

TOYOTA

MOVING FORWARD ▶

05 TACOMA

THIS COULD GET UGLY. The all-new 2005 Toyota Tacoma is a force to be reckoned with. If you're used to abusing your trucks, this time you've got your work cut out for you. We decided to take the truck out and put it through its paces. The following pages demonstrate how the all-new Tacoma took all the punishment we could dish out and still looked pretty darned good at the end of the day. Which is more than we can say for the rest of us.

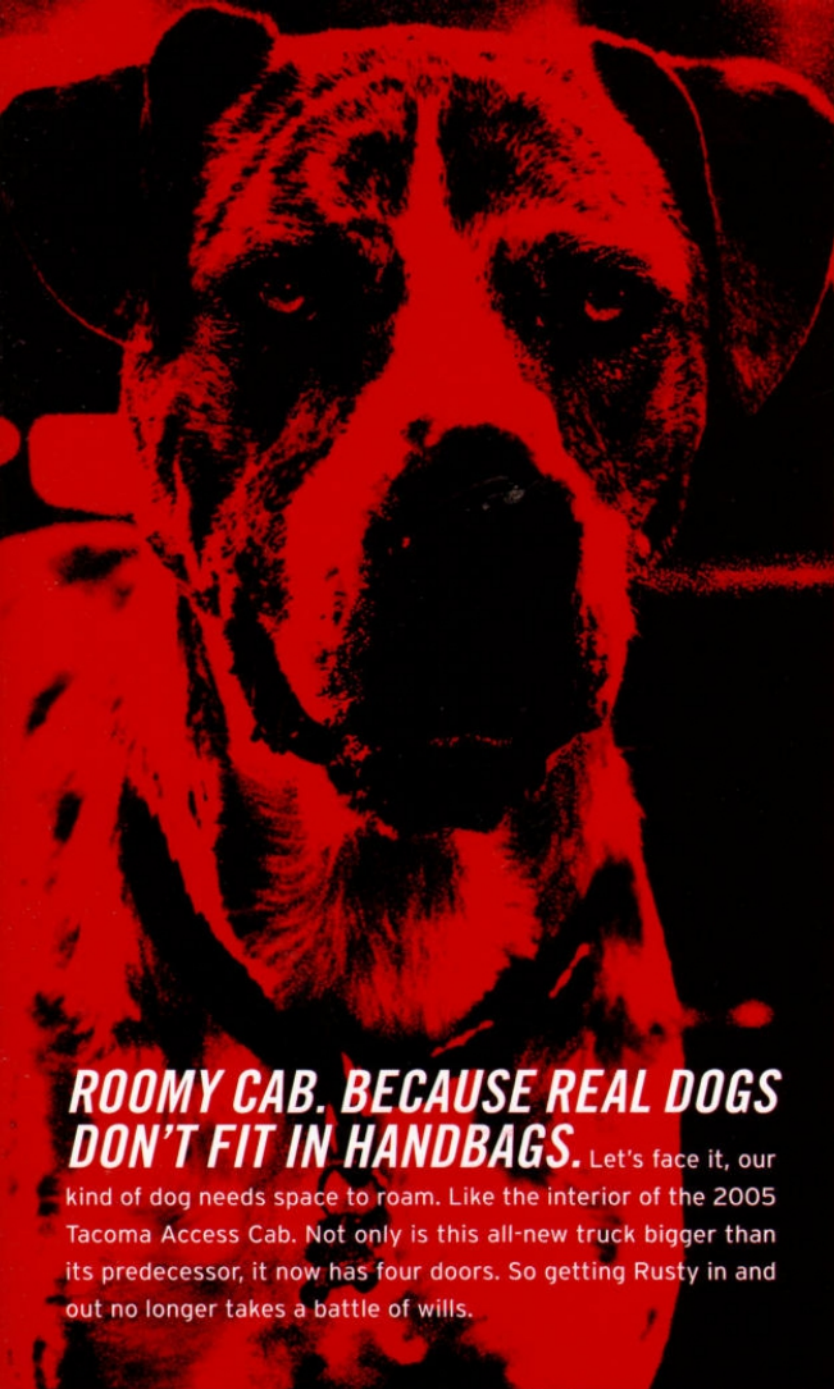

4x4 ACCESS CAB V6

shown in Radiant Red with available TRD Off-Road Package

**ROOMY CAB. BECAUSE REAL DOGS
DON'T FIT IN HANDBAGS.**

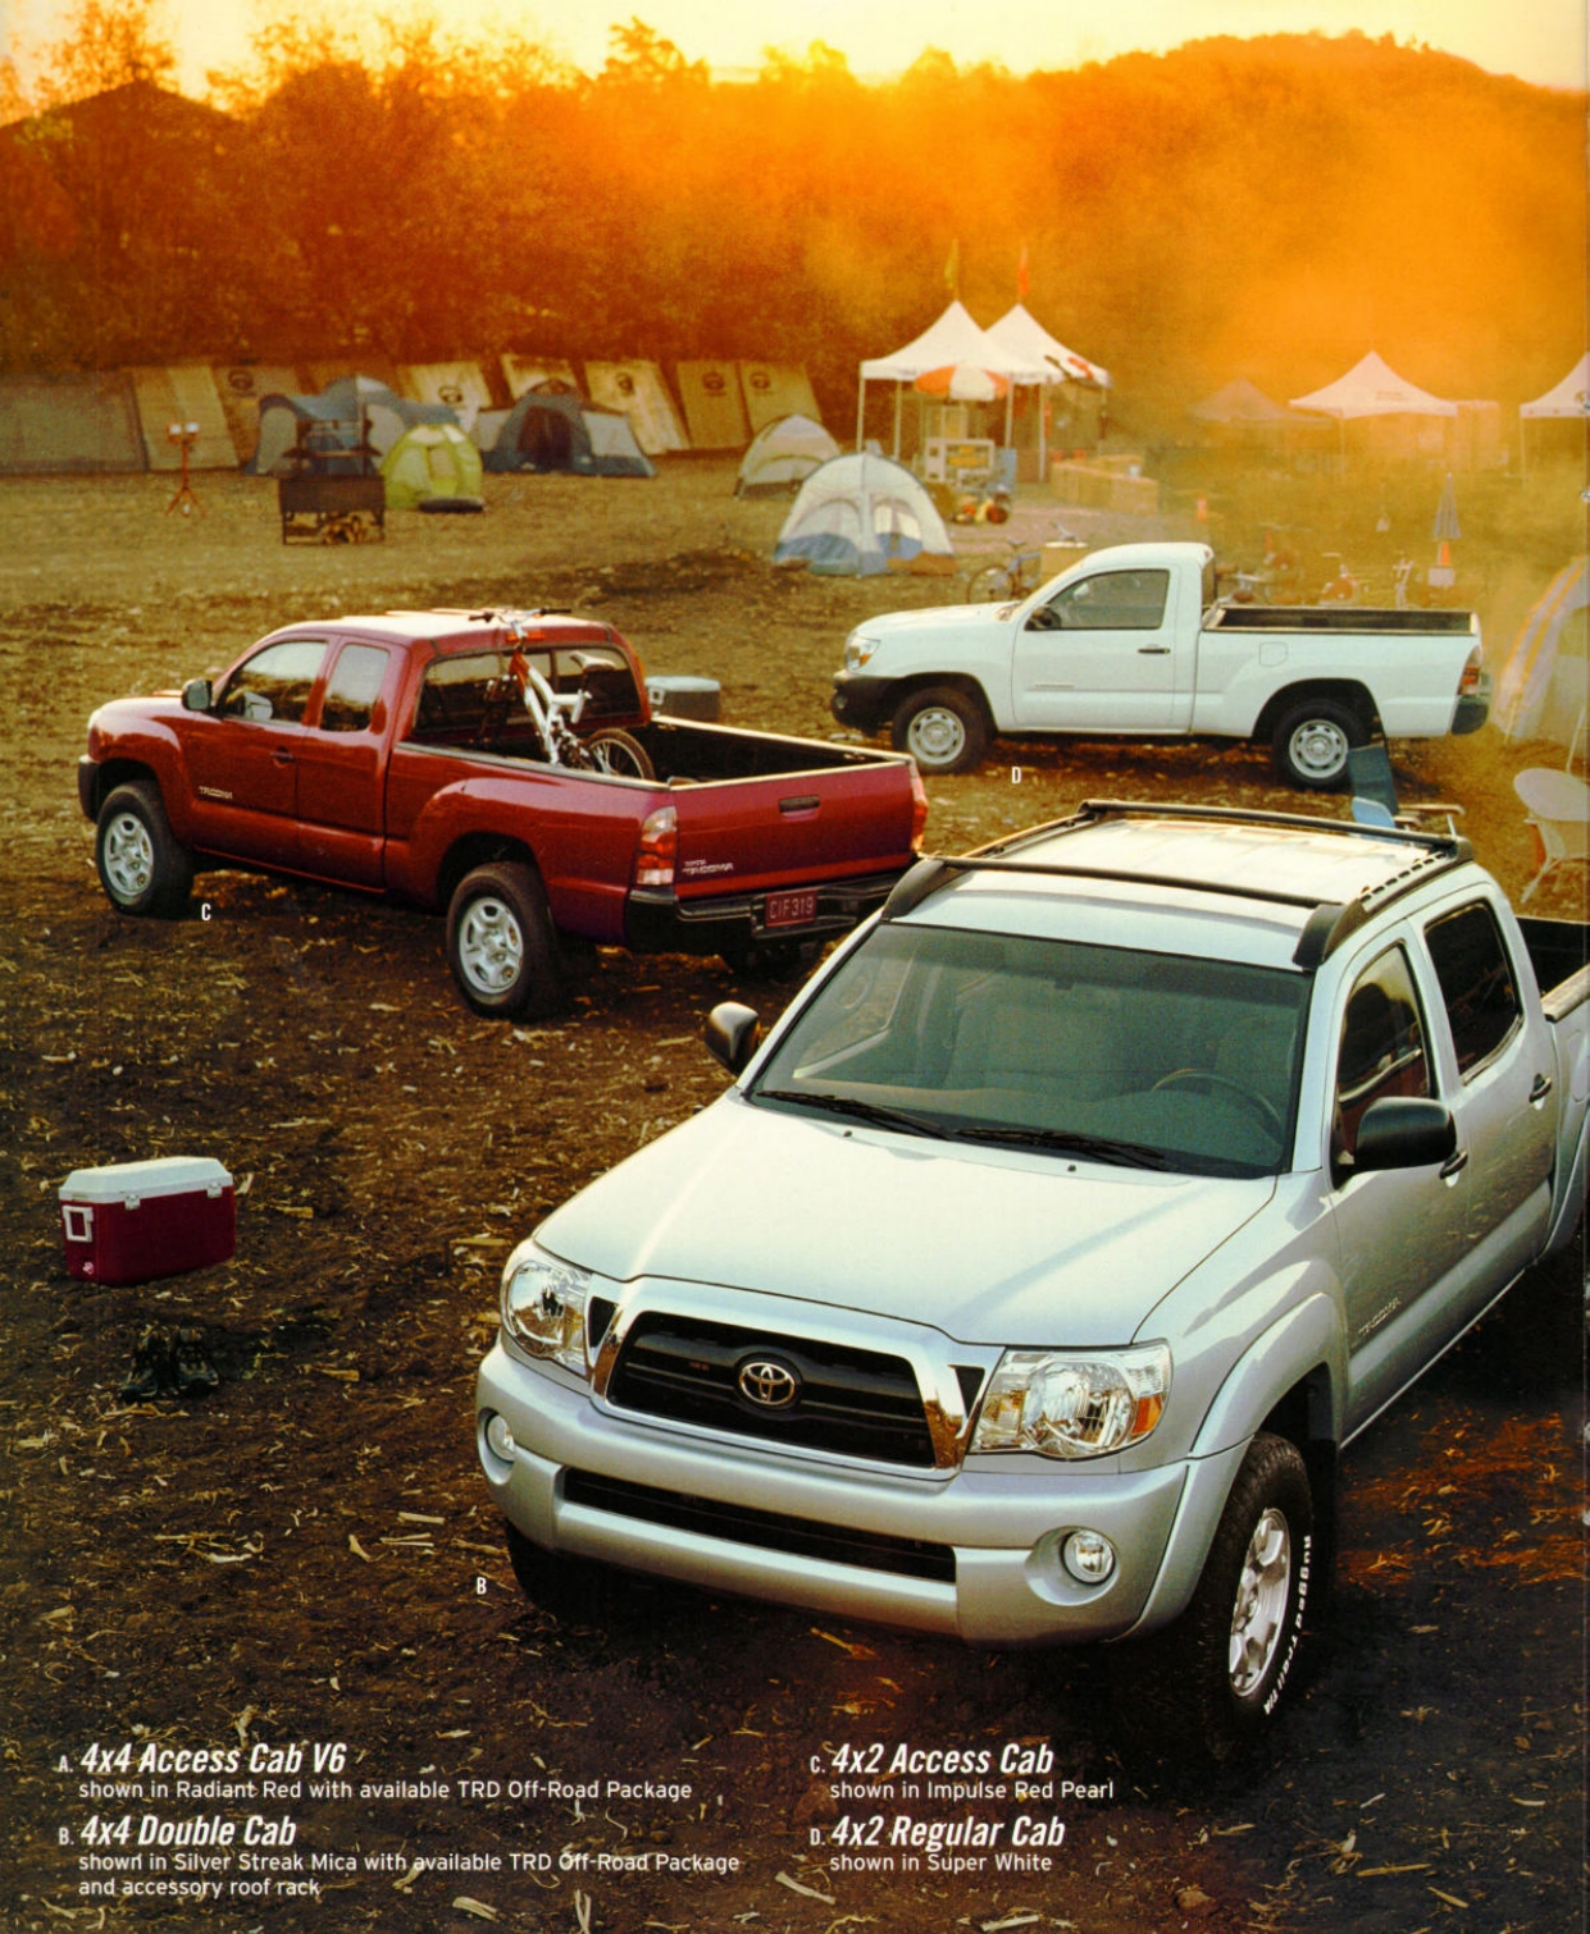

Let's face it, our kind of dog needs space to roam. Like the interior of the 2005 Tacoma Access Cab. Not only is this all-new truck bigger than its predecessor, it now has four doors. So getting Rusty in and out no longer takes a battle of wills.

4x4 ACCESS CAB V6 interior shown in Graphite with available TRD Off-Road Package

A. 4x4 Access Cab V6

shown in Radiant Red with available TRD Off-Road Package

B. 4x4 Double Cab

shown in Silver Streak Mica with available TRD Off-Road Package and accessory roof rack

C. 4x2 Access Cab

shown in Impulse Red Pearl

D. 4x2 Regular Cab

shown in Super White

E. 4x4 Regular Cab
shown in Desert Sand Mica

F. PreRunner Access Cab
shown in Black Sand Pearl with available TRD Sport Package

G. X-Runner
shown in Speedway Blue

H. 4x4 Double Cab Long Bed
shown in Indigo Ink Pearl with available SR5 Package

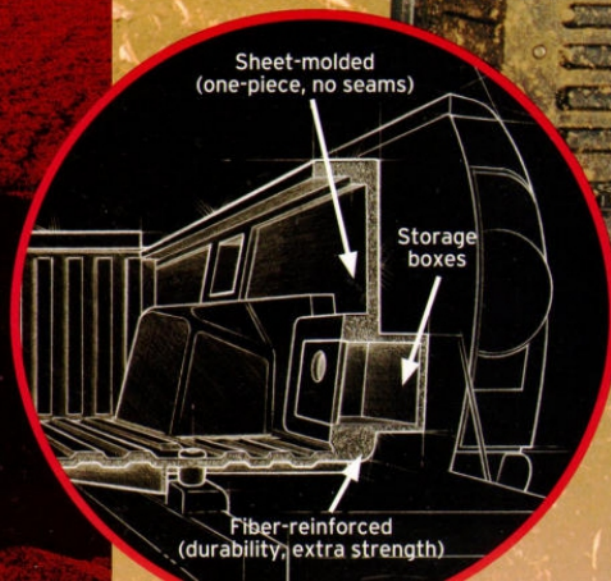

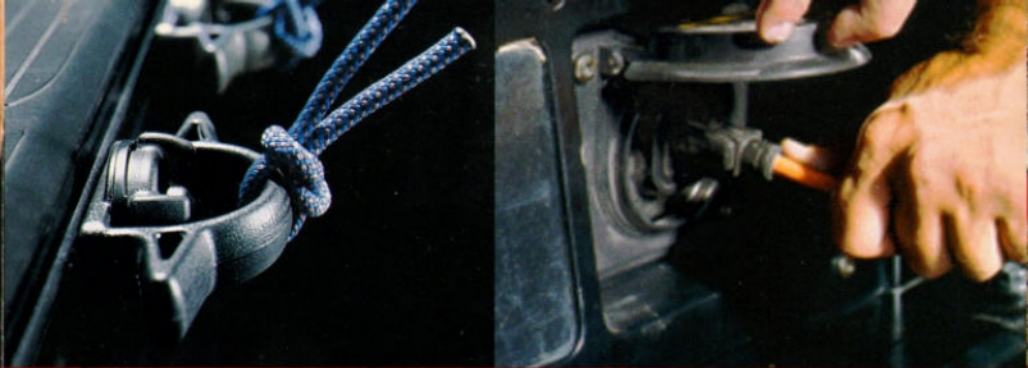

Adjustable tie-down cleats which attach to the deck rails.

245 HORSES, ALL SCREAMING YOUR NAME.

Under the hood of the all-new 2005 Tacoma is an available DOHC VVT-i V6. It churns out 282 lb.-ft. of torque and 245 horses, all eager to make your time behind the wheel as exhilarating as, well, legally possible.

✦ If it was there when you started out, it will stay put until you arrive.

✦ A serious 115V 400-watt electric outlet. Power to the people.¹

✦ Available heavy-duty cargo divider: You should go anywhere, your stuff shouldn't.

IT MAKES FALLING ROCKS THINK TWICE.

This first-of-its-kind composite material is so tough that stuff that drops on the bed rolls off without denting it.

✦ An ingenious deck rail system comes standard, and accommodates loads of accessories.

✦ Innovative tie-down cleats, each designed to hold loads up to 220 lb.

✦ A total of four, auxiliary storage boxes integrated right into the composite inner bed.

1. Available with TRD Off-Road Package or Sport Package.

**INTRODUCING
THE AMAZING NEW
FIBER-REINFORCED
SHEET-MOLDED
COMPOSITE INNER BED.**

**WITH BETTER
IMPACT STRENGTH
THAN STEEL.**

4x4 DOUBLE CAB shown in Silver Streak Mica with available TRD Off-Road Package

4x4 DOUBLE CAB interior shown in Graphite with available TRD Off-Road Package

FABRIC

- A. Regular Cab bench seat with Base Grade fabric in Graphite
- B. SR5 fabric available in Graphite or Taupe (shown)
- C. Bucket seat with Base Grade fabric in Graphite
- D. Sport seat with sport fabric in Graphite

WHEELS

- E. Available 16-in. alloy wheel (standard with TRD Off-Road Package)
- F. 18-in. alloy wheel (X-Runner only)
- G. Standard 15-in. steel wheel (4x2 Regular Cab only)
- H. Standard 16-in. styled steel wheel (PreRunner and 4x4 models)
- I. 17-in. alloy wheel (TRD Sport Package only)
- J. Standard 15-in. styled steel wheel (4x2 Access Cab and Enhancement Package)

COLOR

- K. Super White with Graphite or Taupe interior (NA on X-Runner)
- L. Radiant Red with Graphite or Taupe interior (NA on 4x2 Regular Cab models)
- M. Indigo Ink Pearl with Graphite or Taupe interior (NA on X-Runner)
- N. Desert Sand Mica with Graphite or Taupe interior (NA on X-Runner or TRD Sport Package)
- O. Black Sand Pearl with Graphite or Taupe interior
- P. Silver Streak Mica with Graphite or Taupe interior (NA on X-Runner)
- Q. Speedway Blue with Graphite interior (X-Runner, TRD Sport Package and TRD Off-Road Package)
- R. Impulse Red Pearl with Graphite or Taupe interior (NA on X-Runner or TRD Sport Package)

Exterior

Fiber-reinforced Sheet-Molded Composite (SMC) inner bed with steel outer panels, storage compartments, rail caps and removable tailgate

Deck rail system with four adjustable tie-down cleats

115V/400-watt deck-mounted power outlet

Dual rear-hinged access doors

Black grille, bumpers, handles and outside mirrors; argent grille surround

Black overfenders

Front skid plate

Engine skid plate

Fog lamps (V6 only)

Color-keyed hood scoop (V6 only)

Color-keyed front bumper and chrome rear bumper

Front and rear mudguards (rear only on 4x2 models)

Color-keyed bumpers, overfenders, grille surround, door handles, power mirrors and body kit

Limited-slip rear differential

X-brace tuned suspension with gas-filled Bilstein® shock absorbers and rear stabilizer bar

Two-speed windshield wipers

Variable speed windshield wipers

Fixed cargo bed tie-down points (2)

15-in. steel wheels with P215/70R15 tires

15-in. styled steel wheels with P215/70R15 tires

16-in. styled steel wheels with P245/75R16 tires

18-in. alloy wheels with 255/45R18 Bridgestone Potenza RE 050A tires³

Full-size spare tire

Interior

Defroster-linked air conditioning

Cruise control

Cloth-faced tilt-forward bench seat with adjustable headrests

Fabric-trimmed front bucket seats with passenger-side fold-flat seat, adjustable headrests and center console

Driver's seat with adjustable lumbar support

Sport seats with sport fabric trim and driver's-seat adjustable lumbar support

Tumble-flat rear seats with underseat storage

60/40 split rear bench seat with adjustable headrests and underseat storage

Rear bulkhead storage

Sculpted door trim with fabric insert

Overhead console with maplights, garage door opener bin and sunglasses storage

Full carpeting

Power windows, door locks and outside mirrors

Remote keyless entry system

Leather-wrapped steering wheel and shift lever

LED-illuminated gauges with speedometer, tachometer, coolant temperature/fuel level gauges and warning light, digital clock and tripmeter

Tilt/telescopic steering wheel

AM/FM/CD with six speakers (four speakers on Regular Cab)

AM/FM/CD with 6-disc changer, six speakers and steering wheel audio controls

JBL AM/FM/CD with 6-disc changer, six speakers and subwoofer, amplifier and steering wheel audio controls

Sliding rear window with privacy glass

Rear-seat heater ducts

Dual 12V auxiliary power outlets (one, plus cigarette lighter)

Sun visors with passenger-side vanity mirror

Fabric-trimmed sun visors with sliding extensions and vanity mirror

Front cup holders

Dual rear cup holders

S = Standard 0 = Optional — = Not Available P = Feature is available only as part of an option package.

1. Overfenders on SR5 Package, TRD Sport Package and Off-Road Package are color-keyed.

2. V6 models only. Requires Convenience Package.

3. Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions.

4. Privacy glass not available on Regular Cab.

5. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold level. The side airbags and side curtain airbags are designed to inflate in certain types of severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

6. Do not use rearward-facing child seats in any front passenger seat without switching off the passenger-side airbag. Please see your *Owner's Manual* for details.

7. Vehicle Stability Control (VSC) and Traction Control (TRAC) Packages and/or seat-mounted side airbags and side curtain airbags also include Daytime Running Lights (DRL).

8. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

9. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

10. Requires TRD Off-Road Package.

11. Downhill Assist Control (DAC) is designed to help the driver maintain vehicle control and speed on steep, downhill descents. Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

12. Includes the weight of occupants, optional equipment and cargo; limited by weight distribution.

13. Maximum towing capacity and tongue capacity requires V6 engine with available Towing Package. See *Owner's Manual* for details.

14. Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment.

15. 2005 preliminary mileage estimates determined by Toyota. EPA mileage estimates not available at time of printing. Actual mileage may vary.

16. Premium unleaded fuel is recommended for V6 models for optimum fuel economy and performance.

17. Double Cab only.

To find out more about Tacoma and the rest of our dependable lineup, visit www.toyota.com

Toyota Tacomas are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of printing, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.

- Deck rail crossbars
- Front skid plate
- Running boards
- Deck rail storage boxes
- Alloy wheels
- Roof rack with stowable crossbars¹⁷

Visit www.toyota.com for the complete list.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: For accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Owner's Warranty Information* booklet or see your Toyota dealer.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions

to help protect your interests over time. And in most cases, you may include your cost for these products in your finance or lease contract. Few companies can match the expertise, customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

See numbered footnotes in the Features section for more information.

 TOYOTA

MOVING FORWARD ▶

Moving Forward is the Toyota way. Our eyes are always on the road ahead. Striving to find ways to be safe. Go farther on a tank of gas. To help the earth go further on its limited resources. Moving Forward is embedded in our DNA. It's shared by our dealers, and ultimately, inspired by our customers.
