio system; 16" 6-spoke aluminum alloy wheels with P215/65R16 All-Season tires; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; driver and front passenger seat-mounted side and three-row side curtain airbags³; Vehicle Stability Control (VSC)² + Traction Control (TRAC); rear disc brakes; windshield wiper de-icer grid; and Daytime Running Lights (DRL)

Excludes 7-passenger and AWD models.

LE Package #11 (CM) — includes passenger-side power sliding door; HomeLink^{®4} universal transceiver; overhead multi-information display; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; driver and front passenger seat-mounted side and three-row side curtain airbags³; Vehicle Stability Control (VSC)² + Traction Control (TRAC); rear disc brakes; windshield wiper de-icer grid; Daytime Running Lights (DRL); and rear-seat DVD entertainment system with rear-seat audio and two wireless headphones, and two 115V outlets

Excludes 7-passenger and AWD models.

LE Package #12 (CO) — includes passenger-side power sliding door; HomeLink^{®4} universal transceiver; overhead multi-information display; JBL Synthesis AM/FM Cassette with single-disc in-dash CD player, 10 speakers and two in-glass antennas with FM diversity reception; driver and front passenger seat-mounted side and three-row side curtain airbags³; and rear-seat DVD entertainment system with rear-seat audio and two wireless headphones, and two 115V outlets

Only available on AWD models.

XLE Packages

- Glass Breakage Sensor (GBS)⁹

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: Warranty coverage is for 12 months, regardless of mileage. If the part or accessory is installed during the New Vehicle Limited Warranty period, coverage is for 12 months or the remainder of the applicable warranty coverage, whichever is greater, with the exception of car covers, which are covered for 12 months only.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Owner's Warranty Information* booklet or see your Toyota dealer.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about purchasing or leasing a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions to help protect your interests over time. And in most cases, you may include the charge for these products in your finance or lease contract.

Few companies can match the expertise, quality customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

1 For a full list of standard features, see Model Grade Features section.

2 See Combinations section footnote 16 for more information on Toyota's Vehicle Stability Control (VSC).

3 See Combinations section footnote 12 for more information on Toyota's driver, front passenger, front seat-mounted side and side curtain airbag Supplemental Restraint Systems (SRS).

4 HomeLink® is a registered trademark of Johnson Controls, Inc.

5 See Combinations section footnote 9 for more information on Toyota's touch-screen DVD navigation system.

6 See Combinations section footnote 10 for more information on Toyota's backup camera.

7 When XLE Limited Package #6 (H0) is ordered, the standard 6-disc in-dash CD changer is replaced with a single-disc in-dash player.

8 Available on CE and LE.

9 Available for vehicles with factory security.

Please remember, Toyota vehicles are built with popular option combinations. Not all options are available separately, and some options and accessories may not be available in all regions of the country. So please contact your Toyota dealer, who can help locate the vehicle that's right for you.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of printing, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.
