# About Toyota

# World-Renowned Quality

Since the company's founding over 75 years ago, Toyota has always gone the extra mile to do things differently – embracing change and challenge alike on the road to worldwide success, innovation and manufacturing excellence.

In 2025, Toyota continues to drive the international automotive industry forward with its commitment to class-leading engineering, groundbreaking design and game-changing technological advancements.

1957

1997

2021

2025

Toyopet Crown arrives in the U.S.

Prius — the world's first mass-produced gas-and-electric hybrid — arrives in the U.S.

The all-electric bZ4X SUV debuts in the U.S.

RAV4 enters its 6th generation and becomes available in Hybrid Electric and Plug-In Hybrid Electric Vehicle options.

# The Toyota Difference

Toyota has been part of the cultural fabric of the United States for over 65 years, empowering American businesses by advancing sustainable, next-generation mobility.

## Jobs & Investments

Toyota has fully modernized the manufacturing process, expanding biodiversity efforts and doubling down on electrified vehicles.

## Diversity & Inclusion

The future of Toyota depends on the well-being of dealership employees and the company's ability to embrace diversity, respect and inclusivity.

## Business Continuity

Toyota is dedicated to helping address supply shortages, production obstacles and even large-scale market fluctuations.

## Vehicle Assembly

Toyota is proud to continue production in the U.S., where assembly is completed on models like Tundra, Corolla and Camry.

## Sustainability

Toyota offers more hybrid choices than any other full-line manufacturer and has sold more than 15 million hybrid vehicles worldwide.<sup>1</sup>

# Investing in America

Toyota raised its stake in U.S. operations to increase production and create a wealth of new jobs, with direct investments in the American economy totaling \$39 billion.<sup>2</sup>

Additionally, Toyota has paid it forward by investing \$1.15 billion in total U.S. donations for non-profits, along with hundreds of millions in dealerships and facilities across the country.

**180,000+**

People directly employed in the U.S.<sup>2</sup>

**470,000+**

Total jobs created in the U.S.

**1,200+**

Toyota dealerships across the country

**\$39 Billion**

Total investments in U.S. economy since 1957

**\$13 Billion**

Five-year committed investment plan fulfilled one year early<sup>3</sup>

**\$1.15+ Billion**

Total U.S. donations

# Optimized Productivity

The Toyota Production System is a well-oiled machine, responsible for Toyota's position as one of the most capable, efficient and productive automotive manufacturers on the planet. In 2024, Toyota kept its system running in overdrive — with a second consecutive year of production output of over 10 million vehicles.

To maintain this industry-leading advantage and better serve Fleet customers, Toyota coordinates with manufacturers, suppliers and customers to minimize costs while maximizing quality, production speed and vehicle availability.

**38 Years**

Time spent manufacturing vehicles in the U.S.

**34+ Million**

Vehicles assembled in the U.S. and counting<sup>2</sup>

**10+ Million**

Vehicles manufactured globally in 2024<sup>2</sup>

# Innovation Meets Collaboration

Drawing on the diverse backgrounds and perspectives of dedicated employees across the country, Toyota has been able to drive innovation, collaboration and a refined manufacturing process, creating new jobs and providing a boost to the U.S. economy.<sup>2</sup>

Recognized as #4 Top Company for Diversity in 2024, and a Top 50 Company for Diversity 15+ years running

Earned a 90 on the Corporate Equality Index

Honored for \$1 billion investment, development and advocacy in minority businesses

# Fueling the Future

Toyota fosters a more sustainable society by addressing global environmental issues like climate change, resource depletion and habitat loss. In 2021, Toyota Financial Services issued its fifth Green Bond of \$750 million to fund new vehicle contracts that meet clean-air criteria.<sup>4</sup>

Toyota has set its sights on six global challenges that will lead to positive changes in its manufacturing process — and the overall environment — by 2050.

Learn more at [toyota.com/2050challenge](https://toyota.com/2050challenge)

1

## New Vehicle Zero CO<sub>2</sub> Emissions Challenge

By 2050, we will reduce CO<sub>2</sub> emissions during operation by 90 percent from new Toyota vehicles.

2

## Life-Cycle Zero CO<sub>2</sub> Emissions Challenge

By 2050, we will completely eliminate all CO<sub>2</sub> emissions from the entire vehicle life cycle.

3

## Plant Zero CO<sub>2</sub> Emissions Challenge

By 2050, we will achieve zero CO<sub>2</sub> emissions at all plants worldwide.

4

## Challenge of Minimizing and Optimizing Water Usage

By 2050, Toyota will ensure all Toyota facilities and processes conserve and protect water resources.

5

## Challenge of Establishing a Recycling-Based Society and Systems

By 2050, Toyota will ensure all Toyota facilities and processes support a recycling-based society.

6

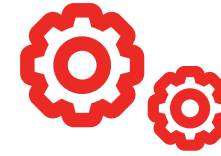

## Challenge of Establishing a Future Society in Harmony With Nature

By 2050, Toyota will ensure all Toyota facilities and processes operate in harmony with nature.

## Strategy & Supply

Toyota's fine-tuned business continuity plan helps to ensure quality and consistency, building toward a sustainable supply chain that cuts down on waste and increases production capacity.

Given the surge of demand for electrified Toyota Fleets, Toyota has combined its highly effective inventory management with a cutting-edge assembly system and a world-class network of suppliers and component manufacturers.<sup>2</sup>

**14**

**+17%**

Total increase in production over 2020

**\$1+ Million**

Amount invested every hour into worldwide R&D

**26+ Billion**

Total parts, materials and components

# Build Your Electrified Fleet

Toyota is a leader in mobility, with America's largest and most diverse lineup of Hybrid, Plug-in Hybrid, Fuel Cell and Battery Electric vehicles.<sup>6</sup> And as we accelerate toward a net-zero carbon future, there's a Toyota made just for your business needs.

# Blended Powertrain Fleet

With more vehicles equipped with electrified powertrains on the U.S. roads than any other automaker, we're not just promising a cleaner future, we are helping to provide one. From internal combustion engines (ICE) to all-electric vehicles — the easiest way to start reducing carbon emissions is by creating a fleet made up of a variety of powertrains.

## Hybrid Electric (HEV)

Toyota's hybrid electric vehicles have made history and are renowned for top-notch efficiency and low emissions.

- ✓ Reduced fuel costs
- ✓ Everyday driving

## Plug-in Hybrid Electric (PHEV)

Seamlessly go between rechargeable battery power and conventional fueling systems to utilize the best of both worlds.

- ✓ Longer electric-only driving range
- ✓ Short commutes

## Battery Electric (BEV)

These pure-electric vehicles use only powerful electric motors to provide smooth, silent and clean propulsion.

- ✓ Low maintenance
- ✓ Everyday commutes

## Fuel Cell Electric (FCEV)

By utilizing hydrogen to generate their own electric charge, the only thing they'll leave behind is water.

- ✓ Power and performance
- ✓ Ideal for areas with fueling infrastructure

# Explore Our Electrified Lineup

As our lineup of electrified vehicles continues to grow, discover an impressive balance of efficiency and power—whichever powertrains you choose.

# Reduce Emissions With a Reliable Fleet

The 1:6:90 Rule is a practical path forward in Toyota's commitment to reducing carbon emissions through a mix of electrified vehicle options. The same amount of resources used to produce one Battery Electric Vehicle can also be used to make six Plug-in Hybrid EVs or 90 Hybrid EVs.

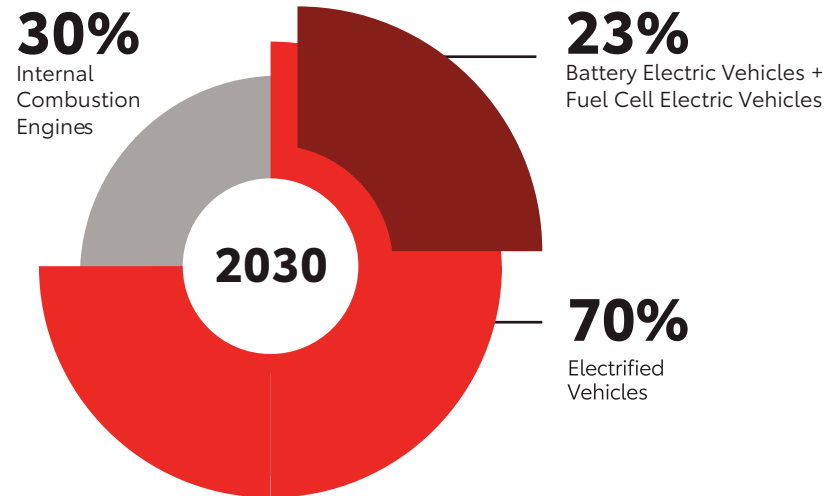

By offering you and your business a diverse lineup of electrified vehicle choices, we help give you the opportunity to reduce your carbon footprint and build a reliable fleet at the same time. A blend of Battery Electric, Plug-in Hybrid and Hybrid Electric Vehicles is smart business, ultimately bringing your fleet closer to zero and lower emissions.

# The Road to a Cleaner Future Begins Today

CURRENT PERCENTAGE OF TOYOTA'S U.S. SALES

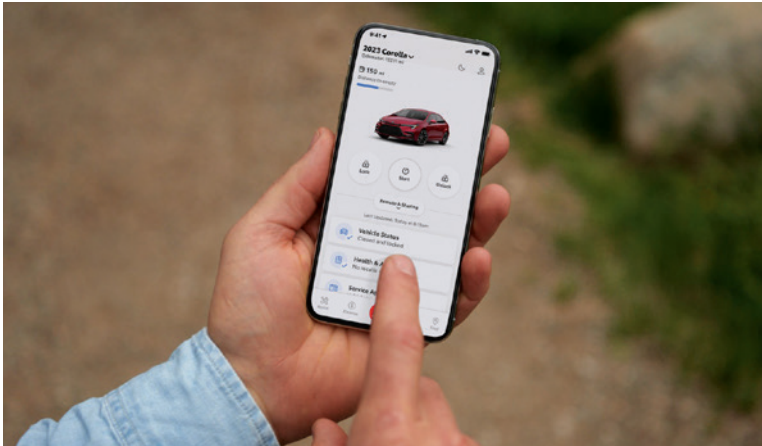

PROJECTED PERCENTAGE OF TOYOTA'S U.S. SALES

# The Height of High-Tech

Every Toyota model on the market delivers state-of-the-art technology that prioritizes safety, convenience, capability and performance.

The goal? Advanced features that can fully unlock a fleet's potential with effortless, seamless and intuitive mechanics.

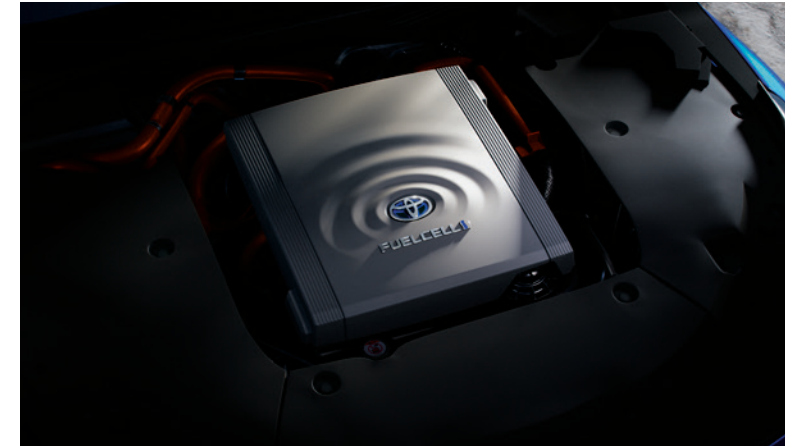

## Connectivity

The Toyota lineup is designed to stay connected to the driver, dealer and beyond.

## Safety

Advanced safety is a core piece of the Toyota formula.

## Advanced Powertrains

New powertrain units significantly improve both driving and environmental performance.

# Completely Connected

True connectivity is the driving force behind Toyota's achievements in mechanical and software engineering. With Connected Services,<sup>7</sup> Toyota Fleet drivers are instantly plugged into a suite of intuitive convenience features that are available with an active subscription.

Meanwhile, Toyota Data Solutions allows Fleet Managers to monitor the condition and location of their entire fleet 24 hours a day, 7 days a week. It also helps with driver safety and vehicle efficiency through on-demand data that includes driver behavior analytics, collision detection warnings and custom event notifications.

## Connected Services

Enjoy added convenience, safety and peace of mind.

## Toyota Data Solutions

Critical telemetry services to help manage fleet vehicles.

# Enjoy 24/7 Connectivity

Toyota's available Connected Services\*<sup>7</sup> help provide Toyota Fleet managers with added convenience, safety and peace of mind.

## Remote Connect<sup>8</sup>

*Up to 3-Year Trial Period*

- ✓ Remote lock/unlock doors, start/stop the engine and locate the vehicle.
- ✓ Receive alerts when a guest driver exceeds the speed limit, curfew or miles driven.
- ✓ Receive vehicle status alerts.

## Safety Connect<sup>9</sup>

*5-year-minimum trial subscription*

- ✓ Automatic Collision Notifications
- ✓ Enhanced Roadside Assistance<sup>10</sup>
- ✓ Emergency Assistance Button
- ✓ Stolen Vehicle Locator<sup>11</sup>

## Service Connect<sup>12</sup>

*5-year-minimum trial subscription*

- ✓ Receive vehicle alerts from your preferred dealer when maintenance is required.
- ✓ Get updates on fuel level, mileage, applicable recalls and more.

## Wi-Fi Connect<sup>13</sup>

*Up to 30-Day Trial Period/  
Up to 3 GB*

- ✓ In-vehicle Wi-Fi hotspot using a 4G LTE cellular network.
- ✓ Connectivity for up to five devices simultaneously.  
(Trial period information can vary by model.)

## Destination Assist<sup>14</sup>

*3-Month Trial Period*

- ✓ Enjoy 24-hour access to a live agent who can give directions to an address via the navigation system.
- ✓ Display map data, routes and points of interest on the navigation system.

## Drive Connect<sup>15</sup>

*Up to 10-Year Trial Period  
Up to 2 GB*

- ✓ Access real-time traffic elements, 24/7 live agents and new voice commands.
- ✓ An onboard assistant that can help you find locations and contacts, send messages and navigate routes.

# Fleet Management Made Easy

More than 20 Toyota models now offer critical telemetry services to help Fleet Managers stay up to date on their vehicles. By eliminating installation time and providing a built-in OEM hardware solution, we made it easier than ever to keep track of your drivers and vehicles.

Learn more at [toyotadatasolutions.com](https://toyotadatasolutions.com)

## Collision Detection

Know when your vehicles are involved in a collision, even if a low-speed, non-airbag incident occurs.

## Driver Behavior

Manage driver actions and behaviors that could be damaging to the vehicle.

## Event Notifications

Set custom limits and receive alerts if and when they are exceeded.

## Service Warnings

Extend the health of your fleet with preventive maintenance scheduling.

## Telemetry

Track the status of your vehicles in near real time.

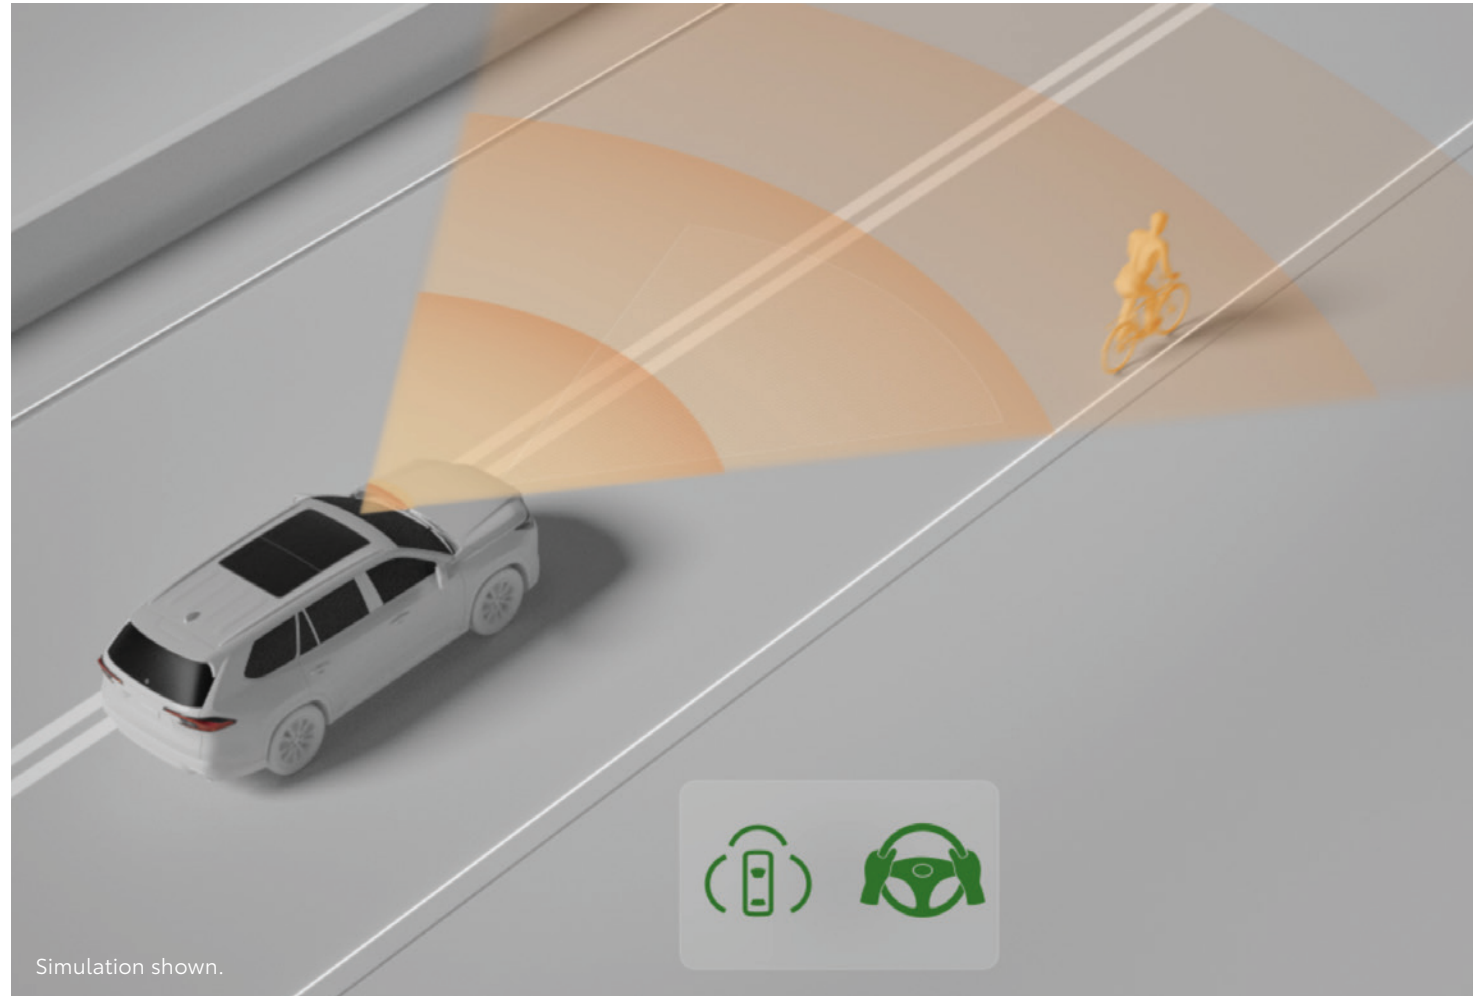

## Vehicle-Build Information

Instantly access vehicle-specific details to streamline and automate processes.

# Safety Comes Standard

Safety is a key part of the Toyota Fleet formula. Which is why every Fleet vehicle in the 2025 lineup comes standard with a wide range of active and passive safety features, like Toyota Safety Sense™ (TSS)<sup>16</sup> and the Star Safety System™, as well as comprehensive airbag<sup>17</sup> arrangements and standout safety tech like an available Blind Spot Monitor (BSM)<sup>18</sup> with Rear Cross-Traffic Alert (RCTA).<sup>19</sup>

# Toyota Safety Sense™16

## Pre-Collision System with Pedestrian Detection<sup>20</sup>

PCS w/PD can alert you to potential collisions and may automatically brake.

## Road Sign Assist<sup>23</sup>

RSA can recognize certain road signs and display them to you inside the vehicle.

## Full-Speed Dynamic Radar Cruise Control<sup>21</sup>

DRCC helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

## Automatic High Beams<sup>22</sup>

AHB can automatically toggle between high and low beams based on the vehicle's surroundings.

# Toyota Safety Sense™16

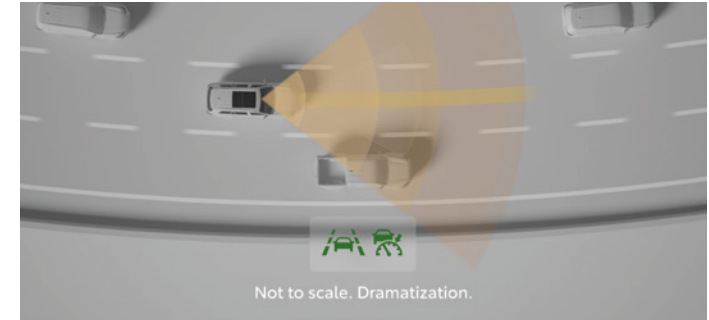

## Lane Departure Alert With Steering Assist<sup>24</sup>

A windshield camera that may help drivers avoid unintended visible lane departures by alerting them when the vehicle veers from its lane.

## Proactive Driving Assist<sup>26</sup>

PDA may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

## Lane Tracing Assist<sup>25</sup>

LTA helps you center the vehicle within its lane while DRCC is active.

# Toyota Safety Sense™<sup>16</sup>: Across the Lineup

The Toyota Safety Sense™ (TSS)<sup>16</sup> suite of active safety systems is currently offered across several bundles — and they all come standard. Here’s how the applicability breaks down.

## Toyota Safety Sense™ 4.0<sup>16</sup>:

This new version of Toyota's standard active safety suite will have updates to its hardware and detection capabilities. This includes:

- Proactive Driving Assist (PDA)
- Expanded Pre-Collision System (PCS)
- Enhanced Lane Tracing Assist (LTA)
- Full-Speed Range Dynamic Radar Cruise Control (DRCC)

# The Bright Future of Mobility

Mobility as a Service (MaaS) enables a customer to pay to access transportation means through a third-party service provider who owns vehicles, like cars or bikes. By 2040, Toyota expects to grow its MaaS ecosystem through car sharing, subscription services and micro-mobility solutions — with the added benefits of reduced accidents, congestion and pollution.

## Rent a Toyota

A dealership-based rental platform that leverages the latest-model Toyota vehicles.

## KINTO Share

A ride-share service connecting drivers to Toyota vehicle rentals on an hourly or weekly basis with unlimited mileage, insurance, maintenance and customer service.

## Ride Hailing

Toyota is teaming up with ride-hailing partners like Aurora to develop driverless mobility services, working to build and deploy self-driving vehicles around the world.

# Lasting Value for Many Miles Ahead

Backed by outstanding sales numbers, automaker accolades, consumer evangelism and an ever-growing lineup of technologically advanced and fun-to-drive vehicles, Toyota stands at the top of the industry as one of the most valuable automobile brands in the world.

## Total Cost of Ownership

Reliability, durability and efficiency lead to Toyota models that are built to last and affordable to maintain. See our Comparison Report for a side-by-side look at the Toyota Fleet versus its competitors.

## Warranty<sup>28, 29</sup>

Every new Toyota is covered by comprehensive warranty packages, including standard 3-year/36,000-mile coverage and an industry-leading 10-year/150,000-mile hybrid battery warranty.<sup>30</sup>

## ToyotaCare<sup>27</sup>

Toyota's complimentary maintenance plan covers factory scheduled service for 2 years or 25,000 miles, along with 24-hour Roadside Assistance for 2 years.<sup>29</sup>

## Awards & Accolades

Toyota's award-winning vehicles race ahead of the competition, picking up multiple IIHS, NHTSA and Kelley Blue Book<sup>31</sup> value awards.

## Long-Term Payoffs

Toyota takes special care to keep the cost of ownership as low as possible, always striving to maintain quality and affordability. And when measured against the industry's best-selling models, Toyota punches well above its weight.

Toyota models have earned a reputation for efficiency and impressive mpg on highways and city streets, putting in the work to help minimize fuel costs. On top of that, Toyota Fleet vehicles stand apart with the best resale and lowest depreciation values in the industry, maintaining high-quality performance year after year.

Backed by over 30 years of automotive research and analysis, IntelliChoice provides comprehensive long-term cost estimates and value ratings for nearly every vehicle on the market, and it's no surprise that Toyota frequently comes out on top.

# You're Covered

Toyota Fleet is devoted to safety and dependability, and proper vehicle maintenance is important to both. That's why Toyota includes a maintenance plan and Roadside Assistance with every new Fleet vehicle.

## No Cost Maintenance Plan<sup>27</sup>

*2 years/25,000 miles\**

Toyota-trained technicians will perform factory-recommended maintenance on Toyota Fleet vehicles, including:

- ✓ Replace engine oil and oil filter
- ✓ Rotate tires
- ✓ Multi-point vehicle inspection
- ✓ Inspect and adjust all fluid levels

*\*Whichever comes first.*

## 24-Hour Roadside Assistance<sup>27</sup>

*2 years/unlimited miles*

24-hour Roadside Assistance is provided at no cost for 2 years from the effective date, for unlimited miles. Services include:

- ✓ Battery jump start
- ✓ Lockout protection
- ✓ Emergency fuel delivery
- ✓ Tire service
- ✓ Towing
- ✓ Winching

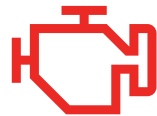

# A Worthy Warranty

Every Toyota Fleet vehicle comes standard with a comprehensive warranty package that includes 3 years or 36,000 miles of limited coverage.<sup>28, 29</sup> But our fleets don't stop there.

## Basic

3 years/36,000 miles

## Powertrain

5 years/60,000 miles

## Rust-Through

5 years/unlimited miles

## Emissions

Coverages vary under Federal and California regulations

## Hybrid System

8 years/100,000 miles<sup>32</sup>

## Hybrid Battery

10 years/150,000 miles<sup>30</sup>

# All-Electric/Hybrid Battery Warranty

Along with comprehensive warranties that cover our gas vehicles, we stand behind the durability and reliability of our all-electric and hybrid vehicles with extensive warranties of their own.

**EV Drive Components Warranty:** 8 years or 100,000 miles.

**Hybrid Battery Warranty:** 10 years or 150,000 miles.

**Hybrid System Components Warranty:** 8 years or 100,000 miles.

**Hybrid System**

8 years/100,000 miles<sup>32</sup>

**Hybrid Battery**

10 years/150,000 miles<sup>30</sup>

# Gold Star Standards

On top of offering a robust warranty and low cost of ownership, Toyota has been recognized as an industry leader across the board when it comes to safety, performance, reputation and value.

## 2025 Kelley Blue Book KBB.com Best Buy Award<sup>31</sup>

Camry, Sienna and Tacoma awarded a 2025 Best Buy Award from Kelley Blue Book's KBB.com.

## 2025 IIHS Top Safety Pick

5 Toyota models awarded *TOP SAFETY PICK+* and 6 models awarded *TOP SAFETY PICK*.

## MotorTrend's 2024 Car of the Year<sup>®</sup>

Toyota Prius was named *MotorTrend's* 2024 Car of the Year<sup>®</sup>.

## 2025 NHTSA Safety Rating<sup>33</sup>

4 Toyota models awarded a 5-Star Overall Safety Rating.

## 2024 Automotive Fleet's Car and SUV of the Year

Camry and RAV4 Hybrid were named the 2024 Fleet Car and SUV of the Year by Automotive Fleet.

## #3 in the Consumer Reports Reliability Rankings

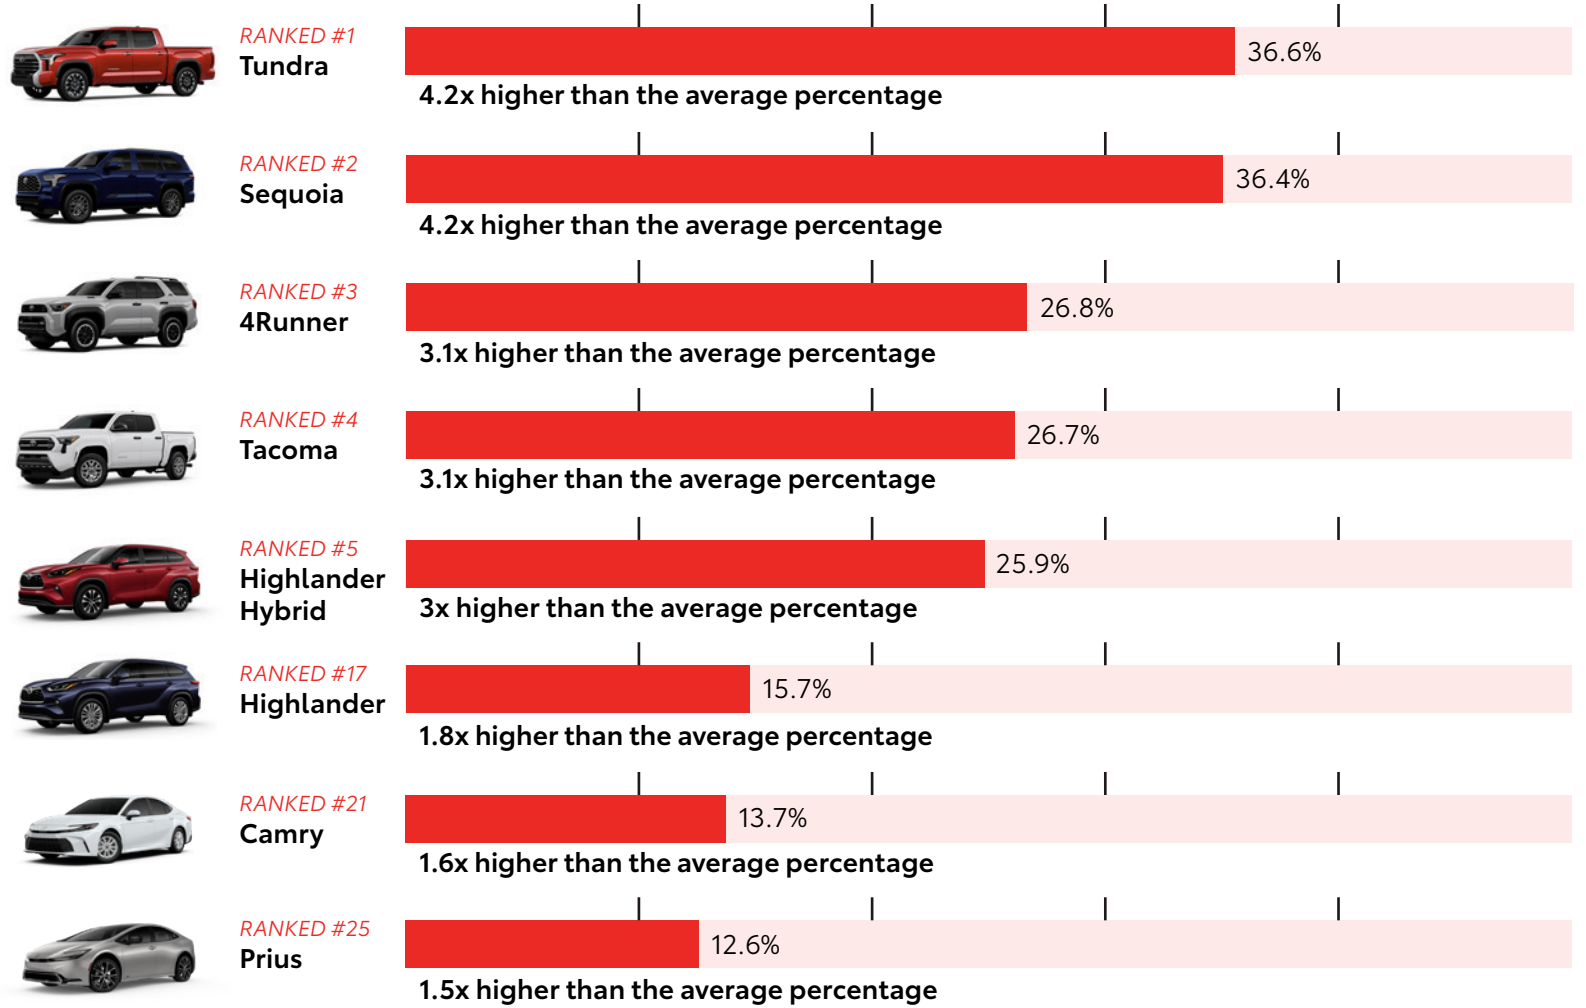

Peace of mind comes along with a Toyota Fleet. As #3 in Consumer Reports' Reliability rankings, your next fleet carries confidence you can rely on. And with most of our models scoring above average in predicted reliability, Toyota is the smart business choice for your fleet.

# How Many Miles Can a Car Last?

The lifespan of your fleet has greater potential to last longer. According to studies by iSeeCars.com, Toyota 2024 models have earned 8 of the top 30 spots for the vehicles with a higher chance of reaching 250,000 miles or more overall.

## iSeeCars.com's Longest-Lasting Models Rankings ranked against U.S domestic brands

# Comparison Report

We don't just win on the initial price. The secret to our low Total Cost of Ownership is a resale value that consistently **outpaces** our competitors.

# Toyota Fleet Information

## A Custom-Fit Toyota Fleet

Committed to delivering vehicles that meet and exceed the expectations of Fleet customers, Toyota Fleet goes above and beyond to tailor individual vehicles to clients' needs. This means working with companies that can provide upfitting solutions by adding additional equipment to a new vehicle.

Holman specializes in the design, manufacture and installation of truck equipment for a wide variety of customers, trades and industries. Holman helps fleets, construction, energy and telecommunications, utilities, municipalities and many other businesses and industries.

Efficient manufacturing processes and flexible assembly lines enable Knapheide to produce both standard and highly customized truck and van bodies, from service bodies and platform bodies to dump bodies, lube trucks, water trucks and more.

# Prepaid Fleet Data Packages

To enhance your fleet management experience, Toyota is introducing two new prepaid fleet data options with seamless access to advanced vehicle data APIs and services. These flexible packages deliver actionable insights to optimize performance, enhance safety and improve efficiency. They represent the next step in driving innovation for your fleet.

## Accessing Data:

Access to data requires data integration through one of the following two options:

**(a) Direct API Integration** – Requires a signed Data Services Agreement with Toyota; or

**(b) Third-Party Integration** – Work with one of our approved data partners (additional fees apply).

# Long Distance? No Problem

Toyota Fleet can ship its entire line of vehicles to a wide range of delivery and pickup locations, with over 800 Toyota dealerships around the country. They include the Commercial and Government Toyota Fleet Advantage (TFA) program, drop-ship locations and Toyota Fleet Advantage dealers.

**As part of the TFA agreement, these dealers will:**

- ✓ Perform quality courtesy delivery of vehicles
- ✓ Appoint a dealership contact to coordinate deliveries
- ✓ Negotiate a delivery fee not to exceed \$350/vehicle

A list of TFA dealers can be found at [fleet.toyota.com](https://fleet.toyota.com).

# Collaboration & Coordination

Toyota has strong relationships with many Fleet Management Companies (FMCs) around the country. This allows us to better serve our mutual business partners. We have partnerships with the FMCs listed here, plus many more.

# Get in Touch With Toyota Fleet

With Toyota Fleet, assistance is always just a phone call away.

# C-HR

The 2026 C-HR has been reengineered with a focus on dynamic performance. Known for its bold style, it now delivers even greater value with standard All-Wheel Drive and a dramatic boost in horsepower. It features impressive acceleration and up-to-date tech, giving fleet managers the exciting, capable choices they want.

## Standard All-Wheel Drive

With an impressive 338 horsepower combined system output, and standard All-Wheel Drive, C-HR has an impressive performance with a manufacturer-estimated 0-60 mph time of around 5 seconds.<sup>34</sup>

## Interior Features

SE and XSE have great standard interior features, like a 14-in. Toyota Audio Multimedia touchscreen, a fully digital gauge cluster, and Toyota Safety Sense™ 3.0.<sup>16</sup>

## Up to 25.4 Cu. Ft. of Cargo Space

Compact crossover utility with 60/40 fold-flat seats and up to 25.4 cu. ft. of cargo space behind the rear seats.

# RAV4

The 2026 RAV4 has been reengineered from the ground up with next-generation technology. Known for its reliability and versatility, it continues to deliver excellent value. It features multiple electrified powertrain options and advanced safety systems, giving fleet managers the smart, efficient choices they want.

## Horsepower

RAV4 HEV models move to a fifth-generation hybrid system and net combined horsepower of 236 hp on FWD and AWD models — with FWD coming to RAV4 Hybrid for the first time.

## Toyota Safety Sense™ 4.0

2026 RAV4 launches Toyota's Arene software development platform, which enables Toyota Safety Sense™ 4.0<sup>16</sup> and a new generation of the Toyota Audio Multimedia System.

## AWD and FWD Available

The 2026 Toyota RAV4 will be available in a choice of Hybrid Electric Vehicle (HEV) or Plug-in Hybrid Electric Vehicle (PHEV) powertrains in All-Wheel Drive (AWD) for PHEV and Front-Wheel Drive (FWD) and AWD for HEV.

# Corolla Cross

The 2026 Corolla Cross is designed with versatility and convenience in mind. Known for its everyday practicality, it continues to deliver excellent value for any fleet. It features flexible cargo space with standard folding rear seats and multiple device-charging options to keep your team connected on the go, giving fleet managers the smart, efficient choices they want.

## Ample Storage Space

Corolla Cross is ready to take on items with the 60/40-split folding rear seats that come standard on all models.

## USB-C Ports

There are two USB-C ports<sup>35</sup> up front, standard. The LE, XLE, SE and XSE grades add two rear USB-C ports. Qi-compatible wireless charging<sup>55</sup> is standard on the LE, SE, XLE and XSE grades.

## AWD and FWD Available

Corolla Cross has three gas grades available in FWD or AWD with up to a manufacturer-estimated 32 combined MPG rating.<sup>36</sup>

# bZ

The 2026 bZ is a smart choice for any fleet, delivering major advancements in performance and range. It boasts a significantly extended range to keep your team on the road longer and reduce downtime for charging. A major boost in horsepower ensures confident performance, and with the flexibility of Front- and All-Wheel Drive options, adding the efficient and powerful bZ to your fleet is simply smart business.

### Range

bZ has up to 314 miles of manufacturer-estimated range (XLE FWD Plus model),<sup>37</sup> an increase of 25% over the outgoing model (previously rated at 252 miles).

### FWD and AWD Available

XLE and Limited grades are available in both Front-Wheel Drive (FWD) or All-Wheel Drive (AWD).

### Up to 50% More Horsepower

Up to 50% more horsepower, with 338 net combined system hp on AWD models, up from 214 net combined system hp on prior AWD models.

# bZ Woodland

The all-new, all-electric 2026 bZ Woodland delivers EV sustainability with an impressive range and swift DC fast-charging to keep you going. Backed by the quality, durability and reliability that Toyota is known for, bZ Woodland offers you another way to electrify your fleet.

## Standard All-Wheel Drive

With 375 hp and standard All-Wheel Drive, bZ Woodland brings confidence to every drive. Its versatile AWD system includes X-MODE to enhance stability and improve traction across various road conditions.

## Rear Cargo Capacity

bZ Woodland's rear seats fold flat to reveal up to 30 cu. ft. of cargo space to support your fleet's needs. When more is required, its 3,500-lb. towing capacity is ready to bring along more of the necessities.

## Fast Charging

Featuring a standard NACS port for simplified AC/DC charging,<sup>39</sup> and including J1772/CCS1 adapters, this guarantees your fleet maximum charging flexibility and access to most public networks.

**1.** For more information, visit <https://newsroom.toyota.eu/toyota-passes-15-million-hybrid-electric-vehicles-global-sales/>. **2.** For more information, visit <https://global.toyota/en/company/profile/production-sales-figures/202412.html>. **3.** For more information, visit <https://pressroom.toyota.com/toyota-to-achieve-its-five-year-u-s-investment-commitment-one-year-early/>. **4.** For more information, visit <https://pressroom.toyota.com/toyota-financial-services-issues-fifth-green-bond-reinforcing-toyotas-commitment-to-sustainability/>. **5.** Including our joint venture plant in Alabama. **6.** Current lineup includes Hybrids, Plug-in Hybrids and Fuel Cell electric vehicles. Based on manufacturers' data as of June 7, 2021. **7.** Toyota Connected Services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the Connected Services will not work, and Toyota will need to discontinue impacted services. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at [connected-services-terms-use.pdf](#) and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi, for which trial begins at time of activation. Paid subscription required after trial (if applicable). **8.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **9.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **10.** Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. See Toyota dealer for details and exclusions. **11.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. **12.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **13.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. **14.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **15.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **16.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations. **17.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations. **18.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. **19.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. **20.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. **21.** Dynamic Radar Cruise Control/Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations. **22.** Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instruction and limitations. **23.** Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations. **24.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. **25.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for limitations. **26.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **27.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **28.** Date and mileage limitations refer to whichever comes first from the

## DISCLOSURES

date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details. **29.** For information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties, please see the applicable Warranty and Maintenance Guide. Emission coverages vary under Federal and California regulations. **30.** For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See Owner's Warranty and Maintenance Guide for details. **31.** For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. **32.** Hybrid-related components are covered for 8 years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See Owner's Warranty and Maintenance Guide for details. **33.** Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program ([www.safercar.gov](http://www.safercar.gov)). **34.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **35.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **36.** EPA-estimated 31 city/33 hwy/32 combined mpg rating for 2026 Corolla Cross L FWD, LE FWD and XLE FWD; projected EPA-estimated 29 city/31 hwy/30 combined mpg rating for 2026 Corolla Cross L AWD, LE AWD and XLE AWD; projected EPA-estimated 46 city/39 hwy/42 combined mpg rating for 2026 Corolla Cross Hybrid S, SE and XSE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **37.** EPA-estimated total driving range ratings for 2026 bZ models when fully charged and operated under ideal conditions: 314-mile for 2026 bZ XLE FWD Plus; 288-mile for 2026 bZ XLE AWD; 299-mile for 2026 bZ Limited FWD; 278-mile for 2026 bZ Limited AWD; and 236-mile for 2026 bZ XLE FWD. Use for comparison purposes only. Actual range may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use, which will reduce range. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **38.** Extra-cost color. **39.** Use only with Toyota battery electric vehicles. **40.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review *Owner's Manual* for instructions and limitations. **41.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **42.** Starting MSRP is the lowest Base MSRP for the series of a model and excludes manufacturer, distributor and dealer options, taxes, title and license and dealer fees and charges. Also excludes the Delivery, Processing and Handling of \$1,195 for Cars (Corolla, Corolla HV, Corolla HB, GR Corolla, Camry, Prius, Prius Plug-in Hybrid, Toyota Crown, Mirai, GR86, GR Supra), \$1,450 for Entry SUV (Corolla Cross, Corolla Cross HV), \$1,450 for Small SUV (RAV4, RAV4 HV, RAV4 Plug-in Hybrid, bZ), \$1,495 for Mid SUV/Van (4Runner, 4Runner HV, Highlander, Highlander HV, Grand Highlander, Grand Highlander HV, Sienna, Land Cruiser, Toyota Crown Signia), \$1,595 for Small Pickup (Tacoma, Tacoma HV), \$2,095 for Large Pickup/Large SUV (Tundra, Tundra HV, Sequoia). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called "Delivery, Processing and Handling" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure and may be subject to change at any time. Toyota may make a profit on Delivery, Processing and Handling.) Delivery, Processing and Handling in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX may vary. Dealer price will vary. **43.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audiomultimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. **44.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check [g.co/androidauto/requirements](http://g.co/androidauto/requirements) for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Google, Android, Android Auto, Google Maps, YouTube Music and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **45.** EPA-estimated 42 city/41 highway/41 combined mpg rating for 2026 Toyota Crown XLE, Nightshade Edition and Limited; EPA-estimated 29 city/32 highway/30 combined mpg rating for 2026 Toyota Crown Platinum. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **46.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations. **47.** JBL® is a registered trademark of Harman International Industries, Inc. **48.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect, which depends on 4G network availability and other factors outside Toyota's control. Service requires account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. Before operating, refer to *Owner's Manual* for instructions and limitations. **49.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See *Owner's Manual* for limitations. **50.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See *Owner's Manual* for limitations. **51.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See *Owner's Manual* for limitations. **52.** EPA-estimated 57 city/56 hwy/57 combined mpg rating for 2026 Prius LE; 53 city/54 hwy/54 combined mpg rating for 2026 Prius LE AWD; 52 city/52 hwy/52 combined mpg rating for 2026 Prius XLE, Limited and Nightshade Edition; and 49 city/50 hwy/49 combined mpg rating for 2026 Prius XLE AWD, Limited AWD and Nightshade Edition AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **53.** The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See *Owner's Manual* for additional details. **54.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **55.** Charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **56.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations. **57.** EPA-estimated 127 combined MPGe rating for 2026 Prius Plug-in Hybrid SE, EPA-estimated 114 combined MPGe rating for 2026 Prius Plug-in Hybrid XSE, XSE Premium and Nightshade Editions. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric operation. EPA-estimated 53 city/51 hwy/52 combined gas-only MPG rating for 2026 Prius Plug-in Hybrid SE, EPA-estimated 50 city/47 hwy/48 combined gas-only MPG rating for 2026 Prius Plug-in Hybrid XSE, XSE Premium and Nightshade Edition. Use for comparison purposes only. Your MPGe/MPG will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **58.** EPA-estimated up to 44-mile all-electric driving range when fully charged for 2026 Prius Plug-in Hybrid SE; EPA-estimated up to 39-mile all-electric driving range when fully charged for 2026 Prius Plug-in Hybrid XSE, XSE Premium and Nightshade Edition. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **59.** EPA-estimated 32 city/41 hwy/35 combined mpg rating for 2026 Corolla LE; EPA-estimated 31 city/40 hwy/34 combined mpg rating for 2026 Corolla SE; EPA-estimated 31 city/38 hwy/34 combined mpg rating for 2026 Corolla XSE; EPA-estimated 53 city/46 hwy/50 combined mpg rating for 2026 Corolla Hybrid LE and Hybrid XLE; EPA-estimated 51 city/44 hwy/48 combined mpg rating for 2026 Corolla Hybrid LE AWD; EPA-estimated 50 city/43 hwy/47 combined mpg rating for 2026 Corolla Hybrid SE; EPA-estimated 47 city/41 hwy/44 combined mpg rating for 2026 Corolla Hybrid SE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **60.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **61.** EPA-estimated 32 city/41 hwy/35 combined mpg rating for 2026 Corolla Hatchback SE and Nightshade; EPA-estimated 30 city/38 hwy/33 combined mpg rating for 2026 Corolla Hatchback XSE and FX. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **62.** EPA-estimated 52 city/49 hwy/51 combined mpg rating for 2026 Camry LE; 50 city/49 hwy/50 combined mpg rating for 2026 Camry LE AWD; 47 city/45 hwy/46 combined mpg rating for 2026 Camry SE, XLE and XSE; 46 city/46 hwy/46 combined mpg rating for 2026 Camry SE AWD and XLE AWD; 43 city/43 hwy/43 combined mpg rating for 2026 Camry XSE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **63.** Customers who lease a 2026

## DISCLOSURES

### Mirai

by March 31, 2026, will receive complimentary fuel for three years or \$15,000, whichever comes first. Customers who purchase a 2026 Mirai by March 31, 2026, will receive complimentary fuel for six years or \$15,000, whichever comes first. Complimentary fuel term begins as of card activation or 90 days after Mirai purchase or lease commencement date, whichever is earlier. Fuel card is nontransferable. **64.** EPA-estimated 76 city/71 hwy/74 combined MPGe rating for 2025 Mirai. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric-mode operation. Use for comparison purposes only. Your MPGe/miles per kilowatt-hour will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **65.** Advanced Rear-Seat Reminder uses a sensor from the vehicle to detect movement in the rear seats to alert you of an occupant. In-vehicle alerts may vary depending on whether the vehicle is locked or unlocked. If you have downloaded, registered for and enabled the Toyota app on your smartphone, you may also receive a notification, SMS and/or an automated call to the verified account phone number. System functionality and sensor coverage is limited and may not detect all occupants under all circumstances. Smartphone alerts require an active Safety Connect® subscription, which depends on 4G network availability and other factors outside Toyota's control and requires acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Drivers are responsible for ensuring no occupants are left in a vehicle. See *Owner's Manual* for additional limitations and details. **66.** FridgeBox requires vehicle power and selection of cooler or freeze mode. Keep lid closed while driving to help avoid injuries. See *Owner's Manual* for details. **67.** EPA-estimated 36 city/36 hwy/36 combined mpg rating for 2026 Sienna FWD models; 35 city/36 hwy/35 combined mpg rating for 2026 Sienna AWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **68.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations. **69.** Dynamic Navigation Services may vary and are subject to change at any time without notice. Operability and accuracy depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Services not available in every city or roadway. Use common sense when relying on information provided. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). The Dynamic Navigation trial period is at no extra cost and begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **70.** Rated for 1500 watts shared between both outlets. See *Owner's Manual* for limitations. **71.** Never tow beyond a vehicle's published towing capacities. **72.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **73.** EPA-estimated 21 city/28 highway/24 combined mpg rating for 2026 Highlander XLE, XSE, Limited, and Platinum; EPA-estimated 35 city/35 highway/35 combined mpg rating for 2026 Highlander Hybrid XLE; EPA-estimated 35 city/34 highway/35 combined mpg rating for 2026 Highlander Hybrid Limited, and Hybrid Platinum. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **74.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details. **75.** EPA-estimated 39 city/37 hwy/38 combined mpg rating for 2026 Toyota Crown Signia. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **76.** EPA-estimated 21 city/28 highway/24 combined mpg rating for 2026 Grand Highlander LE FWD, 2026 Grand Highlander XLE FWD and Grand Highlander Limited FWD; EPA-estimated 21 city/27 highway/23 combined mpg rating for 2026 Grand Highlander Hybrid LE AWD and 2026 Grand Highlander XLE FWD; EPA-estimated 20 city/26 highway/22 combined mpg rating for 2026 Grand Highlander Limited AWD and 2026 Grand Highlander Platinum AWD; EPA-estimated 37 city/34 highway/36 combined mpg rating for 2026 Grand Highlander Hybrid XLE FWD; EPA-estimated 36 city/32 highway/34 combined mpg rating for 2026 Grand Highlander Hybrid LE AWD, 2026 Grand Highlander Hybrid XLE AWD, 2026 Grand Highlander Hybrid Limited AWD and 2026 Grand Highlander Hybrid Nightshade Edition; EPA-estimated 26 city/27 highway/27 combined mpg rating for 2026 Grand Highlander Hybrid MAX Limited AWD and Hybrid MAX Platinum AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **77.** Ultrasuede® is a registered trademark of Toray Industries, Inc. **78.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your *Owner's Manual* for instructions and limitations. **79.** Rated for 1500 watts shared between both outlets. See *Owner's Manual* for limitations. **80.** EPA-estimated 21 city/24 highway/22 combined mpg rating for 2026 Sequoia SR5 and Limited 4x2; EPA-estimated 19 city/22 highway/20 combined mpg rating for 2025 Sequoia SR5, Limited, Platinum, 1794, TRD Pro and Capstone 4x4. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **81.** EPA-estimated 22 city/25 hwy/23 combined mpg rating for 2026 Land Cruiser 1958 4WD and Land Cruiser 4WD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **82.** Rated for 2400 watts for a single three-prong outlet. See *Owner's Manual* for limitations. **83.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **84.** Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. **85.** Projected EPA-estimated 52-mile combined all-electric driving range rating for 2026 RAV4 Plug-in Hybrid XSE and RAV4 Plug-in Hybrid SE; 49-mile combined all-electric driving range rating for 2026 RAV4 Plug-in Hybrid Woodland; and 48-mile combined all-electric driving range rating for 2026 RAV4 Plug-in Hybrid GR SPORT using EPA's preliminary testing procedure standards on a full charge. Operates at speeds up to 84 mph. For comparison purposes only. Mileage will vary for many reasons, including vehicle's condition and how/where you drive. Battery capacity also decreases with time and use, which will reduce range. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **86.** Rated for 1500 watts for a single outlet. See *Owner's Manual* for limitations. **87.** EPA-estimated 31 city/33 hwy/32 combined mpg rating for 2026 Corolla Cross L FWD, LE FWD and XLE FWD; projected EPA-estimated 29 city/31 hwy/30 combined mpg rating for 2026 Corolla Cross L AWD, LE AWD and XLE AWD; projected EPA-estimated 46 city/39 hwy/42 combined mpg rating for 2026 Corolla Cross Hybrid S, SE and XSE AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **88.** Projected EPA-estimated 20 city/26 hwy/22 combined mpg rating for 2026 4Runner SR5 RWD, TRD Sport RWD and TRD Sport Premium RWD; projected EPA-estimated 19 city/25 hwy/21 combined mpg rating for 2026 4Runner SR5 4WD, TRD Sport 4WD, TRD Sport Premium 4WD, TRD Off-Road 4WD and TRD Off-Road Premium 4WD; projected EPA-estimated 20 city/24 hwy/22 combined mpg rating for 2026 4Runner Limited RWD; projected EPA-estimated 20 city/24 hwy/21 combined mpg rating for 2026 4Runner Limited 4WD; and projected EPA-estimated 23 city/24 hwy/23 combined mpg rating for 2026 4Runner TRD Off-Road Hybrid 4WD, TRD Off-Road Premium Hybrid 4WD, Limited Hybrid 4WD, Platinum, TRD Pro and Trailhunter as determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **89.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations. **90.** Electrical rating for auxiliary switches is pre-set. See *Owner's Manual* for additional details. Exceeding the rating set by Toyota may lead to an increased risk of failure, and, potentially, fire. **91.** Torsen® is a registered trademark of Zexel Torsen, Inc. **92.** EPA-estimated total driving range ratings for 2026 bZ models when fully charged and operated under ideal conditions: 314-mile for 2026 bZ XLE FWD Plus; 288-mile for 2026 bZ XLE AWD; 299-mile for 2026 bZ Limited FWD; 278-mile for 2026 bZ Limited AWD; and 236-mile for 2026 bZ XLE FWD. Use for comparison purposes only. Actual range may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use, which will reduce range. See [www.fueleconomy.gov](http://www.fueleconomy.gov). **93.** Public charging experience will vary based on charger type (Level 2 or DC Fast Charger) and other factors including vehicle and environmental conditions. 2026 bZ Woodland AC Level 2 charging time estimates can be improved when using an input power source rated to the onboard charger's max capacity. 2026 bZ Woodland DC fast charging time estimates can be improved in freezing temperatures when activating the battery preconditioning function. See [toyota.com/electrified/charging](https://toyota.com/electrified/charging). **94.** Use of all-terrain tires may significantly impact the attainable range of the vehicle. **95.** Projected EPA-estimated 20 city/26 highway/23 combined mpg rating for 2026 Tacoma SR 4x2 2.4L i-FORCE automatic; projected EPA-estimated 19 city/24 highway/21 combined mpg rating for 2026 Tacoma SR, SR5 4x4 2.4L i-FORCE automatic; projected EPA-estimated 18 city/23 highway/20 combined mpg rating for 2026 Tacoma SR 4x2, TRD Sport 4x2, TRD Off-Road 4x4 2.4L i-FORCE manual; projected EPA-estimated 21 city/26 highway/23 combined mpg rating for 2026 Tacoma SR5 4x2 2.4L i-FORCE automatic; projected EPA-estimated 20 city/

## DISCLOSURES

24 highway/22 combined mpg rating for 2026 Tacoma TRD PreRunner, TRD Sport 4x2 2.4L i-FORCE automatic; projected EPA-estimated 19 city/23 highway/21 combined mpg rating for 2026 Tacoma TRD Sport, TRD Off-Road 4x4 2.4L i-FORCE automatic; projected EPA-estimated 19 city/23 highway/21 combined mpg rating for 2026 Tacoma TRD Off-Road 4x4 2.4L i-FORCE automatic; and projected EPA-estimated 20 city/23 highway/21 combined mpg rating for 2026 Tacoma Limited 4x4 2.4L i-FORCE automatic as determined by manufacturer. Projected EPA-estimated 22 city/24 highway/23 combined mpg rating for 2026 Tacoma TRD Sport, TRD Off-Road, Trailhunter, TRD Pro 4x4 2.4L i-FORCE MAX automatic as determined by manufacturer; projected EPA-estimated 23 city/24 highway/23 combined mpg rating for 2026 Tacoma Limited 4x4 2.4L i-FORCE MAX automatic as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive.
