CAVALIER

1987

Beyond the competitive clutter of small cars, one automobile stands apart. Cavalier by Chevrolet, America's best-selling compact for three years running.*

Cavalier delivers real value in a fun-to-drive, affordable car. Within this brochure, you'll find more reasons to choose Cavalier for 1987.

MORE DRIVING FUN.

- Front drive helps Cavalier take on adverse weather conditions. Engine weight is over the drive wheels, where you need it for superior traction.
- Rack and pinion steering gives Cavalier precise, quick steering response.

■ The standard 4-speed manual transmission features ratios chosen for performance and efficiency. A 5-speed manual is standard on Z24 and optional on other models. A 3-speed automatic is optional on all models.

MORE POWER.

- The standard 2.0 Liter 4 cylinder engine with Electronic Fuel Injection develops 90 horsepower at 5600 RPM.
- The high-performance Cavalier Z24 features a 2.8 Liter V6 with Multi-Port Fuel Injection. This engine delivers 130 horsepower at 4500 RPM; 165 ft.-lbs. torque at 3600 RPM.

MORE SPACE.

- Room for up to five adults.
- Cavalier Sedan offers more interior space than Honda Accord or Nissan Maxima sedans.
- Cavalier Sedan offers more luggage space than Toyota Cressida or BMW 7 series.
- Cavalier Wagon delivers more cargo room than any full-size sedan.

MORE CHOICE.

Cavalier is available in 13 models within four distinct series:

- The performance-oriented Z24 series includes a V6-powered hatchback coupe or notchback coupe.
- The sporty RS series includes all five Cavalier body styles.
- The popular Cavalier CS range includes a hatchback, a wagon and a sedan.
- The economical standard Cavalier is available in coupe, sedan or wagon form.

You'll find details on each Cavalier series on the following pages. Check the index at right for the location of information on specific models and options. Or, better yet, read the entire brochure and discover which Cavalier is the car for you.

*'87 L. Pollak registrations through May 1986.

Z24 Coupe in Medium Blue Metallic with optional front air dam and rear spoiler.

CAVALIER

Z24

Enthusiasts, please note. Cavalier Z24 is a serious road car with all the right credentials. This comprehensive package combines a high-output V6 engine and new 5-speed manual transmission with a tuned F41 Sport Suspension and distinctive exterior design. The result is:

EXCITING RESPONSE.

- 0 to 30 in 3.1 seconds on the test track*
- 0 to 60 in 9.2 seconds on the test track*
- Lateral acceleration 0.8g*

"SPORTS-CAR" AGILITY.

Z24's standard F41 Sport Suspension includes:

- Larger front and rear anti-sway bars.
- Higher-rate spring and shock valving.
- P215/60R-14 Eagle GT blackwall tires on special aluminum wheels.
- Quick-ratio power rack-and-pinion steering.

THE Z24 EXTERIOR. Hot-performing. And hot-looking. Specifics include:

- A new cowl-induction hood. The functional induction system helps ram outside air directly into the air cleaner for increased power output at high RPM.
- Aluminum wheels are lighter than conventional steel wheels. Standard on all Z24s.
- Extended body-color rocker panel moldings with contrasting stripes. Sport front and rear fascias.
- A horizontal-louvered blackout grille and front air dam.
- Z24 identification on rocker panels.

STANDARD 2.8 LITER V6. This 130-HP V6 with Multi-Port Fuel Injection features new aluminum cylinder heads, high compression for increased engine output, low internal friction and a newly designed combustion chamber for greater engine efficiency.

NEW 5-SPEED MANUAL TRANSMISSION.

This new 5-speed manual is a smooth-shifting unit with short, direct throws and the positive action that is all too rare on front-drive cars.

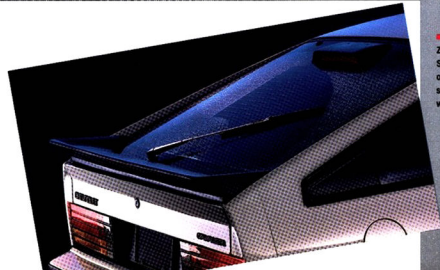

3-SPEED AUTOMATIC TRANSMISSION.

■ Optional at extra cost.

TWO AVAILABLE MODELS.

- Z24 Coupe. This version offers popular formal coupe styling, plus up to 13.2 cu. ft. of luggage space. If that's not enough, a sporty rear-deck luggage carrier is optional.
- Z24 Hatchback. Cavalier's high-performance hatchback, with up to 38.3 cu. ft. of cargo space accessible through a wide rear hatch.

*On the GM test track using professional drivers.

Z24 Hatchback in Silver Metallic with optional rear spoiler and rear wiper/washer.

CAVALIER Z24

Buckle into the reclining Sport bucket seat. Grab the soft-feel Sport steering wheel. You're ready to savor Z24 driving excitement.

FULL INSTRUMENTATION, STANDARD. Z24's electronic control center not only looks great—it communicates. Complete instrumentation is standard, including:

- A digital electronic speedometer.
- Color coded analog tachometer.
- Graphic analog fuel gage.
- Graphic analog temperature gage.
- Graphic analog oil pressure gage.
- Graphic analog voltmeter.
- Digital electronic trip odometer.
- Digital outside thermometer.

All information is displayed electronically on a screen canted to reduce glare. Vital functions are all monitored simultaneously by a 12K computer and updated 80 times each operating second. This driver-oriented environment places headlamp and wiper/washer switch-gear right where you need them, within pods to the right and left of the steering wheel.

FULL CONSOLE, STANDARD. A standard console sweeps up to meet Z24's instrument panel. Contained within are controls for the optional air conditioning and Delco music system.

At your side, the standard 5-speed shifter awaits your command.

Z24 instrument panel with standard electronic instrumentation. Other optional equipment shown.

New 5-speed manual transmission is standard on Z24.

CAVALIER

RS

Cavalier RS is a true driver's car with a lively 2.0 Liter engine and a capable F41 Sport Suspension*. Best of all, RS delivers affordable fun. Here's what you get.

EXTERIOR FEATURES.

- Distinctive blackout exterior trim.
- Black body side moldings with fire-red striping.
- Wide P195/70R-13 all-season steel belted radial tires.
- New wide-based 13" Rally Wheels.

CHASSIS/MECHANICAL FEATURES.

- The standard 2.0 Liter I4 with Electronic Fuel Injection is extensively redesigned this year and features a horsepower increase over the previous standard engine.
- A 4-speed manual transmission is standard. Optional choices include 5-speed manual and a 3-speed automatic.
- The standard F41 Sport Suspension* includes a larger front stabilizer, a rear stabilizer, high-rate front and rear springs, plus performance-tuned shock valving. The result is quick, precise response and a comfortable, compliant ride.
- Power rack-and-pinion steering.

RS Sedan in Black with optional aluminum wheels and optional black wheel-opening and rocker-panel moldings.

INTERIOR FEATURES.

- Cloth front reclining bucket seats.
- Cockpit style console.
- Exclusive instrument panel that places controls at your fingertips.
- Soft-feel color-keyed steering wheel.

FIVE AVAILABLE MODELS.

RS is available in all five Cavalier body styles.

- RS Sedan. This four-door model offers all the sporty attributes of RS, plus sedan convenience.
- RS Coupe. The elegance of a personal coupe, plus room for five and a large 13.2-cu.-ft. trunk.
- RS Hatchback. All the accoutrements of a fine road car, with the practical advantages of a hatchback design.
- RS Wagon. Sporty and practical, all at the same time.
- RS Convertible. If you prefer the exhilaration of a true open-air automobile, just turn the page....

*Optional RS Convertible.

RS Coupe in White with standard Rally Wheels, optional Rally luggage carrier and optional black wheel-opening and rocker-panel moldings.

Cavalier RS instrument panel shown with optional electronic speed control, intermittent wipers, air conditioning and AM/FM stereo music system with cassette.

CAVALIER RS CONVERTIBLE

Presenting the 1987 Cavalier RS Convertible. Dedicated to the art of driving fun. To the splendor of the summer sun.

A QUALITY-BUILT CONVERTIBLE. The RS is carefully crafted on a slow-moving special final assembly line. Features of this very special Cavalier include:

- A standard power-operated top in your choice of Black, White, Dark Blue or Saddle [depending on exterior color].
- Standard CL Custom interior trimmed in your choice of cloth or vinyl.
- Standard power steering.

- Standard power front disc/rear drum brakes.
- Standard power windows.
- Standard dual Sport mirrors.
- Standard tinted glass.

POWER CHOICES.

- 2.0 Liter I4 engine with Electronic Fuel Injection is standard on RS Convertible [with standard 4-speed manual, optional 5-speed manual or optional 3-speed automatic transmission].
- For quicker windblown travel, select the optional 2.8 Liter V6 with Multi-Port Fuel Injection. This high-output engine can be teamed with either the new 5-speed manual transmission or an optional 3-speed automatic.

Cavalier RS Convertible. Take it out, open it up, and enjoy.

Cavalier RS Convertible in Red with Saddle interior and with optional aluminum wheels.

Cavalier RS Convertible in White with Blue interior.

CAVALIER INTERIORS

People room and comfort you might expect to find only in a larger automobile. Two very important reasons why Chevy Cavalier is one of America's best-selling car lines.

STANDARD CAVALIER INTERIOR.

There is no such thing as a "plain-Jane" Cavalier interior. The following important features are standard on even the most economical Cavalier:

- Fully reclining front bucket seats.
- Full carpeting.
- Flow-through ventilation.
- Side window defoggers.
- Day/night inside rearview mirror.
- Floor console with storage and coin holder.
- All-vinyl trim. Or select cloth/vinyl trim, optional at nominal extra cost. Choose from five colors, keyed to the exterior.

CAVALIER CS INTERIORS.

Cavalier CS offers the following additional standard interior features and equipment:

- Color-keyed instrument panel and steering wheel.
- Color-keyed safety belts.
- Glove compartment lock.
- AM push-button radio with dual front speakers (may be deleted for credit).

CAVALIER RS/Z24 SPORT CLOTH INTERIOR.

Cavalier RS and Z24 models feature a standard Sport Cloth interior. Features include:

- Sporty striped cloth interior trim.
- Soft-feel Sport steering wheel.
- Cockpit-style floor console.

CL CUSTOM INTERIOR.

Cavalier's finest interior with:

- Rich corduroy cloth trim (All-vinyl trim also available on RS Convertible.)
- Deeply contoured reclining front bucket seats with adjustable head restraints.
- Convenient split-folding rear seat back on hatchbacks and wagons.
- Additional sound insulation.

Optional CL Custom interior in Saddle.

Optional Cavalier CS cloth interior in Rosewood.

CS Sedan in Light Brown Metallic with optional Sport wheel covers, whitewall tires and optional Bright wheel-opening and rocker-panel moldings.

CAVALIER

CS/STANDARD

Welcome to a well-equipped small car that makes beautiful sense. CS is a trim, sophisticated piece of machinery with the comfort and appointments of a larger car.

ATTRACTIVE APPEARANCE.

Cavalier CS features include:

- Bright exterior trim.
- Protective body side moldings.
- Wraparound body-color bumpers.

UNEXPECTED LUXURY.

- Full carpeting (including trunk load floor).
- A headlamp-on reminder chime.
- Soft vinyl carpet inside door trim.

AVAILABLE OPTIONS.

You may wish to personalize Cavalier CS with a choice of options that includes:

- Power steering.
- Comfortilt steering wheel.
- Power door locks.
- Power windows.
- Air conditioning.
- A choice of Delco music systems.

THREE AVAILABLE MODELS.

- CS Sedan. Here's four-door convenience, seating for five and ample interior space.
- CS Hatchback. Outside, the look is sleek and clean. Inside, CS Hatchback offers up to 38.3 cu. ft. of luggage space with the rear seat folded flat.
- CS Wagon. See page 16 for details.

STANDARD CAVALIER SERIES.

The basic Cavaliers are among America's most affordable line of cars. Yet they are still well equipped. Notable standard equipment includes:

- 2.0 Liter I4 engine with Electronic Fuel Injection.
- A 4-speed manual transmission with console-mounted floor shift lever.
- All-season steel-belted radial tires.
- Interior room for five adults.

THREE AVAILABLE MODELS.

The standard Cavalier series is available in the following body styles:

- Cavalier 4-Door Sedan.
- Cavalier 2-Door Coupe (shown on back cover).
- Cavalier 4-Door Wagon (see p. 16 for details).

CS Hatchback in Dark Red.

CS Wagon in Dark Red with optional Sport wheel covers and roof luggage carrier.

CAVALIER WAGONS

Cavalier Wagon is the versatile hauler shaped for tight city parking spots and narrow garages. Choose from three models.

STANDARD CAVALIER WAGON.

Inexpensive. But loaded with features you'll appreciate as the years roll by.

- Room for five adults.
- More than 64 cu. ft. of luggage space with the rear seat folded down.
- Carpeted load floor.
- Integral air deflector that helps keep the tailgate window clean.
- Swing up lockable tailgate door.
- Tailgate-ajar warning light.
- Headlamps on warning.
- All-season steel belted radial tires.
- Cigarette lighter and ashtray light.

CAVALIER CS WAGON.

The CS Wagon includes the following additional standard equipment.

- Body side moldings.
- AM push button radio with dual front speakers (may be deleted for credit).
- Color-keyed instrument panel.
- Color-keyed steering wheel and floor console.
- Color-keyed safety belts.
- Glove compartment lock.

RS WAGON.

RS is the sportiest Cavalier Wagon. Standard equipment includes:

- Power steering.
- Wider steel belted radial all-season tires on Rally Wheels.
- F41 Sport Suspension.
- Distinctive exterior black-out trim.
- Cloth interior with full console and specific RS instrument panel.

When it comes to handy room and passenger comfort, Cavalier Wagons are tough to beat.

Cavalier CS Wagon instrument panel.

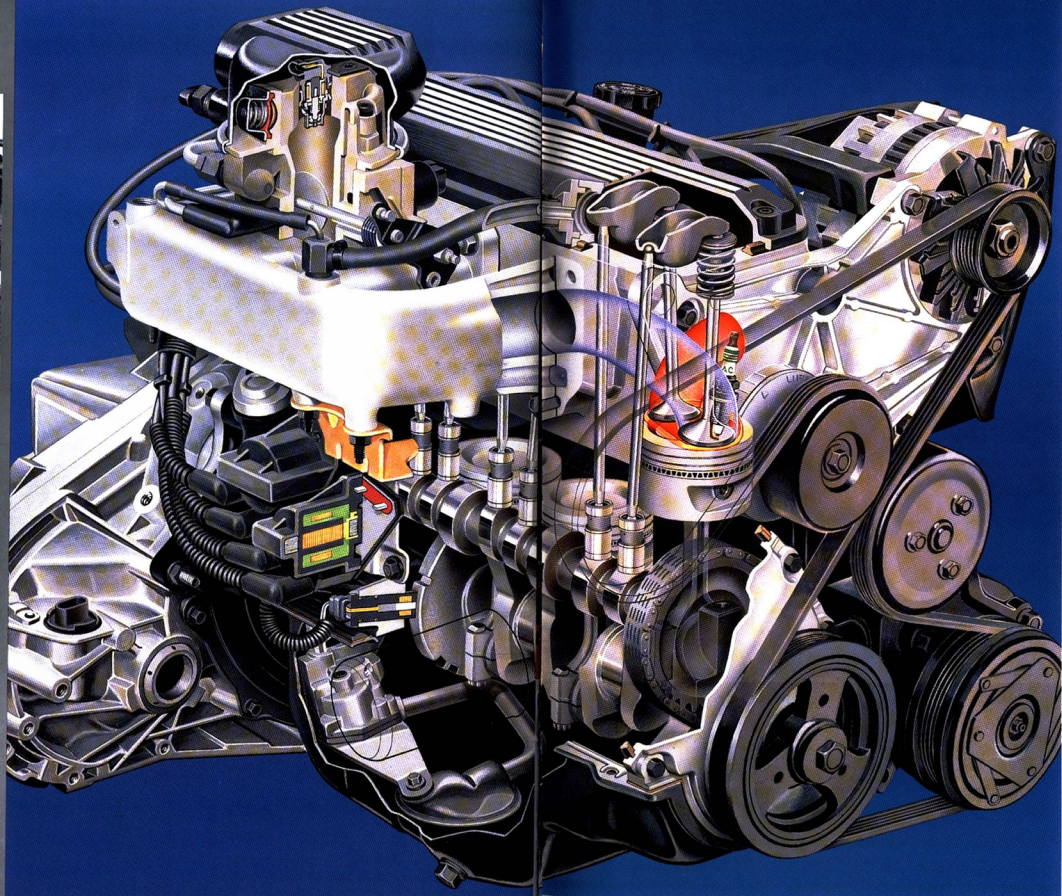

Cavalier Wagons feature a 67.3-inch load floor from front seat to tailgate.

Cavalier Wagons offer more than 64 cu. ft. of cargo space with the rear seat folded down. Split-folding rear seat is optional.

The 2.8 Liter V6 with MPFI, above.

The 2.0 Liter I4 with EFI, at right.

CAVALIER POWER TEAMS

Cavalier power teams are extensively revised for 1987. The result is more horsepower, greater operating efficiency and improved durability.

2.0 LITER I4 WITH ELECTRONIC FUEL INJECTION. This 2.0-liter engine delivers smoother, eager performance. A new rocker cover and new cylinder head are cast aluminum, resulting in weight savings. The new head design offers better "breathing." New pistons, oil control rings and new precision casting result in excellent oil sealing, reduced friction for greater operating efficiency and lighter weight.

The Electronic Fuel Injection unit is simpler, smaller and more accurate. Benefits of EFI include:

- Simple "turn key" starting, hot or cold, without touching the gas pedal.
- No delays from flooding or vapor lock.
- Quick engine response in any weather.
- Self adjusting idle to reduce stalling when accessories are switched on.
- Automatic adjustment to elevation to optimize power and to minimize fuel loss.
- Reduced maintenance (no choke, accelerator pump or carburetor to adjust).
- No "run on" after the ignition is switched off.
- Better acceleration with available air conditioning that switches off automatically under full throttle.

2.8 LITER V6 WITH MULTI-PORT FUEL INJECTION. The high-output 2.8 Liter V6 is standard on Z24 and optional on RS Convertible.

New aluminum cylinder heads, aluminum rocker covers, a newly designed valve train, plus larger inlet and exhaust ports, help give this engine a horsepower increase over last year. A new combustion chamber shape and piston head design result in a higher compression ratio for increased output.

TRANSMISSIONS. A 4-speed manual transmission is standard on all Cavaliers except Z24 and V6-equipped RS Convertibles. Optional choices are a 5-speed manual and a 3-speed automatic.

A new 5-speed manual is standard on Z24 and the V6-equipped RS Convertible. A 3-speed automatic is also available on these models.

POWER TEAMS

Engine	Ordering Code	Engine Availability	Transmission Availability			
			4-Speed Manual	5-Speed Manual	Automatic 3-Speed	Automatic 5-Speed
2.0 Liter I4 with EFI* (121 CID)	RPO LL8	S	S	O	O	
2.8 Liter V6 with MPFI* (173 CID)	RPO LB6	O**	NA	S	O	

S: Standard O: Optional NA: Not Available
*Electronic Fuel Injection, Multi-Port Fuel Injection
**Standard Z24, Optional RS Convertible only.

CAVALIER

FEATURES & OPTIONS

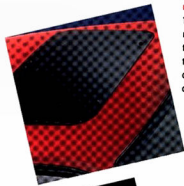

Many cars make you pay for equipment you don't want. Not Cavalier. The list of standard features is impressive, but it is Cavalier's comprehensive array of options that lets you tailor this car to your exact needs.

A complete list of standard features and optional equipment appears on page 21.

A convenient gas cap holder is standard on all models.

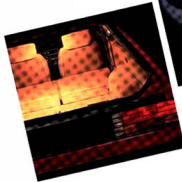

Optional six-position ComfortFit steering wheel.

The optional sunroof can be raised for increased ventilation or removed completely for that open-air feeling.

Reclining front bucket seats are standard on all Cavaliers.

Hatchbacks feature more than 38 cubic feet of cargo space with rear seat down, accessible through a wide rear opening. The optional split-folding rear seat makes this interior room even more versatile.

Optional rear luggage carrier. Black finish on RS and Z24, bright on standard Cavalier and CS.

Z24 and RS models feature a standard cockpit-style floor console with parking brake lever and controls for optional power windows.

IMPORTANT: A WORD ABOUT THIS CATALOG.

We have tried to make this catalog as comprehensive and factual as possible and we hope you find it helpful. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details, and before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLETS.

The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may call your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

GM PROTECTION PLAN. The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in U.S. and Canada.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4923.

A WORD ABOUT ENGINES. Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.

LET'S GET IT TOGETHER...BUCKLE UP!

At your Chevy dealer's, financing or leasing your new Cavalier can be as easy as signing GMAC.
