WHERE ADVENTURE IS  
ALWAYS A PRIORITY

The generously equipped Jeep® Grand Cherokee goes the extra kilometre to kindle the spirit of adventure. This Award-Winning SUV gives its all to every excursion with 4x4 power and capability, advanced safety features, accommodating interiors and captivating entertainment options. By taking some of the “roughing it” out of exploration, Grand Cherokee opens up all new worlds.

McIntosh

THE MOST AWARDED SUV EVER<sup>1\*</sup>

## AT THE FOREFRONT OF ADVENTUROUS DESIGN

Carrying on a decades-long legacy of its brand, the Jeep® Grand Cherokee exterior delivers an exciting, modern take on four-wheel travel. Strong lines are accented with eye-catching wheels; available dramatic dark trim packages; and brilliant LED headlamps, taillamps and available fog lamps. A unique, two-tone colour dynamic is created with the available Black roof and a nature-inspired paint selection.

\*A note about this brochure. All disclosures can be found on the last page.

### INFUSED WITH “GO ANYWHERE, DO ANYTHING<sup>®</sup>” RUGGEDNESS

The Jeep Grand Cherokee stays true to the Jeep Brand legacy born in the fields and beaches of World War II, after which Jeep soon established itself as a world leader in 4x4 technology and the freedom it embodies. Representing an evolution of the Brand, today’s Grand Cherokee combines ruggedness with Class-Leading Luxury<sup>2</sup> and offers a choice of innovative powertrains, including the new 2.0L Hurricane 4 Turbo engine and the 3.6L Pentastar™ V6 engine.

**NEW HEIGHTS OF CONFIDENCE** Jeep Grand Cherokee delivers the latest technology, with standard and available features that enhance driving, protection and communication capabilities. The Active Driving Assist<sup>3</sup> and available Hands-Free Active Driving Assist<sup>3</sup> systems utilize cameras and sensors to assist with steering, lane changes, distance and driver attentiveness. Available Night-Vision Pedestrian/Animal Detection<sup>4</sup>, 360° Surround-View Camera System<sup>5</sup> and more help you see what’s out of sight. Plus, Jeep Connect<sup>6</sup> keeps you in touch and in control through your phone and Uconnect<sup>®</sup> system.

**THIS IS THE CABIN YOU'LL WANT TO GO TO EVERY CHANCE YOU GET** The Jeep® Grand Cherokee interior is thoughtfully designed to accommodate every need and want on your daily adventures. Generously sized for up to seven people and up to 2,395 L (84.6 cu ft) of cargo room, it features lush surfaces, available 16-way seat adjustments, available memory presets, an available massage mode and available multicolour ambient LED mood lighting. Luxury home audio company, McIntosh®, provides an available 17-channel amplifier delivering up to 950 watts of power through 19 custom-designed speakers and a 10-inch subwoofer. Superior connectedness and GPS Navigation<sup>7</sup> are delivered by the All-New Uconnect® 5 NAV system's larger 12.3-inch touchscreen standard on Laredo Altitude, Limited and Summit models. A Class-Exclusive, available front-passenger interactive touchscreen display<sup>8</sup> gives your copilot their own screen to help with navigation and entertainment selections, while the available Head-Up Display projects essential driver information at eye level on the windshield.

THE UCONNECT® 5 SYSTEM offers more connected services and features for unmatched ease of use for both novice and expert users alike. This robust system delivers rich content and personalization at lightning-fast operating speeds. Uconnect 5 helps to make every road trip fun and informed.

**JEEP CONNECT® 6 FEATURES INCLUDE:**

**10 YEARS OF JEEP CONNECT® ONE** Gain convenient access to essential features for 10 years:

- Remote<sup>9</sup> Lock and Unlock Via the Jeep® App

- Jeep Connect<sup>6</sup> (three-month trial subscription). Available

- Standard wireless Apple CarPlay<sup>17</sup> support
- Standard wireless Android Auto™<sup>17</sup> compatibility
- GPS Navigation<sup>7</sup> Available

- Google Assistant compatibility. Available
- Amazon Alexa Built-in.<sup>15</sup> Available
- High-Definition (HD) radio. Available

# EXPECTATIONS EXCEEDED

**THREE SYSTEMS ENABLE**

**ON-DEMAND CAPABILITY,** while

a fast-acting front-axle disconnect optimizes driveline efficiencies and fuel economies. The first system is Quadra-Trac I® with an active, single-speed transfer case. The second system, Quadra-Trac II®, features a two-speed 4-HI and 4-LO transfer case for exceptional off-road confidence and manoeuvring. Quadra-Drive® II is the third system, and it utilizes a rear electronic Limited-Slip Differential (eLSD).

**WATER FORDING<sup>18</sup>** High air intakes and special water sealing, combined with the available Quadra-Lift® Suspension System, help you power through up to 60.9 cm (24 in) of water.

**ARTICULATION** High levels of articulation on the Jeep® Grand Cherokee help keep all four tires on the ground which helps the vehicle remain stable and engaged.

Grand Cherokee Summit in Silver Zynith

# GO ANYWHERE, DO ANYTHING® PEACE OF MIND

**HANDS-FREE ACTIVE DRIVING ASSIST SYSTEM<sup>3</sup>** Helping to make travelling easier than ever, this system enables hands-free driving on select highways while keeping safety and security top of mind. While simultaneously monitoring driver attentiveness, it can perform lane changes, maintain prescribed distances between vehicles, slow and stop the vehicle, and more. Available.

**360° SURROUND-VIEW CAMERA SYSTEM<sup>5</sup>** Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide a top view, rear view and panoramic view to assist you when parking, either manually or automatically. An automatic washer keeps the rear camera's lens clean. Available.

**DROWSY-DRIVER DETECTION<sup>3</sup>** Monitors steering wheel movement and provides an audible alert if the system detects the driver is not correctly handling the wheel or the vehicle is off track. Available.

**HEAD-UP DISPLAY** Drivers can maintain focus on the road ahead with the help of this full-colour, transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver. Available.

**INTEGRATED OFF-ROAD CAMERA<sup>3</sup>** Mounted within the grille, the Off-Road Camera<sup>3</sup> provides an up-close view of the trail directly in front of your vehicle, helping you navigate over and around obstacles. Available.

**FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING<sup>3</sup>** Sensors detect when the vehicle may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active braking assistance if the driver does not react in time. The system offers standard Pedestrian / Cyclist Detection with Automatic Emergency Braking<sup>4</sup> and available Night-Vision Pedestrian / Animal Detection.<sup>4</sup> Standard.

**BLIND-SPOT MONITORING (BSM)<sup>3</sup> AND REAR CROSS-PATH DETECTION<sup>3</sup> SYSTEM** Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached. Standard.

**PARALLEL AND PERPENDICULAR PARK ASSIST<sup>3</sup>** This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense® Front Park Assist<sup>3</sup> sensors. Available.

\*For representation only. This feature is not available on the Laredo trim.

BUILD YOURS >

(1) Jeep Grand Cherokee has received more awards in its lifetime than any other SUV. Based on the latest available competitive information. (2) Based on Summit model offerings and latest *Ward's* Middle/Sport Utility Vehicle Segment, excludes other FCA US LLC vehicles. Based on the latest available competitive information. (3) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. (4) This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. (5) Always check entire surroundings visually before proceeding. (6) All new Grand Wagoneer vehicles properly equipped to receive connected services come with three years of Connect Plus Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. Review the applicable Terms of Service for complete terms and conditions, including service limitations and the Connected Vehicle Privacy Policy. (7) Never program while driving. GPS mapping and 3D navigation may not be detailed, available in all areas or reflect current road regulations. (8) Based on *Ward's* Middle Sport / Utility vehicle segmentation, excludes other FCA US LLC vehicles. Based on the latest available competitive information. (9) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with remote features. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. See Terms of Service for service limitations. (10) Vehicle must be enrolled in an active subscription with Jeep Connect. If you have concerns about the operation, function or performance of your vehicle, take it to an authorized Jeep retailer. This alert does not replace regularly scheduled maintenance. (11) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. An SOS Customer Care agent directs emergency assistance to your vehicle's location. (12) Requires enrolment in Jeep Connect and downloading the Jeep App to a compatible device. Device must support ultra-wideband, otherwise owner will need to hold the phone at the door handle. Terms and conditions apply. Contact retailer for details. (13) Vehicle must be enrolled in an active subscription with Jeep Connect and be in an active and usable cellular range. Vehicle Theft Alert is available on factory-installed alarms only. (14) Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, and have an active subscription. (15) Vehicle

must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. (16) **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at [www.siriusxm.ca/terms](http://www.siriusxm.ca/terms) for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at [www.siriusxm.ca/privacy](http://www.siriusxm.ca/privacy). (17) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at [g.co / androidauto/requirements](http://g.co/androidauto/requirements). (18) Do not attempt water fording unless depth is known to be less than 60.9 cm (24 in). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. (19) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (20) Vehicle must be locked and system activated for alarm to sound. (21) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. (22) Three-month / 3GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (23) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. (24) Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. (25) Not compatible with

all garage door openers. (26) Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so.
