The Volvo XC60

The XC60 is our smart, midsize SUV with Google built-in. Powerful. Sleek. Stylish. This SUV fits many lifestyles with its high ground clearance, large cargo capacity and intuitive, intelligent technology. Enjoy more engaged driving and make an impression with the XC60. A reconfigured cabin with new premium materials enhances comfort and increases usable space for an even more exclusive and intuitive experience. With a new free-standing center display and a new contemporary user interface, we also introduce an updated digital experience in the XC60.

KEY FEATURES

Available as a Plug-in Hybrid

Add electric power to your everyday drive and enjoy a plug-in hybrid offering up to 35 miles in Pure mode.* This is enough range to make every day electric. Pure without compromise.

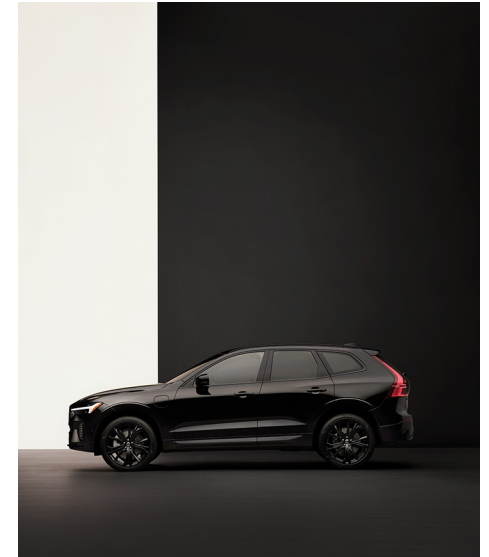

Luxury, High-Quality Interior

Several design updates bring a more contemporary look to the confident and elegant exterior and interior of the Volvo XC60. A reconfigured cabin with new premium materials enhances comfort and increases usable space for an even more exclusive and intuitive experience.

New Center Display

The large, free-standing 11.2-inch center display with its intuitive user interface gives an instant overview and control of most car functions. The most important functions are easily accessible on the home screen, with navigation in your field of vision so that you can keep attention on traffic.

Black Edition

The XC60 Black Edition brings a dramatic edge to our Scandinavian design style. It adds monochrome and distinctive elegance to both the interior and exterior, with features including exclusive high-gloss black 21-inch alloy wheels, a high-gloss black grille, and a blacked-out Volvo Iron Mark/diagonal and rear badging for a sleek look uninterrupted by small details.

*Based on MY25 US EPA testing

**Data for Volvo Car Connect Plus is included standard for 4 years.

Some colors and features shown above may not be available on all trims.
