

**Jeep**<sup>®</sup>

2026  
**GRAND WAGONEER**  
BUYER'S GUIDE

REFINED JOURNEYS.  
UNFORGETTABLE  
ADVENTURES.

**B**orn from a legacy of distinction and crafted with relentless attention to detail, Jeep® Grand Wagoneer redefines what it means to travel in style. Available in standard or extended length, each configuration offers first-class comfort for up to seven or eight passengers, expansive room for gear and legendary capability that makes every kilometre unforgettable.

# TWO UNIQUE PROFILES

STANDARD WHEELBASE

LONG WHEELBASE

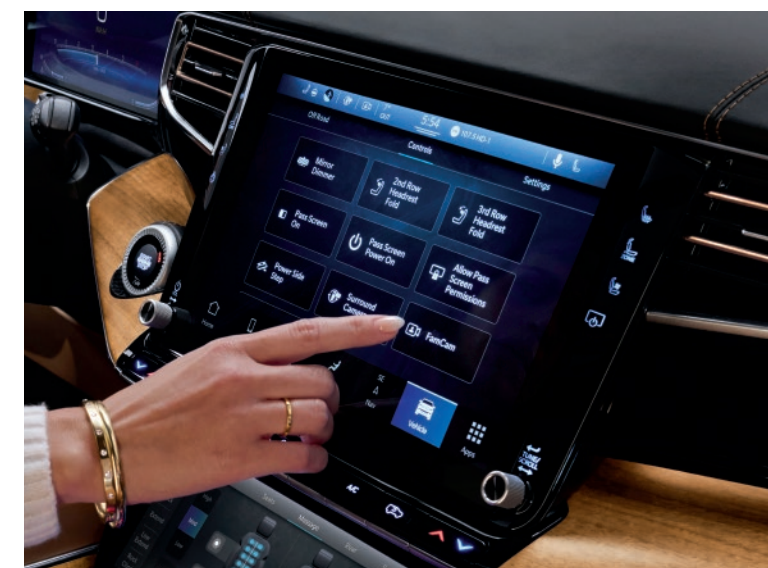

**TWO DISTINCT MODELS** Upscale amenities and sophisticated design are at the heart of both the Grand Wagoneer and Grand Wagoneer L. The standard-length Grand Wagoneer beckons adventurers seeking a premium journey with ample cargo space and seamlessly integrated technology. For those desiring even more of the very best, the extended Grand Wagoneer L offers an additional 30.5 cm (12 inches) of overall length and 17.8 cm (7 inches) added to the wheelbase.

**SEATING FOR UP TO EIGHT** Grand Wagoneer offers flexibility to fit your journey. Opt to change the standard seven-passenger configuration with second-row Captain's Chairs to the available second-row bench seat to raise capacity to eight passengers. Additional available amenities include heated and ventilated second-row seats, Multi-Zone Automatic Temperature Control and power-folding third-row seats.

MODERN COMFORT. TIMELESS STYLE.

Inside Grand Wagoneer, every surface is a testament to craftsmanship that is designed to inspire. The advanced Uconnect® 5 system, with its large, full-colour touchscreen, seamlessly integrates with your smartphone through Apple CarPlay<sup>1</sup>\* support and Android Auto<sup>TM1</sup> compatibility. Enjoy open-air freedom via the available Tri-Pane Panoramic Sunroof. Stretching across all three rows, the sunroof allows the cabin to fill with natural light, fresh air and views of the heavens. Settle in, relax and experience true luxury.

\* A note about this brochure: all disclosures can be found on the last page.

# PURE PERFORMANCE. UNCOMPROMISED FREEDOM.

Grand Wagoneer is powered by a Hurricane turbocharged engine that blends strength with sophistication, delivering effortless power and refined efficiency. It's performance designed to elevate every journey.

## 3.0L HURRICANE TWIN-TURBO I-6 STANDARD-OUTPUT (SO) ENGINE

Optimized to deliver a fuel-efficient performance while rivalling the strength of a V8 engine, the 3.0L Hurricane SO is a workhorse that hands over impressive power. Reduced greenhouse emissions add to its appeal. Standard on all Grand Wagoneer and Grand Wagoneer L models.

Grand Wagoneer L in Velvet Red Pearl

## BEST-IN-CLASS

# MAXIMUM TOWING CAPACITY<sup>2</sup>

Properly secure all cargo. Always tow within the vehicle's capacity.

## TREMENDOUS TOWING PROWESS

This is how you tow with distinction. The powerful Grand Wagoneer is engineered to pull up to 4535 kg (10,000 lb) with ease, when properly equipped. Grand Wagoneer L can tow up to 4472 kg (9860 lb) when properly equipped.

## SEAMLESS TRANSITIONS

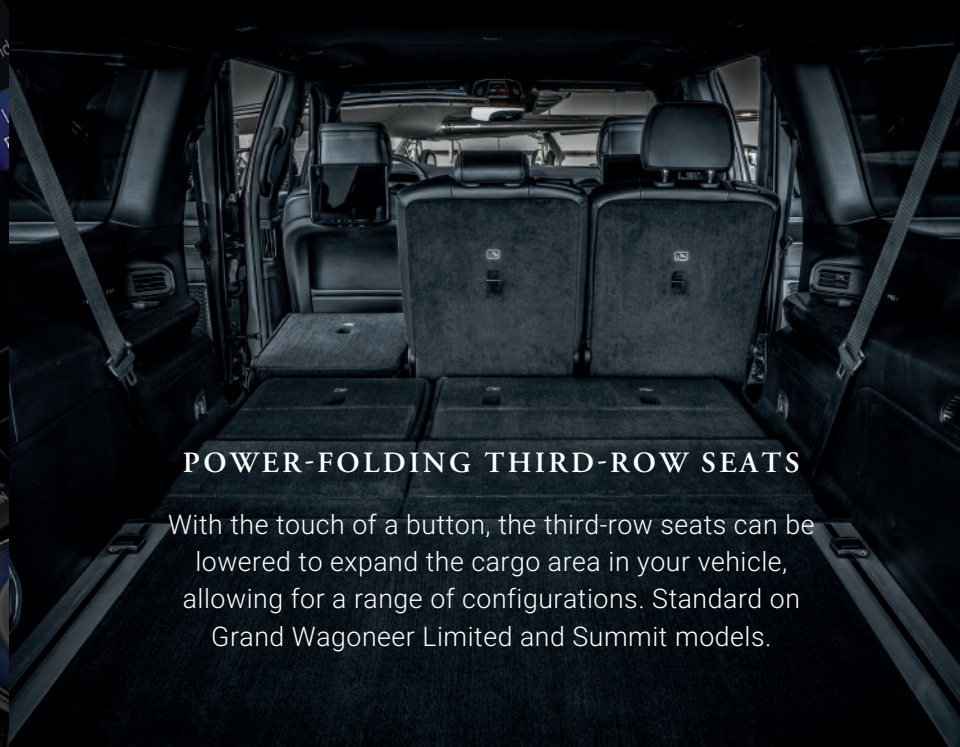

From city streets to two-track trails to snowy mountain inclines, systems like Selec-Terrain<sup>®</sup> Traction Management System and available Quadra-Lift<sup>®</sup> Air Suspension help tailor your driving experience.

### MASSAGING FRONT SEATS

Front seats take their occupants to a whole new level of pampering, thanks to deep-cushioned seats with integrated massage settings, heating, cooling and 24-way power adjustability. Standard on Grand Wagoneer Summit models.

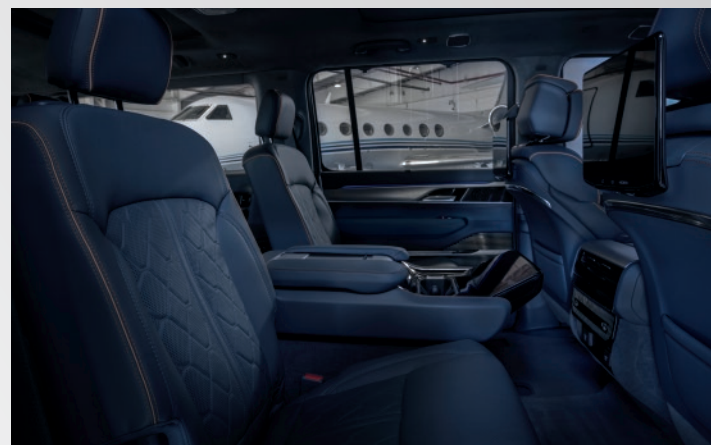

### POWER-FOLDING THIRD-ROW SEATS

With the touch of a button, the third-row seats can be lowered to expand the cargo area in your vehicle, allowing for a range of configurations. Standard on Grand Wagoneer Limited and Summit models.

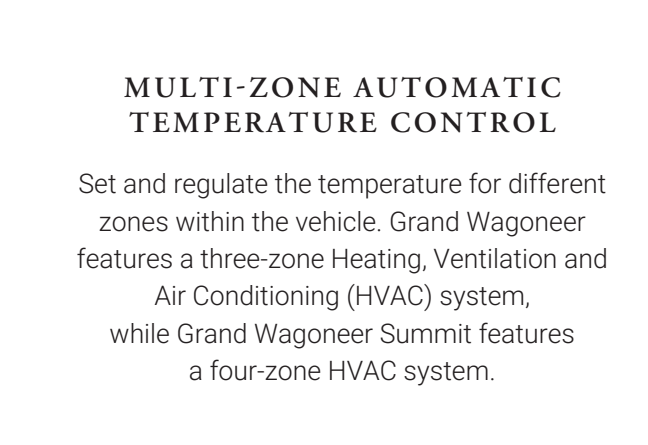

### POWER-DEPLOYABLE SIDE STEPS

For graceful entrances and exits, these helpful side steps stay neatly tucked underneath the vehicle until you open a door. Available on the Grand Wagoneer Limited, and standard on the Grand Wagoneer Limited Reserve and Summit models.

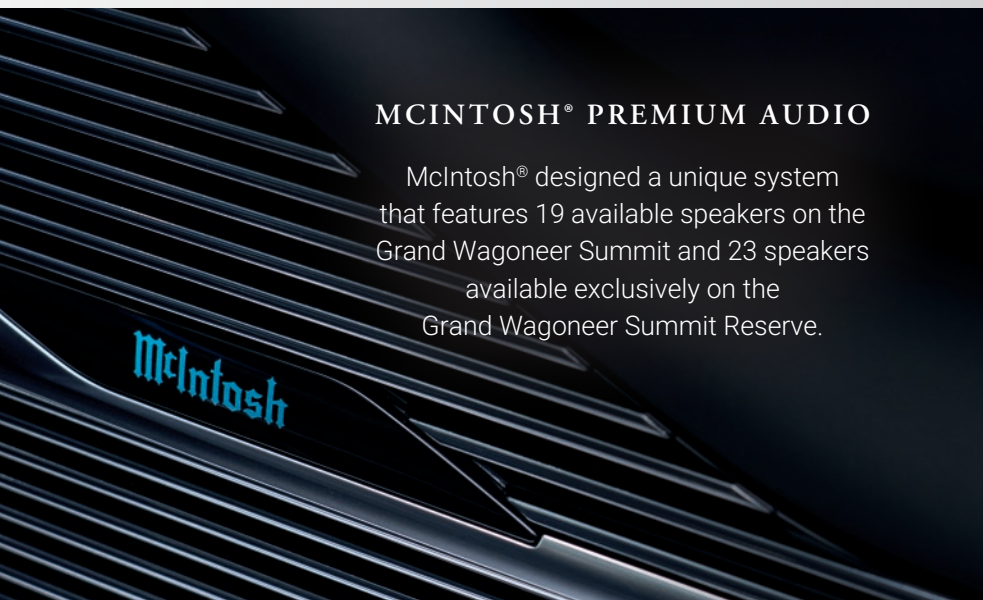

### HEATED AND VENTILATED SECOND-ROW SEATS

Heated second-row seats are standard on the Grand Wagoneer Limited models. Ventilated second-row seats are standard on Grand Wagoneer Summit models.

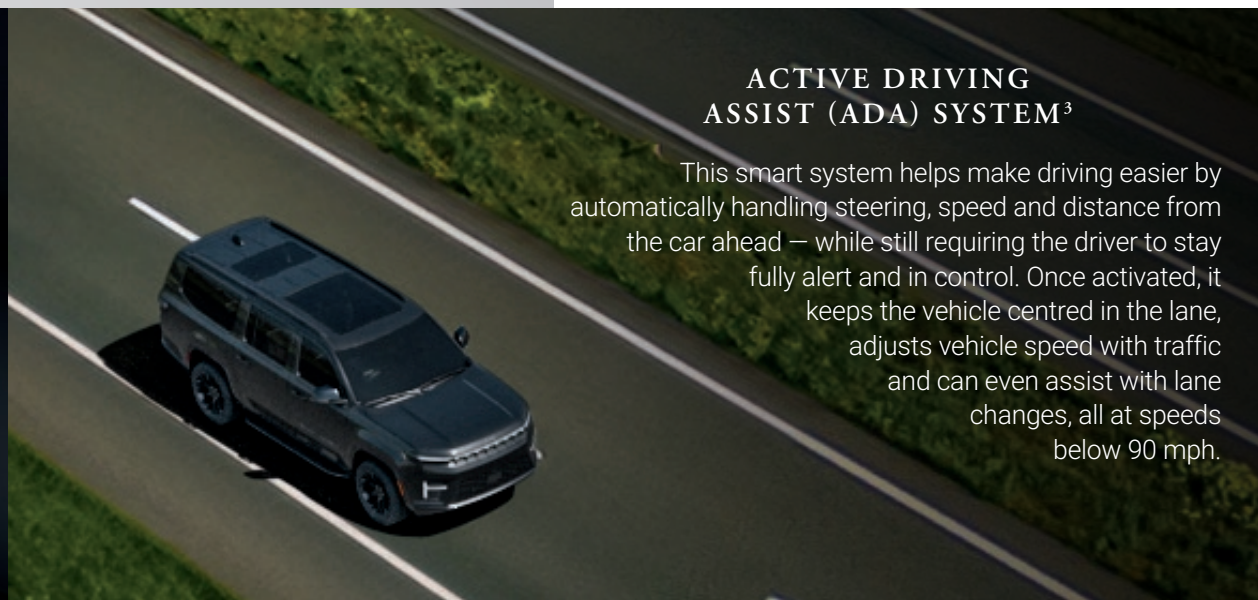

### MULTI-ZONE AUTOMATIC TEMPERATURE CONTROL

Set and regulate the temperature for different zones within the vehicle. Grand Wagoneer features a three-zone Heating, Ventilation and Air Conditioning (HVAC) system, while Grand Wagoneer Summit features a four-zone HVAC system.

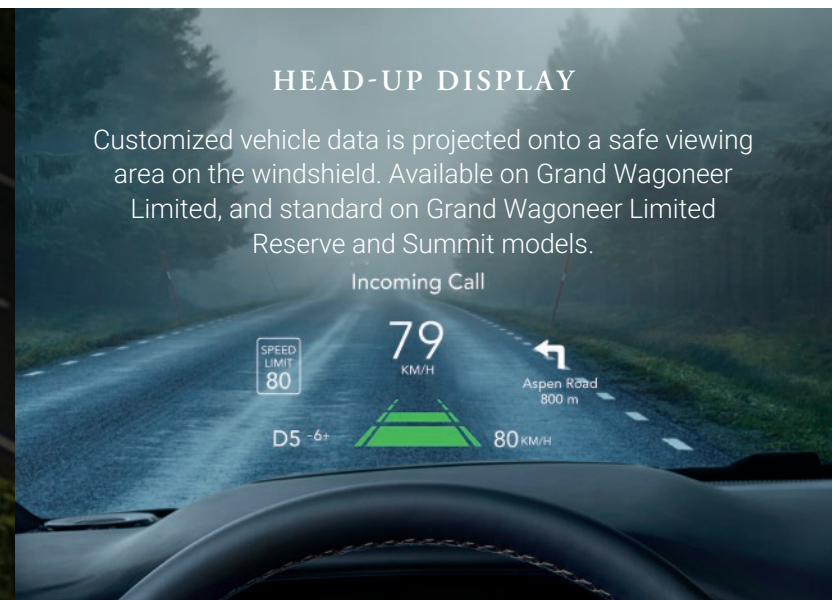

### MCINTOSH® PREMIUM AUDIO

McIntosh® designed a unique system that features 19 available speakers on the Grand Wagoneer Summit and 23 speakers available exclusively on the Grand Wagoneer Summit Reserve.

### ACTIVE DRIVING ASSIST (ADA) SYSTEM<sup>3</sup>

This smart system helps make driving easier by automatically handling steering, speed and distance from the car ahead — while still requiring the driver to stay fully alert and in control. Once activated, it keeps the vehicle centred in the lane, adjusts vehicle speed with traffic and can even assist with lane changes, all at speeds below 90 mph.

### HEAD-UP DISPLAY

Customized vehicle data is projected onto a safe viewing area on the windshield. Available on Grand Wagoneer Limited, and standard on Grand Wagoneer Limited Reserve and Summit models.

# GRAND WAGONEER

DISCLAIMERS 1. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires a compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check [g.co/androidauto/requirements](https://g.co/androidauto/requirements) for compatibility. 2. Based on FCA US LLC Large Sport/Utility Vehicle segmentation, excludes other FCA US LLC vehicles. Based on the latest available competitive information. 3. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 4. Not compatible with all garage door openers. 5. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 6. Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 7. Vehicle must be enrolled with Jeep Connect, be in an active and usable cellular range, have an active subscription, and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. 8. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 9. All-new Grand Wagoneer vehicles properly equipped to receive connected services come with three years of Connect Plus Package effective from the date of purchase or lease of a new vehicle. Enrolment in trial is required to receive services. Upon expiration of the trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. Review the applicable Terms of Service for complete terms and conditions, including service limitations and the Connected Vehicle Privacy Policy. 10. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 11. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at [www.siriusxm.ca/terms](https://www.siriusxm.ca/terms) for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at [www.siriusxm.ca/privacy](https://www.siriusxm.ca/privacy). 12. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 13. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 14. Traffic Sign Recognition is not a substitute for safe and attentive driving. Factors including weather and condition of the traffic sign can impact the recognition and display of the sign. Always check traffic signs visually while driving. 15. This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 16. Vehicle must be locked and system activated for alarm to sound. 17. Driving while distracted can result in loss of vehicle control. Only use the interior camera when it is safe to do so. 18. Always check entire surroundings visually before proceeding. 19. Vehicle must be in an active and usable cellular range and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Package. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. 20. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.
