

CELEBRITY

1 9 8 6 C H E V R O L E T

## The 1986 Celebrity. The Art of Doing Everything Well.

It's a delicate matter.  
Balance.

The ability to provide impressive performance and unexpected value, to deliver adept handling and deep-seated comfort, to combine aerodynamic shape with room for six adults.

A quality aspired to by many.  
An attribute achieved by this car—Celebrity by Chevrolet.

Celebrity's congeniality begins with important contemporary virtues—the deftness of

a front-drive configuration, the eager smoothness of Electronic Fuel Injection, the wind-cheating contours of a wedge-shaped exterior, the precision made possible by the extensive use of computers and robotics in vehicle assembly and design.

Equally important to Celebrity's sense of harmony are the comfort of its spacious interior and the poise of its maneuverability. Enhancing its many other qualities are the rewards offered your eye by Celebrity's

elegant profile and its pleasing new front and rear styling for 1986.

Contained in the following pages are detailed descriptions of the models in the Celebrity lineup. Whether you select the performance-oriented Eurosport, the value-packed sedan or coupe, or the versatile station wagon, we invite you to discover Celebrity and experience the refinement, the perfect balance achieved by a car designed to do everything well.

Celebrity Eurosport Sedan.

Celebrity Eurosport Coupe.

Available front bucket seats add the feel of true performance seating.

**Celebrity Eurosport Coupe.  
Exhilaration Personalized In a Sleek Driving Machine.**

Welcome to Eurosport, the performance-equipped Celebrity that promises driving excitement even while standing still.

With matte black hardware that complements Celebrity's new front and rear appearance. And red-accented wide body side moldings, bumper rub strips, and badges that announce Eurosport's energetic temperament to the world.

At ground level, Eurosport tracks on P195/75R-14 radii-steel-belted, all season—helping to provide tenacious road grip and poised cornering.

Decisive stopping ability is supplied by power front disc/rear drum brakes.

The special F41 Sport Suspension—sport-tuned springs, gas-charged struts and shocks, and large stabilizer bars—teams with Eurosport's solid unit-body construction to transfer road information while filtering out harshness. The resulting ride is pleasantly limber, yet reassuringly firm.

With standard front bench seating, as many as six adults can share Eurosport's invigorating approach to transportation. The available front buckets or available 55/45 or 45/45 front seats provide individualized comfort if you so desire.

And for the driver, a thick padded steering wheel is linked to precise rack-and-pinion steering. The available 2.8 Liter V6 with Multi-Port Fuel Injection strides boldly through its power curves, as an available complement of gauges keeps you informed of your every move.

Celebrity Eurosport. Beckoning you to the sun-soaked splendor of the open road.

Eurosport instrument panel with available gage package, including trip odometer, temperature and voltage gauges.

Celebrity Eurosport Sedan.

## Celebrity Eurosport Sedan. Profile of Performance.

Eurosport is the Celebrity for those who demand that striking styling, eager performance and six passenger room and comfort be integrated in a single vehicle.

As with all 1986 Celebrities, the front and rear of the car are softer, smoother. The gracefully shaped fine-mesh grille is surrounded by quad headlights and flush mounted wraparound side marker lamps. While a Corvette-inspired F41 suspension gives Eurosport the feel of a sophisticated sport sedan, this distinctly new styling provides the flair.

The high-profile rear deck that helps create the car's aerodynamic wedge shape also gives the vehicle a tall, wide, deep trunk that holds 16.2 cubic feet of luggage—enough for a very long trip. For even more capacity, order the available deck-lid carrier that's as functional as it is stylish.

Inside, the instrument panel is as carefully crafted as the car that surrounds it. It's positioned high, a feature that allows your eyes to stay closely attuned to road input. The available graphic tachometer is new for 1986.

Celebrity Eurosport. Wonderful to look at. Even better to drive.

Celebrity Sedan.

## Celebrity Sedan. Front-Drive Agility With Room for Up to Six.

If you haven't been in the market for a new car lately, you're in for a pleasant surprise.

Celebrity, America's best-selling mid-size car.\*

A car with front-drive traction, and trim exterior dimensions. But with room for up to six passengers. Plus impressive road feel, a big trunk and that wonderfully smooth ride you thought had gone out of style years ago.

Celebrity's standard engine is the 2.5 Liter Tech IV with

Electronic Fuel Injection that may amaze you with its responsiveness. Also available is a carbureted 2.8 Liter V6 or, for maximum output, the 2.8 Liter V6 with Multi-Port Fuel Injection. For each engine, smoothness is assured through the use of hydraulic engine mounting that cuts transmitted vibration to a minimum.

And when you notice a certain surefootedness beyond the extremely smooth ride, remember that Celebrity features MacPherson-strut front suspension with integral stabilizer bar, a trailing-arm rear suspension

with coil springs and stabilizer and standard all-season steel-belted radials. Plus power rack-and-pinion steering and power front disc/rear drum brakes.

Celebrity Sedan. It's the sum of many nice surprises. And its price is only the beginning.

\*Source: Ward's Automotive Reports of Manufacturers' Reported Retail Deliveries of Passenger Cars Rated Mid-Size by the EPA, January 1984 - July 1985.

## Inside Celebrity. Comfort Is Top Priority.

Open the door wide and slip behind the wheel. You'll find a handsomely tailored interior designed for maximum space efficiency. Celebrity actually seems larger viewed from the inside than the exterior dimensions might indicate. Visibility is outstanding, thanks to generous stretches of glass.

Choose from a variety of seating arrangements to carry you and your passengers in comfort. A standard bench seat with pull-down armrest lets Celebrity carry up to six passengers. Or select the available individually adjustable 55/45 seats or sporty reclining front buckets. For real luxury lovers, the plush Custom CL interior option is available with a 55/45 front seat or a 45/45 seat with pull-down center armrests.

Whatever your choice, you'll ride in style. Celebrity seats feature plush velour cloth trim (vinyl standard on Wagon), with high-resilience foam to support and cushion, and specially tuned springs to help reduce fatigue and road vibrations.

All in an interior that's a comfort to be held by. And a wonder to behold.

Celebrity CL with  
Custom 55/45 interior.

Beautifully modern, with a touch of tradition. That's Celebrity in its available Estate Wagon trim.

Fold the rear seat down and all Celebrity Wagons offer 75.1 cu. ft. of cargo capacity.

## Celebrity Wagon. A Good Idea Expanded.

After we made sure Celebrity could do everything, we decided to expand on the idea.

The result is Celebrity Wagon. Versatile. Attractive. Completely contemporary.

Celebrity is a well-thought-out wagon because it started as a well-thought-out sedan.

Celebrity Wagons feature suspensions tuned for driving comfort. Plus your choice of standard six-passenger or available eight-passenger models.

And you'll find a substantial 75.1 cubic feet of cargo space when you fold the rear seat-backs down.

Every Celebrity Wagon features front-drive traction and technology as part of the package. The driving enthusiast is well cared for, too.

Dressed in the Eurosport mode, shown at left, Celebrity Wagon has the look and character of a Eurosport Sedan or Coupe. The crisp lines. The freared stripes. The distinctive grille. Beety all-season radiats on Rally Wheels and heavy front and rear anti-sway bars. Gas struts and shocks. Fast-ratio power rack-and-pinion steering. All of the things that make Eurosport Sedan a serious road machine, with the added convenience of room for up to eight (with available rear-facing third seat) and a spacious cargo area.

As we said—you'll appreciate the wisdom of Celebrity Wagon more every day.

Celebrity Eurosport Wagon shown with available aluminum wheels.

# Celebrity Power. Electronic Fuel Injection Standard in the 2.5 Liter Tech IV.

Not so long ago the benefits of fuel injection were reserved for race cars and diesel engines. Fortunately, Celebrity's standard 2.5 Liter Tech IV engine offers you the precise metering and smooth performance that are basic characteristics of electronic fuel injection.

Employing a cross-flow induction system, the Tech IV includes roller-type hydraulic

valve lifters that help promote camshaft life and reduce internal friction. The timed, single-point throttle body injection system, which eliminates the conventional carburetor, is controlled by an on-board computer that meters a precise amount of fuel into the throttle body for introduction into the manifold and combustion chambers. The system has automatic enrichment for cold-

starting and full-load conditions. As the engine warms up, the computer controls the fuel injection to match driving conditions.

In addition, the 2.5 Liter Tech IV is designed to provide:

- Simple "turn-key" starting, hot or cold, without flooding.
- Quick engine response.
- Self-adjusting idle to help reduce stalling.

- No stall on quick braking.
- More precise air/fuel mixture.
- Automatic adjustment for optimum performance between service intervals.
- Automatic adjustment for altitude and weather.

- Fewer moving parts or choke, accelerator pump or carburetor adjustment required).
- Positive fuel shut-off to help prevent run-on after ignition is switched off.

## Available V6 Engines

To add more gusto to your Celebrity, choose one of these available V6 powerplants.

The **2.8 Liter Multi-Port FI V6** (shown at right) is a high-tech engine featuring Multi-Port Fuel Injection. Six individual runners are designed to feed each cylinder maximum air flow. A computerized module controls each injector and continuously monitors air mass, altitude, temperature, pressure and humidity, then compensates for any changes. As a result, this engine approaches many V6s in rated horsepower and is as lightweight as some

4-cylinder plants. The Multi-Port Fuel Injection system is also designed to provide these features as well as the benefits of Electronic Fuel Injection previously listed.

- Improved breathing for power at high RPM.
- The simplicity of solid-state circuitry sealed from dirt, dust and moisture.

## The 2.8 Liter 2-Val V6.

The optional on Celebrity (not available in Calif.), is extremely compact with a 60° V configuration. Short-stroke, over-square design gives good horsepower-to-weight ratio. Hydraulic valve lifters are designed to help keep maintenance to a minimum. A 2-bbl. Vanejet carburetor with aluminum intake manifold is used.

## Power Teams

## Features and Options. Performance With a Personal Touch.

One of the nicest things about Celebrity is that it can be just the kind of car you're looking for — no matter what kind of car you're looking for.

The Celebrity Classic option, available on two- and four-door

Celebrity (not available on Eurosport), features a formal padded top and "Celebrity Classic" nameplates. And if that kind of personal touch leaves you wanting more, you'll enjoy studying the complete listing of Celebrity options and facts for 1985.

### Appearance and Protection

- Body pin stripping
- Bumper guards
- Color-keyed carpeted or rubber floor mats, front and/or rear
- Custom Two-Tone paint (includes exterior molding package)
- Door edge guards
- Exterior moldings package
- Exterior rocker panel and wheel opening moldings
- Halogen headlamps
- Mirrors: left-hand remote-

control outside; Sport left-hand remote and right-hand manual; Sport twin remote. Right-hand visor (illuminated or non-illuminated)

### Comfort and Convenience

- Air conditioning
- Automatic transmission
- Auxiliary lighting (includes luggage or cargo and glove box compartments, under-hood, courtesy and ashtray lamps, headlamp-on reminder)
- CL Custom interior with 55/45 or 45/45 split front seat, special instrument panel trim, custom door panels, plus exterior "CL" identification
- ComfortRit steering wheel
- Console (requires 45/45 or bucket seats)
- Deck-lid luggage carrier
- Duct-lid luggage carrier (chrome, black with Eurosport)
- Deluxe luggage compartment
- Digital clock (available only with radio equipment)
- Dome and reading lamp
- Dual-note horns
- Electric rear window defogger
- Electronic speed control with resume and speed adjustment feature
- Gage package with trip odometer
- Inflatable rear shock absorbers
- Intermittent windshield wiper system
- Power door lock system
- Power trunk release
- Power windows
- Reclining driver and passenger seat-backs (Std. on bucket seats)
- Six-way power seat (NA bucket seat)
- Removable sunroof

Celebrity Classic Sedan.

### Options Exclusively for Wagons

- Cargo area security package
- Deluxe rear compartment door
- Power tailgate release
- Rear quarter vent window (included with 3-seat model)
- Rear window air deflector
- Rear window wiper/washer system
- Roof carrier (chrome, black with Eurosport package)
- Split-folding rear seat-back
- Swing-out tailgate window.

### Performance

- Heavy-duty battery (NA w/2.5 Liter Tech IV)
- Heavy-duty cooling
- Heavy-duty front and rear suspension
- Performance rate ratio
- Tachometer (requires gage package).

### Special Packages

- Celebrity Classic option (includes padded vinyl top and "Celebrity Classic" nameplates)

- Celebrity Estate Wagon package (includes simulated wood-grain exterior moldings) with wheel opening moldings)
- Celebrity Eurosport package and includes special exterior and instrument panel trim, rad accent stripe and badges, Sport steering wheel, fast-ratio power steering, special F41 Sport Suspension with sport-tuned springs, gas-charged struts and shocks and large stabilizer bars, performance axle ratio, P195/75R-14 blackwall all-season, steel-belted radials on Rally Wheels.

### GM-Delco Audio Equipment

- (All radios include dual front (All radios include dual front speakers; all stereos also include dual rear speakers.)
- AM radio with digital clock
  - AM radio with digital clock
  - Electronically tuned receiver, AM/FM ETR™ stereo radio with seek and scan
  - AM/FM ETR stereo radio with seek and scan and digital clock
  - AM/FM ETR stereo radio with seek and scan, cassette player and digital clock

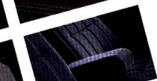

Available dome and reading lamp.

New available high-tech tachometer displays RPM graphically.

Available visor vanity mirror lights up when cover is opened.

Available pop-up tinted glass sun-roof rates or lifts out for free-flowing ventilation.

Standard pull-down armrest—shown in CL interior.

Control valve for available inflatable rear shocks is conveniently located behind fuel filler door.

- AM stereo™/FM stereo ETR radio with seek and scan, cassette player with graphic equalizer and extended range sound system
- Dual coaxial front and dual extended range rear speakers (included with AM stereo/FM stereo; not available with monaural radios).
- P185/75R-14 white-stripe\* (available on all models except Eurosport)
- P195/70R-14 Eagle GT black-wall (available with Eurosport package only)
- P195/75R-14 blackwall\* (Std. with Eurosport package and required with aluminum wheels)
- P195/75R-14 white-stripe\* (All-season tread

### Wheel Equipment

- Aluminum wheels (requires P195/75R-14 tires, P195/

- 70R-14 with Eurosport package)
- Rally Wheels (included with Eurosport package)
- Sport wheel covers (except with Eurosport package)
- Wire wheel covers with locking package (except with Eurosport package).

### GM Protection Plan

The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in the U.S. and Canada.

Celebrity's spacious trunk holds up to 16.2 cubic feet of luggage.

## Facts.

### Safety Features Occupant Protection

- Manual lap/shoulder safety belts for driver and right front passenger (driver's side includes visual and audible warning system) ■ Manual lap belts at each rear seat position (and center front, when applicable)
- Energy-absorbing steering column ■ Energy-absorbing instrument panel ■ Energy-absorbing front seat-back tops ■ Laminated safety windshield glass and tempered safety side and rear window glass
- Safety interlocking door latches
- Passenger-guard inside door lock handles ■ Inertia-locking, folding front seat-backs ■ Safety armrests
- Head restraints, driver and right front passenger (adjustable)

### Accident Avoidance

- Side marker lights and reflectors
- Parking lamps that illuminate with headlights ■ Four-way hazard warning flasher ■ Backup lights ■ Center high-mounted stop lamp ■ Directional signal control with lane-change feature ■ Windshield defroster, washer and dual-speed wipers ■ Inside rearview mirror with vinyl-bonded glass
- Outside left rearview mirror ■ Brake system with dual master cylinder and warning light ■ Starter safety switch
- Dual-action hood latch system
- Low-glass brack on instrument panel top, inside windshield moldings, upper arms/blades, metallic steering wheel surfaces ■ Illuminated heater and defroster controls ■ Tires with built-in tread wear indicators

### Theft Deterrence

- Audible reminder for ignition key removal ■ Theft-deterrent steering column lock ■ Visible vehicle identification number

### Exterior Features

	Coupe/Sedan	Wagon
All-season steel belted radial tires	S	S

### A Word About Assembly, Components and Optional Equipment in These Chevrolets.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors, and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

**Important: A Word About This Catalog.**

We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

### Commitment to Excellence

Chevrolet enhances your ownership experience with its "Commitment to Excellence" — a customer satisfaction program that brings you an extensive system of services and benefits. The program includes:

- Vehicle identification cards to speed your service request at the dealership.
- Special rates and reservation service at participating hotels, motels and car rental agencies.
- Hotel/motel and car rental guides.
- Preregistered key-return service.
- A "Let's Talk" booklet of service signs.
- A glove compartment organizer.
- An improved delivery procedure that includes an inspection checklist and orientation drive.

### A Word About Updated Service Information.

Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer to get ordering information, call toll-free 1-800-551-4123.

### A Word About Engines.

Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

### Let's Get It Together... Buckle Up.

Every new 1986 Celebrity delivered by a Chevrolet dealer in the United States comes with a one-year, \$10,000 safety belt use insurance certificate from MCG General Insurance Corporation at no additional charge. A \$10,000 will be paid to the estate of any occupant who suffers total injuries as a result of an accident involving that vehicle while wearing a GM safety belt. Buckle up every time you drive.

At your Chevy dealer's, financing or leasing your new Celebrity can be as easy as saying GMAC.

**Back cover: Celebrity Coupe.**
