LEMANS BY AUTOCOUPLE

LEMANS COCKPIT

The SE's command centre is outfitted for fans of serious highway fun. Easy-to-read analogue gauges present the most pertinent information, while performance-contoured seats ensure you optimum comfort for the cruise. Programming the sound-track to your journey is easy with the standard AM/FM stereo auto-reverse cassette tape player. In fact, once you get behind SE Aerocoupe's Deluxe Rally 3-spoke, thick-rim steering wheel, you'll find that cornering the market on driving excitement is very close at hand.

Five adults? No problem. The SE Sedan offers comfortable seating. Small children? Rear-door child security locks mean they're no problem either.

LEMANS SE SEDAN

Call it LeMans for all reasons. Precision-engineered and space-efficient inside and out. LeMans is generous on your budget, with a price almost anyone can handle. The SE's generous on the inside too, with 1067mm/42.0 in. of leg room up front, and 833mm/32.8 in. in back. Yet it's small when it comes to manoeuvrability and parking with a 10.0m/32.8 ft. turning circle. SE Sedan; a young family could easily call this LeMans a best friend.

LEMANS SE SEDAN

LEMANS AEROCOUCPE

Count on LeMans SE Aerocoupe to give you a fresh perspective on performance. Observe its monochromatic look.

The SE Aerocoupe boasts a fuel injected 1.6L 4-cylinder overhead cam engine that is poised for action. It's combined with a 5-speed gearbox, and a sport tuned exhaust, plus new 13" Styled Steel wheels.

LEMANS SE AEROCOUCPE

LEMANS VALUE LEADER AEROCOUCPE

Notice the aerodynamic style, front fascia, fog lamps and rear hatch spoiler. On the inside, you've got cargo room galore. Add a low sticker price to the equation, and you're looking at a brand of driving excitement that's more than the sum of its parts.

Good for openers, but start it up and let it speak to you. That's LeMans SE Aerocoupe. But if you need proof, there's a LeMans within your means, look no further than the LeMans Value Leader Aerocoupe. It really hauls in its own way with 534L (18.9 cu.ft.) of cargo space. More than you'd expect from a car in its class.

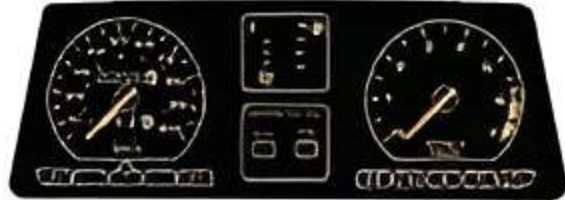

LEMANS FEATURES AND SPECIFICATIONS
