GLADIATOR

BUYER'S GUIDE

Jeep

PICKUP AND GO ANYWHERE

A COMPLETELY UNIQUE VEHICLE, JEEP® GLADIATOR plays to two sides of any adventure-seeker. It combines legendary off-road capability with indispensable pickup truck utility, offering a thrilling, open-air experience. A 3.6L Pentastar™ V6 engine powers its up to 3492-kg (7700-lb) towing capacity and daring off-road manoeuvres. Newly designed quick-release door hinges and removable^{1*} top options put you even closer to nature. Trims and options allow for endless personalization, while advanced tech and safety features help keep you entertained, in-touch and secure. In all, with its signature 5-foot pickup box, Gladiator makes spontaneity a regular thing.

WARRANTIES. 2026 Jeep vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance.† Rust-through coverage on all body sheet metal is for 3 years.

*Whichever comes first. Some conditions may apply. †The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1. Be sure to follow all instructions in Owner's Manual for removal of top and doors, and lowering of windshield. Driving with doors off and windshield down is for off-road use only. 2. Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. 3. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 4. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. 5. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 6. All vehicles properly equipped to receive connected services come with a three-month trial of the full suite of Jeep Connect services effective from the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Jeep Connect is available only on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. 7. Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 8. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 9. Vehicle must be locked and system activated for alarm to sound. 10. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 11. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 12. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. 13. Not compatible with all garage door openers. 14. Do not attempt water fording unless depth is known to be less than 76 cm (30 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
