CARAVELLE SALON

**CARAVELLE SALON.
IT'S BIG ON EVERYTHING.
ESPECIALLY VALUE.**

Hold nothing back. That's our philosophy behind the full-size Caravelle Salon. We made it the best value for the money of any rear-wheel-drive sedan you can buy.

Above all, Caravelle Salon is a big, comfortable car with a smooth riding 2860 mm (112 in.) wheelbase and room for six adults. Up front, there's a cloth upholstered three-across bench seat with centre armrest and adjustable head restraints.

For still more luxury, you can specify a 60/40 split front seat with centre armrest in premium cloth, adjustable head restraints, and dual recliners; the rear seat also features a centre armrest, something

you don't often see in Caravelle's price range.

Roominess extends to the trunk area where you'll find 442 litres (15.6 cu.ft.) of highly usable cargo capacity for long holidays and extended business trips.

To move all of this full-size luxury, Caravelle Salon comes equipped standard with a powerful 5.2 litre (318 cu.in.) V8 engine for lively response and performance. Also standard are automatic transmission, power steering, power front disc brakes, and torsion bar front suspension to make driving even more of a pleasure.

Luxury touches inside include a woodtone-finish instrument panel, a resettable trip odometer, variable-delay intermittent windshield wipers that adjust to all weather conditions, tinted glass all around to

About this catalogue. Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your Dealer for details before ordering.

reduce glare, AM stereo/FM stereo, electronically-tuned radio with integral clock and 4 speakers, 16-ounce pile carpeting, and special sound insulation to give you the feeling of gliding over the highway.

SELECTED OPTIONAL EQUIPMENT

As complete as Caravelle Salon is, there are some options you may wish to select for added comfort, convenience and luxury. They include:

Premium Wheel Covers: Turbine-style wheel covers add extra dash. For an especially elegant look, wire wheel covers are available.

Electronic Speed Control. Reduces fatigue and maximizes fuel efficiency. It disengages automatically if the brake pedal is used, yet will resume the previous set speed at the touch of a button.

Illuminated Visor Vanity Mirrors. One each for the driver and front passenger. Illuminates when cover is lifted. Bright and dim settings.

Bi-level Air Conditioning. With automatic temperature control. A sophisticated year-round climate-comfort system that combines air conditioning, ventilation, heating and defrosting.

Premium Cassette Radio: Electronically-tuned AM stereo/FM stereo radio includes cassette tape player, Chrysler 4-speaker system and integral digital clock.

For a more comprehensive list of standard and optional equipment please see the back page of this catalogue.

BUILT BETTER. BACKED BETTER.

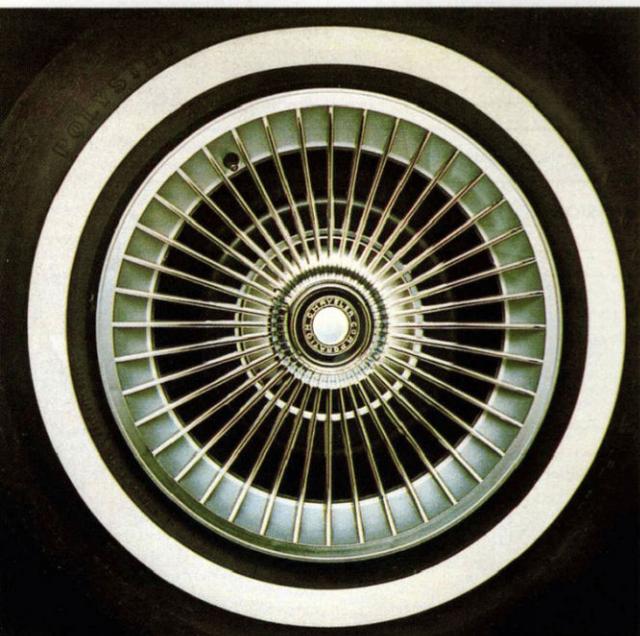

Quality measures, like the extensive use of galvanized steel in major body panels, the application of a chip-resistant urethane coating on lower bodysides and a tough, stainless steel exhaust system, are so effective that Caravelle Salon is covered by two of the industry's leading warranties: the Chrysler 7 year/115,000 km powertrain warranty, and the Chrysler 7 year/160,000 km outerbody rust-through protection plan.

Caravelle Salon. For people who think big when it comes to value, quality, comfort and luxury.
