PONTIAC 1986

PONTIAC GRAND PRIX LE

Selecting your Grand Prix, LE or Brougham is only the start. With a full range of interior, drivetrain and suspension options, you can bathe yourself in luxury...or prepare for the open road. Power steering, power brakes, automatic transmission and a responsive V6 engine are among Grand Prix's many standard features.

Instruments in Canada are metric where required.

A wide range of optional equipment, including rally gauge instrumentation, rally tuned suspension, 55/45 notchback seating (standard on Brougham), electronic cruise control, two-tone paint and a long list of Delco-GM sound systems, is available. You can also add such special touches as turbo-finned aluminum wheels, remote-control twin sport mirrors and a power sunroof with manual sliding sunshade to help make your Grand Prix an even more personal choice...with plenty of style.

PONTIAC BONNEVILLE

The 1986 Bonneville is a very contemporary car. It's personal-sized, yet features comfort for six with an abundance of luxury and elegance.

Bonneville offers three models, Bonneville, LE and Brougham, all richly detailed, tastefully appointed and styled with that definitive Pontiac flair.

Instruments in Canada are metric where required.

While Bonneville Brougham is tailored to more luxurious tastes, the Bonneville LE reflects a more adventurous flair. And with such available features as full instrument gauges, limited slip differential, turbo-finned aluminum wheels and a 5.0 litre V8 engine, you can take to the open road...in spirited luxury. But no matter which Bonneville you choose, power steering, power brakes and an automatic transmission are standard.

PONTIAC PARISIENNE

If you desire the spacious comfort, distinctive appearance and graceful ride of the traditional full-sized luxury car, meet the ultimate in Pontiac luxury...meet Parisienne.

Behind the wheel of Parisienne Brougham, you can relax in the deeply padded contours of the standard 55/45 split front seat with centre arm support. The richly detailed interior is tasteful, yet very functional. Drive Parisienne and feel the confident, solid ride of its full coil suspension and full perimeter frame. Also available as a station wagon, Parisienne is everything you'd expect in full-sized luxury.

Instruments in Canada are metric where required.

1986 PONTIAC FACTS & FIGURES

Select the combination of "extras" that make your Pontiac uniquely yours from the long list of standard and available features, some of which are given on the next page. Ask your dealer about group packages and the many other features not indicated. Your dealer will also advise you of the availability of the various items on the model of your choice.

Standard Features on all Pontiacs

SAFETY FEATURES

OCCUPANT PROTECTION • Manual lap/shoulder belts for driver and right front passenger (driver side includes visual and audible warning system). • Manual lap belts at each rear seat position, (and centre front, when applicable) • Energy absorbing steering column • Energy absorbing instrument panel • Energy absorbing front seat back tops • Laminated safety windshield glass and tempered safety side and rear window glass, (except plastic rear window, Sunbird convertible) • Safety interlocking door latches • Passenger-guard inside door lock handles • Inertia-locking, folding front seat backs, (manual release, Firefly) • Safety armrests • Head restraints, driver and right front passenger (adjustable/integral) • Dual sun visors • Smooth contoured door and window regulator handles • Pressure lock radiator cap.

ACCIDENT AVOIDANCE • Side marker lights and reflectors • Parking lamps that illuminate with headlamps • Four-way hazard warning flasher • Back-up lights • High-mounted stop lamps • Directional signal control (and lane change feature–except Firefly) • Windshield defroster, washer and dual speed wipers • Inside rearview mirror with vinyl-bonded glass • Outside left rearview mirror • Brake system with dual master cylinder and warning light • Starter safety switch • Dual action hood latch system (except rear opening Fiero) • Low glare finish on instrument panel top, inside windshield mouldings, wiper arms/blades, metallic steering wheel surfaces • Illuminated heater and defroster controls • Illuminated windshield wiper and washer controls (if on I/P) • Tires with built-in tread-wear indicators • Safety road wheel rims • Audible brake lining wear indicators, all disc brakes • Self-adjusting brake feature • Pressure relief fuel cap (pressure relief fuel system, Firebird).

THEFT DETERRENCE • Audible reminder for ignition key removal • Theft deterrent steering column lock • Visible vehicle identification number • Remote inside hood release • Theft deterrent key system (separate key for ignition), except Firefly.

A Word About This Catalogue

The vehicles described in this catalogue incorporate components produced by General Motors of Canada Limited and related companies and suppliers. During manufacturing, different components than initially scheduled may be used.

All illustrations and specifications contained in this catalogue are based on the latest product information at time of publication approval. The right is reserved to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models. Some of the equipment shown or described throughout this catalogue is available at extra cost or can only be ordered in conjunction with the other optional equipment. Some options may not be available when your vehicle is built. Check with your dealer for complete information.

PONTIAC BUILDS EXCITEMENT

THE PONTIAC PHILOSOPHY

The Pontiac Philosophy is simple: Cars that truly reflect our commitment to innovative styling and engineering, along with the kind of outstanding performance and roadability that have become our trademark.

For 1986 you'll find advanced aerodynamics, specially tuned suspension systems, ergonomic interior environments and sophisticated engines.

And as excited as we are about our cars now–we can't wait for the future.

COMMITMENT TO Excellence

General Motors recognizes that taking delivery of your new vehicle is a significant event. To ensure that your delivery experience contributes to your overall satisfaction, we have implemented a "Commitment to Excellence" Delivery Procedure.

This procedure includes a thorough new vehicle inspection by both the service technician and salesperson, a full tank of fuel, and a follow-up survey to determine your satisfaction with the delivery experience.

General Motors "Commitment to Excellence" is yet another excellent reason to "Look at GM Today."

For Your Protection*

1. New Vehicle Limited Warranty – 12 months or 20,000 kilometres, whichever comes first.
2. Powertrain Coverage – 36 months or 60,000 kilometres, whichever comes first on gasoline engines ($100 deductible).
3. Owner Assistance Program.
4. Special Policy Adjustment Program.

**Ask your dealer for details.*

GM Protection Plan

While there are many service contracts available on the market today, *there is only one which gives you an agreement directly with General Motors.* It is the one with the GM Protection Plan logo shown above. This logo on all Plan material assures you that the service contract you are buying is the GM Plan, we believe the finest such program available to GM owners.

The GM Protection Plan provides additional protection during and after the new vehicle limited warranties. Ask your General Motors dealer for details and information about the *genuine GM Protection Plan.*

FUTURE-GUARD
NO EXTRA COST

5-year unlimited kilometres corrosion perforation warranty. On all 1986 GM passenger cars. Ask your dealer for details.
