With the 1992 Axxess SportWagon, you'll enjoy everything that makes a vehicle satisfying to own and drive. Spirited performance and nimble handling. Outstanding comfort and convenience. And, of course, remarkable versatility and value.

Choose the Front-Wheel Drive XE or the All-Wheel Drive SE. Either way, you have access to dynamic power from a 2.4-liter, 12-valve engine. Responsive handling from power-assisted rack-and-pinion steering. A smooth, comfortable ride from the 4-wheel independent suspension. And on the All-Wheel Drive SE, enhanced traction and stability from a viscous limited-slip rear and centre differential. The innovative Axxess SportWagon takes you far beyond the realm of ordinary transportation.

ROOM for five is standard. And with the optional 3rd Seat Group, the Front-Wheel Drive XE can transport up to seven passengers. The second- and third-row seats can also be folded flat for an expansive cargo area.

TRANSPORT your family safely in Axxess. Designed to meet stringent Canadian car safety standards, it features 3-point outboard seatbelts front and rear, side impact door beams, a high-mount stoplight and child-safety locks.

OPEN up another side to spaciousness and versatility with Axxess SportWagon. It's the first non-commercial vehicle to offer the convenience of dual sliding doors. (Axxess SportWagon Front-Wheel Drive XE shown here in Winter Blue/Silver Frost.)

COMMITMENT at Nissan revolves around inspired performance, responsive handling and a sincere concern for your comfort and well-being. These form the basis for the Nissan Satisfaction Commitment, the most comprehensive full-line customer care program in Canada. Backing up our commitment to you is a nationwide network of Nissan dealers. And with the Nissan Satisfaction Centre, we're as close as your phone. By calling 1-800-387-0122, you'll reach Nissan representatives who will assist you in any way they can.

PROTECTION for your investment centres on a new complete vehicle warranty that covers you for 3 years/80,000 km.* Plus a major component warranty that covers more than just the powertrain for 6 years/100,000 km.* Your vehicle is also protected against corrosion perforation for six years (unlimited km). And so we'll all breathe easier, we warranty your emission control system for 6 years/100,000 km.* In addition, every 1992 Nissan comes standard with the 3-year Nissan Roadside Assistance program that allows us to help you, even if the emergency is as simple as locking your keys in the car. Just call 1-800-387-0122. All this coverage, with no deductible or transfer fee, makes ours the most comprehensive full-line customer care program in Canada.

TEMPORARY design continues inside Axxess SportWagon. Seats are holstered in a durable, even cloth. And full carting adds a feeling of warmth and luxury. Details like front-seat fold-down nesters and a driver-side der-seat storage bin enhance both comfort and utility. (Axxess SportWagon -Wheel Drive SE shown in Dark Grey Pearl.)

SAFETY is important. That's why Nissan Canada and your Nissan dealer urge you to be a smart driver and fasten your seatbelt/shoulder belt whenever you drive. Please ask all your passengers to buckle up too, especially children. Seatbelts do save lives. Remember, if you don't belt yourself, you're kidding yourself.

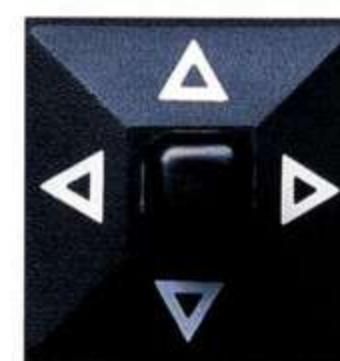

INSTRUMENTATION is clean, concise and complete (FWD XE shown above). The AWD SE has white-on-black reversible analogue gauges for optimum readability.

ENTRY and exit are made all the easier, thanks to the well-positioned door handles on either side of the Axxess SportWagon.

POTENT performance comes from a 138-hp, 2.4-litre, 12-valve engine. Its advanced design combines impressive fuel economy with an excellent cruising range.

CONVENIENCES range from dual power remote-controlled outside mirrors, power windows and power door locks to cruise control and a tilt steering column.

TOP off your driving pleasure with an optional power sliding tinted glass sunroof with a rear tilt feature and sunshade.
