# 1976 Dodge ASPEN

Meet a new kind of car—Dodge Aspen. It's the compact for big car drivers. Compact on the outside, but with almost as much headroom and legroom inside as a full-size luxury car.

Choose from three series — Aspen, Aspen Custom and Aspen Special Edition. All give you plenty of big car luxury touches, plus the kind of options to choose from you'd expect only from a big luxury car. Something else you'll like about Dodge Aspen is the way it handles gas bills with its standard 225 CID slant six or 318 CID V-8 engine . . . the choice is yours. And for optimum economy there's also an optional overdrive-4 transmission.

When we say Dodge Aspen is the compact for big car drivers, we also mean there's no stinting on traditional big car luxury. Choose from such optional items as power seats, windows and door locks. A tilt steering wheel is available. There's a sun roof option. And an AM/FM multiplex stereo radio with full four speaker stereo sound.

Some people will settle for nothing less than the best. Dodge Aspen Special Edition represents the pinnacle of Aspen luxury. Standard luxury features on Coupe and Sedan models include a vinyl roof, power steering, a 60/40 reclining bench seat with fold-down centre armrest. Both the driver and passenger sides are fully reclining. And of course there's more, including a deluxe sound insulation package. For those who like their luxury in wagon loads, there's also a Special Edition Wagon with elegant woodgrain outside trim.

Meet a new kind of car—Dodge Aspen. It's the compact for big car drivers. Compact on the outside, but with almost as much headroom and legroom inside as a full-size luxury car.

Choose from three series — Aspen, Aspen Custom and Aspen Special Edition. All give you plenty of big car luxury touches, plus the kind of options to choose from you'd expect only from a big luxury car. Something else you'll like about Dodge Aspen is the way it handles gas bills with its standard 225 CID slant six or 318 CID V-8 engine . . . the choice is yours. And for optimum economy there's also an optional overdrive-4 transmission.

When we say Dodge Aspen is the compact for big car drivers, we also mean there's no stinting on traditional big car luxury. Choose from such optional items as power seats, windows and door locks. A tilt steering wheel is available. There's a sun roof option. And an AM/FM multiplex stereo radio with full four speaker stereo sound.

Some people will settle for nothing less than the best. Dodge Aspen Special Edition represents the pinnacle of Aspen luxury. Standard luxury features on Coupe and Sedan models include a vinyl roof, power steering, a 60/40 reclining bench seat with fold-down centre armrest. Both the driver and passenger sides are fully reclining. And of course there's more, including a deluxe sound insulation package. For those who like their luxury in wagon loads, there's also a Special Edition Wagon with elegant woodgrain outside trim.
