

Jeep®

CHEROKEE

2026
BUYER'S GUIDE

HIGHLY MOTIVATIONAL Jeep® Cherokee for 2026 elevates this classic name in four-wheel exploration to all-new heights ... and makes more room for those along for the ride. Equipped with confidence-building power and manoeuvrability features, Jeep Cherokee revels in the daily routine and encourages some boundary-pushing as well. A reimagined, sleek exterior design retains classic Jeep cues, delivering “Go Anywhere, Do Anything®” attitude. The interior is expanded to include Unsurpassed Rear-Seat Hip Room,^{1*} and 140 standard and available safety and security features create a comfort zone of their own.

OVERLAND® IN HYDRO BLUE PEARL

HEROIC ROLE MODELS Bold living starts with the 2026 Jeep® Cherokee, which has the capability to generate unwavering confidence in almost any situation. Driving it all is the Cherokee 1.6L I-4 EP Turbo Hybrid Electric Vehicle engine paired with an Electronically Controlled Continuously Variable Transmission (eCVT). It delivers 210 horsepower, 230 lb-ft of torque and an Unsurpassed Hybrid Towing Capacity of up to 1,587 kg (3,500 lb).² With its Jeep Active Drive I Four-Wheel Drive (4WD) System, approach angle of 19.1 degrees and Best-in-Class Departure Angle,¹ Cherokee will get you in – and out of – uncharted territory. Along the way, the Selec-Terrain® Traction Management System lets you easily toggle between ideal settings for Sport, Auto, Snow and Sand/Mud conditions. In all, Cherokee possesses an extraordinary skill set that will inspire your most daring adventures.

INSPIRATION POINT The views are stunning as you approach the newly redesigned Jeep® Cherokee. It provides a modern take on its classic lines and signature accents without forgetting its utility roots. Its sleek new grille design includes a Gloss Black surround upper and Dark Neutral Grey accents. An available Two-Tone Paint Group adds a dynamic look that features a Gloss Black-painted roof. The drama continues with Black roof rails, door cladding and wheel flares that frame machined-face aluminum wheels with painted pockets. Unique LED light designs that include U-shaped daytime running lamps (DRLs) guide the way, while an available dual-pane panoramic power sunroof fills the cabin with the light of day.

SAFETY AND SECURITY Jeep Cherokee takes multiple measures (up to 140 of them) to help keep you out of harm's way. Included in these features are nine advanced multistage air bags,³ Advanced Brake Assist⁴ with Full-Speed Forward Collision Warning Plus⁴ and Pedestrian/Cyclist Emergency Braking⁵. The Cherokee Active Driving Assist System⁴ features the Active Lane Management System,⁴ Blind-Spot Monitoring⁴ and Rear Cross-Path Detection System,⁴ and more. Plus, the 360° Surround-View Camera System⁶ (packaged with Advanced Pro Tech Group) and the Drowsy-Driver Detection⁴ are just a couple of ways Cherokee keeps you informed and aware.

PEOPLE PLEASER Jeep® Cherokee helped lead Four-Wheel Drive (4WD) into more refined territory. For 2026, it takes it to another level with an interior that delivers the ultimate in relaxation and convenience. Highlights include standard heated front seats and available ventilated front-row and heated second-row seats, with cloth or leatherette coverings that feature embossed or perforated designs, depending on the model. A modern-design, premium-wrapped steering wheel offers mounted audio and cruise controls, available heat and a view of the 10.25-inch digital, full-colour Driver Information Display (DID). The standard Uconnect® 5 system with available navigation,⁷ an intuitive 12.3-inch touchscreen display and configurable screen allows for hands-free⁸ talk and text and transitions easily to your preferred phone through wireless Apple CarPlay⁹ or Android Auto.^{TM9} Find clever storage solutions in the front floor console, under the cargo area load floor and in all four door pockets – plus, there's an available wireless charging pad under the console lid.

MOPAR VEHICLE PROTECTION. FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road – for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES. 2026 Jeep vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance! Rust-through coverage on all body sheet metal is for 3 years.

*Whichever comes first. Some conditions may apply. †The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) Based on FCA Canada Inc. Mid-Size Hybrid Electric Vehicles (HEV) Utility Vehicle segmentation, excludes Internal Combustion Engine (ICE), Plug-In Hybrid Electric Vehicles (PHEV), Mild Hybrid Electric Vehicles (MHEV) and Electric Vehicle (EV) entrants. Based on the latest available competitive information. 2) When properly equipped. 3) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 4) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 5) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 6) Always check entire surroundings visually before proceeding. 7) Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. 8) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 9) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 10) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 11) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 12) All vehicles properly equipped to receive connected services come with a three-month trial of the full suite of Jeep Connect services effective from the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Jeep Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. 13) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 14) Not compatible with all garage door openers. 15) Vehicle must be locked and system activated for alarm to sound. 16) Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 17) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. 18) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 19) Do not attempt water fording unless depth is known to be less than 508 mm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
