NEW 2007 LINCOLN MKZ

"Best Premium Car Interior Award."

A visual tapestry to energize the senses.
Contemporary Light Figured Maple (shown)
or classic Dark Ebony wood greets your fingertips.
Satin-nickel accents and chrome-ringed gauges signal technical precision.
Luxurious white LED lighting backlights the controls and switches.
Heart racing yet?

Shown with available equipment.

*Ward's 2006 Auto Interiors Show. Lincoln MKZ beat the Mercedes-Benz S-Class, Lexus GS, BMW 3 Series, Audi A8 and Cadillac DTS.

NEW 2007 LINCOLN MKZ

Recharge yourself in one of the roomiest interiors in its class.*
Relax to the favorites from your MP3 player, thanks to a new MP3 audio input jack in the center console.
Utilize the 60/40 split-folding rear seat, which makes pass-through access from the large trunk easy.

"... (MKZ) has one of the most beautiful cabins in its class, miles ahead of Cadillac and Mercedes."
— *The Detroit News*, February 8, 2006

Shown in Sand with available equipment.

*Medium Premium Car class.

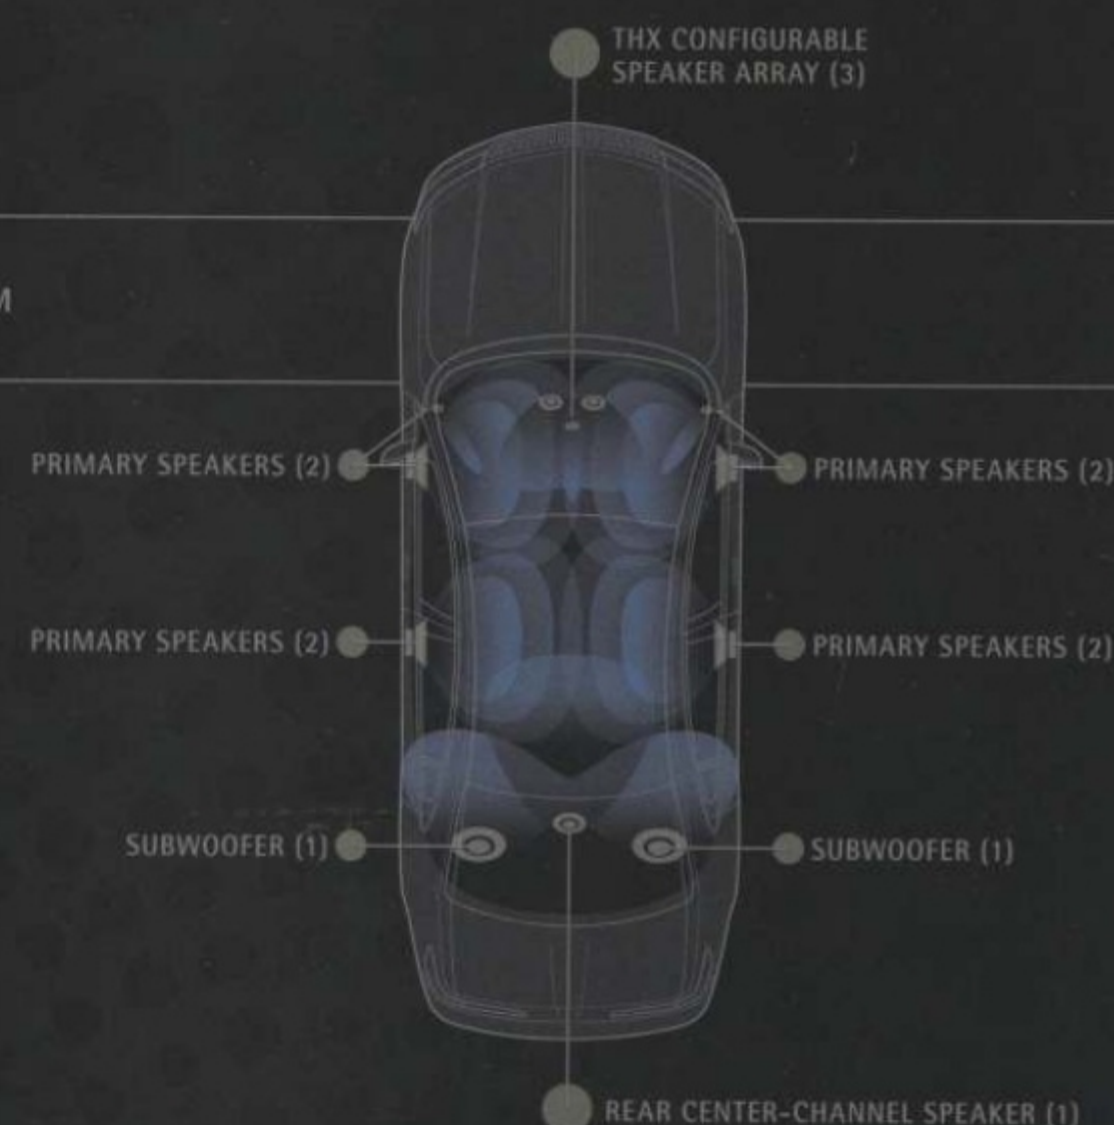

LINCOLN DNA
Designs that captivate.
World-class powertrains poised to motivate.
And warm, inviting interiors crafted to invigorate.
With the new Lincoln MKZ, the new Navigator,
the all-new Navigator L, Mark LT, and the all-new Lincoln MKX,
a new breed of luxury is confidently emerging.
Introducing Lincoln for 2007.

THX
CERTIFIED

SIRIUS
SATELLITE RADIO

THX II CERTIFIED CAR AUDIO SYSTEM

THE SOUND OF SATISFACTION

Next to the Lincoln MKZ's new 263-hp V-6 engine, the most impressive hardware you'll control is the available THX® II Certified Car Audio System. *Sound & Vision* magazine calls it "a state-of-the-art stock system."

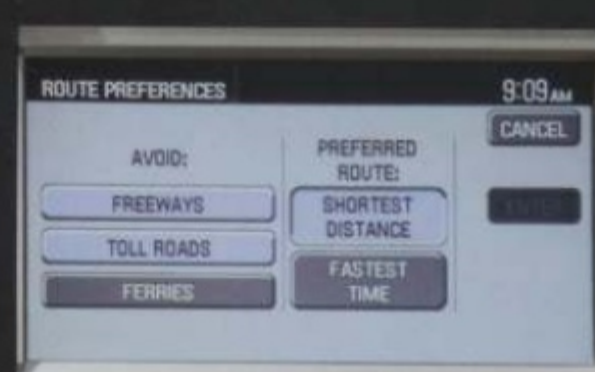

Maximizing the benefits of the standard AM/FM stereo and 6-disc in-dash CD changer with MP3 capability, the optional THX II Certified Car Audio System features 12 primary speakers that deliver a surround-sound experience worthy of an upscale home theatre. A sophisticated processor provides spectral balance, wide dynamic range and superior acoustic performance. Rich, deep bass emanates from two 6" x 9" subwoofers in the rear deck. Over 600 watts of power is supplied by 12 amplifier channels. And acoustical depth pulses from the THX Configurable Speaker Array (CSA) located in the center of the instrument panel.

If that's not enough, optional SIRIUS Satellite Radio* is also available. Factory-installed with a 6-month subscription to the SIRIUS service, access to over 120 channels of news, sports, personalities and commercial-free music will be yours. Forgive us if you never want to leave.

THE RIGHT DIRECTION

Looking for a romantic table for two? Need to find the quickest route to the arena for tonight's playoff game? Then Lincoln MKZ's optional Navigation System, with the vast majority of North America and two million points of interest covered on a single DVD, will be your most trusted advisor.

Featuring a brilliant 6.5" color screen (shown at right) and six presets for routes you'd like to keep stored, the system computes complex routes very quickly. For example, it can plot a cross-country route in the time it used to take to unfold a map. With 11 different ways to program destinations, using criteria such as shortest route or drive time, you can customize the display and prompt options for optimum convenience. And since the system stores the last 25 routes, finding your way has never been easier.

TOUCH-SCREEN CONTROLS ALLOW FOR EASY ADJUSTMENTS

Changing settings for the available THX II Certified Car Audio System and Navigation System is as easy as touching the screen. Among the many settings you are able to program, you can adjust balance and fade; turn speed-compensated volume on or off; choose the shortest distance to your destination; or select Spanish, French or English as your preferred language.

*See your Lincoln Mercury Dealer or contact SIRIUS at 1-888-539-7474 for more information.

ALLURING STYLE

Its aggressively raked grille and chrome-tipped exhaust pipes suggest a very athletic disposition, while large-diameter, spoked aluminum wheels and low-profile tires let everyone know there's an elegance to its athleticism. To accentuate the sleek lines and strong, dynamic stance of the 2007 Lincoln MKZ, a brilliant chrome finish is used extensively on select exterior elements. Starting with the luster of the redesigned waterfall grille, you'll also find tasteful expressions of chrome at the base of the windows, on the sideview mirror caps, and on the elegant Lincoln Star that graces the rear decklid. Machined-aluminum & painted 17" 8-spoke wheels are standard. Chrome-aluminum 17" 8-spoke wheels are available.

STIMULATING ENVIRONMENT

The interaction between premium leather, real wood, satin-nickel and chrome finishes creates an immediate rush inside Lincoln MKZ. As you sink into the tailored leather-trimmed driver's seat, with its 10-way power adjustments, the visual tapestry is most impressive. Premium leather trim covers the seating surfaces and shift knob. Light Figured Maple or Dark Ebony woods enrich the instrument panel, door trim and leather-wrapped steering wheel. Chrome or satin-nickel accents grace all buttons, knobs and controls. To extend the satin-nickel look to the instrument panel and door-trim panels, select the optional Satin-Nickel Aluminum Trim. Whatever you choose, your senses will be energized.

LEFT TO RIGHT: Convenient cruise and secondary audio and climate controls reside in satin-nickel inserts on the leather-wrapped steering wheel of Lincoln MKZ; a driver's-door keyless-entry keypad can unlock the driver's door, all doors and even the trunk; an available cooling feature can be added to the standard heated front seats, giving you three cool and three heat settings to keep you relaxed and comfortable; Dual-zone Electronic Automatic Temperature Control automatically maintains the temperatures selected by the driver and front passenger; a standard MP3 audio input jack in the center console lets you listen to your MP3 player through the speakers; personalized settings for the sideview mirrors and driver's seat can be recalled by two different drivers.

ALL-NEW 3.5L V-6

With 263 hp and 249 lb.-ft. of torque, the all-new 3.5L 24-valve V-6 engine in Lincoln MKZ helps any dream take flight. The fact that it achieves those numbers on 87 octane fuel puts even more lift under your wings. Featuring intake Variable Cam Timing (iVCT) to ensure the most complete and efficient combustion, the V-6 is teamed with a wide-ratio 6-speed automatic transmission that maximizes the performance feel of the engine while helping it achieve exceptional fuel economy. To deliver smooth, seamless shifts and quiet performance, the engine's Electronic Throttle Control works with the electronic controls in the transmission, adjusting throttle plate movement to tailor shift timing.

NEW INTELLIGENT ALL-WHEEL DRIVE

Tuned with an emphasis on luxury performance, the available new Intelligent All-Wheel-Drive (AWD) system on Lincoln MKZ reacts automatically to changes in traction for confident driving in all weather conditions. This active AWD system seamlessly distributes torque between front and rear wheels, optimizing traction for increased control and performance during rapid acceleration and hug-the-line cornering. On snowy or wet road surfaces, of course, AWD really shines. Since the wheels with the best grip always receive the most power, AWD enhances control when the weather turns nasty. Together with standard Traction Control, AWD can even direct power side to side on each axle, allowing you to continue forward motion if only one wheel has grip.

AN INDEPENDENT SPIRIT

By allowing each wheel to act independently to road imperfections, the sport-tuned 4-wheel independent suspension of Lincoln MKZ supplies a ride quality that's steadfast and true. Up front, the more constant camber angle of a double-wishbone suspension helps reduce understeer and produces better contact with the road for consistent handling and more agile response. In the rear, a multilink independent suspension limits lateral force on the springs for a more composed ride. Stabilizer bars front and rear help reduce body roll, even while cornering at higher speeds. The result is confident handling that invigorates as it inspires.

SOLID REFLEXES

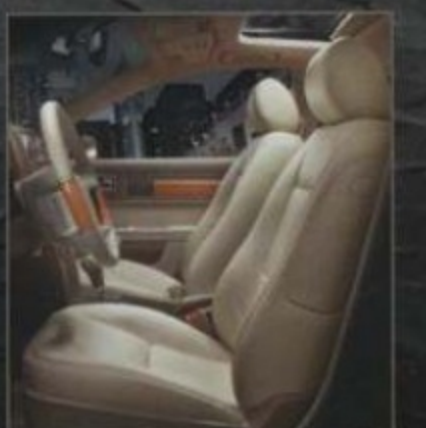

Since front brakes do the lion's share of work in bringing any vehicle to a halt, the 4-wheel disc brakes on Lincoln MKZ feature ventilated rotors up front. Venting helps dissipate the intense heat caused by braking, keeping the area cooler and reducing brake fade. An Anti-lock Brake System gives you enhanced steering control in emergency and hard-braking situations, while LED taillamps give drivers behind you valuable extra warning time since they reach illumination up to a half-second faster than filament bulbs. Available HID headlamps require one-third less power yet provide double the light output than their halogen counterparts.

TOWNSHIP

Underbody shield. Advanced door seals. Extra layers of sound-deadening material. Absorption pads under the carpeting. Thick side window glass. Obviously, there's no better place to recharge your batteries than in the hushed Quietcraft™ interior of the 2007 Lincoln MKZ, where engineers took these steps to minimize unwanted noise. Even the streamlined shape of Lincoln MKZ allows for fluid airflow around the vehicle, contributing to its smooth, quiet ride.

Chrome-capped power sideview mirrors are designed to deflect air away from the glass, minimizing wind noise. And the 50-series V-rated performance tires, designed specifically for Lincoln MKZ, deliver superb ride quality, responsive handling and minimal cabin noise. Their tread pattern provides good wet-weather grip, yet hushed operation on dry pavement. It's a quiet confidence that matches your confident style.

ROLL-FOLD TECHNOLOGY

Allows the side-curtain airbag to position itself between the glass and outboard occupants.

3-POINT SAFETY BELTS

Cover all seating positions; front-seat safety belts feature pretensioners and energy-management retractors as part of the Personal Safety System.®

ANTI-LOCK BRAKE SYSTEM

Features Electronic Brakeforce Distribution (EBD). By measuring brakeforce and directing braking to the wheels that have the best grip, EBD helps achieve shorter stopping distances.

ALL-WHEEL DRIVE (AWD)

Gives you an advantage in all weather conditions. Since the wheels with the best traction always receive the most power, available AWD enhances stability.

INTEGRATED KEY FOB

Integrates door lock and unlock, trunk release and panic button all on the key.

DUAL-STAGE FRONT AIRBAGS

Adjust deployment levels — based on several factors — for enhanced front occupant protection; part of the Personal Safety System.

FRONT-SEAT SIDE AIRBAGS

Enhance chest protection in certain side-impact collisions; seat deployed.

SIDE-CURTAIN AIRBAGS

Enhance head protection for front- and rear-seat outboard occupants.

MKZ SECURITY

If the unthinkable is unavoidable, rest assured that the 2007 Lincoln MKZ is prepared for the worst. Specific structural areas were strengthened against intrusion by manufacturing them with additional steel. Others were designed to collapse, absorb or channel crash energy away from occupants. And inside, occupant protection systems help keep you and your passengers safe. It's peace of mind you can count on, wherever you decide to roam.

STANDARD EQUIPMENT

PERFORMANCE

- All-new 3.5L Duratec 35 DOHC 24-valve aluminum V-6 engine with 263 hp @ 6250 rpm, 249 lb.-ft. of torque @ 4500 rpm, and 10.3:1 compression ratio
- 6-speed electronic automatic transmission with overdrive
- Intake Variable Cam Timing (iVCT) and Electronic Throttle Control (ETC)
- 17" 8-spoke machined-aluminum & painted wheels
- 150,000-mile tune-up interval*
- Front-wheel drive
- Independent Short- and Long-Arm front suspension with coil springs over shocks
- Multilink independent rear suspension
- P225/50VR17 all-season performance tires
- Power 4-wheel disc brakes with Anti-lock Brake System (ABS) and Electronic Brakeforce Distribution (EBD)
- Power rack-and-pinion steering
- 24-mm front and 17-mm rear stabilizer bars
- Sequential multi-port electronic fuel injection
- Stainless steel exhaust system with dual chrome-tipped exhausts
- Traction Control

INTERIOR

- 5-passenger seating
- 60/40 split-folding rear seat with center armrest and 2 cupholders
- Analog clock
- Carpeted front and rear floor mats
- Cupholders (4)
- Dual-zone Electronic Automatic Temperature Control with secondary steering wheel-mounted controls
- Front seatback map pockets
- Full center console with adjustable armrest and two-tiered storage
- Genuine wood accents in Light Figured Maple or Dark Ebony
- Grocery bag hooks in trunk
- Leather-wrapped shift knob
- Leather-wrapped steering wheel with genuine wood accents in Light Figured Maple or Dark Ebony
- MP3 audio input jack in front center console
- Overhead console
- Power, heated 10-way driver and front-passenger seats with power lumbar
- Power points (2)
- Premium AM/FM audio system with 6-disc in-dash CD changer, MP3 and SIRIUS Satellite Radio capabilities, 6 speakers and speed-compensated volume
- Premium leather-trimmed seating
- Remote, power decklid release
- Smoker's Package, including lighter and ashtray
- Tilt/telescopic steering column

INSTRUMENTATION | DRIVER'S CONTROLS

- Auto-dimming rearview mirror
- Power windows with global open and one-touch-open/-close for driver and front passenger
- Steering wheel-mounted cruise, audio and climate controls
- Universal Garage Door Opener
- White LED-backlit instrument cluster with speedometer, tachometer, fuel level gauge, coolant temperature gauge and message center

EXTERIOR

- Body-color door handles
- Fog lamps
- Light-Emitting Diode (LED) taillamps
- Power, heated, chrome sideview mirrors with security approach lamps, memory and auto dimming on driver's side
- Quad-beam halogen headlamps
- Rear-window defroster
- Solar-tinted glass
- Speed-sensitive windshield wipers

SECURITY | SAFETY

- Personal Safety System® with dual-stage front airbags for driver and front passenger,** safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
- 3-point safety belts for all seating positions
- Accessory timed delay
- Autolamp automatic on/off headlamps with delay
- Battery saver
- Belt-Minder® safety belt reminder
- Child-safety rear-door locks
- Emergency in-trunk release handle
- Front-seat side airbags
- Illuminated entry with theatre-dimming feature
- Integrated key fob with trunk release and panic button
- Keyless-entry keypad on driver's door
- Lower anchors and tether anchors for child-safety seats (LATCH)
- Perimeter anti-theft system
- Power door locks
- Remote keyless-entry system
- SecuriLock® passive anti-theft system
- Side-curtain airbags
- Side-intrusion door beams

AVAILABLE EQUIPMENT

- 17" 8-spoke chrome-aluminum wheels
- DVD-based Navigation System†
- Heated and cooled driver and front-passenger seats
- High-Intensity Discharge (HID) headlamps
- Power moonroof with global open and one-touch-open/-close
- THX® II Certified Car Audio System with 600 watts of peak power, 14 speakers (including 2 subwoofers and front/rear center channels), 12 amplifier channels; includes AM/FM stereo/6-disc in-dash CD changer, MP3 and SIRIUS Satellite Radio capabilities and auxiliary audio input jack
- New Intelligent All-Wheel Drive
- SIRIUS Satellite Radio†† including SIRIUS Satellite Radio receiver, SIRIUS Satellite Radio low-profile antenna, and 6-month courtesy subscription to SIRIUS
- Satin-Nickel Aluminum Trim with leather-wrapped steering wheel and satin-nickel trim on the instrument panel and the front and rear doors

WHEELS

- A 17" 8-spoke machined-aluminum & painted Standard
- B 17" 8-spoke chrome-aluminum Available

Complimentary maintenance makes driving your Lincoln even more of a pleasure. Simply bring it to an authorized Lincoln service center, and scheduled maintenance will be performed at no charge throughout your first year of ownership or 15,000 miles, whichever comes first. Additional peace of mind comes from a 4-year/50,000-mile bumper-to-bumper New Vehicle Limited Warranty that covers repair, replacement or adjustment of parts at no additional cost, as well as a 6-year/70,000-mile powertrain limited warranty which features no deductible and is fully transferable. And Roadside Assistance for 6 years or 70,000 miles provides the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Lincoln Mercury Dealer will provide complete details on all of these privileges.

FORD CREDIT Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Lincoln Mercury Dealer for details or check us out at www.fordcredit.com.

FORD MOTOR COMPANY INSURANCE SERVICES Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1.877.367.3847, or visit us at www.fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

FORD EXTENDED SERVICE PLAN For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for an ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln Mercury dealerships.

*Under normal driving conditions with routine fluid and filter changes. **Always wear your safety belt and secure children in the rear seat. †Requires THX II Certified Car Audio System. ††SIRIUS not available in Alaska or Hawaii.
