

TOYOTA

2026 4Runner

4Ever Untamed.

From its iconic ruggedness and reliability to its cutting-edge technology, performance and head-turning style, the 2026 4Runner is the ultimate companion for escape, fun and adventure.

DESIGN

Adventure is in the details.

The 2026 4Runner blends top-of-the-line engineering with legendary capability and reliability for a stylishly rugged design that's as comfortable off-road as it is navigating around downtown grids.

Confidence to push boundaries.

Our most capable 4Runner ever helps you conquer the most ambitious treks. With up to 326 net combined hp beneath the hood and an available Stabilizer Disconnect Mechanism that offers extra suspension articulation for wild trails, 4Runner is up for the challenge.

i-FORCE MAX Hybrid EV Powertrain

4Runner delivers serious performance with an available i-FORCE MAX 2.4L turbocharged hybrid EV powertrain. Providing up to 326 net combined hp and 465 lb.-ft. of torque, 4Runner moves quicker than ever, while its 8-speed automatic transmission and 6,000-lb. max towing capacity help you go harder than before.

i-FORCE Gas Engine

4Runner's standard i-FORCE 2.4-liter turbocharged engine produces 278 horsepower and 317 lb.-ft. of torque. It's mated to an 8-speed automatic transmission that's ready to deliver smooth on-road drivability while having up to a 22 combined EPA-estimated mpg rating.[2]

Part-Time and Full-Time 4-Wheel Drive

4Runner's available part-time and full-time 4-wheel-drive systems provide power to the front and rear axles to improve traction and stability. Simply activate the part-time 4WD when the terrain gets tough or let full-time 4WD kick in automatically.

Stabilizer Disconnect Mechanism

Standard on TRD Pro and Trailhunter models, the new Stabilizer Disconnect Mechanism (SDM) helps you navigate across terrain with ease. With the touch of a button, the stabilizer bar disengages to give the front suspension increased wheel articulation, helping to keep all four wheels in contact with the ground.

Drive Modes

Three distinct drive modes tailor your drive with the touch of a button. Sport S Mode thrills with sharper acceleration, Eco Mode helps maximize fuel economy, and Normal Mode blends efficiency with performance. Available Comfort and Sport S+ Modes offer even more capability.

Multi-Terrain Select and Crawl Control

Explore with confidence. 4Runner's available Multi-Terrain Select (MTS) helps you navigate varying landscapes with improved traction at different speeds. Available Crawl Control (CRAWL) [3] helps take on difficult terrain by automatically modulating the throttle and brakes, so you can focus on steering.

Electronic Locking Rear Differential

A staple for every off-road enthusiast, the available electronic locking rear differential gives you the ability to lock the rear wheels together, so they spin in tandem, regardless of traction differences, for a more confident and controlled off-road experience.

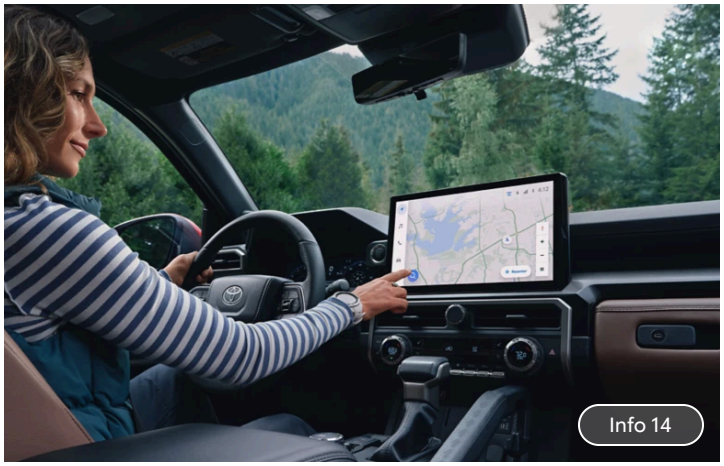

Trailhunter Underbody Protection

The overlanding-equipped Trailhunter features steel underbody plating and fuel-tank protection so you can take on the roughest trails with greater peace of mind.

Smart technology at your command.

4Runner is no simple SUV: Its unique system of equipment puts you at the helm of adventure. From viewing the terrain beneath you in real time with the available Multi-Terrain Monitor (MTM) on the available 14-in. touchscreen, to taking your towing game to the next level with the available Tow Technology Package, 4Runner's tech makes your life better.

14-In. Touchscreen

4Runner's available 14-in. Toyota Audio Multimedia touchscreen heightens your interactions through sight, touch and even voice recognition that lets you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations, and more—stay connected to every adventure.

3D Multi-Terrain and Panoramic View Monitors

4Runner's available Multi-Terrain Monitor (MTM) lets you check your immediate surroundings for obstacles, even on the terrain beneath you. Simply press a button to display front-, rear- and side-camera views. The available Panoramic View Monitor (PVM) [10] uses the same cameras to display a top-down view of your vehicle for easy maneuvering in tight spots.

12.3-In. Digital Gauge Cluster

Customize the exceptionally clear, available 12.3-in. digital gauge cluster to your liking with 12 display patterns to suit your preference, including four different gauge styles and three dial-layout choices, for an optimal driving experience.

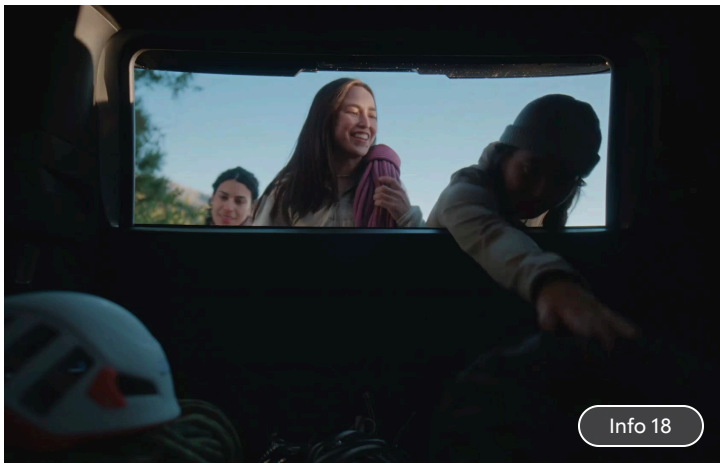

Tow Tech Package

4Runner's available Tow Technology Package features a digital rearview mirror, Trailer Backup Guide, [11] Trailer Reverse Assist (TRA) and Trailer Blind Spot Monitor [12]—all to help make your hauls a breeze. [13]

See numbered disclaimer footnotes in Info and Disclosures section.

Ready for everything.

Power Rear Window

4Runner features a power rear window, a signature element found across all generations of 4Runner. This rear glass raises and lowers with the push of a button, making it easier to grab your gear from the cargo area.

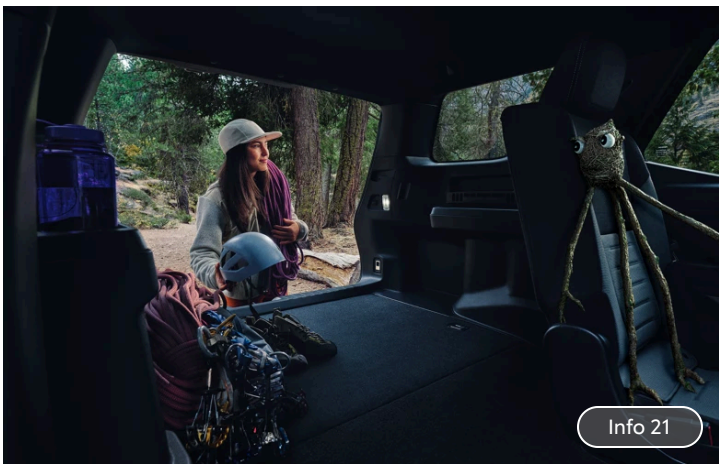

TNGA-F Chassis

4Runner's TNGA-F chassis offers rugged body-on-frame construction for increased toughness, more rigidity for a comfortable ride, and a boxed frame for increased rust protection.

Tumble Fold Rear Seats

Folding the tumble fold rear seats gives you quick and convenient access to the cargo area, so loading and unloading gear is a breeze.

Rear Cargo

4Runner lets you bring everything you need for a successful trip. With up to a generous 90.2 cu. ft. of cargo space with all the seats folded down, you can pack it to the gills or throw a blanket and cooler in the back for some quick car-camping fun.

Onboard Air Compressor

4Runner's available onboard air compressor has your back on every journey. Located in the cargo area, it helps you return your tires to the proper PSI after off-roading or blow up your favorite inflatable for a day on the river.

Pre-Wired AUX Switches

4Runner's available prewired auxiliary toggle switches [17] are integrated into the dashboard and provide the perfect platform to install compatible Genuine Toyota Accessories and other accessories from Toyota's expansive accessory portfolio.

This family runs deep.

TRD Pro

TRD-Tuned Fox® Suspension

Featuring TRD-tuned FOX® [24] QS3 [25] Internal Bypass shocks, with 2.5-in. aluminum housings and rear remote reservoirs, these cutting-edge shocks help ensure fade-free, high-speed performance.

Premium Interior and Exterior Accents

Whether it's the red stitching found throughout the interior or the glossy black accents on its exterior, it's 4Runner's subtle details that make a big impact.

Baja-Inspired Toughness

Driven by an electrifying i-FORCE MAX hybrid powertrain along with proven performance parts, you'll find yourself going harder than ever before.

TRD Pro Wheels

TRD Pro's unique 18-in. wheels come wrapped with 33-in. Toyo® [26] [27] Open Country A/T III tires for superior off-road traction and the perfect stance.

TRD Off-Road

Bilstein® Suspension

Engineered for tough terrain, the Bilstein® [30] suspension delivers maximum articulation and shock absorption for a smoother ride, whether you're on the road or off.

Locking Rear Differential

Keep the adventure going with TRD Off-Road's locking rear differential, allowing you to leave the competition in the dust, snow, mud or whatever you encounter on the trail.

TRD Off-Road Wheels

Rugged and all-terrain ready, TRD Off-Road is equipped with 18-in. wheels with 33-in. all-terrain tires [27] that have the toughness to climb, cross and venture off the beaten path.

Crawl Control

When your off-road travels get tough, available Crawl Control (CRAWL) [3] gets tougher, allowing you to focus on the adventure while your 4Runner helps conquer the terrain.

TRD Sport

Enhanced Styling

TRD Sport showcases the perfect blend of enhanced styling and confident handling both on and off the road.

Power Moonroof

Enhance your adventure and never miss a thing with the available power moonroof. Open it up and let the fresh air in or enjoy the adventure outside through its panoramic viewing window.

4x4 Ready

4Runner has available 4x4 capability, so you can go ahead and conquer more terrain. Whether you're on the trail or your daily commute, TRD Sport is ready to go.

LED Headlights

Brighten the path with the latest-technology LED auto on/off headlights, with Daytime Running Lights (DRL) and manual leveling adjustment.

Off-road to off-grid.

Trailhunter

Rugged and Ready

Trailhunter comes upfitted with a standard steel underbody protection, frame-mounted rock rails and an exclusive ARB® [32] roof rack to securely hold your gear, taking your adventure—and your confidence—to new heights.

Old Man Emu® Suspension

Trailhunter's standard Old Man Emu® suspension, [33] with 2.5-in. forged monotube shocks and external remote reservoirs, combine rugged capability with outstanding load-carrying stability to help you get through obstacles and into the middle of nowhere.

Rigid Industries® Fog Lights

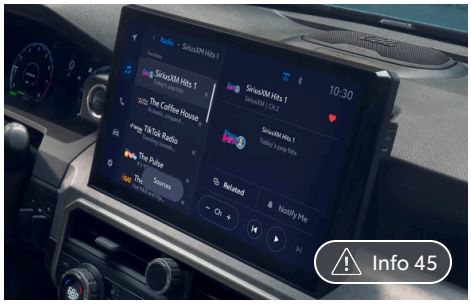

Illuminate your path and help increase your visibility through dust, fog, heavy rain and whatever else you encounter on the trail. With Trailhunter's Rigid Industries® [34] LED fog lights, you can select either white or amber illumination to help enhance your forward visibility.

33-In. Rugged-Terrain Tires and 18-In. Wheels

Trailhunter goes big, with 33-in. Toyo® [26] [27] Open Country A/T III tires wrapped around 18-in. bronze-finished wheels. Boosting ground clearance while delivering enhanced off-road traction, these rugged-terrain tires will help you reach destinations beyond your dreams.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM® [37] has premium entertainment that you won't hear anyplace else. With a 3-month trial subscription, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

14-In. Touchscreen

4Runner's available 14-in. touchscreen gives you access to apps, directions, settings and more, and its intuitive display is easy to navigate, so you can stay focused on your drive.

14-Speaker JBL® Premium Audio w/Removable Speaker

The available 14-speaker JBL® [38] Premium Audio system makes you feel like you're in the front row of a performance, even when you're off-road. And when you arrive at your destination, simply bring the JBL® FLEX [39] portable Bluetooth® [40] center speaker with you to enjoy phenomenal audio in the open air.

Wireless Apple CarPlay®

Bring along a familiar interface. With 4Runner's wireless Apple CarPlay® [41] compatibility, you can use your compatible iPhone® [42] with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ [43] phone with the audio multimedia system, Android Auto™ [44] lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack, and more.

Safety & Convenience

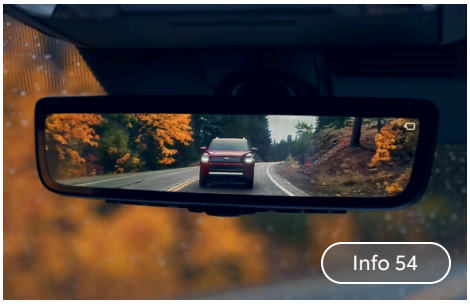

Blind Spot Monitor With Rear Cross-Traffic Alert

Available Blind Spot Monitor (BSM) [12] with Rear Cross-Traffic Alert (RCTA) [49] helps you identify vehicles that might be in a blind spot. When you use your turn signal and BSM detects a vehicle, it warns you with a flashing indicator light on the appropriate outside mirror. Rear Cross-Traffic Alert provides audible and visual indicators to help warn you of approaching vehicles when you're backing up.

Power Open/Close Liftgate

When your hands are full, 4Runner's available hands-free power liftgate [50] takes the pressure off. Simply wave your foot under the rear bumper with the key fob in your possession, and the liftgate opens so you can easily access your belongings. After loading or unloading, just press the Close-and-Lock button.

Digital Rearview Mirror

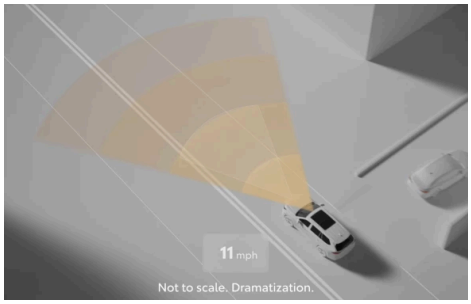

Connected to a camera in the rear, 4Runner's available digital rearview mirror is designed to cast a clear, wide and obstruction-free view of what's behind you. You can zoom in, zoom out and adjust the mirror to get a better perspective.

No Cost Maintenance Plan

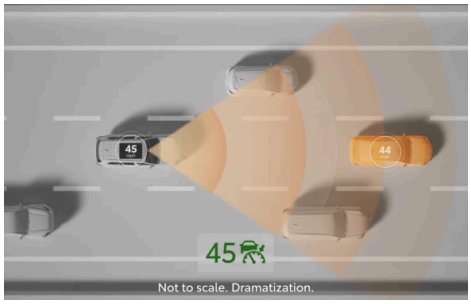

Every new Toyota 4Runner comes with ToyotaCare, [51] a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Toyota Safety Sense™ 3.0 [55]

Pre-Collision System With Pedestrian Detection

PCS w/PD [56] can alert you to potential collisions and may automatically brake.

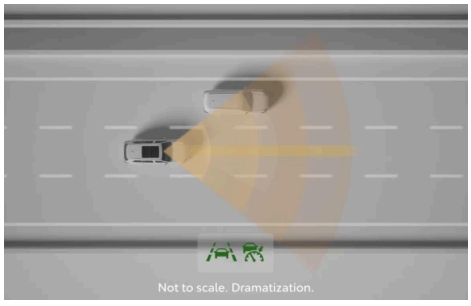

Full-Speed Range Dynamic Radar Cruise Control

DRCC [57] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA [58] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA [59] helps you center the vehicle within its lane while DRCC [60] is active.

MORE FEATURES

Road Sign Assist

RSA [61] can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

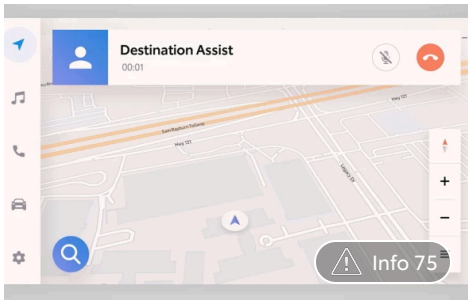

AHB [62] can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA [63] may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription, [64] the Cloud Navigation [65] and Intelligent Assistant [66] features help you find where you need to be, while Destination Assist [67] allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 4G network dependent.

Wi-Fi Connect

Turn 4Runner into a hotspot. With an active Wi-Fi Connect trial or subscription, [68] you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30 day/3GB trial included to get you started. 4G network dependent.

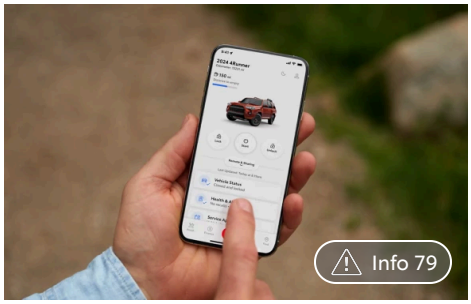

Remote Connect

4Runner is up to speed with the latest tech. With an active Remote Connect trial or subscription, [69] you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app [70] through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. [71] You also get 24/7 Roadside Assistance [72] and Stolen Vehicle Locator [73] to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 4G network dependent.

Service Connect

Stay up to date with your 4Runner information, such as status and alerts, maintenance reminders and more. [74] It's a convenient way to help make sure your 4Runner is running at its best. Activation required. 5-year-minimum trial included. 4G network dependent.

INFO AND DISCLOSURES

1. Trailhunter shown in Everest. Prototype shown with options using visual effects. Dramatization. **2.** Projected EPA-estimated 20 city/26 hwy/22 combined mpg rating for 2026 4Runner SR5 RWD, TRD Sport RWD and TRD Sport Premium RWD; projected EPA-estimated 19 city/25 hwy/21 combined mpg rating for 2026 4Runner SR5 4WD, TRD Sport 4WD, TRD Sport Premium 4WD, TRD Off-Road 4WD and TRD Off-Road Premium 4WD; projected EPA-estimated 20 city/24 hwy/22 combined mpg rating for 2026 4Runner Limited RWD; projected EPA-estimated 20 city/24 hwy/21 combined mpg rating for 2026 4Runner Limited 4WD; and projected EPA-estimated 23 city/24 hwy/23 combined mpg rating for 2026 4Runner TRD Off-Road Hybrid 4WD, TRD Off-Road Premium Hybrid 4WD, Limited Hybrid 4WD, Platinum, TRD Pro and Trailhunter as determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **3.** Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See Owner's Manual for additional limitations. **4.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Trailhunter shown in Everest. **5.** Do not overload vehicle and properly secure roof load. See Owner's Manual for weight limits and restrictions. Disclaimer of warranty and liability: This product is not a Genuine Toyota Part or Accessory and was not designed or manufactured by Toyota. Toyota has not fully evaluated this product to determine its overall impact on the performance or safety of any Toyota vehicle onto which it is installed or to determine whether installation would render the vehicle illegal for operation on public roadways in any states. Installation of this product may impact your vehicle's warranty. This product is not warranted by Toyota, and Toyota expressly disclaims any warranty for this product, including without limitation, any implied warranties of merchantability and of fitness for a particular purpose. Toyota also disclaims all liability for direct, indirect, special, incidental or consequential damages, including but not limited to, damage to or loss of personal or commercial property, loss of use, cost of purchase of replacement goods, or claims of customers of any Toyota dealer that result from the use of this product. This product is not available in Hawaii. Shipping charges not included. TRD Sport Premium shown in Wind Chill Pearl. Options shown. **6.** Never tow beyond a vehicle's published towing capacities. Limited shown in Supersonic Red. Options shown. **7.** Trailhunter shown in Everest. **8.** Trailhunter interior shown in Mineral SofTex® trim. **9.** TRD Off-Road shown in Cutting Edge. **10.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **11.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **12.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **13.** Never tow beyond a vehicle's published towing capacities. **14.** Limited interior shown in Portobello leather trim. **15.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. Trailhunter interior shown in Mineral SofTex® trim. **16.** Available 12.3-in. digital gauge cluster with configurability shown. Options shown. **17.** Electrical rating for auxiliary switches is pre-set. See Owner's Manual for additional details. Exceeding the rating set by Toyota may lead to an increased risk of failure, and, potentially, fire. **18.** Trailhunter shown in Everest. Options shown. **19.** TRD Pro shown in Ice Cap. Vehicle shown using visual effects. **20.** TRD Pro shown in Ice Cap and interior shown in Cockpit Red SofTex® trim. Vehicle shown using visual effects. Dramatization. **21.** TRD Off-Road interior shown in Black/Boulder fabric. **22.** Rated for 120 volts. See Owner's Manual for additional limitations and details. Trailhunter interior shown in Mineral SofTex® trim with onboard air compressor. **23.** TRD Pro interior shown Black SofTex® trim. **24.** FOX is a registered trademark of FOX Factory, Inc. **25.** QS3 is a registered trademark of FOX Factory, Inc. **26.** Toyo is a registered trademark of Toyo Tire Corporation. **27.** Use of all-terrain tires may significantly impact the attainable range of the vehicle. **28.** TRD Pro standard FOX® shock absorbers and TRD coil springs with red anodized, forged-aluminum upper control arms. FOX is a registered trademark of FOX Factory, Inc. **29.** TRD Pro shown in Ice Cap. **30.** Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. **31.** The Toyota model or models shown are designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in personal injury or vehicle damage. Screen depiction accurate at time of posting. **49.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **50.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **51.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, C-HR, Prius and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. **52.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. TRD Sport Premium shown in Wind Chill Pearl and Limited shown in Supersonic Red. Options shown. **53.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. Disclaimer of warranty and liability: This product is not a Genuine Toyota Part or Accessory and was not designed or manufactured by Toyota. This product is not available in Hawaii. Shipping charges not included. TRD Sport Premium shown in Wind Chill Pearl. Options shown. **54.** TRD Sport Premium shown in Wind Chill Pearl and Limited shown in Supersonic Red. Options shown. **55.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **56.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **57.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **58.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **59.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **60.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **61.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **62.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **63.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **64.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **65.** Cloud Navigation requires a

trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **66.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **67.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **68.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. **69.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **70.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **71.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **72.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **73.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **74.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **75.** Cloud Navigation shown. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and

subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **76.** Do not exceed the recommended weight limit when placing items on the tailgate. See your Owner's Manual for details. Available Wi-Fi Connect shown. 4G network dependent. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to https://myvehicle.att.com/#/toyota/learn?language=en=US for terms and conditions. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **80.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **81.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **82.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **83.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **84.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **85.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **86.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **87.** Torsen® is a registered trademark of Zexel Torsen, Inc. **88.** Extra-cost color. **89.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **90.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **91.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **92.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. **93.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **94.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC

is disengaged at low speeds. See Owner's Manual for limitations. **95.** Before towing, confirm Stop and Start Engine System is disengaged. **96.** When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details. **97.** Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See Owner's Manual for additional limitations and details. **98.** The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See Owner's Manual for limitations.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
