

2027 Seltos

Movement that inspires

2027 SELTOS

Inspired by a legend.

When it came time to redesign Seltos, we didn't have to look very far to find inspiration. What better model to emulate than our very own all-new 2027 Telluride. With a similar confident stance and bold design, Seltos is now longer and wider, which means more passenger and cargo space than the previous model. And it brings the power with a 2.0L gas engine and 147 horsepower, plus an available turbocharged 1.6L gas engine option.* Now with up to 8.1 inches of available ground clearance,* and available Multi-Terrain AWD Mode,*† Seltos is capable off-road and for the daily commute. In the spirit of inviting – and embracing – whatever comes next, we introduce the all-new 2027 Seltos.

Leveled up.

The modern Seltos is thoughtfully elevated, with attention to every detail including 4-way adjustable front headrests, available heated³ and ventilated front seats,* an available 12-way power-adjustable driver's seat,* plus a SynTex-wrapped steering wheel. The available memory driver's seat* lets you save seat positions for up to 2 drivers, and moves to the preferred position at the push of a button. In a spacious interior this comfortable, every journey feels too short.

Simulated screen shown.

Purposeful design.

The refined driver command center is intuitively designed with an interface that places everything within easy reach. The cabin is airy and spacious with minimalistic, modern styling that streamlines the cockpit, creating a comfortable driving experience.

Panoramic displays

Standard dual 12.3-inch panoramic displays,⁴ plus an available 5-inch climate control display,^{4*} add up to nearly 30 inches of total combined sleek digital convenience.

Driver's relaxation comfort seat^{5*}

Seat controls allow the seat cushion and backrest angles to adjust and evenly distribute pressure for optimal resting posture when in Park, helping to reduce driver fatigue. Available feature.

Heated steering wheel*

Enhance your driving comfort with the warmth of the available heated steering wheel⁶ on cold days.

Smart Cruise Control with Stop & Go^{7*}

When engaged, this available feature can help maintain a predetermined following distance from the vehicle ahead, adjust driving speed, and may even stop the vehicle and restart it under certain circumstances.

*Optional features available only on certain trims. See Features & Trims pages for availability. X-Line SX with Black interior shown. For numbered disclaimers, see Endnotes page.

Thoughtfully connected.

Every drive can feel smart and convenient with the available connectivity and entertainment features* Seltos offers. Wireless Apple CarPlay®⁸ and Android Auto™⁹ are standard on all trims. Keep your focus on the road by using hands-free, conversational voice commands with Kia's AI Assistant.¹⁰ Opt for the available Entertainment and Data Services subscription¹¹* that supports select streaming networks when the vehicle is parked. Kia can help keep your Seltos up-to-date with automatic vehicle software updates.¹² Visit the Kia Connect store to add even more Digital Features and Services.¹³*

*Optional features available only on certain trims. See Features & Trims pages for availability. For numbered disclaimers, see Endnotes page.

Wireless phone charging¹⁴*

A convenient available wireless phone charger* in the center console allows front passengers to charge without a cord.

Premium sound*

The available Harman Kardon® Premium Sound System¹⁵* includes a subwoofer and external amplifier.

USB-C charge ports

Charging ports for the 2nd row are integrated into the first-row seatbacks for easy access.

Kia Access app¹⁶

Use your smartphone for convenient available remote features¹⁷ like remote start,¹⁸* lock/unlock,¹⁹* climate control,* and more.*

Refined functionality.

Pack it all in with Seltos' class-leading 64.2 cu. ft. of max cargo volume with the rear seats folded.²⁰ And do it efficiently with standard Kia AddGear attachment points – a cargo mounting system that provides a flexible, easy way to attach accessories that store items like bags, hats, umbrellas, and more. The dual-level cargo floor is height adjustable to help maximize usable space. And it's all easy to access thanks to the available Smart Power Liftgate.^{21*} Whether you're hauling sports gear, loading groceries, or packing for a trip, Seltos is versatile and accommodating.

*Optional features available only on certain trims. See Features & Trims pages for availability. S with Black & Gray interior shown. For numbered disclaimers, see Endnotes page.

Comfort without compromise.

No matter what trim level you choose, you'll find that Seltos raises the bar on comfort and convenience. The front center console is purposefully designed to place controls, charging ports and storage where you need and expect them. The available lush, two-tone SynTex seats* add style to comfort. And best-in-class interior volume²² helps front and rear passengers alike stretch out and enjoy the ride.

*Optional features available only on certain trims. See Features & Trim pages for availability. EX with Saturn Black & Gray interior shown. For numbered disclaimers, see Endnotes page.

Premium practicality.

Seltos stands out by offering features that facilitate ease and comfort in everyday life. The available Smart Power Liftgate^{21*} is height adjustable, so it can be customized to suit the driver's height preference, or to accommodate the clearance space of a garage. And the cargo area is easily accessible with the touch of a button on your Smart Key – which also enables keyless lock and unlock, and push-button start.

*Optional features available only on certain trims. See Features & Trims pages for availability. EX shown in Frost Blue. For numbered disclaimers, see Endnotes page.

Kia myQ Connected Garage^{23*}

Control, manage, and monitor your garage door through the touchscreen display with this available feature.

Simulated seat operation.

Heated and ventilated front seats*

Add extra, year-round comfort for a wide range of climates with available heated³ and ventilated front seats.*

Memory driver's seat and side view mirrors*

With the press of a single button, store preferred seat and side view mirror positions for a personalized experience for multiple drivers. Available feature.

Dual-Zone Temperature Control*

The available dual-zone climate control system* includes auto de-fog, and enhances front-seat comfort with convenient, separate temperature controls for the driver and passenger.

Kia has a long history of prioritizing your peace of mind, and the all-new Seltos is no exception. It offers 13 standard, and a total of up to 24 available, driver-assistance technologies.¹ Forward Collision-Avoidance Assist¹ uses cameras and sensors to detect vehicle, pedestrian, and cyclist traffic, and is designed to provide auditory and visual warnings, and can automatically apply the brakes in certain conditions. Available Rear Cross-Traffic Collision-Avoidance Assist^{1*} (illustrated above) is designed to help avoid a collision with a vehicle approaching from either side while reversing. Plus, Seltos includes 8 airbags²⁴ throughout the cabin. Scan the QR code to learn more about all the driver-assistance technologies offered on Seltos.
