

2026 DODGE

DURANGO

00:20:26

THE 2026 DODGE DURANGO IS THE MUSCLE SUV THAT NEVER BACKS DOWN. Now with HEMI® V8 power available on every trim, it unleashes performance for the people—more muscle, more options and more ways to make it yours. From exciting packages like the Blacktop Redline and Tow 'n Go to millions of possible combinations combinations available on Jailbreak models, Durango proves that it doesn't follow the pack—it leads.

Vehicle above shown in Stryker Purple, a representation of the 1-of-1 exclusive 2026 Durango SRT Hellcat® Jailbreak custom-color program.

UNDENIABLY *DODGE*

THE BROTHERHOOD is for everyone who wants performance and that includes the power to pull their boats, haul their quads and room to take the whole gang along for the fun.

For those who desire the ultimate expression of muscle—built to both perform and stand apart—Durango SRT Hellcat® Jailbreak delivers. With available seating for up to seven passengers, it unleashes new color combinations, interior finishes and design options that let drivers create their own version of defiance.

DRIVER FOCUSED, PERFORMANCE INSPIRED

The Durango interior is everything it should be—designed to be driver-centric, tech-friendly and spacious enough for up to seven passengers plus cargo. The available, Fold-and-Tumble, second-row Captain's Chairs include soft-touch armrests and a floor-mounted mini console (with full center console with storage on Jailbreak models). The standard Uconnect® 5 system helps keep you informed and entertained. The large, full-color, 10.1-inch touchscreen integrates with your smartphone allowing you to upload, download, post and search - all while on the go. The 4G LTE Wi-Fi Hotspot^{1*} is included on models equipped with Uconnect 5 and boasts fast processing speeds that help keep up to eight devices connected.
