

Z[®]
2027

¹Feature availability varies by vehicle model year, model, trim level, packaging and options. ²Driver-assist and safety features have limitations which affect how they function in certain situations. The driver must never rely exclusively on any vehicle feature to warn about, prevent, or lessen the severity of a collision. It is the driver's responsibility to always be in control, monitor the surroundings, and safely operate the vehicle. Read your vehicle's Owner's Manual for further information. ³Extra cost option. ⁴Horsepower and torque varies by trim level. Contact dealer for details. ⁵See [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal) for more NissanConnect features/services information. ⁶Manual transmission only. ⁷Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all time so full attention may be given to vehicle operation. ⁸Dry carbon-fiber requires specific maintenance. Please see your Owner's Manual for details. ⁹Professional driver, using extensive safety precautions. Do not attempt. Driving is serious business and requires your full attention. Obey all traffic laws, always drive safely, and wear your seat belt. Damage resulting from racing, competitive driving, track, off-road and/or airstrip use not covered by warranty. See your new vehicle limited warranty information booklet and Owner's Manual for proper vehicle operation and complete warranty details. ¹⁰Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Smartphone or other external device not included. ¹¹Automatic transmission only. ¹²Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹³Images shown for illustrative purposes only. For complete limited warranty details, see your Nissan dealer and read the vehicle's Warranty Information Booklet. ¹⁴Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. ¹⁵Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. ¹⁶Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. ¹⁷Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ¹⁸Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ¹⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ²⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ²¹2027 EPA Fuel Economy Estimates 18 City MPG / 24 Highway MPG / 20 Combined MPG for Z[®] Sport, Performance with Manual Transmission. ¹⁹City MPG / 28 Highway MPG / 22 Combined MPG for Z Sport, Performance with Automatic Transmission. ¹⁶City MPG / 21 Highway MPG / 18 Combined MPG for Z NISMO with Manual Transmission. ¹⁷City MPG / 24 Highway MPG / 19 Combined MPG for Z NISMO with Automatic Transmission. Actual mileage may vary with driving conditions. Use for comparison only. ²²Roadside assistance coverage period varies by model year and model. Includes Trip Interruption benefits. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read your vehicle's Warranty Information Booklet. A vibrant green Nissan Z sports car is shown from a front-three-quarter perspective, driving on a winding asphalt road. The car is in motion, with a blurred background of rugged, brown mountains under a clear blue sky. The car's sleek design, including its headlights and grille, is clearly visible. The driver is wearing sunglasses. The overall scene conveys a sense of speed and performance in a scenic, high-altitude environment.

Pure performance

Transform your everyday drive into true exhilaration in the new Nissan Z.[®] A 400-hp⁴ twin turbo V6 engineered for responsive power and exhilarating performance. A 6-speed manual transmission that keeps you engaged and rewards your focus with precision control. And rear-wheel-drive balance that turns pavement into your playground. With a new grille designed for an aggressive presence and a striking silhouette that commands attention from every angle, Z is a pure sports car in performance and design.

Nissan Z[®] Performance shown in Shinkai Green Pearl Metallic / Super Black Two-tone.³

Where car and driver become one

Exhilarating performance meets cutting-edge technology in Z.[®] Every aspect — from the snug, yet supple grip that keeps you in control, to the retro futuristic design elements — is engineered to deliver that indescribable, high-octane driving bliss that only a Z can offer. It's the perfect balance between advanced technology that responds to voice and touch, seamless smartphone integration,⁵ and iconic interior design that defines what a classic sports car should be.

Nissan GT-R™-inspired steering wheel

Contoured shift knob⁶ from a single piece of leather

Available synthetic-suede trim for enhanced seat grip

Driver's seat cutouts for more precise steering and shifting

12.3" Digital dashboard with Sport Mode display⁷

Iconic triple pod gauge cluster

NissanConnect[®] 9" touch-screen display^{1,5}

Qi2[®] wireless Charger¹

Wireless Apple CarPlay[®] integration^{1,5}

Android Auto™ compatibility⁵

400-horsepower, twin-turbo V6 engine

At the heart of Z® is the VR30 — a 3.0-liter twin-turbo V6 engine derived from the GT-R's VR38 engine. Aluminum-alloy construction to keep things light, and a water-cooled intercooler to reduce intake air temperature. Cutting-edge turbo speed monitoring technology brings immense power with 350 lb-ft of torque starting at just under 1,600 rpm.⁴

6-speed manual and 9-speed automatic transmissions

A close-ratio 6-speed manual transmission with available SynchroRev Match® optimizes every downshift, enhancing driving thrills. An available shift-by-wire 9-speed automatic with manual mode brings rapid shifts with modern technology. The hardest part? Choosing only one.

A chassis built to respond

Z is designed to handle your favorite roads with a re-tuned performance suspension that provides more immediate response and even better stability. Strong, lightweight aluminum and carbon-fiber composite components⁸ and new 300ZX® Z31-inspired 19" forged wheels with performance tires¹ deliver an exhilarating drive.

Launch control and mechanical limited-slip differential¹

Available launch control modulates engine rpm and power to reduce wheel spin and maximize traction, delivering consistent, confident acceleration. No-lift shift technology helps keep you in the powerband, and Z's mechanical limited-slip differential lets you put every last horsepower to the pavement.

nismo

384 lb-ft of torque⁴

NISMO body reinforcements

NISMO-unique RAYS[®] forged-alloy wheels

NISMO-exclusive front and rear fascias, side sills, and rear spoiler

420 hp⁴

Z[®] NISMO[®] — the apex predator

Developed by the legendary motorsports arm of Nissan, Z NISMO rattles the cages of the competition with a track-tuned 420-hp engine,⁴ enhanced 9-speed automatic transmission, and unique Sport+ Drive Mode for incredible response⁹ — and, new for 2027, an available short-throw 6-speed manual transmission with a unique clutch and reinforced linkage for higher rigidity and greater feedback accumulated from track-driving.

Aerodynamics learned at the track made their way to the street. A unique honeycomb grille enhances engine cooling, while front canard wing vortex generators, wider sill side spoilers, rear air splitters, and a unique rear spoiler all help provide additional downforce.⁹

A NISMO-tuned suspension keeps everything planted, featuring increased rebound dampening force and higher spring rates, massive Akebono[®] brakes with lightweight 15" 2-piece cross-drilled rotors, and wider 19" lightweight RAYS[®] forged-alloy wheels wrapped in special Dunlop[®] tires.

Inside, it is as beautiful and sports-inspired as it is focused, with Recaro[®] seats, an Alcantara[®]-wrapped steering wheel with a red leather stripe at 12 o'clock, and a unique instrument display on the digital dash.

■ Scratch Shield Clearcoat

Scratch Shield is a clearcoat that is more scratch resistant compared with conventional clearcoats, helping your Z® maintain its new look for a longer period of time. The paint also helps repair fine scratches, helping to restore the Z's surface close to its original state.
