2026 QX80

# An Invitation To Share

BACK TO SECTION

**2026 QX80**

The journey is the reward, and sharing it with others makes it all the more meaningful. The 2026 INFINITI QX80 is your space to savor life's in-between moments in luxurious comfort and sophisticated style, turning them into lasting memories with whomever you invite along for the ride.

**2026 QX80**

As you approach QX80, the **INFINITI Light Path**<sup>1</sup> illuminates your walkway to invite you closer, while the **approach unlock & walk away lock** feature senses your presence and unlocks the doors for you. At the same time, the **flush door handles** extend in greeting. Altogether, it's an embodied experience of hospitality.

FRONT DESIGN CUES

Elegance That  
Draws Guests In

**FRONT DESIGN CUES**

Lead from the front with the impressive Piano Black **waterfall grille**, inspired by the Kyoto bamboo forest and featuring an **INFINITI Radiant® Illuminated Grille Emblem**. Together with the graceful dance of the **Digital Piano Key signature lighting**, QX80 draws the eye in and down the infinite road, luminously intersecting the distant horizon.

## FRONT DESIGN CUES

Complemented by its **wide stance** and available **22-inch aluminum-alloy wheels**, the QX80 projects a bold, quiet confidence that draws attention without ever calling for it.

REAR DESIGN CUES

Style That Turns  
Its Back on No One

## REAR DESIGN CUES

Make an exit worthy of your entrance – impressive yet boastless. The **light curtain rear taillights**, complemented by the **Digital Piano Key lighting**, dazzle onlookers as more than 300 micro-LED lights illuminate the entire width of the QX80 to create an effortlessly spectacular finish.

Interior

PREMIUM INTERIOR

Savor the Sensation<sup>1</sup>

**PREMIUM INTERIOR**

Success is a shared endeavor, and the QX80 invites those who have helped you get there to revel in it – with first-class seating in every row and available 12-way power front seats.

**PREMIUM INTERIOR**

With available **semi-aniline leather-appointed seats**, captain's chairs in the first two rows and an available **Rear Control Panel** with touch-screen functionality, you can extend premium comfort – and control – to you and your guests.

SEATING

Room for Life

## SEATING

Design your QX80 around your hosting needs, with a choice to **seat either seven or eight passengers**. The seven-seater allows your second-row guests to luxuriate in their very own captain's chairs. Or, opt for the eight-seat configuration, available on the PURE and LUXE, to maximize your hosting potential with bench seats in the second and third rows.

DESIGN INTRICACIES

# A World of Detail

## DESIGN INTRICACIES

It takes a trained eye to properly notice the subtle inspirations of true craftsmanship, though all will immediately feel its powerful effects. The **key fob's ridged pattern** is inspired by the summer kimono design worn by the samurai. The available **Open Pore Ash Wood with Metal Inlay interior trim**, fashioned after the silver strings of a traditional koto instrument, creates unique reflectivity depending on the angle of the light. These details are both inspired and inspiring.

Open Pore Ash Wood with Metal Inlay interior trim<sup>1</sup>

**DESIGN INTRICACIES**

The available **diamond pattern** on the captain's chairs features perforations with dot-quilting to create a subtle pillowing effect. Rather than abruptly ending, the pattern gently fades as it reaches the edge of the seat. Similar in subtlety, the available **luxurious wrapped interior panels** are hand-stretched and fitted to elevate what would otherwise be ordinary. It's a detail that requires the delicate touch of a skilled artisan.

## EXTERIOR EXPRESSION

Make a more striking impression with the new-for-2026 QX80 SPORT. The SPORT refines the **front fascia and grille** with a **unique front bumper**, while unique **SPORT 22-inch wheels** enhance the vehicle's bold profile. **Black roof rails<sup>2</sup> and mirror caps** add a sleek look, and the **dark chrome exterior trim** imbues an extra touch of sophistication. Altogether, it's an exterior that radiates dynamic elegance.

## INTERIOR EXPRESSION

Indulge your senses further with the sophisticated interior of the new QX80 SPORT. Unique **Dusk Blue Semi-aniline Leather-appointed seating** offers both comfort and a contemporary burst of color, and the **graphite headliner and pillars** add to the cabin's sleek, refined atmosphere. High-level craftsmanship and stylish details transform your every journey into an exquisite experience.

CARGO CONFIGURATIONS

# Reconfiguration-Ready

## CARGO CONFIGURATIONS

Life is filled with shifting needs, and QX80 can adapt to yours at a moment's notice. When your hands are full, the **Motion-Activated Liftgate** allows you to easily access the **97.1 cu. ft. of cargo room** created with the second- and third-row seats folded down without lifting a finger.<sup>2</sup>

CUTTING-EDGE COMFORT

# Achieve Equilibrium

## CUTTING-EDGE COMFORT

QX80 has guest comfort down to a science. If a first- or second-row passenger enters feeling too warm, available **Biometric Cooling** can detect their body temperature using infrared scanning and intuitively adjust the fan speed, creating thermal bliss – all without needing to push a button.<sup>15</sup> Helping to reduce the effects of light, heat and ultraviolet and infrared rays are **UV and IR cut glass windows**. Even the air is carefully considered, as a cutting-edge **Plasmacluster® air purifier** and **Grape Polyphenol filter** cleanse the air of odors for a cabin that smells fresh.<sup>1,16</sup>

## CUTTING-EDGE COMFORT

With available **heated seats in all three rows** and available **climate-controlled and massaging first- and second-row seats**, QX80 lets all your guests set and achieve their own standard of comfort. The available **Rear Control Panel** with touch-screen functionality makes accessing these options even more convenient. And with the available front **console cool box**, even small items like seltzer water and chocolate bars have a space to stay cool.

DRIVER ASSIST FEATURES

# Comfortable Control

BACK TO SECTION

**DRIVER ASSIST FEATURES**

Reimagine the relationship between driver and vehicle. When activated, standard **ProPILOT Assist 1.1** with **Steering Assist** can maintain your set speed and assist the driver in helping keep the vehicle centered within the traveling lane. In traffic, **Intelligent Cruise Control** maintains your distance and brakes when traffic slows – even coming to a complete stop – before re-accelerating when it clears.<sup>20</sup>

## DRIVER ASSIST FEATURES

Achieve control in unexpected ways. Available **ProPILOT Assist 2.1**, standard on the AUTOGRAPH trim, can gently assist you into an adjacent open lane and then accelerate to your desired speed. From there, you're free to loosen up as **hands-off driving** helps keep you centered in your lane.<sup>21</sup>

VISIBILITY FEATURES

# Optical Solutions

## VISIBILITY FEATURES

The available **Smart RearView Mirror** does more than reflect what's behind you. When your QX80 is full of guests or cargo, simply flip a switch to transform your rearview mirror into a monitor that shows the view from the rear cargo door-mounted camera – for unobstructed visibility.<sup>2,20</sup>

Smart RearView Mirror<sup>1,20</sup>

## VISIBILITY FEATURES

See through space and time, in full view, on dual 14.3" displays.<sup>4,7</sup> The near-**180-degree Front Wide View camera** shows you what's around the corner without needing to pull forward. Or, if you need to see what's under you, the **Invisible Hood View** projects an image of what's directly in front of the QX80 to spot the curb, the track at the car wash or a runaway soccer ball.<sup>20</sup>

MANEUVERABILITY FEATURES

Wield With Grace

## MANEUVERABILITY FEATURES

A commanding presence should mean expansion, not limitation. When you need to gauge your clearance, the **3D Around View® Monitor with Moving Object Detection** gives you eight exterior views of QX80 in one image. Then, with the single push of a button, watch as the camera rotates 360 degrees around the vehicle for a quick view of your surroundings. As you maneuver, the system alerts you to motion detected around the vehicle.<sup>20,22</sup>

3D Around View® Monitor with Moving Object Detection<sup>20</sup>

## ADDITIONAL DRIVER ASSIST FEATURES

# Gentle Guidance for the Road Ahead

**PREDICTIVE FORWARD COLLISION WARNING**

Can alert you to a potential collision up to two cars ahead<sup>20</sup>

**FORWARD EMERGENCY BRAKING WITH PEDESTRIAN DETECTION**

Helps watch for vehicles and pedestrians in your path, and if detected, can apply the brakes<sup>20</sup>

**LANE DEPARTURE PREVENTION**

Constantly monitors lane markings and can help guide you back if you unintentionally begin to drift<sup>20</sup>

**BLIND SPOT INTERVENTION®**

Helps alert the driver to vehicles detected in the blind spot area and actively assists you back toward the center of your lane<sup>20</sup>

**REAR CROSS TRAFFIC ALERT**

Uses sensors when backing up to detect approaching vehicles from either side and alerts the driver<sup>20</sup>

**REAR AUTOMATIC BRAKING**

Can help apply the brakes if large stationary objects are detected behind you<sup>20</sup>

DYNAMIC DIGITAL SUSPENSION

Go Smoothly

## DYNAMIC DIGITAL SUSPENSION

QX80 is designed to deliver a smoother ride for everyone on board, regardless of the road. Designed to help minimize noise, fatigue and motion sickness in certain driving conditions, the **Dynamic Digital Suspension** works with the **Electronic Air Suspension** to intelligently regulate vehicle body behavior, so even life's twists and turns can be navigated in security and comfort. They also lower the vehicle at cruising speeds for enhanced control and aerodynamics, optimizing for both efficiency and performance.<sup>1,17,23</sup>

PERFORMANCE CAPABILITIES

# Empowered and Empowering

## PERFORMANCE CAPABILITIES

Power produces both the confidence and the means you need to get there, and QX80 redefines what's possible. The **3.5-liter twin-turbocharged V6 engine** generates up to **450 hp** and **516 lb-ft of torque**, with up to **8,500 lbs towing capacity**, for a journey empowered from start to finish.<sup>24</sup> Traverse intrepidly as **INFINITI All-Mode 4WD®** can automatically adapt to differing road surfaces and driving conditions, or choose the support you need with the **Drive Mode Selector**.<sup>1,25</sup> And the **9-speed automatic transmission with paddle shifters** liberates you to pursue the road ahead in calm control.

1 Feature availability varies by vehicle model year, model, trim level, packaging and options.

2 Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

3 When operating the rear power-seatback return, make sure that the vehicle is stopped and the transmission is in the P (Park) position.

4 See [www.infiniti.com/intouch/legal](http://www.infiniti.com/intouch/legal) for more INFINITI InTouch features/services information.

5 Available feature. Individual Audio is intended to isolate select audio sources for equipped seating positions, and cannot buffer interior sound. Before using, read Owner's Manual for further information.

6 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included.

7 Information displayed in image is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation.

8 Do not use for extended periods of time. See Owner's Manual for important safety information.

9 Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details.

10 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

11 INFINITI Dash Cam Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. Not every impact will trigger the vehicle's sensors and, as a result, may not activate some or all the vehicle's cameras.

12 In-car camera and Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers.

13 Feature availability varies by vehicle model year, model, trim level, packaging and options. **Consumer activation of INFINITI InTouch Services SELECT package ("Package") required.** Package trial period included with eligible new vehicle purchase or lease. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. Driving is serious business and requires your full attention. Only use features when safe and legal to do so. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Connectivity service required. App subscriptions may be required. Data rates may apply. Subject to third party service availability. Should such service providers terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to INFINITI or its partners or agents. 14 Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply.

15 System may not engage if sensor is obstructed. System does not have the capability to identify individual passengers. Please see Owner's Manual for feature information.

16 The Advanced Climate Control System with Plasmacluster® air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

17 Lowering and raising action for Access mode can only be performed when vehicle is at a complete stop and parked. Please see Owner's Manual for full details and information before using.

18 Remote Engine Start to be used only in accordance with laws or rules in effect in your vehicle's location.

19 MyINFINITI App shown for illustrative purposes only. Feature functionality may vary by vehicle model and options. See MyINFINITI Terms and Conditions.

20 Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings and safely operate the vehicle. Read your vehicle's Owner's Manual for further information.

21 Consumer activation of INFINITI InTouch Services ProPILOT Assist 2.1 package ("Package") required for ProPILOT Assist 2.1 functionality. Package trial period included with new vehicle purchase. Trial period may be subject to change or termination at any time and without notice. After trial period ends, monthly subscription fee required. See [www.infiniti.com/intouch/legal](http://www.infiniti.com/intouch/legal) for more subscription information. ProPILOT Assist 2.1 prevent collisions. It is the driver's responsibility to be in control of the vehicle and monitor traffic conditions at all times. Hands-off freeway driving is possible when driving in a single lane, on the condition that the driver remains attentive on the road ahead and is prepared to immediately take manual control of the steering wheel when conditions of the road, traffic, and vehicle require it. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information.
