

TOYOTA

2026 Toyota Crown

Innovation that makes a statement.

Push the boundaries with Toyota Crown's sophisticated design, modern technology and high-end performance.

Crafted to captivate.

Distinctively Styled Nightshade Edition

Toyota Crown Nightshade Edition brings an element of mystery and allure to an already refined drive. Striking 21-in. 10-spoke wheels with a black finish set the tone that's carried throughout the exterior styling. From the door handles to the mirror caps and the rear badging, all are given a darkened Nightshade treatment.

Bi-Tone Exterior

All the components of Toyota Crown Platinum's daring design work together to make one clear argument—this premium sedan was crafted to stand out. With an available bi-tone finish that extends from the hood to the rear, ⁴ Toyota Crown Platinum commands attention on every occasion.

Disruptive Design

At first glance, Toyota Crown's dynamically proportioned design gives it an elegant and streamlined appearance. And the sharp line of the Daytime Running Lights (DRL) emphasizes its contemporary grille, while its refined taillight flows across the rear to complete this sedan's captivating design.

Power Trunk With Kick Sensor

On Platinum, you can access Toyota Crown's cargo space without lifting a finger. As long as you have your Smart Key, you can simply wave your foot under the rear bumper to open the trunk lid, making loading and unloading easier than ever. ⁵

Exhilaration unleashed.

Engineered for excitement, Toyota Crown is most alive going full force.

Paddle Shifters

Paddle shifters allow you to shift up or down through the transmission's gears, all without removing your hands from the steering wheel.

Hybrid MAX Powertrain

An available Hybrid MAX powertrain pairs Toyota Crown's 2.4L turbocharged engine with electric motors to generate an exceptional 340 net combined horsepower. The placement of the electric motors—between the engine and transmission, and one positioned to power the rear axle—allows for power to be transferred without any lag.

Hybrid EV Power and Efficiency

Toyota Crown XLE and Limited are equipped with a highly efficient hybrid system that features a high-output bipolar nickel-metal hybrid battery and has up to a 41 combined EPA-estimated mpg rating ⁸ and 236 net combined horsepower.

PERFORMANCE

Driving Confidence

The Hybrid MAX powertrain, with full-time Electronic AWD, finely tunes the power distribution for enhanced control, while the traditional hybrid uses Electronic On-Demand AWD, sending up to 80% of power to the rear wheels for more muscle.

State-of-the-Art Suspension

On twists and turns, Toyota Crown's available Adaptive Variable Suspension reads the road and adapts in real time to provide responsive handling and adjust damping, resulting in a sleek, comfortable ride.

Innovation for Every Journey

Toyota Crown features tech that feels intuitive from day one. A suite of driver-assistance features helps you navigate the city with effortless precision. Inside, Toyota Crown's 12.3-in. Toyota Audio Multimedia touchscreen provides turn-by-turn directions and access to your favorite apps.

Info 16

Traffic Jam Assist

This available feature helps you navigate the ebb and flow of stop-and-go traffic on controlled-access highways by providing control of the vehicle at speeds under 25 mph. ¹¹ Requires an active Drive Connect trial or subscription. ¹² 4G network dependent.

Info 17

Advanced Park

Toyota Crown's available Advanced Park ¹³ makes fitting into a tight spot as simple as pressing a button. Just sit back, take your hands off the wheel and watch this advanced system work its magic.

Info 3

Panoramic View Monitor

Toyota Crown's available Panoramic View Monitor (PVM) ¹⁴ uses cameras on the front, sides and rear to display a panoramic overhead view of what's going on around you.

Info 3

Qi Wireless Charging

With an intuitively placed charging slot in the center console, you can simply place your Qi-compatible ¹⁵ device down and its battery will start charging up.

Info 18

12.3-In. Digital Gauge Cluster

Behind the wheel, you don't have to look far to find the information you need. Inside Toyota Crown's digital gauge cluster, a color Multi-Information Display (MID) combination meter highlights your driving mode, fuel efficiency, safety alerts and more. Stay up to speed with the latest alerts and feel more in control on every drive.

INTERIOR

Crafted for comfort, designed for you.

Toyota Crown creates a premium driving experience. A variety of climate controls takes the cabin to the next level, maximizing comfort with a heated steering wheel, standard heated and ventilated front seats, and heated rear seats. Toyota Crown's interior is further defined with an available panoramic roof and available Head-Up Display (HUD) meant to elevate all your travels.

Safety & Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

Blind Spot Monitor (BSM) ²⁰ is designed to warn you when a vehicle in the next lane enters Toyota Crown's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA) ²¹ is designed to help detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

Lane Change Assist

Toyota Crown helps you change lanes in traffic. By partially engaging the turn signal, available Lane Change Assist (LCA) ²² is designed to confirm there are no vehicles in your way and can provide steering assistance into the new lane.

Front Cross-Traffic Alert

Available Front Cross-Traffic Alert (FCTA) ²³ is designed to detect vehicles that may be approaching from the side, so you can enter traffic at intersections with added confidence.

Front and Rear Parking Assist With Automatic Braking (PA w/AB)

This available driver-assistance feature is designed to warn you audibly and visually when it detects stationary objects, people walking by or vehicles approaching from the rear by sending you an alert inside the vehicle and reducing engine power and/or applying the brakes. ²⁴

Hybrid Battery Warranty

Peace of mind for the long road ahead. Every Toyota Hybrid Battery Warranty ²⁵ for 2026 models provides coverage for 10 years from date of first use or 150,000 miles, whichever comes first.

No Cost Maintenance Plan and Roadside Assistance

Every new Toyota Crown comes with ToyotaCare, ²⁶ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Toyota Safety Sense™ 3.0 ²⁹

Pre-Collision System With Pedestrian Detection

PCS w/PD ³⁰ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ³¹ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ³² may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ³³ helps you center the vehicle within its lane while DRCC ³⁴ is active.

MORE FEATURES

Road Sign Assist

RSA ³⁵ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ³⁶ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ³⁷ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM® ³⁸ has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

JBL® Premium Audio

Enjoy the soundtrack of every drive. Toyota Crown's available 800-watt JBL® ³⁹ Premium Audio system utilizes 11 speakers with a subwoofer to produce phenomenal sound, for an immersive experience.

Wireless Apple CarPlay®

Bring along a familiar interface. With Toyota Crown's wireless Apple CarPlay® ⁴⁰ compatibility, you can use your compatible iPhone® ⁴¹ with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive. ⁴²

Wireless Android Auto™

Stay connected on or off the road. By pairing your compatible Android™ ⁴³ phone with the audio multimedia system, wireless Android Auto™ ⁴⁴ compatibility lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more. ⁴²

Connected Services

Drive Connect

With an active Drive Connect trial or subscription,¹² the Cloud Navigation⁴⁹ and Intelligent Assistant⁵⁰ features help you find where you need to be, while Destination Assist⁵¹ allows you to talk to a live agent while they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included. 4G network dependent.

Remote Connect

Toyota Crown is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁵² you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app⁵³ through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

Wi-Fi Connect

Turn Toyota Crown into a hotspot. With an active Wi-Fi Connect trial or subscription,⁵⁴ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 1-month or 3-GB trial to get you started. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center, in case of an accident or emergency, with the press of a button. You also get 24/7 Roadside Assistance⁵⁵ and Stolen Vehicle Locator⁵⁶ to help give you peace of mind that help is on the way. 5-year-minimum trial subscription included. 4G network dependent.

Service Connect

Stay up to date with your Toyota Crown's information, such as status and alerts, maintenance reminders and more.⁵⁷ It's a convenient way to help make sure your Toyota Crown is running at its best. 5-year-minimum trial subscription included. 4G network dependent.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The all-hybrid Toyota Crown is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Toyota Crown is a part of the Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

TOYOTA CROWN GRADES

XLE

Mechanical Features

- ✓ All-Wheel Drive (AWD)
- ✓ Electronically controlled Continuously Variable Transmission (ECVT)
- ✓ 2.5-Liter Dynamic Force 4-Cylinder DOHC 16-Valve D-4S Dual-Injection with VVT-iE and VVT-i

Exterior Features

- ✓ 19-in. multi-spoke machined-finish two-tone alloy wheels
- ✓ LED Daytime Running Lights (DRL)
- ✓ Bi-LED projector low
- ✓ Heated power outside mirrors with turn signal and blind spot warning indicators,²⁰ puddle lights and power-folding feature
- ✓ Washer-linked variable intermittent windshield wiper
- ✓ Color-keyed outside door handles with front door touch-sensor lock/unlock feature

Interior Features

- ✓ Qi-compatible wireless charging with full-charge indicator light¹⁵
- ✓ Heated and ventilated front seats
- ✓ 12.3-in. digital gauge cluster with selectable gauges
- ✓ Leather-trimmed front seats with seatback pockets
- ✓ Full-Speed Range Dynamic Radar Cruise Control (DRCC)³¹
- ✓ Overhead console with maplights and Safety Connect®⁶² button
- ✓ Smart Key System on all doors and trunk with Push Button Start, remote keyless entry system with lock, unlock, panic functions and remote illuminated entry

Audio Multimedia

- ✓ 12.3-in. Toyota Audio Multimedia, six speakers, with wireless Apple CarPlay®⁴⁰ & Android Auto™⁴⁴ compatibility, SiriusXM®³⁸ 3-month trial subscription. See toyota.com/connected-services for details.

INFO AND DISCLOSURES

1. Limited shown in Heavy Metal with available Advanced Technology Package. **2.** Platinum interior shown in Black leather trim. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. Screen depiction accurate at time of posting. **3.** Platinum interior shown in Black leather trim. **4.** Extra-cost color. **5.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **6.** Nightshade Edition shown in Storm Cloud. **7.** Platinum shown in Finish Line Red with Black bi-tone. **8.** EPA-estimated 42 city/41 highway/41 combined mpg rating for 2026 Toyota Crown XLE, Nightshade Edition and Limited; EPA-estimated 29 city/32 highway/30 combined mpg rating for 2026 Toyota Crown Platinum. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **9.** Paddle shifters shown. Platinum interior shown in Black leather trim. **10.** Hybrid MAX powertrain featured in Platinum grade. Vehicle shown using visual effects. **11.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **12.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **13.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review Owner's Manual for instructions and limitations. **14.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **15.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **16.** Platinum shown in Finish Line Red with Black bi-tone. Simulation shown. **17.** Platinum shown in Finish Line Red with Black bi-tone. 2023 model shown. **18.** Screen depiction accurate at time of posting. 12.3-in. multimedia display shown. Platinum interior shown in Black leather trim. **19.** Head-Up Display (HUD) shown in Platinum interior. **20.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **21.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **22.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. **23.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. **24.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **25.** For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **26.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **27.** Blind Spot Monitor (BSM) shown on Limited in Heavy Metal with available Advanced Technology Package. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Platinum shown in Finish Line Red with Black bi-tone shown in mirror. **28.** Limited shown in Heavy Metal with available Advanced Tech Package. **29.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **30.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **31.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **32.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **33.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **34.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **35.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **36.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **37.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of

INFO AND DISCLOSURES

detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **38.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Screen depiction accurate at time of posting. Platinum interior shown in Black leather trim. **49.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **50.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **51.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **52.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at

toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **53.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **54.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **55.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **56.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **57.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **58.** Platinum shown in Finish Line Red with Black bi-tone. Extra-cost color. **59.** Limited interior shown in Black leather trim with available Advanced Technology Package. **60.** Available Safety Connect® shown. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **63.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **64.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **65.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For

INFO AND DISCLOSURES

Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **66.** Image for illustrative purposes only, production model may vary. **67.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **68.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. **69.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **70.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **71.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **72.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **73.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **74.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **75.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **76.** The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner's Manual for additional details. **77.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **78.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **79.** When Vehicle Proximity Notification System is active, it is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact. **80.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **81.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
