

TOYOTA

2026 RAV4

Activate your full potential.

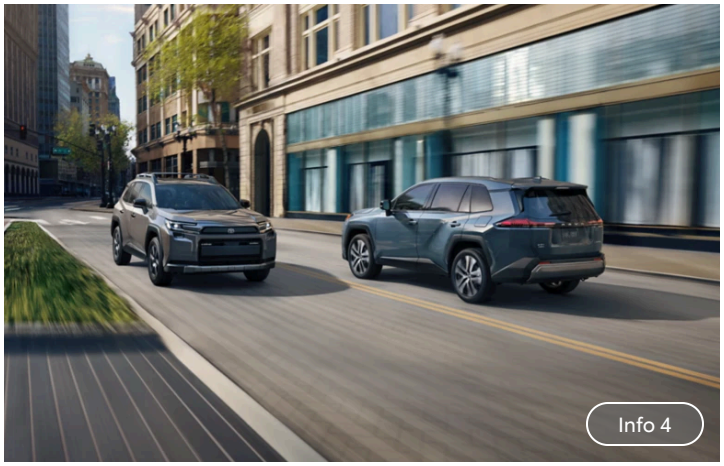

With bold design, advanced electrified performance and the versatility to match your lifestyle, RAV4 delivers capability with character—for every kind of driver, on every kind of day.

Bold design. Endless destinations.

Personalized by design.

An all-new RAV4 means all-new bold styling. Stand out with distinct taillights, spacious interiors and signature looks. From Woodland's adventurous spirit and Limited's athletic presence, to the sporty edge of SE and XSE, discover which one helps bring out the best of you.

Exterior LED Lighting

Standard dual beam projector LED headlights brighten the road ahead with crisp light, while available LED fog lights help enhance visibility whenever you need it. In the back, stylish LED taillights leave a lasting impression with their modern design.

Woodland Rugged Exterior

Adventure-ready design meets dynamic capability. RAV4 Woodland's bold front bumper houses standard Rigid Industries® [3] LED fog lights that help enhance visibility when the dust or fog rolls in.

Intuitive by design. Ready for anything.

From the moment you step in, experience comfort that's unmistakable and space designed for your every plan.

Modern Interior Cabin

Designed with you in mind, RAV4's interior makes comfort feel effortless. From intuitive controls within easy reach, to space that adapts to your needs, RAV4 is ready to amplify your day no matter where you go.

Power Tilt/Slide Panoramic Glass Roof

Let fresh air and natural light fill every seat with RAV4's available panoramic glass roof that features power tilt and slide capability.

Power-Adjustable SofTex®-Trimmed Seats

Quick and comfortable seating. Both the driver and front passenger can customize their ideal seat positions with RAV4's available 8-way power-adjustable front seats, and the driver's seat also features memory settings for added convenience.

Heated Rear Seats

Warm up the whole crew with RAV4's available heated rear outboard seats, designed for chilly days and cozy nights.

See numbered disclaimer footnotes in Info and Disclosures section.

Heated and Ventilated Front Seats

Whether it's cool mornings or hot afternoons, available heated and ventilated front seats keep you feeling just right.

Woodland Interior Design

Inspired by trail-ready gear, Woodland's vibrant orange stitching brings the spirit of the wild to the seats, steering wheel and center console lid. Distinct patterns on the door and dash, plus a side dash compartment, make every drive feel like a call to adventure.

Cargo Capacity

Room to pack, freedom to play. RAV4's up to 70.4 cu. ft. of cargo space with the second-row seats folded down and easy-fold 60/40 rear seats give you the versatility to bring along whatever the trail—or tailgate—calls for.

All-Weather Floor and Cargo Mats

Ready for sand, mud and everything in between, RAV4 Woodland's all-weather floor and cargo mats [6] help keep your cabin adventure-ready with outdoor-inspired, Woodland-exclusive designs.

Adaptable in nature. Capable by design.

Fun can change by the day. RAV4 offers multiple drivetrain options, including AWD for trail-ready confidence or FWD for fuel-saving efficiency, so you can embrace wherever your weekend takes you.

Impressive Towing Capacity

Tow trailers, gear and more with up to 3500 lbs. of towing capacity, designed for your active life.

All-Terrain Tires

Whether you're on the road or off the beaten path, RAV4 Woodland's 18-in. alloy wheels wrapped with all-terrain tires [11] provide a 0.4-in. lift, along with confident grip and control.

Front-Wheel Drive

Available on LE, SE, and XLE Premium, RAV4's Front-Wheel Drive enhances efficiency without sacrificing its athletic feel.

Raised Roof Rails With Cross Bars

Load up and head out without a hitch. Proudly bearing the Woodland badge, RAV4 Woodland's standard raised roof rails with cross bars give you more ways to bring your gear along.

3D Multi-Terrain Monitor

Whether it's dirt, gravel or an uneven path, Woodland's 3D Multi-Terrain Monitor helps you see what's underfoot, so you can push forward with confidence.

Enhanced Hybrid System

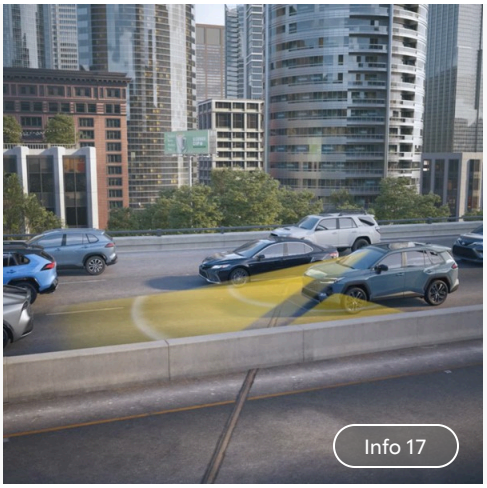

Increased horsepower, reliable performance. RAV4's enhanced hybrid system also gives you increased fuel efficiency and confidence to chase new experiences, near or far.

Bring your world closer.

Technology

Traffic Jam Assist

This available feature helps you navigate the ebb and flow of stop-and-go traffic on controlled-access highways by providing control of the vehicle at speeds under 25 mph. [14] Requires an active Drive Connect trial or subscription. [15] 5G network dependent.

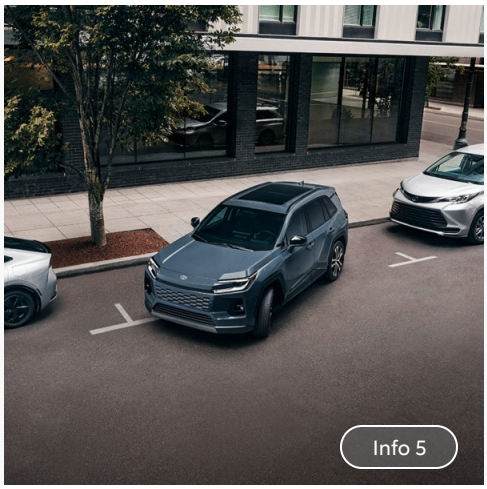

12.9-In. Toyota Audio Multimedia

Tap into the latest. RAV4's new available 12.9-in. multimedia touchscreen puts entertainment, directions and controls front and center with crisp visuals and seamless voice commands.

12.3-In. Digital Gauge Cluster

Designed to feel like a natural extension of your multimedia touchscreen experience, the standard customizable 12.3-in. digital gauge cluster keeps your most important info right in sight.

Advanced Park

RAV4's available Advanced Park [16] makes fitting into a tight spot possible with the press of a button. Take your hands off the wheel and watch this advanced system work its magic.

Convenience

Dual Qi Wireless Chargers

Keep the energy flowing. Available dual Qi-compatible wireless chargers [18] help keep you powered up, no matter where you're headed.

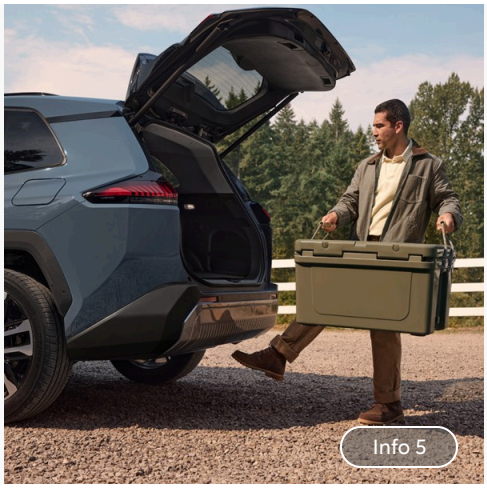

1500-Watt AC Power Outlet

Power up the good stuff, from coffee makers to air pumps. RAV4's available rear cargo 1500W outlet [19] helps you bring more fun to your latest adventure.

Five USB-C Charging Ports

Stay charged and connected no matter where you sit with up to five USB-C ports [20] throughout the cabin—including a high-power front media port for accelerated charging and media access.

Hands-Free Power Liftgate

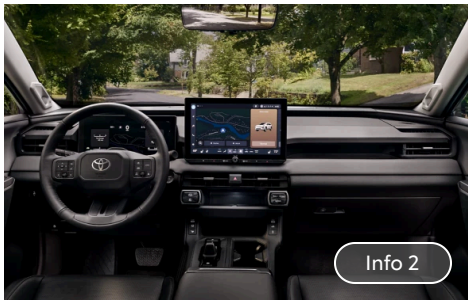

With a kick sensor under the rear bumper, RAV4's available hands-free power liftgate [21] opens with a simple foot motion, making loading and unloading easy and convenient.

Audio Multimedia

SiriusXM® with 360L 3-Month Trial Subscription

Debuting for Toyota on RAV4, SiriusXM® [22] with 360L brings you the most extensive and personalized audio experience on the road. With a 3-month trial subscription to SiriusXM® with 360L, you get access to all of your favorite entertainment from SiriusXM® to enjoy in your vehicle and on the SiriusXM® app—including ad-free music, plus talk, sports, comedy, news, podcasts and more. Plus, unlock other exclusives on the SiriusXM® app that bring you even closer to your favorite stars, artists, creators, hosts and athletes.

Toyota Audio Multimedia

Toyota's latest generation Audio Multimedia system enhances every moment behind the wheel of your RAV4 while heightening your interaction through sight, touch and voice activation, helping you stay connected to every adventure.

Wireless Apple CarPlay®

Bring along a familiar interface. With RAV4's wireless Apple CarPlay® [23] compatibility, you can use your compatible iPhone® [24] with the audio multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

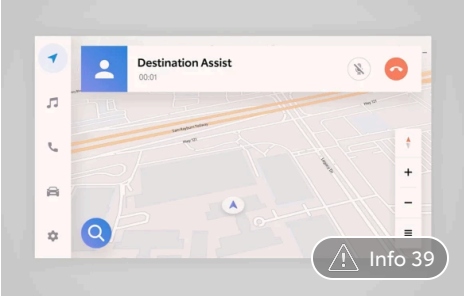

Stay connected on the road. By pairing your compatible Android™ [25] phone with the audio multimedia system, Android Auto™ [26] lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

JBL® Premium Audio System

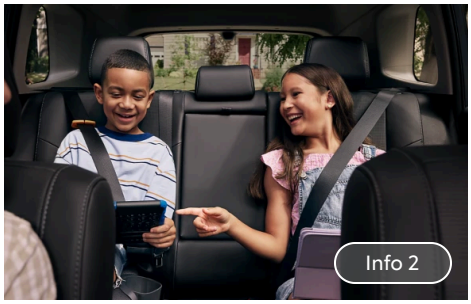

Enhance the soundtrack to every adventure with RAV4's available JBL® [27] Premium Audio system. With nine speakers, including an amplifier and a subwoofer, this next-gen system brings your audio to life.

Connected Services

Drive Connect

With an active Drive Connect [15] trial or subscription, the Cloud Navigation [29] and Intelligent Assistant [30] features help you find where you need to be, while Destination Assist [31] allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial subscription included on select trims. 5G network dependent.

Wi-Fi Connect

Turn RAV4 into a hotspot. With an active Wi-Fi Connect [32] trial or subscription, you can easily connect up to ten devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 30-day trial subscription with unlimited hotspot data to get you started. 5G network dependent.

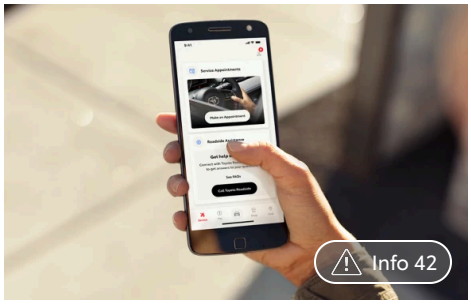

Remote Connect

RAV4 is up to speed with the latest tech. With an active Remote Connect [33] trial or subscription, you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app [34] through your compatible smartphone or smartwatch. 1-year trial included. 5G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. You also get 24/7 Roadside Assistance [35] and Stolen Vehicle Locator [36] to give you peace of mind that help is on the way. [37] Activation required. 5-year-minimum trial included. 5G network dependent.

Service Connect

Stay up to date with your RAV4's information, such as status and alerts, maintenance reminders and more. [38] It's a convenient way to help make sure your RAV4 is running at its best. 5-year-minimum trial included. 5G network dependent.

Safety and Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

RAV4's Blind Spot Monitor (BSM) [43] warns you when a vehicle enters your blind spot and Rear Cross-Traffic Alert (RCTA) [44] helps detect vehicles approaching from the sides as you reverse. Additionally, Safe Exit Alert (SEA) [45] helps alert passengers of approaching vehicles or cyclists when a door is opening.

Panoramic View Monitor With 3D View

The Panoramic View Monitor (PVM), [46] now with 3D view, helps you see multiple angles as you navigate tight turns, narrow spaces and tricky parking.

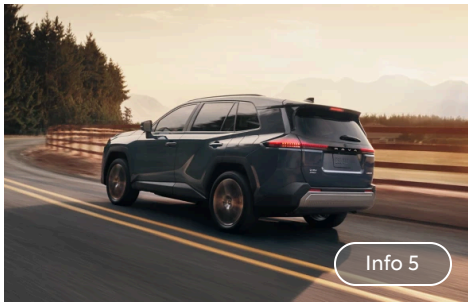

Drive Recorder Dash Cam

From unexpected moments to everyday drives: The standard Drive Recorder Dash Cam [47] helps document portions of your journey by capturing front and rear video under certain conditions.

Eight Airbags

RAV4 comes standard with eight airbags [48] total, including a driver and front passenger Advanced Airbag System with driver and front passenger seat-mounted side airbags, driver knee airbag, a front passenger seat-cushion airbag, and front and rear side curtain airbags.

Star Safety System™

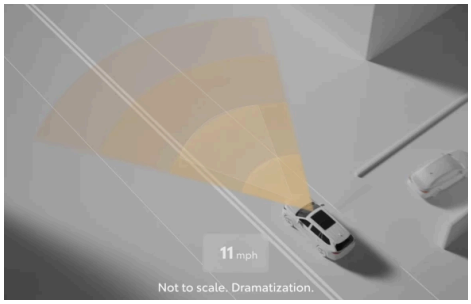

Every new RAV4 is built with our Star Safety System™, an advanced integration of safety technologies designed to enhance traction, braking and more. Armed with these safety features, RAV4 is designed to keep you out of harm's way.

No Cost Maintenance Plan and Roadside Assistance

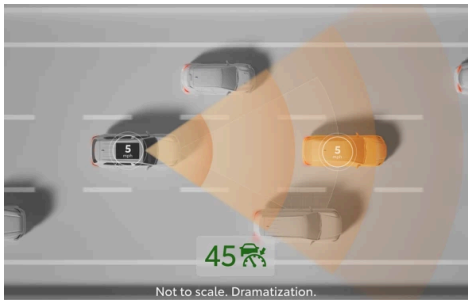

Every new Toyota comes with ToyotaCare, [49] a maintenance plan that covers initial normal factory scheduled service and 24-hour Roadside Assistance.

Toyota Safety Sense™ 4.0 [51]

Pre-Collision System With Pedestrian Detection

PCS w/PD [52] can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC [53] helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Automatic High Beams

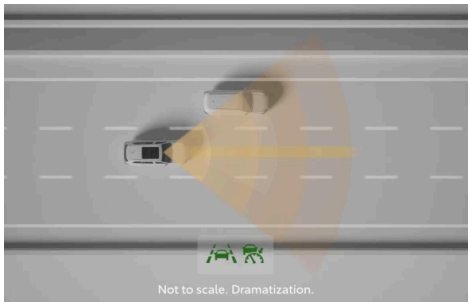

AHB [54] can automatically toggle between high and low beams based on the vehicle's surroundings.

Lane Departure Alert With Steering Assist

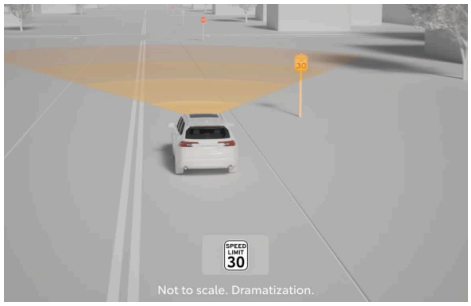

LDA w/SA [55] may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

MORE FEATURES

Lane Tracing Assist

LTA [56] helps you center the vehicle within its lane while DRCC [57] is active.

Road Sign Assist

RSA [58] can recognize certain road signs and display them to you inside the vehicle.

Proactive Driving Assist

PDA [59] may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Powerfully dynamic.

Hybrid Powertrain

Hybrid Electric Vehicles use a combination of gas engine and electric motor(s) to maximize power and efficiency.

PHEV Powertrain

Plug-in Hybrid Electric Vehicles combine a gas engine with a larger battery, powered by an external charge, to maximize efficiency and driving range.

See numbered disclaimer footnotes in Info and Disclosures section.

Beyond Zero

BEYOND ZERO

Beyond Zero is our vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to create a better world. The Hybrid EV RAV4 is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

RAV4 is a part of the Hybrid Family.

The Power of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid, Plug-in Hybrid, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its plastic waste, supporting water conservation efforts, or expanding programs that protect critical species, we are committed to reducing our environmental footprint and creating a positive impact on society.See Environmental Sustainability (toyota.com) for more information.

RAV4 GRADES

LE

Mechanical Features

- Front-Wheel Drive (FWD)
- Hybrid powertrain: 2.5-Liter Dynamic Force 4-Cylinder with SPORT, Eco, NORMAL, EV, [61] TRAIL, SNOW drive modes

INFO AND DISCLOSURES

1. Woodland shown in Urban Rock. Prototype shown with options. **2.** Limited interior shown in Black SofTex® trim. Prototype shown. **3.** Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. **4.** Woodland shown in Urban Rock; Limited shown in Storm Cloud. Prototypes shown with options. **5.** Limited shown in Storm Cloud. Prototype shown with options. **6.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **7.** Limited interior shown in Black SofTex® trim. Prototype shown with options. **8.** Limited interior shown in Black SofTex® trim. Prototype shown. Simulation shown. **9.** Woodland interior shown in Mineral SofTex® trim. Prototype shown with options. **10.** Limited shown in Storm Cloud. Prototype shown with options. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **11.** Use of all-terrain tires may significantly impact the attainable range of the vehicle. **12.** Never tow beyond a vehicle's published towing capacities. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Follow all instructions in your Owner's Manual. 900-lb. towing capacity shown. Limited shown in Storm Cloud. Prototype shown with options. **13.** Front-Wheel Drive (FWD) Hybrid drivetrain system shown. **14.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **15.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and active trial or subscription required. Data charges may apply. **16.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review Owner's Manual for instructions and limitations. **17.** Limited shown in Storm Cloud. Prototype shown with options. Simulation shown. **18.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **19.** Rated for 1500 watts for a single outlet. See Owner's Manual for limitations. **20.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **21.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **22.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **23.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at https://www.apple.com/ios/carplay/. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Apple CarPlay® is a registered trademark of Apple Inc. **24.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **25.** Google, Android, Android Auto, Google Maps, and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **26.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check https://g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit https://www.toyota.com/support/privacy-notice/. Google, Android, Android Auto, Google Maps, and other marks are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. **27.** JBL® is a registered trademark of Harman International Industries, Inc. **28.** Limited interior shown in Black SofTex® trim. Prototype shown. Screen depiction accurate at time of posting. **29.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and active trial or subscription. Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **30.** Intelligent Assistant requires an active Drive Connect trial or subscription. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and active trial or subscription. Terms of Use apply. Data charges may apply. See Owner's Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. **31.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at

www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and active trial or subscription. Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Active trial or subscription required. Terms of Use apply. **32.** Wi-Fi Connect services not available everywhere or in every vehicle, may vary and are subject to change at any time without notice. Services require 5G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **33.** Use only if aware of vehicle surroundings and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child).. Remote Connect services vary and are subject to change at any time without notice. Services require 5G network availability, an active cellular network, a cellular network connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when the 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Remote Connect will not work, and Toyota will need to discontinue impacted services. Services also require account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Digital Key requires Bluetooth® connectivity. Not available on manual transmissions. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Active trial or subscription required. Terms of Use apply. **34.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **35.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see www.toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **36.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **37.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 5G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 5G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. The Safety Connect® trial is included for 5 years. 5G network dependent. **38.** Service Connect services may vary and are subject to change at any time without notice. Services require 5G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. The Service Connect trial is included for 5 years. 5G network dependent. **43.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **44.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **45.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **46.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **47.** Drive Recorder may not record under all conditions. Use in accordance with applicable laws. See Owner's Manual for limitations. **48.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **49.** ToyotaCare covers normal factory scheduled maintenance for 1 year or 10,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage, with the following exceptions: (1) ToyotaCare for Mirai is 3 years/35,000 miles and ToyotaCare for vehicle model years 2026 and earlier is 2 years/25,000 miles; and (2) Roadside Assistance for Mirai, Prius, Toyota BEVs and PHEVs is 3 years/unlimited mileage. Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. **50.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Plug-in Hybrid GR SPORT shown in Supersonic Red with Midnight Black Metallic roof, and Woodland interior shown in Mineral SofTex® trim. Prototypes shown. **51.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **52.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **53.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **54.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **55.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **56.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **57.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **58.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **59.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **60.** Plug-in Hybrid GR SPORT shown in Supersonic Red with Midnight Black Metallic roof. Prototype shown. **61.** EV Mode allows for operation solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. **62.** Services will automatically stop at the end of your trial subscription period unless you decide to continue services. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Services subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite services not available in AK & HI. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless an active data connection is enabled in the vehicle. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio LLC and its respective subsidiaries. **63.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see https://www.toyota.com/support/privacy-notice/. **64.** Extra-cost color. **65.** Never tow beyond a vehicle's published towing capacities. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in

your vehicle should be turned off. Follow all instructions in your Owner's Manual. **66.** When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner's Manual for additional limitations and details. **67.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **68.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **69.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **70.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **71.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **72.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **73.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **74.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **75.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. **76.** When Vehicle Proximity Notification System is active, it is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects and to drive the vehicle in a safe and attentive manner to avoid making contact. **77.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. **78.** Lane Change Assist operates only when Dynamic Radar Cruise Control (DRCC) and Lane Tracing Assist (LTA) are activated. Do not overly rely on this system. Driver must confirm lane is clear. See Owner's Manual for limitations. **79.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 5G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **80.** Pre-Collision System with Pedestrian Detection (PCS w/PD) is designed to help detect a vehicle, pedestrian, bicyclist, or motorcyclist and provide an audio/visual forward-collision warning under certain circumstances. If you don't react, the system is designed to provide automatic emergency braking. **81.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **82.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **83.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **84.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
