

CAPRICE SERIES II *by* HOLDEN

CAPRICE BY HOLDEN. THE UNRIVALLED SEAT OF POWER.

Australia's world-class luxury car has a commanding presence.

The Caprice Series II embodies the very best in technological resources, quality control and superb craftsmanship from Holden.

The rich woodgrain style finishes and leather upholstery and trim are matched by the intelligence of on-board computers and 'smart' electronic systems which maximise driving performance.

Independent Rear Suspension provides greater driver control and a more comfortable ride. Perfectly matched to this is the new, automatic load levelling suspension which adjusts to optimum ground

clearance even when fully loaded or towing, maintaining Caprice's renowned ride and handling characteristics. There's also the safety of driver and front passenger airbags.

The road speed sensitive Variatronic power steering ensures superior 'road feel'.

Monitoring and constantly analysing every kilometre is the impressive nine function trip computer while cabin comfort is maintained by the climate control air conditioning.

An additional privilege of ownership is the Luxury

Edge customer satisfaction program, providing a portfolio of warranties and roadside assistance.

Redesigned front seats with electronic adjustment offer precise positioning and a memory setting for three drivers. While the 12 speaker, 10 stack CD
