

2026 DODGE
DURANGO

00:20:26

THE 2026 DODGE DURANGO IS THE MUSCLE SUV THAT NEVER BACKS DOWN. With powerful V6 and HEMI® engine options, it unleashes performance for the people—more muscle, more options and more ways to make it yours. From exciting packages like the Blacktop Redline and Tow N Go to six million custom combinations available on SRT Hellcat® Jailbreak models, Durango proves that it doesn't follow the pack—it leads.

UNDENIABLY *DODGE*

THE BROTHERHOOD is for everyone who wants performance, and that includes the power to pull their boats, haul their quads and room to take the whole gang along for the fun.

For those who desire the ultimate expression of muscle—built to both perform and stand apart—Durango SRT Hellcat® Jailbreak delivers. With available seating for up to seven passengers, it unleashes new colour combinations, interior finishes and design options that let drivers create their own version of defiance.

Durango SRT Hellcat Jailbreak shown in Green Machine with available Silver Dual Stripes and Yellow badging and brake calipers.

DRIVER FOCUSED, PERFORMANCE INSPIRED

THE DURANGO INTERIOR IS EVERYTHING IT SHOULD BE—designed to be driver-centric, tech-friendly and spacious enough for up to seven passengers plus cargo. The available second-row Fold-and-Tumble Captain's Chairs include soft-touch armrests and a floor-mounted mini console (with full centre console with storage on Jailbreak models). The standard Uconnect® 5 NAV system helps keep you informed and entertained. The large, full-colour, 10.1-inch touchscreen integrates with your smartphone. Upload, download, post and search, all while on the go.^{1*} The 4G LTE Wi-Fi Hotspot² is available on all models and boasts fast processing speeds that help keep up to eight devices connected.

[1] Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. [2] Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. [3] Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. [4] All vehicles properly equipped to receive connected services come with a three-month trial of the full suite of Dodge Connect services effective from the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Dodge Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. [5] Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. [6] If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. [7] The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. [8] Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. [9] This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. [10] No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. [11] Not compatible with all garage door openers. [12] Vehicle must be locked and system activated for alarm to sound.
